Bill Waddell - I'm gay

Billy

I will try and do my best
to cover this up. I hope you
can read what I am
writing. I'm glad that
we had comparative religions
together. I think it brought
us to be better friends. It
was fun during basketball.
You guys were really great.
The best part was TP'ing
your car. You really shouldn't
have it unlocked. The prom
was really fun. I'm glad that
you guys had a room with us.
You shouldn't have left so early.
But I'm sure it was getting
boring for you. I hope you had
a good time. Just think in three
months you will be living with
Steve at UCI. Don't kill yourself.
You know Steve. Enjoy yourself
this summer cuz next year will
be right back to work. Don't change
any, Billy. You are a great person
the way you are. And I hope that
no one takes any chances on you. Take care
of yourself and please keep in touch.
USC isn't that far away. Love
Wendy

William Emil Waddell,

My name is Nina Jane

Caston - Remember me?

Love Always,
Nina

Bill,

I hope you have a very good year. Oh shoot! I didn't mean to start out like that. I meant to say, ~~it~~ was a very good year. But I blew it! Oh well. Good luck in life! Bye.

Love,
Randy Zook.

Willy,

So you are going to major in Physics at college, huh. I always knew you had it in you. The way you cleaned up in our Physics class. Even though Ryan gave you a bad time, you still pulled through with a low "C". Now its off to UCI and rooming with Steve (Kyle) Koehler. I don't know how long you'll last together. Say hi to Nenne (Nina) for me if you ever see her again after life here at M.H.S. Good luck in your physical endeavors. Have fun at UCI (University of California Idiots) and have a good summer riding the waves like a good surfer.

Bill,

Well old boy,

I hate to say it but it's so long to good old Miraleste. I have to congratulate you on your basket ball. At lest there was one sport we won games in instead of lost (Football). But any way, It's too bad that Physics came along this year. It's one class I could have lived without. The labs were fun, but only because I always messed them up. I could handle chemistry. So, hope your summer is spiffy and good and good luck at UCI.

Dean Miller

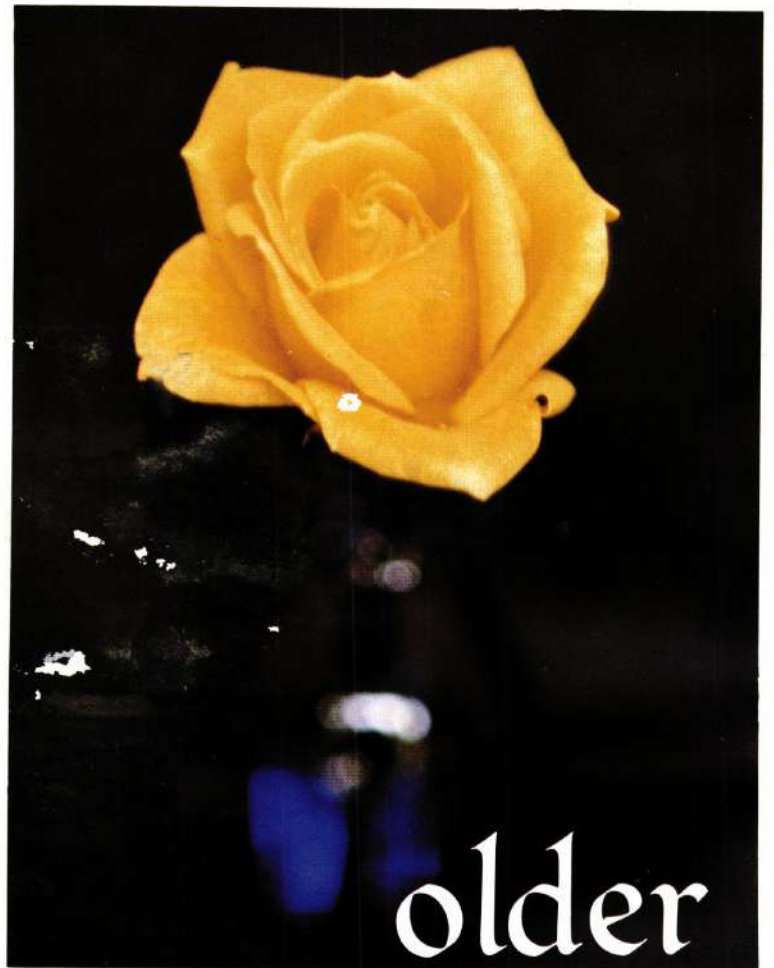

Bill
haven't troubles
President's Committee
old solve those ad
they Bill, won't be at home with
all you guys. I like girls better.
hope to see you someday doing what
you like, B.S. being teachers, making
book shots. And just cooping around.

Billy read; my friend with the funny fingers. You're the one who's crazy, flying paper airplanes in the library from one end to the other, and then telling the teacher who gets you in trouble. "How do you do, my name is Bill Waddell." Basketball was the best, those bus rides with you acting weird as ever when we would squirt everyone on the bus with water or throw papers around, banana peels and anything else that was handy. Oh and you climbing on the back board like a monkey to get a stuck basketball down. We had a couple of good staring contests on the buses. Oh and the way you look when you stick your front teeth up against your lip like a little rodent. I had a really fun time charting for you guys, especially your V.W. you know

Bill
 For a basketball
 Jack you really
 surprised me. You are
 sooo nice and funny
 and you made Physics
 bearable. I don't know
 anyone else who can
 stare Ryan down
 like that. You put
 him in his place.
 Good Luck at
 Trine, look like
 you'll have to have your
 own parties.
 Have a happy

P.S. we never did wash
 Ryans car. Looks like
 its too late, they've
 already condemned it

Class of 1979

Caryn Goodley-Freshman Class President

Carolyn Clark-Freshman Class Vice President

The Class of '79 really started out with a great freshman year here at Miraleste. We began with a See's Candy Sale and graduated to bigger and better things. I think the Bicentennial Festival really showed our spirit, pride and enthusiasm that will be with us for the rest of our next three years at M.H.S. I feel that the freshman class of the '75-'76 year really showed a new dimension in what a freshman is.

Class of 1978

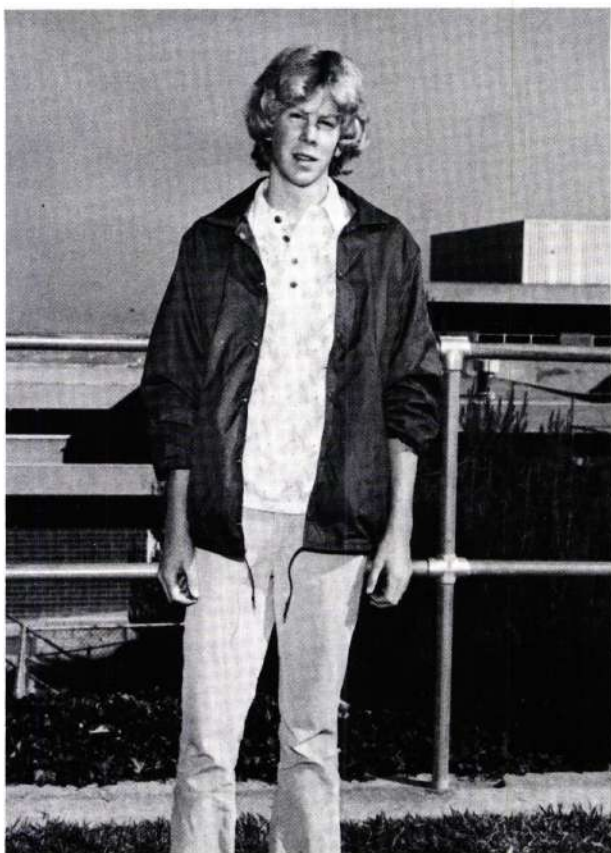

Matt Sitzer-Sophomore Class President

Dedicated to the belief that Miraleste is the best-the sophomore class has worked hard to prove it. Though our class is the largest, we are one of great unity. We only accomplished the great things we did through a combined effort. The most important part of any organization's success is that of getting everyone to participate. It has truly been a pleasure to work with a class so full of enthusiasm and so great in all aspects. The sophomore class has made this year an outstanding one and Miraleste should be very grateful to have us for two more years.

Class of 1977

Robert Nebolon, Junior Class Vice President

The junior class has a very important job every year. That job is to have a successful junior-senior prom that is put on for the seniors. We worked hard as a group and tried to raise money. We came up with some exciting fund-raising shows such as the hypnotist show with George and Joyce Sharp and the Dating Game. Because we had such a fantastic group of juniors who worked diligently, the prom was the crowning achievement of the year.

-Kelly Falk, Junior Class President

Kelly Falk, Junior Class President

Laurie Villasenor, Junior Class Secretary

The Junior Class sponsored a "Dating Game" on February 9th. This was one of the more popular events, since it gave Miraleste and Palos Verdes High Schools the opportunity to get together for some fun.

SENIORS

Abbey Peek-Senior Class President

Steve Wagner-Senior Class Vice President

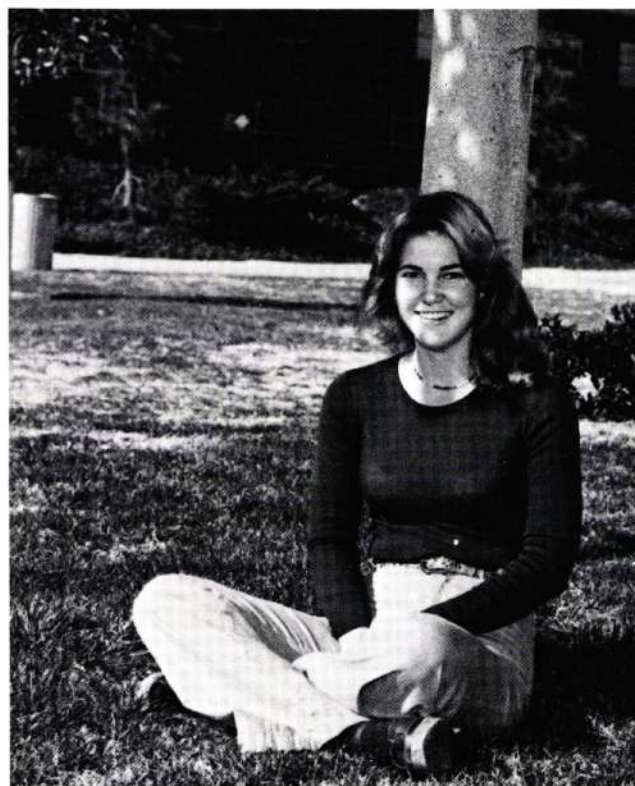

Class of 1976

Creating a sense of unity throughout the entire class has been one of the most beneficial accomplishments of the seniors this year. Cooperation, perseverance, and hard work made it possible to carry out such events as the Valentine Day carnation sale, the Bicentennial festival, and the Junior-Senior prom. Although this class will lose its physical unity at graduation, it will always remain as one in the minds of its members. Miraleste High School can be proud to offer such a creative and humanistic group of students to a society which is in need of its talents.

-Abbey Peek, Senior Class President

Bryan Crane-Senior Class Treasurer

Lori Cameron-Senior Class Secretary

I see the people new, come and go,
I see the winters melt, then grow.

I watch the sunshine appear
then leave,
I see the time strain through
a sieve.

The tear drops fall, then dry away,
I capture these moments every day.

I hold a friendship deep inside,
And look away,
For my feelings hide.

I wish to remember a time when,
We will be feeling again.

Administration

The administration of the Palos Verdes Peninsula Unified School District had many proposed goals for the 1975-1976 school year.

Long range plans were made for determining the costs on Interscholastic sports and a fair balance of sports for both girls and boys.

Administrators were also concentrating on updating board policies and implementing a new law on school employees.

Your graduating class has contributed a great deal to Miraleste High School. Your academic achievements, your athletic abilities and your contributions to co-curricular activities have been outstanding.

I certainly hope that in the years to come when you look through this year book that all of the happy times that you experienced at Miraleste High School will be recalled.

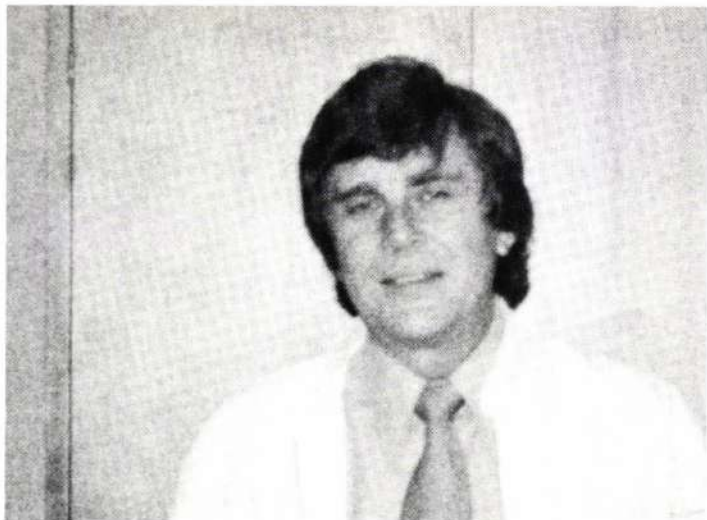

We are certainly proud of you.

P.T.S.A. and V.I.P.'s

This year the PTSA's major goals were communications and unity. They were trying harder to have more of an interaction between students, parents, teachers, and the administration.

Along with the nine students who were on the PTSA board, the students who were members of the PTSA had voting and speaking rights. A volunteer aid program of ninety women came about because of the tax cutbacks. These volunteers worked in six areas. These areas included clerical and public relations, the Student Store, helping counselors with paper work, managing the Text-book room, working in the library and helping teachers in the Freshman English classes.

The counseling staff at Miraleste High School has placed a major emphasis on communicating with the parents. This communication was carried out through the newly formed PTSA coffees, the school newspaper, the local newspaper, and the PTSA flyer, "Que Pasa". The counseling staff has also been concerned with the post high school plans of the students and has worked in unison with the career center to sponsor many college seminars. This year, Mr. Don Griffith was a new addition to the counseling staff. Mr. Griffith, who received his B.A. from Occidental College and his Master's degree from the University of Southern California, has been greatly concerned about informing seniors about all of the scholarships available to them. The counselors have frequently met with Dr. Robert Ferrera and Dr. Richard Reese.

English

The English department has undergone considerable change this year. The change began with the naming of a new department chairman, Mr. Robert Davis. Mr. Davis, a former teacher at Rolling Hills High School, began immediately to make new plans for the English department. He first set out to obtain new grammar books for each grade level. His next concerns were strengthening the modified program and making the honors program more challenging. The challenge in the honors program was of such great importance to Dr. Robert Ferrara, principal of Miraleste High School, that he became involved and co-taught in the program with Mrs. Barbara Covey. Also included in Mr. Davis' plans was informing intermediate school teachers and students about the English skills students should acquire before entering high school.

The Special Education program at Miraleste High School is devoted to helping those students who have experienced problems in the fields of Math, Science, English or Social Science. These students report to Mr. Jack Everroad, who is in charge of the program, for one or two periods per day in order to receive special attention and assistance in the subject which has presented problems to them. Small classes of eight students per period allow Mr. Everroad to give his undivided attention to each individual's problems and needs.

Mathematics

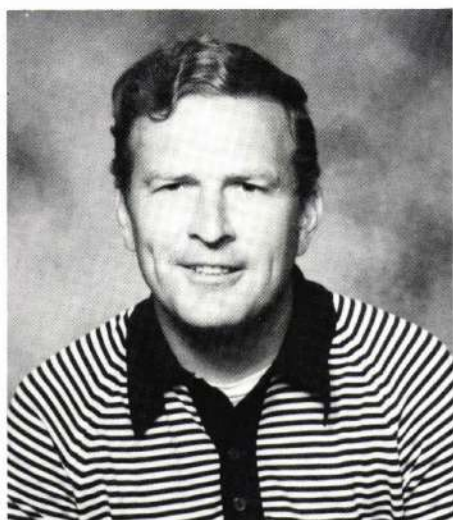

This year, for the first time, Miraleste High School had a teacher exchange program. Mr. Carl Duzan went back to teach near Philadelphia and Mr. Gene Rothberg came to Miraleste. Next year, both teachers will be back in their original schools. Since Mr. Duzan had been department chairman of Math and Science, Mrs. Millie Garretson was chosen to take over this year. The department members were very busy designing a new program for our math students. Their goals were to add a third year of math for the college prep students and to have the trig students go into a pre-calculus class before proceeding to calculus.

Science

The science program at Miraleste High School has been very good this past year.

Along with the students in the classes, the teachers make science not only a learning experience, but a fun way to learn about different aspects of life.

The program was designed to stimulate the students by broadening their knowledge in the different science areas.

P.E.

Thanks to the outstanding P.E. department, our P.E. classes have been both exciting and informative. The department made many changes in the classes to accomodate the many interests of our students. The freshmen class consisted of swimming, tumbling and folk-dancing. The sophomores could attend tennis, softball and assorted field activities. The juniors were able to take archery, volleyball and ski fitness. The seniors were able to choose their own classes.

As the Bell Rings...

School for most students began at 8:00. But for some it began at 7:00. Drill team practices started at 7:00, and the girls came half dressed, ready for anything but high kicks and quick moving around. The SCROC bus was here at 7:05. The boys' swim team beat them all; they were in the water by 6:00. What a way to start the day...

Mrs. Trost had her own way of waking everyone up. She held an alarm clock up to the P.A. system to get everyone to class on time when the bells weren't working properly.

Good morning! This is the Miraleste High School Daily Bulletin. I'm Bill Darling and I'm Richard Covey and...

Second period has much to offer to the student who has just awakened. Every Monday and Wednesday at the beginning of the period the daily bulletin was read over the P.A. system by Richard Covey and Bill Darling. On Wednesday an added attraction was also heard—the Bicentennial Minutes. Written by students in Mrs. Kordich's A.P. History class, the episode usually included full orchestration and sound effects.

Students in the Flex classes were already in their second hour of learning about ancient Greek and Roman history, while the A.P. History classes were just beginning a period of cramming two hundred years of presidents, wars, Whigs, and Jim Crows into a little less than eight months, for the A.P. exams May 6. Mr. Ed Boynton, age 97, reported to the history classes on what it was like to be alive at the turn of the century. As the oldest living member of the American Association for the Advancement of Barber-shop Quartets, he also reported to Ms. Evans' Madrigal group.

Many students were taking one of their required English or language courses by the time second period rolled around. Foreign language courses were French, Spanish, or German. Some even took English as a foreign language.

The "rail", like the local "Deli," is "the" hangout for students during lunch. Jocks and studs daily add to the slow but sure weakening of this immortal structure.

Distribution of student I.D.'s during lunch created a day of total chaos and disappointment. The lines were long and many pictures were destroyed by mysterious white lines across the faces.

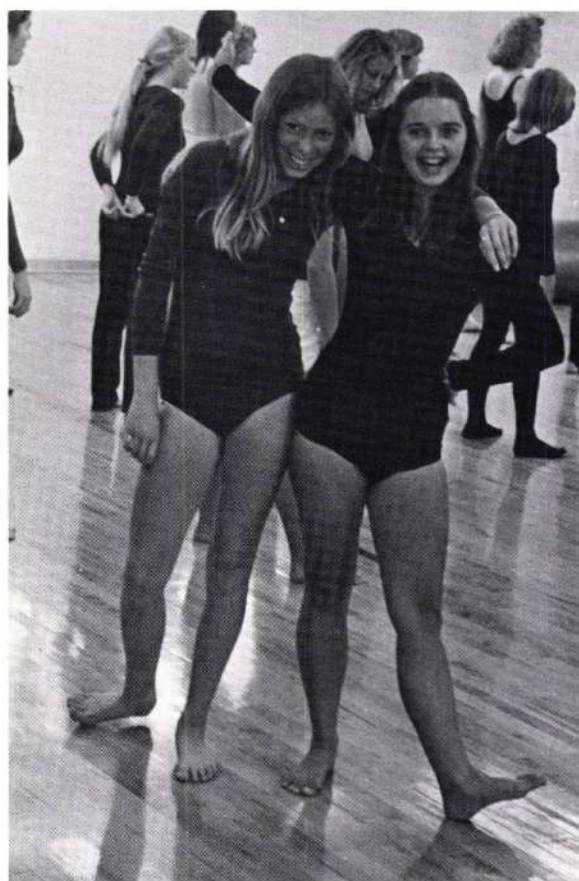

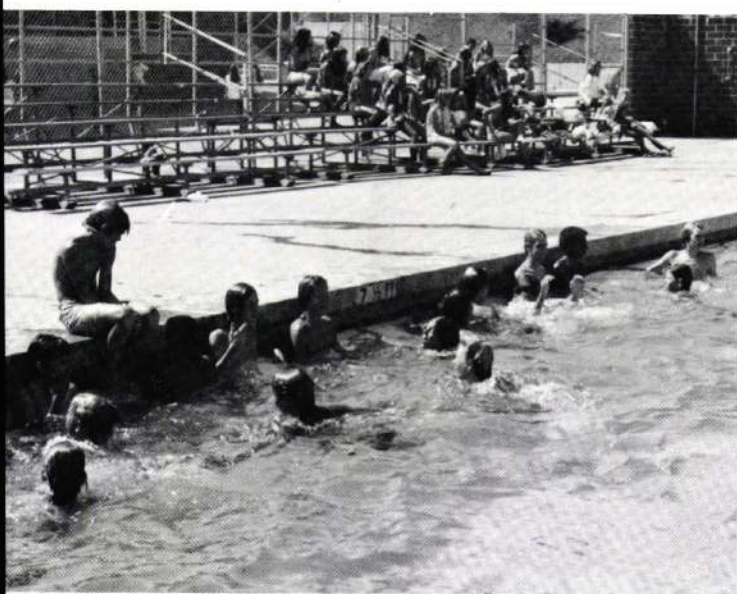

A new outdoor snack shack was built to ease the congestion of the lunch room. The red and white, brightly painted, barnlike building created not only one long line but two long lines.

If you are sane, and "brown bag it," you may eat lunch on the grass, if you can find a spot among all the trash.

Coach Mike Caston heads the P.E. department this year and has pioneered some exciting changes. Techniques in the pool and on the dance floor are requirements for freshmen. For the upper classmen, there are a variety of choices to suit their athletic tastes. Archery, modern dance, ski fitness, and skills in backpacking are just a few of the offerings.

Microscopes, beakers, tape recorders, logarithms and proofs are some of the awesome contraptions and formulas that confront students in the Math and Science Departments. Math/Science Area chairperson, Ms. Millie Garretson, offers a total of ten different mind-boggling math courses. Students must wind in and out of Algebra I, Geometry, and possibly Algebra II just to graduate. The more ambitious ones seek out Trig and Analytic Geometry, to name a few. Within the Science department there are seven courses offered. Chemistry and Physics are for those students who don't mind experiments exploding in their faces or objects flying around the room at different velocities.

Students taking reading improvement this year not only improve their reading skills but also get to play around with the machines.

Forensics Tops in Bay Area

The Forensics Club was extremely successful this year, quadrupling its membership, taking sweepstakes at numerous tournaments, and sending six members to state competition. Members of the club have attended tournaments as far away as Sacramento, with an over-nighter in Burbank and the state tournament in San Francisco. For the first time, MHS held an invitational tournament, requiring a lot of time and work. The talent of the members and dedication of the coach have combined to make Miraleste's best squad. The officers this year were: Kevin Brody, (President) Drew Stern and Pitty Roberts (Vice-Presidents) Christine Gruhn and Jan Plummer (Secretaries) and Bob Harwood (Treasurer). Amy Weisz (Sales Co-ordinator)

Six students qualified for the State Forensics Tournament held in San Francisco on April 28, 29 and 30. The Forensics Club capped its competitive season by sending more representatives to the State Tournament than any other school in the South Bay area.

Students qualifying were Richard Covey in Dramatic Interpretation, Kip Green in Boys Impromptu, Jim Hedges and Drew Stern in Debate, Christine Gruhn in Girls Original Oratory and in Expository Speaking, Jan Plummer in Girls Extemporaneous.

Marauders Start Strong End Injured

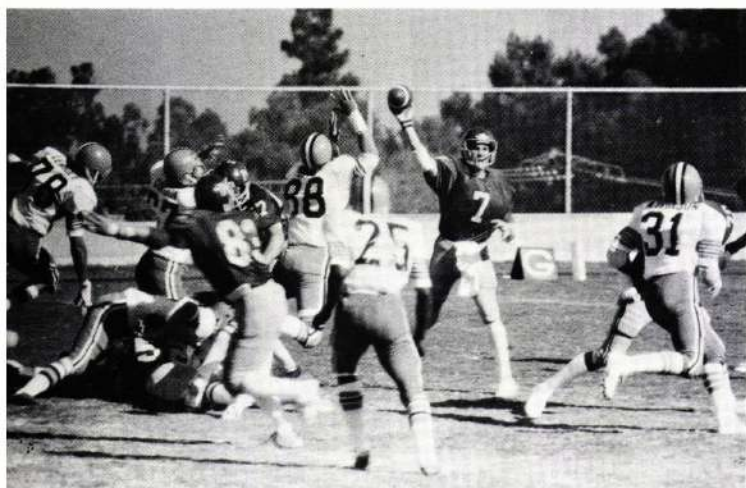

Micoz, DeAnglis, and Smith set up a fierce wall of protection as Grant Harris sweeps the left end against Morningside. Harris showed strength and agility throughout the Marauder's season.

The 1975 Miraleste Varsity Football Team started off their season in fine fashion, but then found out how tough the trail was that lay ahead of them. Ending their season with a misleading 3-6 record, the Marauders gridders started fast with a hard earned 3-0 record before injuries crippled their chances for a successful year.

Pre-league action saw the Marauders facing Garden Grove and Lawndale, both of whom went on to win their respective league titles. Neither team however could cope with the potent defense which Miraleste portrayed in the opening games. A more physical Garden Grove team fell to the Marauders 3-0 on Todd De-Anglis' 33 yard field goal in the last few seconds. Lawndale, a smaller but quicker opponent, also could not endure the tenacious MHS defense that left them virtually ineffective. A quick score in the first quarter was all that was needed as the gridders ran their unblemished record to 2-0.

Enstedt and Martin combine their explosive power to thrash an oncoming opponent.

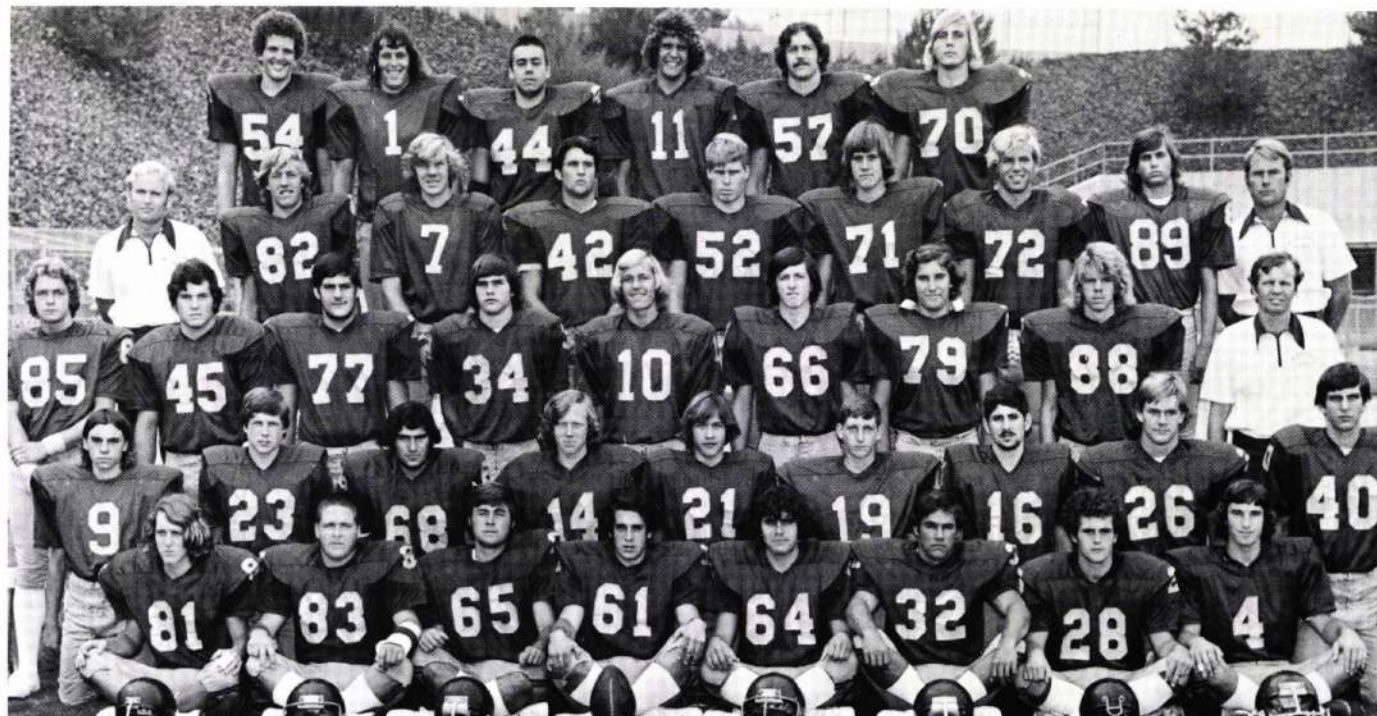

Junior quarterback, Mark Sauer rolls out, searches and discovers Todd De Angelis open in the flat.

League play began and the Marauders opened with a 7-0 victory over scrappy Torrance High. Another defensive struggle saw Mark Sauer, junior quarterback, capping a beautifully executed drive, scoring from seven yards out on a quarterback keeper.

From their first league victory against Torrance, it was all down hill for a battered and bruised team that was dwindling faster each week. Losing all of their remaining six games in league, the varsity never came closer than 10 points in any contest, except for a heartbreaking 26-22 come from behind victory by Aviation.

Leading the offensive and defensive lines for the Marauders were: Dean Smith, Al Di Rocco, Jeff Everett, Bob Schmit, Bill Irvine, Rick Martin and Nick Padovan. Defensive backs for Miraleste were Butch Pederson, Grant Harris, Bob Perkovich, Vic Catalina and Dennis Richardson. Linebacking were Greg Micoz and Todd De Angelis.

Micoz and Richardson each had 100 yard games rushing during the year.

Soph Shows Strength With Best Record

"Sophomores at Miraleste were the most successful during a disappointing 1975 football season." Under the directing of head coach James Dugan and his assistant coaches Jim Trani and Kim Smith, the Marauder gridders boasted a 7-2 record demolishing opponents with their "big play" concept.

Led by MVP quarterback Keith Jennings, the MHS offense devastated their competitors with superb playing from Delvon Davis, potent threat as a runner and receiver, flanker Bob Martin and wide receiver Sean Daunt. Guy Grant and John Aguirre ran over opposing defenses with a powerful ground attack. The line was anchored by John Kouri and Brad Hodges. League standings saw the sophomores tying for second place with a 5-2 record.

Tough Season

Frosh Battle to Stay Alive

Under the direction of head coach Arthur Warner and his assistant Larry Hoover, the frosh football team struggled to a 3-5-1 record in their first season.

Losing both of their pre-league contests, the Marauder gridders bounced back from their first league loss with back to back wins over Beverly Hills and Morningside. Despite having a relatively poor record, the MHS freshman had many versatile athletes during the season. Co-MVPs Mike Halverson and Mike Morgan led the backfield and line respectively with important help from Kevin Jennings, Chris Herpin and Matt Doran. Doran led the offense with excellent passing and ability to run the motion.

Varsity Keeps Afloat Goes to C.I.F. Takes League Without a Splash

Varsity - ROW 1: D.Winston, J.Jackson, F.Virgee, L.Lean, M.Handley, ROW 2: Coach R. Beardslee, G.Buchanan, E.Personius, C.McBee, K.Krauss.

The highest scorer in MHS history, Ed Personius, moves in position for the play. Ed went on to be named MVP.

The 1975 Water Polo Team did just about everything one could ask for except capturing a C.I.F. win in the first round. Undefeated in Ocean League play, the Marauder poloists were led by Ed Personius, number one scorer in M.H.S. history.

The water poloists scored over twice as many goals as their opponents, with a powerhouse offense. This feat was incredible since most of the team was made up of underclassmen. Rated as high as fourth in C.I.F. 3A competition, the M.H.S. poloists were shocked in the playoffs by rugged Whittier High School 11-9.

Beside Personius, the Ocean League's Most Valuable Player, juniors Kevin Krauss and Cam McBee were also voted to the Ocean League first team for their superb play throughout the season. Mark Hanley and Greg Buchanan, both underclassmen, played excellently for the Marauders as did Greg Delgado and Larry Lean. The future looks extremely bright for water polo at Miraleste with the skill found in the '75 campaign.

Coach Beardslee rounds up the team for a pep talk and for discussing tactics.

J.V.'s and Frosh-Soph Finish Indentically; Should Continue Winning Ways

In the shadows of a fantastic varsity team, the junior varsity and frosh-soph teams portrayed quality talent that should start a dynasty for future years at Miraleste.

Take that! A Marauder floats the ball past a helpless opponent.

As the Marauder defense fights for the ball the goalie treads water in readiness to snatch the ball.

The junior varsity poloists finished their season with a winning 5-4 record and a third place finish in league. Randy Williams, Charlie Raine, Jim Davey and Scott Richardson all played outstanding water polo and should be quite helpful in next year's varsity games.

Frosh-soph water poloists had an identical 5-4 record but played much better than their record indicated. Led by Sue Byrd, John Hines, Bob Harris and Todd Wendorff, the Marauders finished fourth in league, and did quite well in the Cypress Frosh-Soph Tournament. Their plays in the second half of the year showed flashes of outstanding play and great expectations for next year.

Frosh. Soph. - ROW 1: M.Balkman, T.Wendorff, G. Anzivino, G.Weitzman, B.Harris. ROW 2: W.Rousseau, C.Pike, M.Jensen, E.Butler, D.Cadot, J.Hynes. ROW 3: Coach Manard, S.Nussbaum, L.Houske, K. Gilliam, D.Gilbert, D.Swanson, D.Harris.

Varsity - ROW 1: J.Garrison, R.Nebolon, K.Hanson, J.Migliore, F.Arndt ROW 2: T.Banta, R.Wetzel, C.Parker, D.Denni, S.Foster.

Varsity Cross-Country coach, Richard Henkel, led Miraleste to an undefeated league title in the Ocean League and outstanding performances in the El Camino Invitational (winning this classic) and the Long Beach and Ken Stabbs Invitationals. They were the finest team in MHS history.

After an incredible upset victory over highly ranked Hawthorne High, there was no doubt about the road that lay ahead. In this dual meet, Bryan Crane was outstanding in the clutch-a quality he portrayed all year.

Richard Wetzel was the number one man with no questions asked. He was one of the finest runners in the league and South Bay. Other outstanding runners for Miraleste were Stan Foster, Fred Arndt, Jeff Garrison, Dave Denni, Chris Parker, and Ted Banta.

Greg Marinkovich and Boyd Lebow all alone moving full tilt.

Junior Varsity runners at Miraleste did everything an excellent team could possibly do just as the freshmen did. Both went undefeated and captured their respective league titles.

Leading the way for MHS's JVs were Robert Nebolon, John Migliore, Ken Hansen and Dick and Bill Biegel.

The sophomore harriers didn't have as much good

fortune. Capturing only one league meet due to a lack of depth, the sophs were paced by number one man, Mike Toole, who was followed by Boyd Lebow, Tim Roberts and Greg Marinkovich.

Tom Haney's outstanding performance paced the freshmen team to an outstanding season. He was solidly backed by Pat Rogers, Paul Moore, Dan Hudson, Kevin Marinkovich, and Jim Dykzeul.

Display Individual Talent

Marauder Wrestlers Impressive in League

Varsity grapplers at M.H.S. had continual bright performances throughout the season. Their disappointing league record was due to the forfeiting of many matches because of illness and weight problems, crucial factors in dual meet encounters.

Leading the Marauder attack was senior grappler Rick Martin who was invincible during the entire season. His flawless performances, coupled with the backing of Dale Stark, John Villicich, John Foley, and Alan Fenton, gave the Marauders a respectable season in the face of their rigid competition. These wrestlers were consistent the entire year.

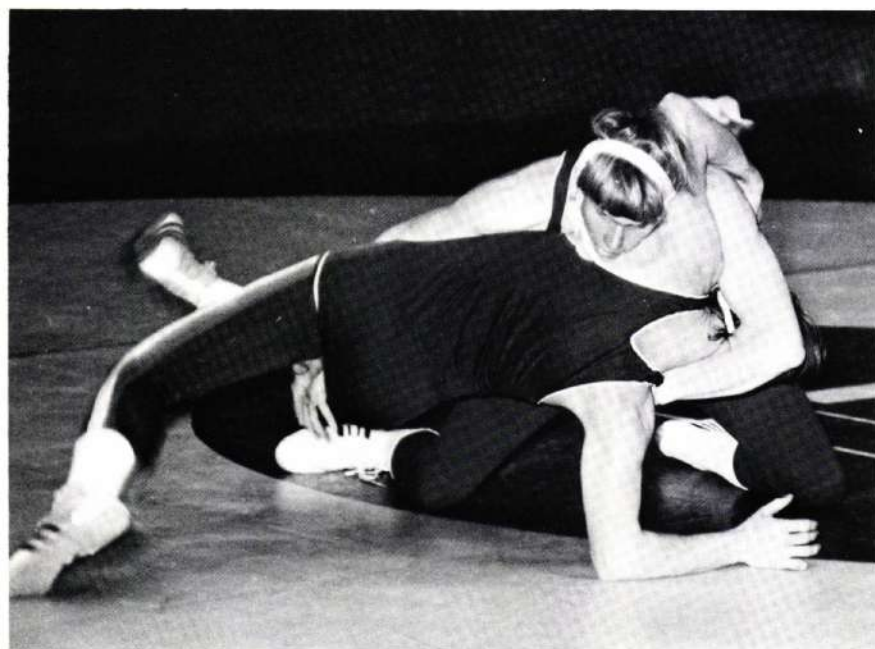

Miraleste did well in the Ocean League finals as they sent eight wrestlers while five wrestled for the championship. Rick Martin and Junior John Foley, won the Ocean League titles. John Villicich, Dale Stark and Steve Lopez placed second in the Ocean

David Miller stands up to escape from opponent.

The 1976 frosh-soph and junior varsity wrestling teams were almost exact replicas of the varsity wrestling team not an impressive league record but with outstanding individual talent that was consistent throughout the entire season.

Some of the standout performers on the frosh-soph squad were Bruce Nelson, champion of the Beverly Hills Quadrangle Tournament, Ryan Everett, Dana Chandler, Mike Keller, and Jim Winston. Jim

Detchmendy did well at 191 pounds but the best prospect was Peter Bierbaum at 147 pounds. His consistency enabled him to take a second place in the El Camino Freshman Tournament.

Junior varsity wrestlers were paced by Harold Nixt who was outstanding in league competition. Wayne Schiada and Doug Mitchell also were fine performers. The talent displayed in the novice program should be invaluable for the varsity's future.

McCormick Leads Way

Varsity Cagers Take Second; Advance to CIF Again

Brian McCormick #15

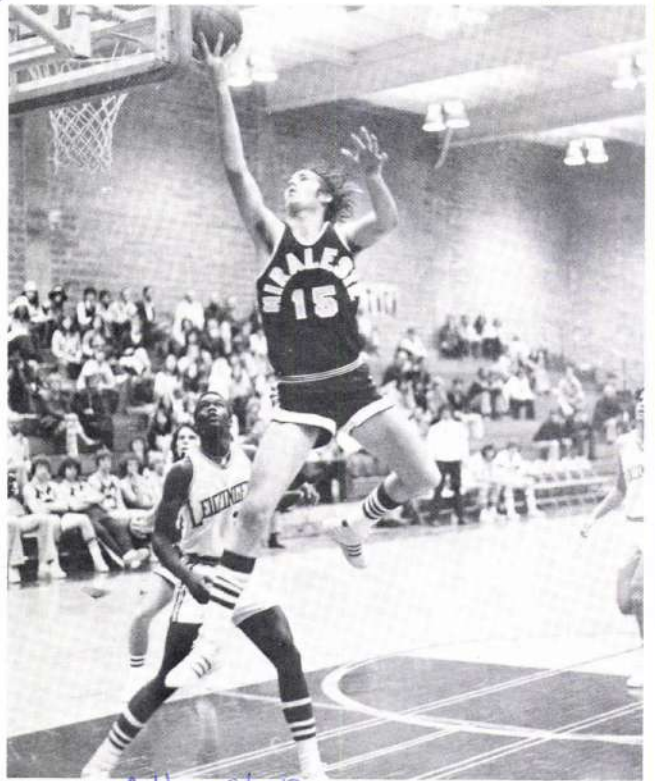

*THE GREAT
Don Ricketts #22
Mr. Richardson #44*

MHS guard, Don Ricketts, reverses his dribble and puts Milikan player away.

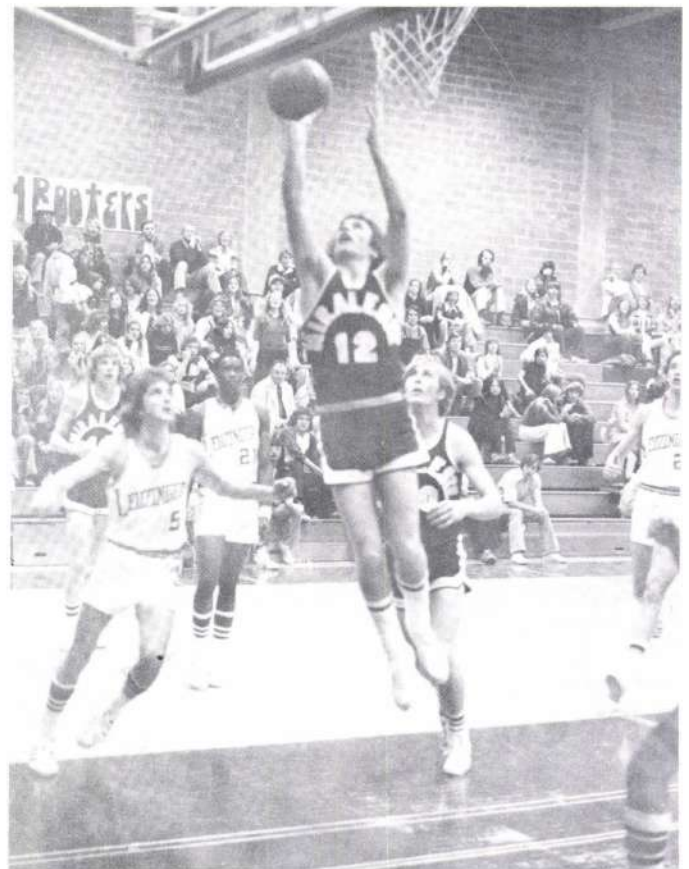

Basketball at Miraleste continued its dominance of the Pioneer League comprising a record of 103 wins and only 9 losses in the four levels of competition over the last two years. The success of the program evolves around excellent coaching and superb talent that mix smoothly together to form an tremendous program.

The Varsity cagers had an impressive year finishing league with a respectable 10-4 record—for a second place finish. Displaying a potent offensive attack, the Marauders breezed early in league before a shocking 3 point loss to Lawndale in overtime. After an opening loss to Aviation in the second round (Aviation went on to claim league championship), the MHS squad streaked to four wins in a row grabbing a CIF spot. After CIF had been assured, the cagers dropped their two final games and prepared for the playoffs.

Under the direction of Coach Jon Fowler, the Marauders (beside taking an easy second in league) won the consolation championship in the Temple City Tournament, and captured second place in the first annual Miraleste Hilltop Classic. Though not as dominating as the 1974-1975 team, possibly the best ever at Miraleste, the 1975-1976 team had more depth.

Behind the play of all CIF candidate Brian McCormick, the Varsity team had an explosive offensive attack that was unstoppable when effective. Dennis Richardson and Bill Waddell scored consistently in double figures as did Tom Rakestraw during the season. McCormick averaged 19 points per game during league.

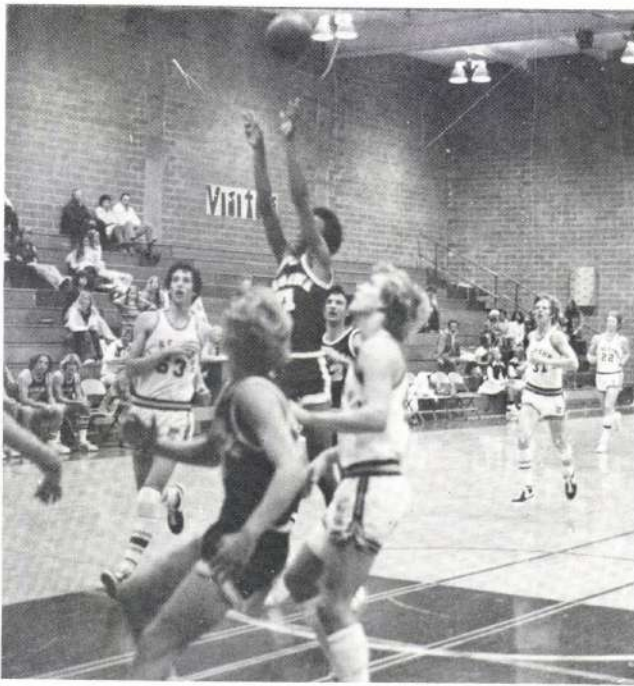

Returning guard Don Ricketts was a very intense and poised player. Tom Rakestraw and Jon Richards shared the center spot, both playing equally outstanding basketball. The forwards were McCormick and Waddell with McCormick dominating at both ends of the court and Waddell the purest shooter on the team. Guard Dennis Richardson took control of the ballhandling and setting up the offense.

Steve Koehler and John Moore were invaluable coming off the bench to spark the team. Koehler was tough on defense and Moore was tenacious with his board play.

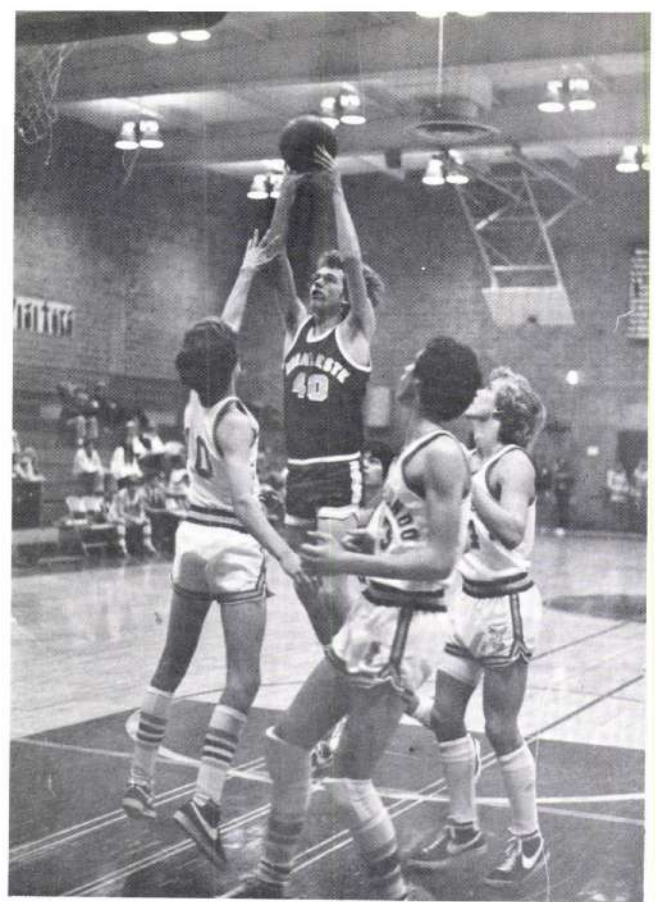

ROW 1: Don Ricketts, Kent Watkins, Dennis Richardson (Doc) ROW 2: Bob "Reemer" Roskos, Coach Mike Caston, Steve Koehler, Jim Barth, John Moore, Brian McCormick, Tom Rakestraw, Bill Waddell, Jon Richards, Bill Friedman, Jay Boberg, Coach Jon Fowler

Awesome Fast Break J.V.'s Second in League

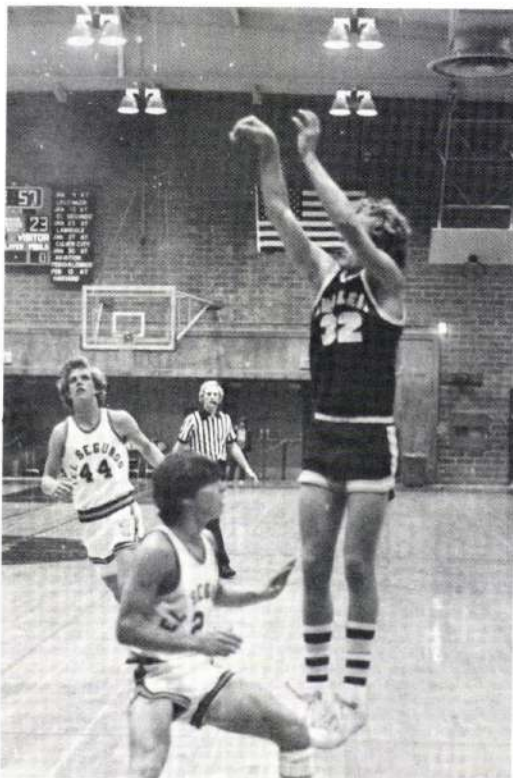

Delvon Davis penetrates middle and shoots for two.

Jon Ball shows his aggressive inside play.

Junior Varsity basketball at Miraleste was a very accurate prediction of what would happen in the Varsity game that followed. Every time the J.V. would lose a league contest, the Varsity followed with a loss. The Lawndale game was one exception. In the second round, the J.V. won and the Varsity lost.

Boasting a 11-3 league record and second place, the Marauders were in contention in each of the games they lost; one within ten points, one by two points, and one in overtime. Bob Babek was the spark on the team and supplied the offensive punch with his deadly jumper. John Crossley was an excellent shooter, While Delvon Davis took charge running the fast break. Sophomore John Ball was very impressive, aggravating opponents with his aggressive inside play. John McGovern was excellent on the boards, rounding out an outstanding ball club.

Coach Dan Phillips discusses strategy with his sophomore team.

Sophomores Undefeated Past Two Seasons Under "Dan the Man"

Consistency is a word that describes the play of the Miraleste Freshman and Sophomore Basketball Teams. Both teams posted league championships and performed quite well in preseason tournaments.

The sophomore team, under the direction of Coach Dan Phillips, won the Pioneer League with a dazzling 14-0 record. John Aguirre and Dave Memmer were outstanding all season with Memmer exploding with

42 points in one contest; Mort Hansen, Dirk Eldridge, and Sean Daunt were outstanding on the boards with Chris Wagner taking charge of the ball handling. Paul Koehler was invaluable as an intense player off the bench.

Coach Pat Ryan's freshmen team was equally as impressive. Also 14-0 and winning the Pioneer League title, the frosh cagers were the winners of the consolation championship in the Hawthorne Tournament. This well balanced team had fine play from center Buckey Dennis, Chris Herpin, Andy Marinkovich, Pat Wheelock, Jeff Brown, Mat Wyman, Sebron Tucker, Scott Johnson, and Dave Atkins.

Mark Royan dribbles ball effortlessly down the field.

Showing outstanding talent that blended into a fine team effort, the MHS Varsity Soccer Team easily won the Pioneer League championship with an 11-1 record, only losing to Beverly Hills in their final league game 2-1.

Under the direction of Coach Roy Wilton, the Marauders dominated the Pioneer League and were led all season by Mark Royan and Sean Carroll. Also contributing were Greg Delgado, Tim Walker, Jeff White, Dean Fogarty, and amazing goaltending from Bob Perkovich who was brilliant in his first year of soccer.

This fantastic team did extremely well in CIF showing shades of their play in Pioneer League competition. The main reason for the team's tremendous success was the excellent teamwork portrayed the entire season. Sean Carroll was named MVP of the Pioneer League, while Mark Royan, Greg Delgado, and Tim Walker were voted first team all-leaguers.

Frank Quass avoids opponent and skillfully maneuvers ball down the field.

The Junior Varsity and Frosh-Soph soccer teams played with the same intensity and determination that the Varsity team played with—and both had solid records to prove this.

Tim Roberts, Jake Cisneros, Rick Poedtke, and Scott Lewis led the Junior Varsity to a brilliant 10-0-2 record and an easy league title. Throughout the season, certain Varsity players were brought down and added greatly to the team effort.

Under coach Norman Towers, the Frosh-Soph team picked to a 7-5 record for a solid finish in League. Moon Ho Lee, Frank Quass, Ricky Hathaway, and Ron Paul were the standout players in leading their team to a successful campaign.

ROW I: D.Cohen, R.Mariot, S.Moore, B.Hendrickson, T.Mucha, J.Kaplan, R.Phelps, ROW II: K.Rowen, F.Harmon, F.Quass, S.Kaplan, R.Hathaway, W.Jenkins, J.Tolan, A.Kenworthy, ROW III: Coach Norman Towers, R.Paul, J.Thomas, M.Lee, B.Watson, M.Toole, T.Haney, B.Brumm, M.Halverson, L.Flemmons.

Girls' Volleyball

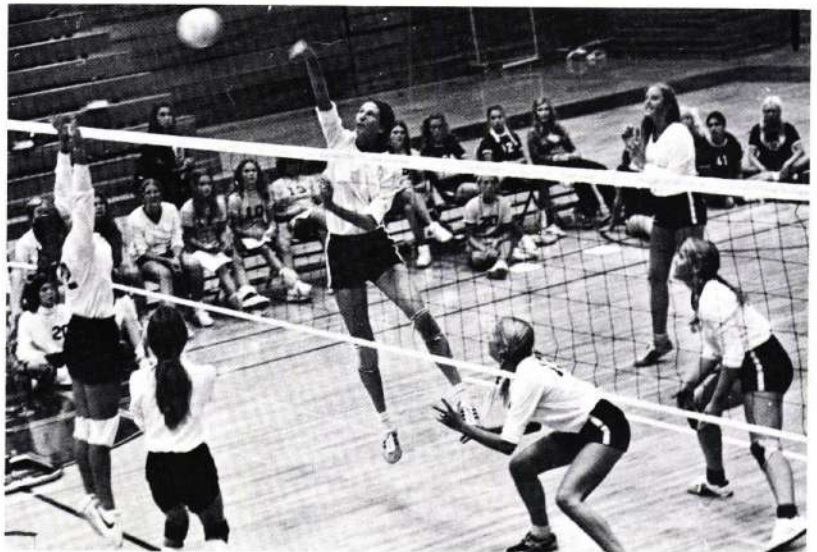

The women's volleyball team had a tough season this year. The girls finished in 4th place after Santa Monica, Mira Costa and very close to North High. Under the coaching of Diane Sutherland, the girls came out with a 6-6 win/loss record. Playing very well this season earned Pam Patton the Most Valuable Player Award. Also doing well this season Leza Widding earned the Most Improved Player Award. Nancy Doran received the Coach's Award.

The Junior Varsity women's volleyball team did very well placing in league this year. Coach Diane Sutherland did a very good job with the girls. Playing well through the season were Vanessa Sorrels, Karen White, Sue Nelson, and Stephanie Ryan.

Under the coaching of Diane Sutherland, the Frosh-Soph team had a successful season. This year Shawna Haney, a Junior, was the Asst. coach. This is the first year that a player helped coach. Cindy White, Captain, helped her team through the season.

Although there was tough competition, Varsity netters came through with a 4th place in the Bay League. With Kelly Pope, Melinda Witmer, Lee Ruth and Melissa Eichel playing singles, and Chris Quinlan with Lori Goldenson, Karen Viewig paired with Judy Olsen at doubles, the Varsity team was very strong.

Junior Varsity also did very well placing 3rd in the Bay League. Contributing to their victories were Carolyn Clark at singles and Missy Wells with Jill Shoemaker at doubles.

Mrs. Ann Warfle did a great job coaching both teams this year and is very fortunate to have most of her girls returning next year.

The dinner began with the processional and various Christmas songs. The TAB was decorated in tinsel, a Christmas tree, and the atmosphere of music. The singers served as waiters when they weren't singing. The meal consisted of steak, potato, salad, bread, and desert.

The evening was highlighted with solo and chorus carol singing.

SPIRIT WEEK jumped into action with such activities as volley games, interclass competition, and the Key Club-Girls' Service versus Interact-Girls' League water polo game. Moving the week along was the pie throwing, Pep Rally, and the wonderful feat of Page Lademan and Bob Ruth breaking the world swinging record. Finishing the week with that special touch was Key Club's Masquerade Dance where Greg Delgado and Lisa Villasenor were crowned Homecoming King and Queen. To top-off all the excitement of Spirit Week, Miraleste High School Student Body broke the world record for lap sitting.

MHS Theatre Arts Presents...

Arsenic and Old Lace

On November 20, 21, 22, Miraleste Theatre Arts presented the comedy mystery, "Arsenic and Old Lace" written by Joseph Kesselring.

The story is about two old ladies, Abby and Martha Brewster, played by Janice Kimball and Carolyn Mattis respectively, who advertise rooms to rent in an old mansion in Brooklyn. When old lonely gentlemen come to call, the ladies put them out of their misery by poisoning them with elderberry wine and arsenic. The aunts' nephew, Teddy, portrayed by Eric Trovenger, believes himself to be Theodore Roosevelt, and digs graves in the cellar thinking that they are locks for the Panama Canal.

During the course of the play, the aunts' other nephews, Mortimer and Jonathan, portrayed by Richard Witmer and Richard Covey, both slip into the house. Mortimer brings Elaine from next door and Jonathan arrives with a dead body and a gruesome companion, Dr. Einstein, played by Doug Houghton. Mix-ups with dead bodies occur and the local police become involved with the mystery. Eventually through the bumbling of the police, the mystery is solved.

Other members of the cast include Scott Butler as Officer Brophy, Suzanne Engstrom as Elaine, Jim Rauch as Officer O'Hara, Tom Stellar as Officer Klein, Jeff DeLong as Sergeant Rooney, Bill Darling as Mr. Wither-spoon, Kip Jones as Dr. Harper, Meg Collins plays Sally Franklin and Dean Backland portrays Mr. Gibbs.

The sixth period stage production class constructed the sets for the play. Chuck Jones was in charge of the sound and Mike Rule and Greg Jacobs were the Technical Directors. Lee Ann Lane assisted directing the play with Ms. Stevens who directed the play.

Jim Rauch, as Officer O'Hara tells Mortimer Brewster, played by Richard Witmer, all about his new idea for the play he is writing, not noticing anything strange about Mortimer's appearance.

Meg Collins, as Sally Franklin, investigates the missing men story by interviewing Sergeant Rooney, played by Jeff DeLong.

The sweet, old Brewster sisters have tea with their neighborhood clergyman, Reverend Harper, and their nephew, Teddy. Reverend Harper smiles, not realizing that there are twelve dead bodies buried in the cellar below him. FROM LEFT: Kip Jones, Janice Kimball, Eric Trovenger and Carolyn Mattis.

Chuck Jones, sound-man, intently watches the play as he uses the new sound system that Miraleste Theatre Arts Building had just purchased.

The two old Brewster sisters were portrayed by (LEFT TO RIGHT): Janice Kimball as Abby and Carolyn Mattis as Martha.

Eric Trovenger, who portrays Teddy, tries to persuade Dr. Einstein (Doug Houghton) to take a trip to the Panama, as Jonathan Brewster (Richard Covey) listens for intruders.

Ms. Stevens, who directed Arsenic and Old Lace, observes and critiques the play as Kip Jones gives helpful advice.

Technical Directors Greg Jacobs and Michael Rule take time for a break.

"Crystal Waters Christmas Cheer"

Dancing near "Crystal Waters Christmas Cheer" was welcomed by over 500 students who attended the annual Girls' League Christmas formal. As the result of an overwhelming request the formal was held at the Queen Mary instead of the traditional San Pedro YMCA.

The "Flamenco" room and the band "Fred" gave the dance that special touch for a wonderful evening.

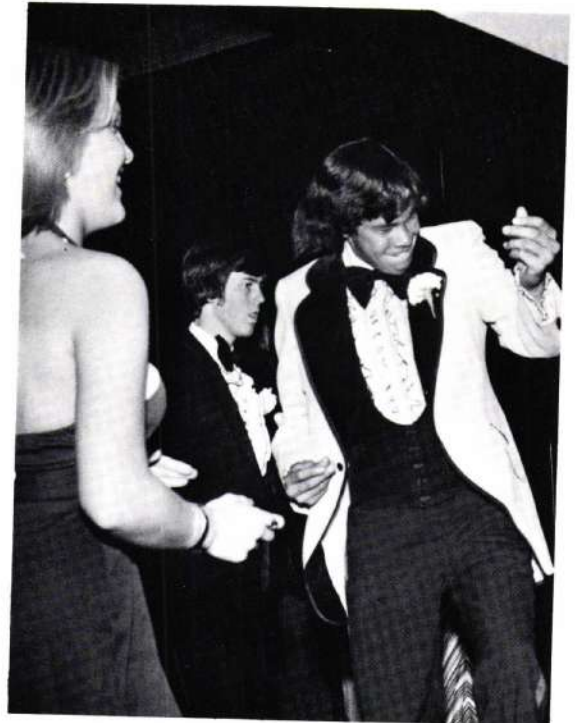

The highlight of the evening was the crowning of the Key Club's 1976 Queen, Karen Sherwood.

Santa must have promised Mr. Lawrence some new Tennis Courts.

Students Come Together in Assemblies

Jennie Garrison, telling us all there is to know about Girls' League.

Students anxiously await Cosmic Light Show.

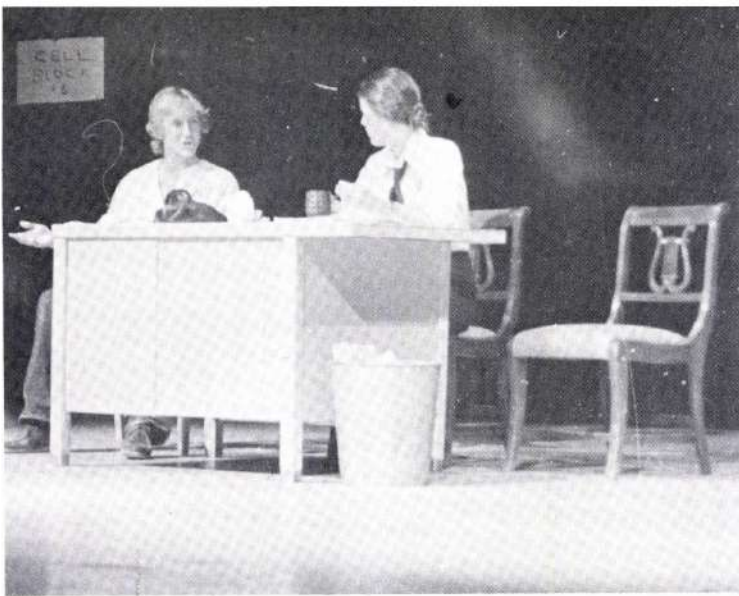

Chicano takes us on a journey to the future.

The use of time and thought brought new and different people to the 1975-76 assemblies.

For the occasional assemblies, Rick Ramstead, Commissioner of Assemblies, had the responsibility of organizing and scheduling all events. Such an event was the exciting and imaginative club assembly, where every club presented a skit to encourage participation in their club. For a new change of music M.H.S. enjoyed the delightful Los Angeles Philharmonic. Other assemblies included World Record lapsitting, Chicano singers, Cosmic light show, presentation on Grapes of Wrath for Junior classes, A.S.B. elections, Spirit Week Rally, and Surfer assembly.

All activities created a great performance which brought wild enthusiasm from the Marauder Gym and Miraleste students.

Richard Witmer and Tracey Filak rehearse a one-act play for the Drama II festival.

MHS Drama Class Takes the Spotlight

Doug Houghton and Carolyn Gorman enjoyed their performance tremendously.

This year's advanced drama class really got into action under the guidance of the new Miraleste drama teacher, Ms. Dixie Stevens.

One-act plays were presented during the week of January 27-30. Directed by students, these plays included: *So Wonderful in White*, *The Ugly Duckling*, *The Valient*, and *Balcony Scene*.

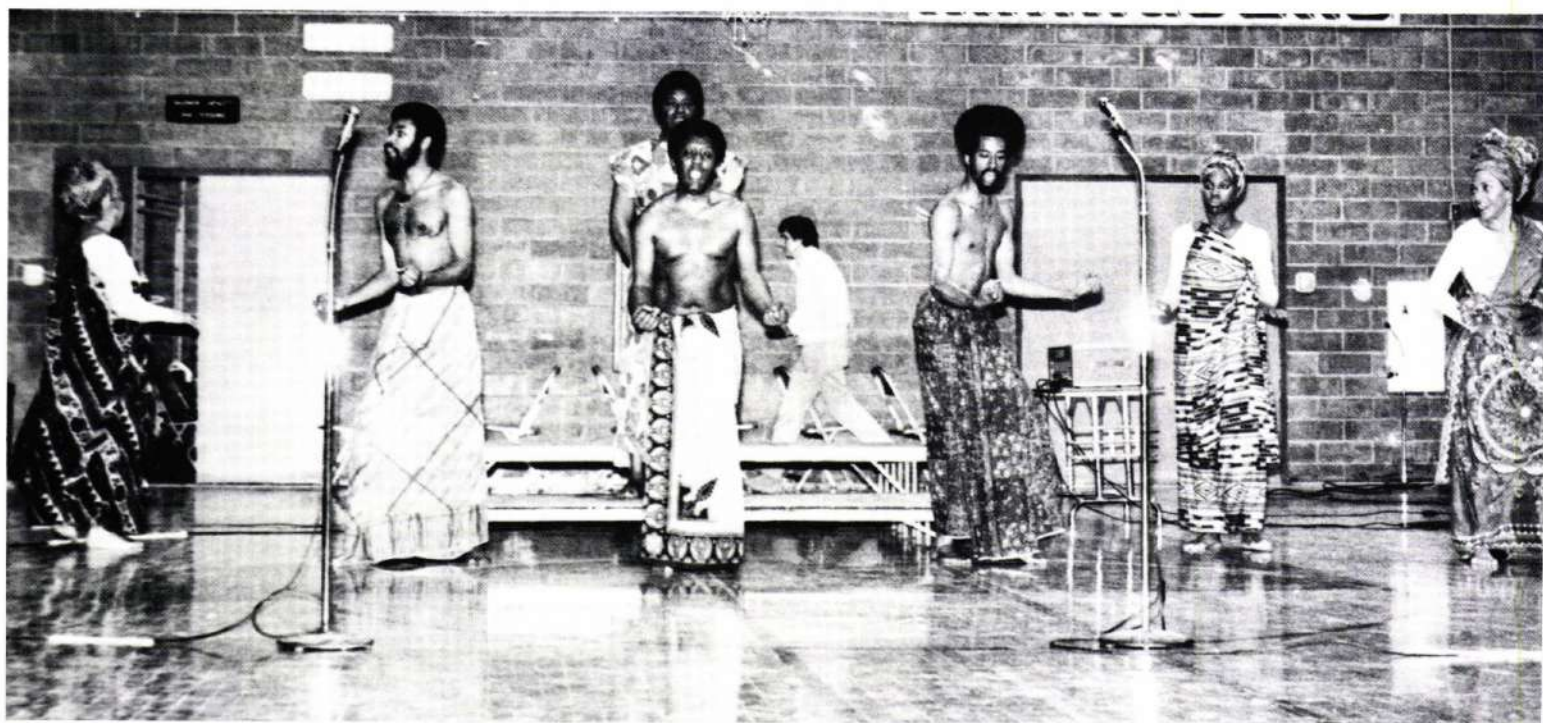

An Improvisational Workshop was sponsored by the Drama Club to increase awareness and promote informality on the stage for students.

Doug McEwan and James Diederich talk to students about Improvisational Theater. They are a comedy team known as "What If" Enterprises, and they conducted an 8-week workshop for "Improv" at MHS.

Students cast in the play, "*So Wonderful in White*," rehearse after school.

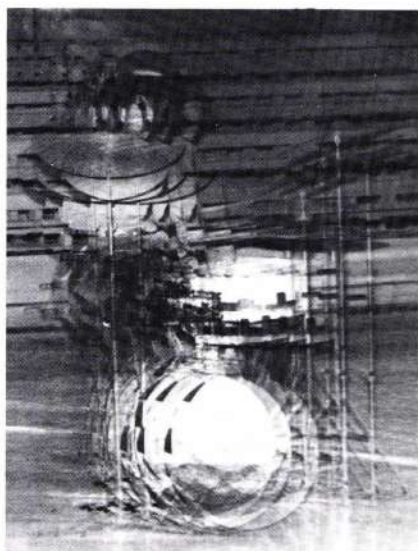

The Voices

The second of our multi-ethnic experiences focused on the Afro-American culture.

The Voices, a professional performing troupe, presented a historical time line through music, dance, and song. It covered the time period from the sixteen hundreds through the nineteen sixties. The Assembly was received favorably by students. Many of the Miraleste teachers were also participants. The presentation was in conjunction with the national celebration of Black Week. A senior assembly was also held with two distinguished, black psychologists leading the discussion.

We, the Pep Squad of 1975, would like to take this opportunity to thank you, the student body of Miraleste High School, for your constant spirit and support throughout the year. A famous poet once wrote, "Enthusiasm is a volcano on whose top never grows the grass of hesitation." As you go through life, may you never hesitate to show the spirit and enthusiasm that you have shown here at Miraleste.

DRILL TEAM

"Pancake breakfasts, candy canes, car washes, football and basketball halftimes, parades, Camarillo, Rosemead, National City, and Catalina," are some of the words used to describe this year's Drill Team. Performing at all home football and basketball games, as well as pep rallies and parades, the team has done much to promote school spirit.

Under the direction of Ms. Karen Lydon, advisor, Captain Teresa Bertsch, and Co-Captains Ellen Smith and Joan Thunell, they have competed in parades as far away as San Diego and Camarillo, winning several trophies.

Drill Team used a variety of formations during football.

MARAUDERS MARCH ON!

This year the band and orchestra were under the direction of a new conductor. This is Bob Kohler's second year in the district, but only his first year at Miraleste. Since he started he has been working to build and improve the music program.

The band was larger than it has ever been. Fifty four people strong, the band was very active during the entire year. They marched in seven parades, placing very well in all of them. They played for the opening of the new police station in Lomita. They also played for numerous school events. Members of the band also made up a large part of the orchestra for the musical, "The Music Man"

Orchestra: More People, Better Sound

The orchestra gave their annual Christmas Concert in December and their Spring Concert in May. Members of the orchestra made up about fifty percent of the pit orchestra for the musical, "The Music Man." The other half of the pit orchestra consisted of members of the band. Because of the size and composition, this year's orchestra for the musical had a much larger and fuller sound than orchestras in the past.

The orchestra is only four years old and presently has about twenty five members. During his first year directing at Miraleste, Bob Kohler has shown great enthusiasm toward the orchestra.

Choir

The Madrigals started a new tradition this year by entering a nation-wide contest sponsored by Performing Arts Abroad, Inc. The eighteen Madrigal singers submitted a tape of themselves along with a copy of this picture. As a result they were invited to participate in the Fiesta Musical Mexicana held April 19-26, 1976. During their stay in Mexico they visited Mexico City, Oaxtepec, Cuatla, Taxco, and Cuernavaca.

Another tradition that they started was the Elizabethian Banquet. The banquet was held December 5 and 6, and included a steak dinner with all the trimmings.

For the Spring and Christmas concerts, both the Madrigals and Girls Ensemble performed. The Girls Ensemble worked mainly on building technique and their ability to sing the three part harmonies that are found in choral music.

Both choral groups were under the direction of Gladys Evans.

The Bicentennial festival was officially opened with a performance by the Los Angeles Philharmonic. The orchestra, conducted by concertmaster Sydney Hart, performed three concerts, two for the school and one for the community. The selections they performed ranged from Beethoven to the turn of the century composer Scott Joplin.

The Philharmonic came to our school as part of their program to reach out to young people and expose them to the orchestra and the type of music they play. They break up into two groups in order to perform at more high schools in the area. Students from the Miraleste music program were able to sit with the orchestra while they performed. The students could talk to the musicians and learn more about the program. The Philharmonic hopes that by performing in schools they can encourage more people to come and watch the complete orchestra at the Music Center.

A TOUCH OF CLASS

More Involved

ASB IS...

No Joke!

The Associated Student Body of Miraleste High School provides the basis for communications among students, administrators, teachers, and the community. Students have the opportunity to become involved with student government and school related activities through a leadership system at Miraleste.

Open student government meetings held on a regular basis attempted to serve the needs of the students as well as the community.

The student participation and spirit has increased this year, and hopefully more people will become involved with the actual planning stages of student activities.

Camp Builds Togetherness

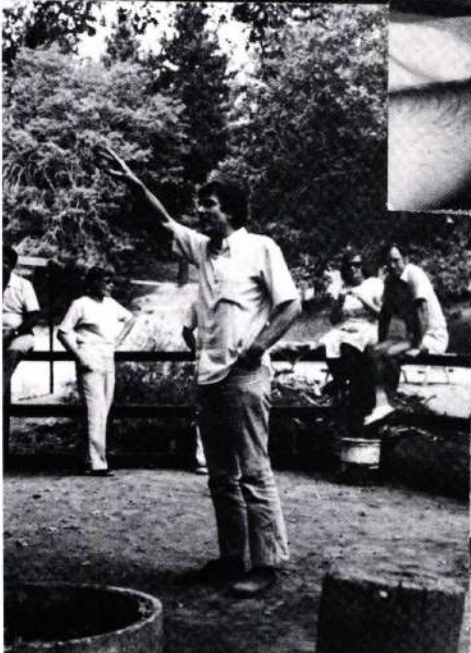

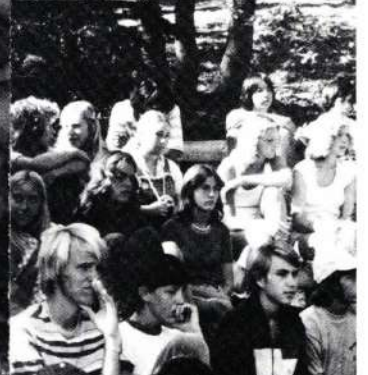

For over a hundred students in early September, a weekend trip turned out to be a lot more than fun and games. The largest group ever to attend Camp O-Ongo met prior to the beginning of school to discuss ideas and plan activities for the year.

The camp, co-ordinated by ASB Vice-President Bill Rosenzweig and other council members during the summer, was "the most organized and most totally involved, productive leadership camp I have ever been a part of," said Dr. Ferrera.

The students participated in discussions concerning the school's budget, student rights, the activities program, communication and curriculum. Each group was led by a student council member. An official council meeting was also conducted by ASB President, Dave Zislis.

The success of leadership camp was a reflection of the efficiency shown by the student council in dealing with this year's program, as many of the ideas discussed there were directly applied to this year's activities.

Girls League- We Can Make It Happen

Girls League had another active year. Along with many fund raising sales, Girls League continued the traditions of the Mother's Day plant sale, naming the Ideal Senior Girl, and fall and spring varsity banquets. This year, our main event, the Christmas Formal was held on the Queen Mary for the first time. With the theme of Crystal Waters, Christmas Cheer, the dance was a very beautiful and enjoyable experience.

GSC-Service: Anytime, Any Place

Girls Service promotes their car wash at the Club Week Assembly.

Girls Service Club dedicated this year to service towards the community and the school. We gave Thanksgiving baskets to needy families, valentines to elderly folks, and candy at Halloween to children at Harbor General. Several fund raising events helped to supplement these projects such as a car wash, candy sales, and our "Jock of the Jungle" dance. Our many thanks to the school members and administration for their constant support in our effort to help those less fortunate than ourselves.

JANICE KIMBALL
GIRLS SERVICE CLUB PRESIDENT
1975-1976

Although by design our club is well suited to contribute to the community and school in small but needed projects, we were always interested in bigger projects where our impact could be felt in a greater way. Some of these projects included a bloodmobile in which 63 pints of blood were collected, and helping the L.A. Philharmonic move their equipment when they came to Miraleste. We also helped direct traffic on that day and tried to create some order among the elementary school children who came.

Also Interact was responsible for the planting of over fifty trees, bushes and vines, on the back slope of the High School. We also contributed \$100 dollars to the Harley Rubenstein Fund. We visited Harley in the hospital and entertained the people at a convalescent hospital for a night.

An example of one type of the smaller services we provided was the parking of cars at many high school and community functions throughout the year, including graduation.

Miraleste Clubs Make Waves

Amateur Radio club is a group who are interested in world-wide communication. Miraleste has a radio station on campus where students can transmit and receive messages to and from anywhere in the world. Members can also build and repair their own radio equipment.

One of the goals of the organization is to earn their amateur radio license. The first level is novice, and the highest is general. To achieve these levels, the amateur must take a test to prove his or her ability to receive and transmit messages in code.

President Doug Richards and sponsor Mr. Burney Ramming applied for the license to run an official Miraleste High School amateur radio station.

Mr. Ramming feels that involvement in the field of radios is a good career opportunity, and opens the door to a new field of vocations.

The Electronic Music Club was a newly formed organization this year. Led by their president, Stephen Omohundro, and the cabinet consisting of Mark Sitzler, Kevin Brody, and Mark Moulding, the club constructed a music synthesizer for the school. The club made its debut by presenting their synthesizer to the school during the clubs week assembly. During meetings, members learned about different types of synthesizers and how to build and play them. Stephen Omohundro, selected this year by the 35th National Annual Science Talent Search as an "outstanding student scientist," acted as instructor and shared his knowledge with other members of the organization. The club hopes that their organization will stimulate more interest in the art of electronic music.

Career Center

The Career Center Program goal is "to assist in the exploration of careers, consistent with students' interests, abilities and present educational plans." Under the direction of Ms. Nancy Bulin and with the assistance of Mrs. Mae Landauer, this year's program proved its intent by providing students with a steady stream of interesting career seminars. Some of the seminars offered were: veterinary sciences, court reporting, marine biology, law and accounting. In addition, counselors utilized the Center when assisting students as they explored educational plans and career possibilities.

One rewarding result of the Career Center was the opportunity for two Miraleste students, Barb Johnson and Teresa Bertsch, to work at TRW during the summer of '75. They represented Miraleste in TRW's pilot program aimed at acquainting potential women computer programmers with an actual working experience and environment. The students wrote and programmed an Employee Skills Data Base which is still in active use at TRW.

One of the fifty guest speakers is shown here discussing her field with Lisa Fogel and Laurie Meyers at one of the many seminars held.

Mrs. Landauer works with students in developing career plans through the use of the Center's many resources. Cassette recorders, filmstrips, career catalogues, and video tapes are just a few of the options Fred Flores, shown with Mrs. Landauer, is learning about.

Counselor, Ms. Dukes, explains to Pam Patton and Ann Pocapalia a film strip and cassette system available to students on some career plans.

UNIVERS

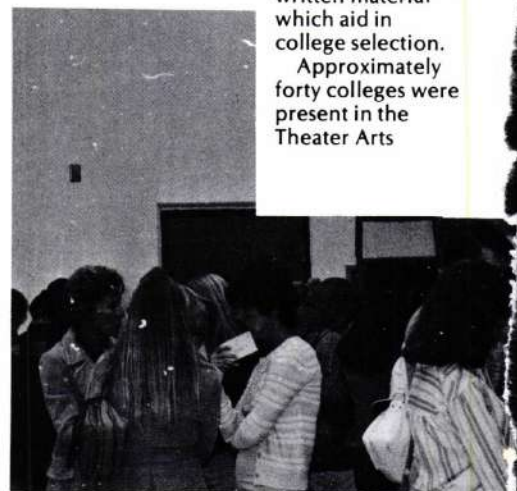

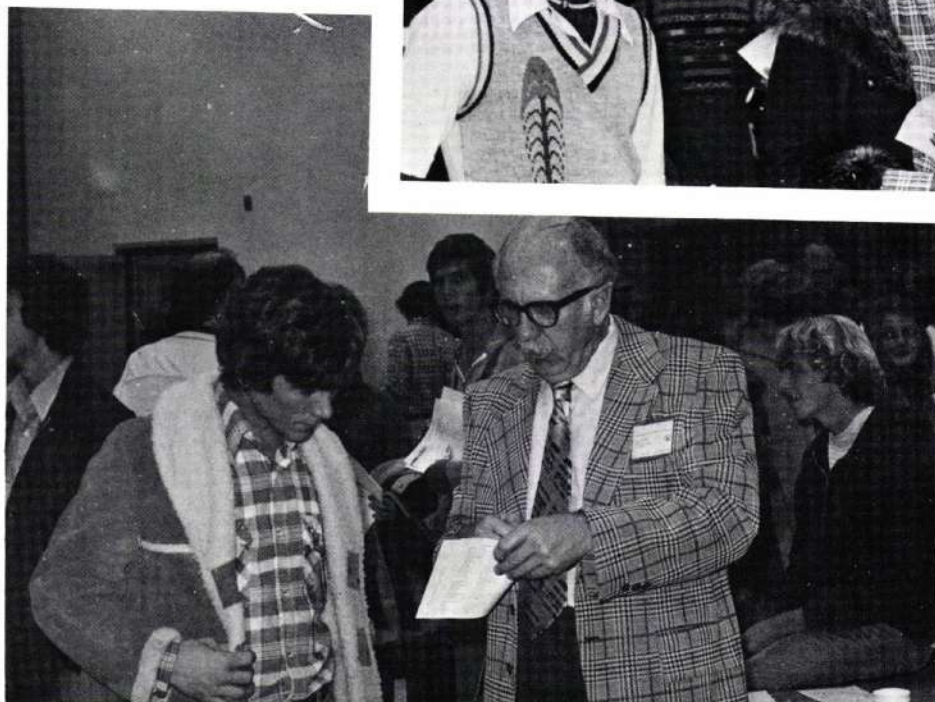

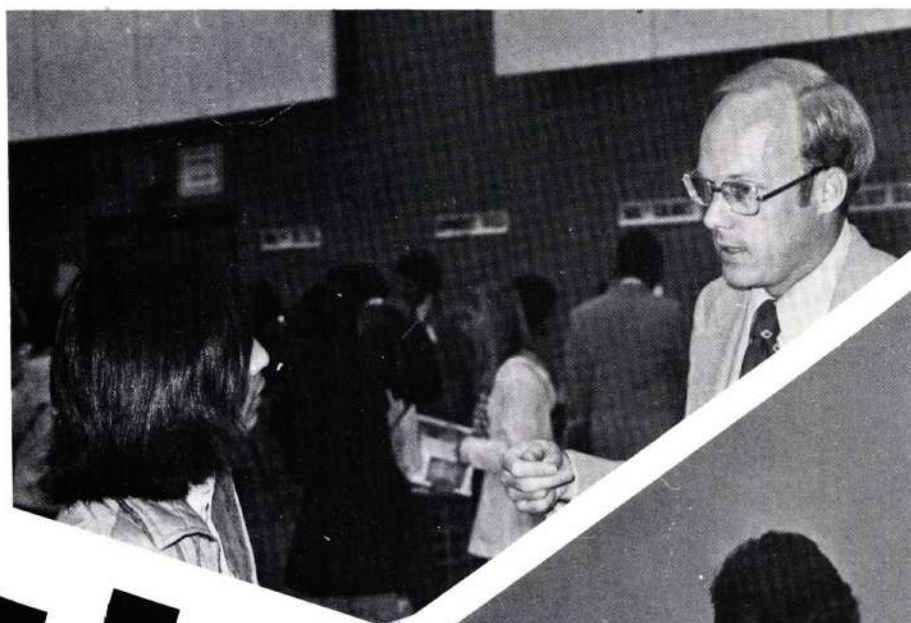

college

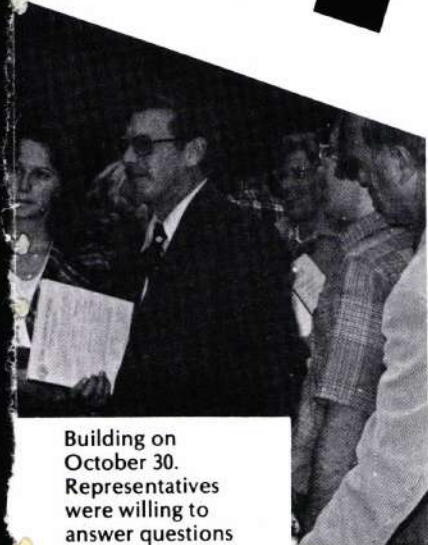

Future plans for most students include attending a college or university. College Night serves as a helpful contact with college representatives. Students receive both verbal and written material which aid in college selection.

Approximately forty colleges were present in the Theater Arts

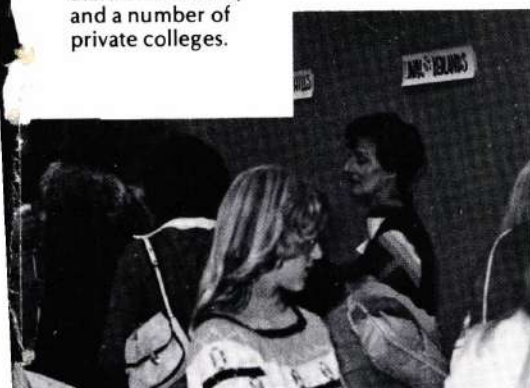

anight...

Building on October 30. Representatives were willing to answer questions on financial aid, enrollment, student-teacher ratio, housing, and activities. Among the colleges represented were UC's Berkeley, Irvine, Los Angeles, and Santa Cruz; State Universities; and a number of private colleges.

A look at the world from a different view.

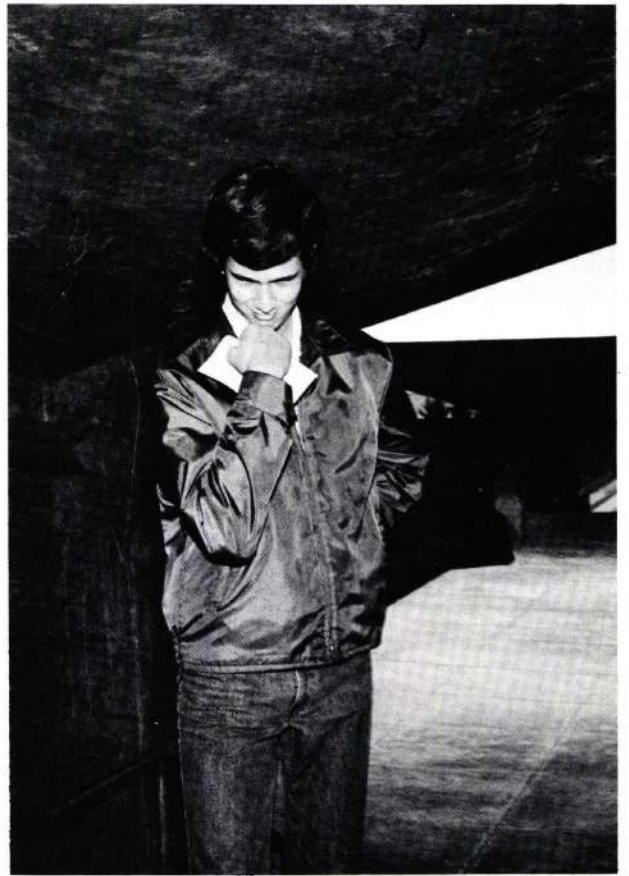

Moments are still there to be alone.

Hey! Look at me!!

Freedom of expression is one of the nice qualities at Miraleste.

Some of us have it, and some of us DON'T

An acute case of stage fright.

Here are a few of Miraleste's friendlier students.

"This picture fit when I cropped it, how can it be 5 picas too tall?" Teri Bertsch, Student Life

The El Mirador Staff worked very hard this year, to put out a unique yearbook for the Bicentennial, but more importantly, for those students graduating this year for whom this will be a lasting memento of high school. The staff members didn't realize how much work was involved since the entire staff, with three exceptions, was new this year. The enthusiasm with which they tackled problems and difficulties was really refreshing.

"But Kitty, some Trolls snuck into my room last night and ate my pictures!" Sue Leeuwenburgh, Clubs

"Trisha, Drama is spelled with 2 'a's' not one." Mrs. Covey, Advisor

"But Graz, you can't use that picture; she graduated 4 years ago."

Gerard Dulac, Assistant Idiot-in-Chief, caught in the act of typing one of his many letters of resignation, all of which were accepted.

"Paper's Out!!" Dave Dobrick & Bob Cohen. BELOW: Fred Flores, Head Photog., tries to figure out how to jack up the car to get over the fence at night.

"You want an 'A' this much, Dennis?" Mrs. Covey, Advisor

"But we've got to have at least one picture of the band!" Juanita Nichols, Music

My Gawd, they'll give anyone in publications an outside line.

Everyone knows they monkey around in 613.

Life is hard, hard as a rock.

What did you do to these negatives, have them for lunch?

Paper's Out!

But Mrs. Covey, Everyone knows I can't spell, I'm a CREATIVE genius.

She should be there in 10 minutes, after all lunch has only been over for 20 minutes.

Excuse me, I'm frustrated. I gotta go punch the wall.

Don't bother me now, I have a headache.

Whatever it is, TORREÓN did it!

I give up, I quit.

You can't, you did that last week.

Do I hafta?

Get Mills to stop with the banjo already.

That's trapped space.

Shut-up Gerard!

Will you TORREÓN guys get out of my office!

Soitenly!

I'll be here tonight, tomorrow night, the next, the next ...

Nobody's Laughing

"Three Miraleste students decided to have a little fun. Their joke, a pipe bomb attached to the back of the band room, didn't get many laughs. None of the victims of the explosion were smiling, especially teacher Bob Kohler, who went to the hospital suffering from a mild concussion." (Torreón, January 30.)

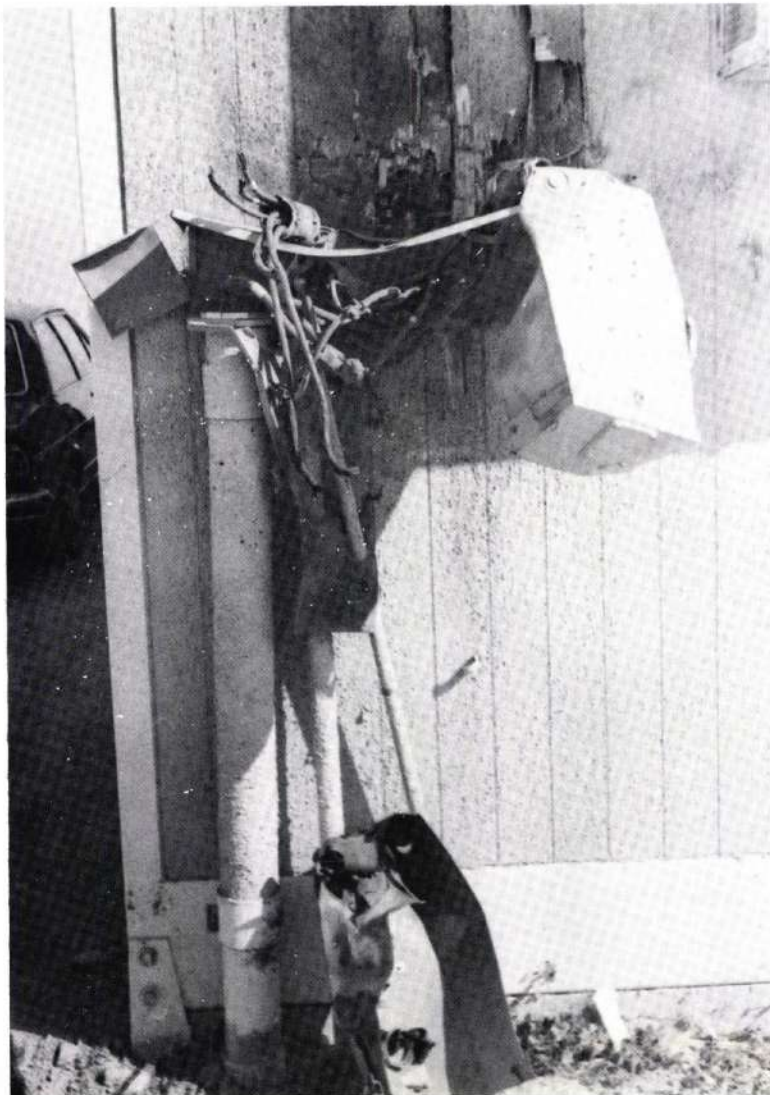

On Monday, January 26, a pipe bomb blasted a pair of electrical panels located on the back of the band room. Band director Kohler and students Christa Martin and Ed Forsberg were practicing inside the room when the bomb exploded.

Most of the force of the blast was directed out of the portable building. Debris from the explosion was scattered across the band room and pieces were found up to one hundred and fifty feet away. Three cars were hit by flying scraps of metal. Nobody was injured by the debris, but Mr. Kohler did suffer a slight concussion, and all three people in the room complained of ringing in their ears.

"When the bomb went off, I covered my ears with my hands. I didn't even have to think about it. I just automatically protected my ears, not from the noise but from the force. The blast was so loud and so strong that the entire room shook," stated Mr Kohler.

The three students who were involved in setting off the bomb were arrested the following day.

The band room had no electricity for the rest of the week while repairs were being made on the electrical panels.

HEY, HEY, LOOK AT THE SCORE.
