

A large, embossed graphic of a film strip dominates the upper and middle portions of the cover. The strip is shown in a dynamic, curved path, with several rectangular frames visible. The perforations along the edges of the strip are clearly embossed, adding to the three-dimensional effect. The entire design is set against a background of fine, vertical ridges.

Hi! My name is Kazue Hashimoto. I come from Japan in the Y.F.U. exchange program. I'm staying with the Andersons, who live in Westfield, R.H.E.

I'm very interested in sports and music; I play the piano well. I also like to listen to the radio if I have time. And I like playing volleyball and running! I was a sprinter before. Fortunately, I made the varsity volleyball here at Miraleste. I practice everyday. I also enjoy being around the other players on the team. And I like watching every kind of other sport, too. Especially baseball.

I enjoy attending M.H.S. Studying is hard for me, but thankfully, people help me when I ask. I've had many pleasant times and nice experiences here. I'm happy that I've made many friends at school, and I'll never forget your kindness.

Thank you,

Kazue Hashimoto

I am Laura Alba. I am one of 13 children. I come from Chihuahua, Mexico. At the present I am staying with Mr. and Mrs. Mullenhaus. They live in Rolling Hills and have a tennis court, where I've been taking lessons. I hope to play very well someday. They have taken me to many restaurants and I like the California Mexican food very much. In fact, I like all the food so much I've gained ten pounds! They also bought me roller skates and I have had fun skating at the beach.

I also like the students at M.H.S., as they are friendly and speak slowly for me so it is easier to understand them—I do not speak English very well. When I finish school here I plan to go to college and become a lawyer. And I will always fondly remember my experiences here and the friends I have made.

Laura Alba

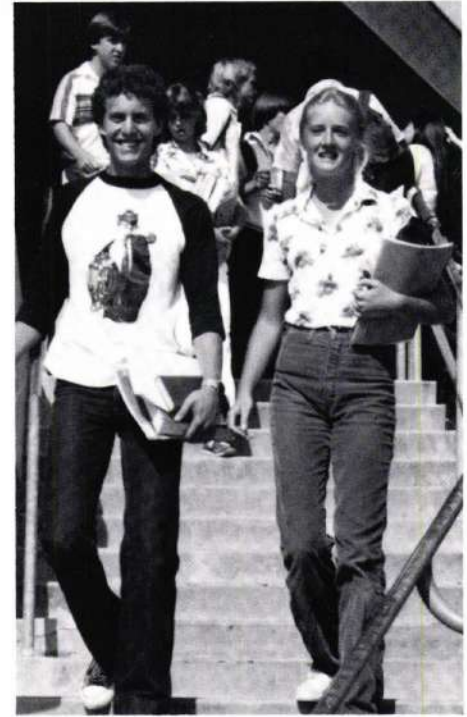

Hi! I am Gunilla, an A.F.S. student from Vanersborg in Sweden. So far, after 3 months stay, I like Miraleste, my host-family, and all activities I'm involved in very much. Some of the things I find different from Sweden are, for example, the climate, (in Sweden it always rains or snows), the patriotism, the school system, the conveniences many people take for granted, the religiousness, and the gas prices (\$4.00 a gallon in Sweden!). Further, as a vegetarian, I'm very impressed with all your fresh fruits and vegetables. I find the people here are very courteous and friendly, and the only thing I miss is the snow. Finally, I'm glad I came to California and I hope to see and learn even more during my stay.

executive council

This year's student council really got it together. The meetings were run according to Robert's Rules which kept them in order, short, and to the point. Student council as a group consisted of some of the greatest people that could be put together. We worked very well with each other and got a lot done. Leadership camp could not have gone more smoothly this year. We had 135 people there and absolutely no problems. We also initiated a canned food drive during the week before winter vacation. It brought in more than 1000 pounds of food for needy families. These are just a couple of the great things we've accomplished this year.

At the U.S.A. cheerleading camp held at U.C.S.B., all three squads returned with numerous awards of superiority and excellence along with two spirit sticks.

This year's homecoming and spirit week theme was "Decades": the freshmen were the year 2000; the sophomores, the 50's; the juniors, the 60's; and the seniors, the 20's.

The week started with the annual Girls' Service vs. Girls' League and Interact vs. Key Club waterpolo games on Monday. Girls' Service and Key Club won by the scores of 6-2 and 4-1, respectively.

Wednesday started on a down note when a lunch time band was cancelled, but Marauders still feasted on barbecue chicken, a meal sponsored by the A.S.B.

Thursday was the annual Powder Puff game. At lunch there was a battle between the cheerleaders, coaches, and teams. The seniors were victorious in almost every event, including the climactic tug-of-war. The seniors also pulled out a victory in a hard-fought 21-14 game that afternoon.

Friday's class competition included the MHS Clap (won by the sophomores) and a contest with marshmallows where contestants stuffed their mouths and said "Chubby Bunny." This contest was won by the seniors. Then there was a volleyball pass between the knees. The sophomores took first. Finally the week was capped off with the Homecoming game Friday afternoon.

seniors score powder puff victory

The students came alive on the morning of the 1980 Powder Puff dual. The juniors and seniors fought throughout the night water-ballooning and sudsing. The annual ritual of almost calling the game off prevailed when trash cans were found on the school's roof. They were taken down, and the show went on.

The seniors jumped off to a 14-0 lead when **Linda Lassiter** scored on a ten yard run followed by a five yard run by **Patti Brown**. **Debbie Weitzman** then brought the juniors back into the game with a touchdown run of ten yards. In the second half junior quarterback **Heather Higgins** tied the game with a ten yard scramble. On a screen play of forty yards, senior **Patty Perkinson** put the seniors ahead for good, 21-14. Outstanding defensive play for juniors was shown by **Carrie LoGuidice**, **Kelly Merideth** and **Dana Rempp**. Outstanding seniors were **Julie Donatoni**, **Peggy Jarman**, **Stella Mance**, **Kerry McKee**, and **Kathy Virtue**.

coming home

The theme of the 1980 Homecoming was decades. The Seniors represented the 20's, the Juniors the 60's, the Sophomores the 50's, and the Freshmen represented the year 2000. The students earned points for their class at lunch by dressing up to their class decade. At halftime of the game the senior float nosed a victory in the float competition with a close second to the juniors. The sophomores and freshmen followed respectively. Then came the crowning of the Homecoming Queen for 1980—**Alison Dunn**. The football team kept spirits high with an easy victory over El Segundo, and in the evening a surprised **Blake McEfee** was named Homecoming King at the dance.

Miraleste dances always brought a lot of fun and relaxation to break the dull monotony of studies. They were chances to loosen up, meet some new people, and really enjoy yourself—times to have fun with your friends and be totally crazy.

Some of the bands playing at the Friday night dances included City Lights, and the Twisters.

All in all, Miraleste dances will bring back fond memories of ... ?

little darlings

Each year the sophomores have a special dance to honor a soph doll and guy. Since the Twisters were so popular last year, we invited them back.

This night was filled with excitement as the nominees awaited for the winners. **Tricia Milligan** and **Jordan Houchen** received the honors.

1. **Mike Crvarich** congratulates Jordan. 2. Miraleste rocks with the Twisters. 3. **Cathie LoGiudice** gives a hug to the "Soph Doll." 4. Soph doll and guy nominees—Dolls: Tricia Milligan, Diane O'Gorman, Kathy Knoll, Cathie LoGiudice, and Elisa Hanley. Guys: Jordan Houchen, Keith Rowan, Mike Crvarich, Danny Rempp, and Steve Strickfaden. 5. Marauders crowd the stage to be near the Twisters.

king kong at miraleste

Annually, Girls' Service puts on a George of the Jungle dance. They choose the most outrageous, wild, and ferocious guys to participate in the competition. The one who yells, looks, and acts most like a wild man becomes the George of the Jungle. It was a tough decision, but that night **Tim Kim** became that man.

1. **Chris Reegal, Steve Bartner, Tim Kim, Mike Berchtold, Sue De Cristofaro**, and up on top **Mike Bir** just hangin' around. 2. **Kara Salmonson** bungles in the jungle. 3. Ahahahahahaha . . . watch out for that tree!!!!!! 4. And here's the "Jungle Bunch." 5. The crowd waits for the band to start.

Class competitions, taking place every other Friday, brought unity within the classes and promoted spirit. Points were awarded to each of the classes according to their place in each event. The class with the highest number of points at the end of the year will win the "Class of the Year" trophy. Included in the class of the year competition were each class' grade point average and attendance record.

1. Members from each team bob for apples. 2. **Robert Goode** and **Chris Nolan** twirl themselves around a tennis racket. 3. **Greg Roark** shakes water from his hair as he holds an apple in his mouth. 4. **John Gamboni** stoops to pick up an object thrown by his teammate. 5. During class competition, **Kent Phillips** lunges to throw a softball. 6. **Annie Diego** and **Steve Strickfaden** chew on the ends of a licorice rope to meet each other in the middle. 7. Kung Fu man, **Jim Haywood**, runs to bring his class up to first place.

dracula

During two weekends in December, the Miraleste Theatre Arts Department performed the mystery drama, "Dracula." This show was directed by **Kathy Towner** and **Renee Allen**. Although the drama department had a new director and cast, the technical director **Dan Cornford**, stage manager **Carolyn Shilady**, and production co-ordinator **Kim Jenkins** felt that it went successfully. The cast included **Derek Mahih** as Dracula, **Ron Armstrong** as Van Helsing, and **Jeff Creighton**, **Eric Oswald**, **Mike Richter**, **Teri Schnerk**, **Dan Cornford**, **Pati Sheperd**, **Renee Allen**, and **Shelley Lawder**.

an old fashioned formal

This year's Winter Formal had a new atmosphere as it was held in the gym. Girls' League did a wonderful job decorating the gym according to the theme "An Old Fashioned Christmas".

Following tradition, the girls asked the guys to this event. The bids were available to everyone and were at a lower price. Dinner was not served so couples went out to dinner at the restaurant of their choice. Upon arriving in the parking lot students were greeted by valet parking.

On the whole it was a successful evening, enjoyed by all.

administration

Over this past year, the Board of Education had to make many difficult decisions without much financial help. This is partially due to the decaying financial status we now face. The students were again asked to pay a fee for athletics. The guidance program was also decreased this year.

Additionally, the board was forced to close schools due to the declining enrollment and budget constraints.

The growing problem of vandalism affected all of the schools and is even greater this year than it has been in the past. The board awarded each school money for the problem.

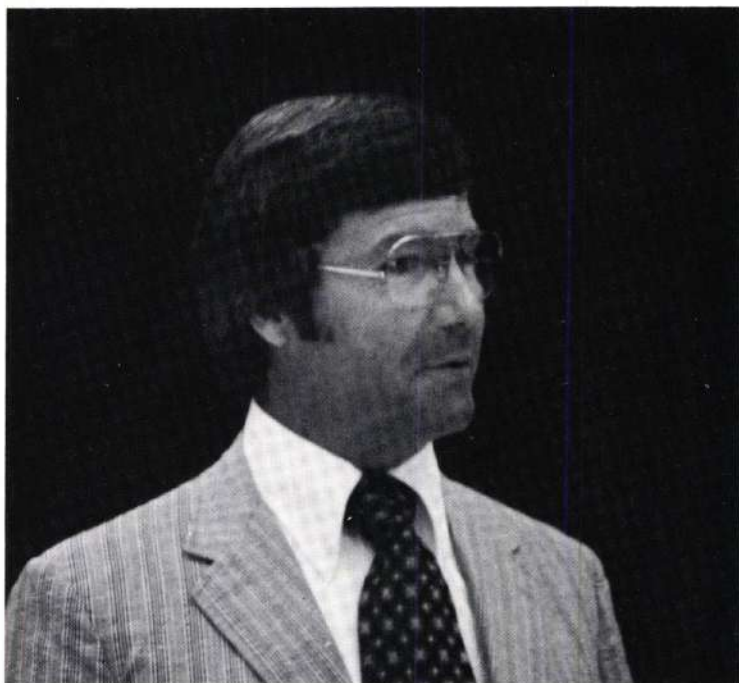

P.V.P.U.S.D. Board of Education—Row 1: Ann Hinchliffe, Patricia Johansen. Row 2: Neil Hertzmann, Rose Lachman, Stephen K. Heller, Steve Vargas.

principal's message

The 1980-81 school year was one of change, here at Miraleste as well as nationally. From a personal perspective, my tenure as new principal began on a most positive note, beginning even before the first all-school assembly in September. The friendly welcome I received from the student body reflected, I believe, the general atmosphere of the campus in this school year—one of warmth and enthusiasm.

James Ryan
Asst. Principal/Curriculum

To the Class of '81, as you move on to the next stage in your lives, whether it be college or work, I suggest that you have an important role to play in shaping the decade of the 1980's. The decade began with rather sweeping political change and forecasts of continued economic adversity. Your challenge is to participate and contribute positively to the effort to resolve those problems we face.

I have made many friends in this, my first year at Miraleste. My hope is that you, too, will cherish the friendships and experiences you've shared in your time in high school, and that they have helped provide a foundation for your future happiness.

The PTSA has been very active this year. The homes tour was highly successful, as it always is, and so was the historical trip which was sponsored by PTSA. It gave students, travelling over spring vacation, the opportunity to learn more about the early beginnings of our country.

The Special Education program did exceptionally well this year as did Work Experience, whereby students are helped to choose the right career.

With increased technology and travel, our world seems to grow increasingly small and our opportunity to communicate with other cultures climbs. The value of speaking a foreign language is undisputed. The Social Science Dept. placed heavy emphasis this year on a relatively new course entitled World Geography. Designed primarily for freshmen, this class also endeavors to help students master basic skills necessary for high school success, such as: taking notes, making outlines, and preparing for tests.

In addition, this year the juniors viewed the Lincoln-Douglas and Jefferson-Hamilton debates, performed by an off-campus theatrical group. The productions were polished and informative, creating an excellent experience for U.S. History students.

Diversity and challenge are visible hallmarks of the arts department. Variety is readily evidenced in the broad selection available as students opt to perform, to create, and to develop technical skills. Typing, essential for both the business bound and the college bound, continued to be a popular choice among Marauders. This department also groomed the well-rounded student in its attention to health and driver education.

This year the P.E. department had three major goals: to encourage development of physical fitness appropriate for the student's corresponding grade level; to provide an atmosphere of fun in recreation through sound learning; and, finally, to have students acquire a variety of skills which would carry on beyond their secondary education.

Again this year, the juniors and seniors were not required to take P.E. but were invited to participate in it as an elective.

spanish nat'l honor society

The Spanish National Honor Society consists of persons who are advanced in the Spanish language. Each must submit an application stating the levels of the language that he has achieved thus far and all the grades received. Then, Dr. Costales carefully studies the applications and selects those who are qualified to be admitted. Once those persons are chosen, two initiation practices are held, and finally there is the actual initiation. A person who pledges to the society is a member for life.

(NORTH HAY CROSSING)

"All of the animals,
excepting man,
know that the principal business of life
is to enjoy it."

—Samuel Butler

Congratulations from all of us
at the Ice Cream Circus.

"THANKS FOR THE MEMO-
RIES." WE, THE GIRLS SER-
VICE CLUB, CLASS OF '81,
ARE FILLED WITH EXCITED
ANTICIPATION AS WE LOOK

TO THE FUTURE; MIXED WITH SADNESS AS WE THINK
OF THE FRIENDS WE ARE LEAVING. OUR EXPERIENCES
AT MIRALESTE THROUGH GIRLS SERVICE HAVE
TAUGHT US THE INNER JOY AND FEELING OF SELF-FUL-
FILLMENT THAT COMES FROM SERVING OTHERS BOTH
IN OUR SCHOOL AND THE COMMUNITY.

WE WISH GIRLS SERVICE OF THE FUTURE, SUCCESS
AND HAPPINESS IN ALL YOUR
FUTURE ENDEAVORS. WE
HOPE THE TIME SHARED TO-
GETHER WILL ALWAYS BE A
PART OF YOUR TREASURED
MEMORIES TOO.

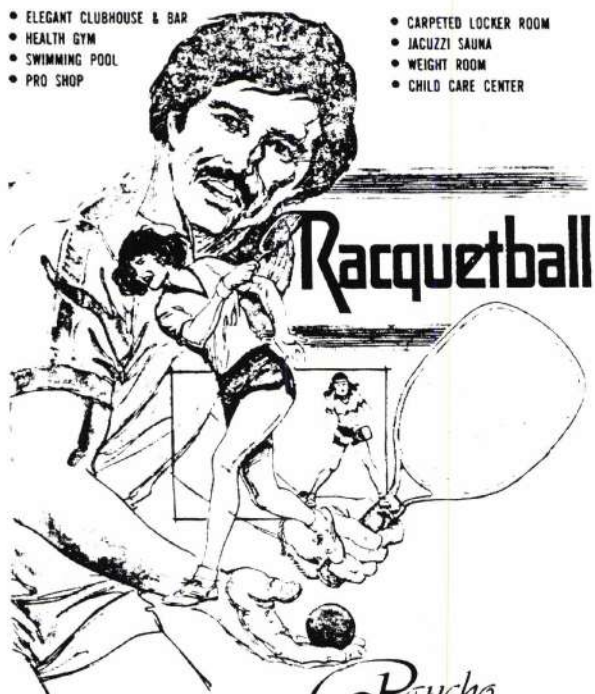

TO
ENSURE
A LONG AND
HAPPY LIFE; NEVER
EVER PLAY LEAPFROG
WITH A UNICORN

GOOD LUCK CLASS

At the start of each new school year we experience a sense of anticipation—much the same as the expectancy we feel upon walking into a darkened movie theatre before the show starts. Now, as this year draws to a close—as the credits appear on the screen—we realize that this movie will long be remembered for both its light-hearted and poignant moments.

Every actor and director realizes that the takes are as important as the final prints. I hope that this book will prompt a host of memories not pictured in its pages but rather in your own mind.

Just as every movie has its theme song, so too did this year. The lyrics were not always beautiful and the music often clashed, but it was always there and can never be forgotten. This song was found in the screams of joy or the groans of despair at a football game; in the muffled drone of voices behind closed classroom doors; in the stamp of feet and the shoving of bodies in the cafeteria at lunchtime. This was the soundtrack to our movie.

Each student can be proud of the role he

played in this film. With this book, you have a permanent record of both the cast and the screenplay. Thanks should be given to the patrons of the arts—the parents who supported the actors and directors in creating a motion picture masterpiece.

Special Oscars and my own thank-you are deserved by certain people involved in the production of this book: Mr. DiSanto, the staff, especially Judy Inose and Craig Henderson, Greg Hemsoth and the Herff-Jones Company and Mr. Letcher. Your constant help and support was greatly appreciated.

Though this segment of the movie has ended, the script goes on; the camera continues to roll. However, in years to come, this year will always be remembered as well worth the price of admission.

That's a wrap.
