# Togetherness . . .

The condition of being together or united in social, educational, or other activity; the quality of being in close relationship or harmony; comradeship or intimacy. Many people would question this as an appropriate word to describe a typical high school atmosphere. Actually at times, the picture that is painted may seem far from united, because each individual has different tastes, values, attitudes, and goals. People with similar tastes develop friendships that form the various groups found on campus. The important part of all this is that these groups "come together" to form the unique atmosphere of Miraleste.

1

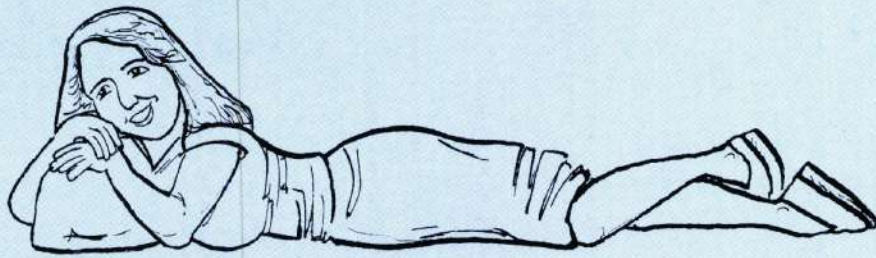

2

1. The lingering effects of passing a test show on Christine Leonard's face. 2. Geoff Todosiev shows Margarethe Rhine his romantic side. 3. At the City Celebration, Camden McEfee tries to smile and eat at the same time. 4. Chef Matt Personious gives his opinion on the school's milk. 5. Carol Patterson looks at the beans in disgust after seeing one move.

5

# Unique Personalities..

For most students, the change from Jr. High life to a high school atmosphere is a great one. Suddenly, one has much more freedom and a lot of choices to make. The need to feel accepted within a particular group of people is even more accentuated than before. Individual tastes change as a result of trying to find an "identity." We all have ways to describe the images that people project . . . we say they're "preps," or "punks," or "jocks," or "brains;" there are "babes," "geeks," and some that are classified as "too into themselves." Whatever group one chooses to belong to, the important part is that although these groups seem to be separating themselves from everybody else, they are really learning how to function as a unit and interact with each other.

1. Marianne Eberhardt can't figure out what's going on outside her classroom. 2. Going bananas at the city celebration are Samantha Farrar, Laura Tulman, Imee Diego and friends. 3. Tim Wahl prepares to give a high five while Dan Rempp, Jeff Potter, Ted Yasuda, and Joe Brajevich look on. 4. After a long day at school, Janet VanDerMeulen and Diane Baker can still laugh it up. 5. Steve Calatrello sits back and does his best James Dean. 6. Hilary Hupp tries to be inconspicuous at a water polo game.

# In- Between Time . . .

The bell sounds . . . and they're off! Suddenly, quiet halls are filled with a great mass of students, each going in different directions. There are six short minutes to go to one's locker, get to the next class, and most importantly . . . socialize! The rail by the library is often the gathering place of these six-minute fraternizers. Is this mob "together?" Even if it does not appear so on the outside, there is a sense of unity and cooperation. If everyone was truly thinking only of himself, people would be trampled, and there would be none of the smiling faces so characteristic of the halls.

# Bound Together With Spirit

What binds 1200 people together? What makes a crowd into a team? SPIRIT!! This important quality shapes the atmosphere of the school. There are many ways Marauders show their spirit — at athletic events, dances, Spirit Week, class competitions, and dress-up days. Whether one is part of a team or part of the support of the team, each individual plays an important role by contributing his own personality to help form the personality of Miraleste. Assemblies, rallies, Senior barbecue, Jungle Day, Hats and Shades Day, Pajama Day, Powder Puff Football, Homecoming, a 50's Dance, Winter Formal, Soph Doll Dance, Sweetheart Dance, class elections, the Prom, and finally . . . graduation are some of the spirit-raising activities of the year.

# United By Games

The games we each play everyday unite us through spirit. First of all, there are games in the literal sense — football, basketball, water polo, tennis, track, soccer, baseball . . . Being a part of a team almost always brings a feeling of camaraderie because each person must work together with the other individuals on the team. When even one is missing, the team is not the same. Working together is essential for a successful team, and each individual must give of himself or herself to help foster this success. Even being a spectator at these events generates spirit. There is a spirit of friendship between a group of people who share a common interest. Both, members of the team and the spectators, celebrate a victory and feel a loss. Some people look at school as a game — each student, a player, projecting a certain character and working towards a particular goal. Although that goal differs from person to person, it is basically the same in every game . . . to reach the finish line.

1. Arlyn Ujfalussy takes a few moments to recover from her run in the Greek Olympics. 2. The Junior Powder Puff team shows mixed emotions about the results of the lunchtime competition. 3. Watching the balloon's every move, Jay Mayer avoids taking an early shower. 4. Seniors show the Juniors who's number one! 5. Trying to figure out who's ahead, Craig Walton scratches his chin thoughtfully.

# Lunchtime!

1

3

It's ten minutes 'til 12:00, and it seems to go so slowly! Finally, the bell rings, signaling the all important lunch hour. Students find a variety of things to do at lunchtime. Some go home, some go out for lunch, some bring their lunches in lunchboxes (the latest thing to do!), and some even dare to try the cafeteria food. "Marauder food" can be quite good at times, and the cafeteria caters to a variety of tastes: pizza boats, cookies, tacos, granola, bagels, ice cream, and a salad bar are among the vast array of selections. Whatever one decides to do at lunch — talk, take off, or eat — lunchtime is a good break after morning classes, and a great time to get together with friends.

1. John Slingsby creates his own version of a "Marauder burger."  
 2. Reclining on top of a locker Patty Garcia tells Tracy Craig the latest news. 3. Holly Stauts and Colly Elgin watch the antics of some typical freshmen in the courtyard. 4. Ami Houland and Krista Ehrenclou enjoy watching Friday's competition. 5. Shelly Burrows, Denise Baldarrama, Jane Moore, Tashia Hinchliffe, Lisa Keller, and Heidi Mitts share a juicy bit of information. 6. Geoff Todosiev shares his new found knowledge with Chris Sabol and Scott Brannen.

# Shaping Our Future

Miraleste is indeed a place to "come together." Although the interests of many students differ from that of their peers, all come together to share four years. These four years at Miraleste play an important part in shaping personalities. By participating in various clubs, organizations, teams, and social groups, we help prepare ourselves for the roles we will play in society. In life there is a myriad of different tastes, interests, and groups. There are followers and leaders, thinkers and doers. Even though we might not always agree with the views of others, we have to learn to tolerate them. By "sticking together," side by side, the road to the future becomes smoother.

1. Todd Twenhofel and Vanessa Maldonado enjoy a little extracurricular activity. 2. Tashia Hinchliffe and Kara Watanabe share the latest gossip. 3. Demonstrating his ability to bounce a ball, Eric Fussganger adds to the sophomore float. 4. Miraleste students look over a new toy. 5. Co-Captain, Traci Marken, leads the Drill Team during the half time show.

# August/September

## WORLD

For three weeks troops from the Palestine Liberation Organization (PLO) had been occupying West Beirut. While negotiations for removing the PLO took place, Israeli forces launched the heaviest assault yet on the PLO since the occupation began. The assault included heavy shelling of downtown Beirut which caused much damage to the buildings and resulted in several hundred deaths.

Following the assassination of Lebanon's President-elect, Bashir Gemayel, the Israeli government sent armed forces into West Beirut. There, they entered the refugee camps of Sabra and Shatila and opened fire, killing hundreds in a bloody massacre.

Mexico suffered its worst economic crisis since 1910. As compared to the fiscal year of 1981, unemployment rose to 50% and inflation threatened to reach 100% by the end of the year. The rate of exchange on the Mexican peso increased to a staggering 200%.

The biggest buying spree in Wall Street history took place over a ten day period. Over 100 million shares were sold. The spree was spurred on by dramatically slowed inflation, falling interest rates, and Reagan's 98 billion dollar tax bill.

1

## NATION

President Reagan persuaded Congress to pass a three year deficit-checking 99 billion dollar tax hike. The Senate approved a bill to curb illegal aliens from Mexico. The bill would hold employers accountable for hiring "undocumented" workers. Also, the bill provided amnesty for the 6 million or so illegal aliens already here. However, for those trying to enter the United States through legal action, the bill will

make it harder for them to do so.

President Reagan vetoed a 14.2 billion dollar supplemental spending bill that would have provided additional money for the 1982 fiscal programs.

Space Services, Inc. of America launched the first "free enterprise" missile, the Conestoga I, from Texas.

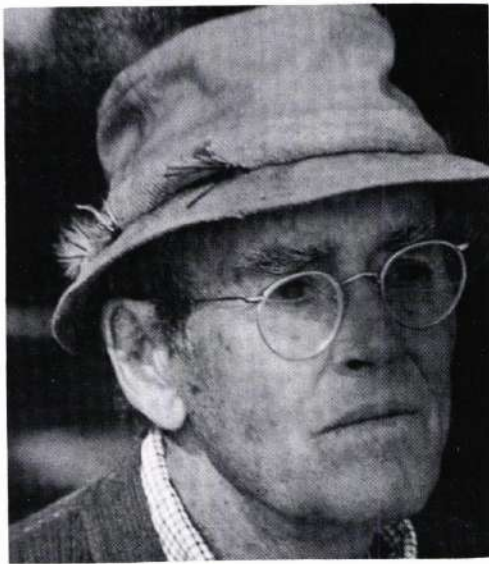

The national cost of living rose a slight 0.3% as inflation was restrained by de-

2

creasing gas and food prices. Economists viewed this improvement as a sign of progress in combatting inflation. A jump in the number of unemployment claims seemed to indicate that the unemployment rate might reach 10% by the end of the month.

#### ENTERTAINMENT

Apple computer wizard Stephen Wozniak sponsored what some people were calling "Woodstock II." The US Festival, held during the Labor Day weekend, was the biggest outdoor concert since Woodstock in the late 60's. The event, held in Glenn Helen Regional Park, drew crowds of more than 200,000 people. Some of the performers featured were the Talking Heads, the Police, Oingo Boingo, the Cars, the Grateful Dead, Jackson Browne, Pat Benetar, Fleetwood Mac, and Tom Petty and the Heartbreakers. Those who attended the festival praised the organization, complained about the scorching temperatures, and rocked to the music. The party atmosphere was prevalent, and most hoped for another in the future.

Three of Hollywood's most beloved and talented performers passed away. Henry Fonda died at the age of seventy-seven, soon after he received his first

Academy Award for his role in the film *On Golden Pond*. Princess Grace, formerly Grace Kelly, died at fifty-two. She was remembered most for her "class and poise" and her "fairy-tale" marriage to Prince Ranier of Monaco, as well as her Academy Award winning performance in *Country Girl*. The movie industry also lost the talents of actress Ingrid Bergman who died of cancer. The two time Oscar winner received audience and critics' approval for the roles in films such as *Notorious*, *Anastasia*, and *For Whom the Bell Tolls*. Her final triumph was the limited television series *A Woman Called Golda*, which she made while extremely ill. She won an Emmy award for Best Actress in a Limited Series, providing the emotional highpoint at the ceremony. Hollywood lost a trio of truly great performers who can never be replaced.

At the movie theaters some of the box office hits were *An Officer and A Gentleman*, *Friday the 13th III* in 3-D, *Summer Lovers*, *E.T.*, *Poltergeist*, and Pink Floyd's *The Wall*.

Three of the biggest selling albums were Asia's *Asia*, Fleetwood Mac's *Mirage*, and Stray Cats' *Built for Speed*.

#### SPORTS

The baseball season continued to wind down with players looking toward the play-offs, and with every game becoming more crucial.

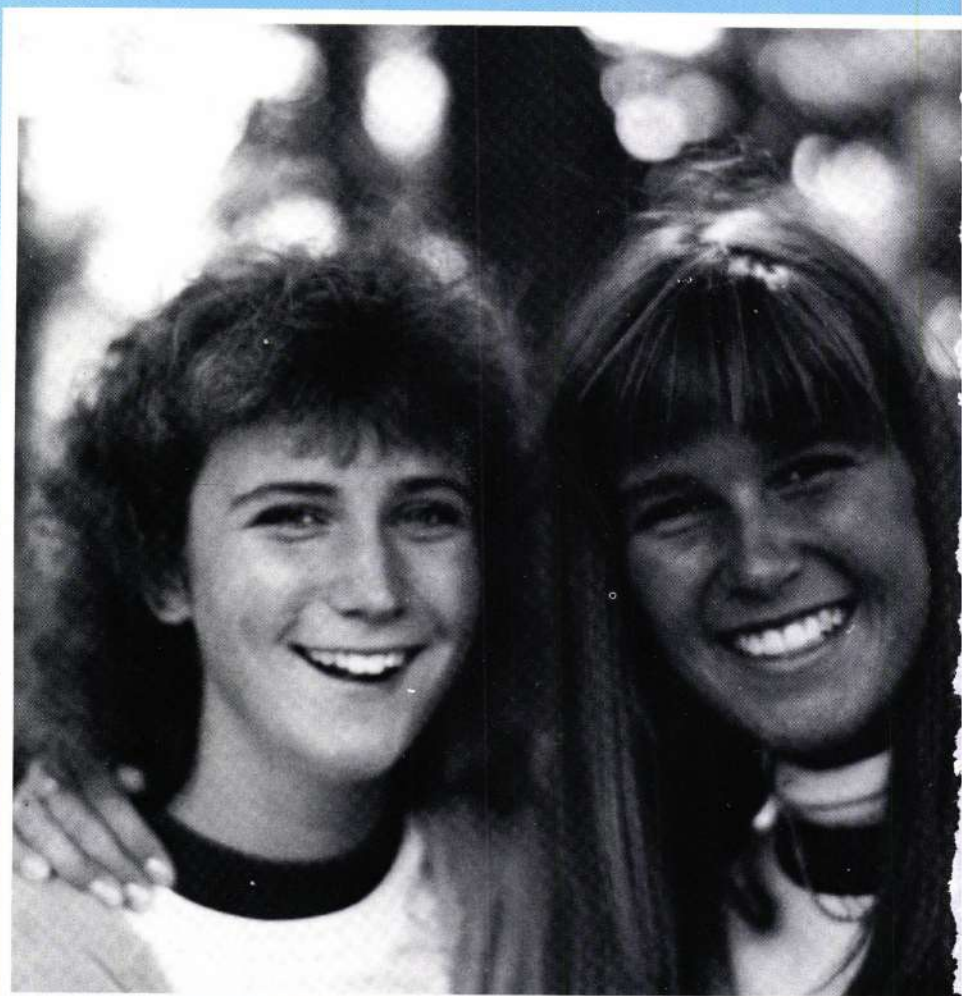

A strike was called by the National Football League Players' Association against the game's owners. Two of the key issues that brought about the strike were salary disputes and the method of player payment. Starting September twenty-third, no games would be played until a settlement was reached.

## Leads the Way

Who, in his right mind, would willfully give up every Wednesday night to sit around in the Drama room? ASB officers, class officers, and appointees: the people who form Student Council. Each Wednesday night they meet together to make decisions concerning lunchtime activities, Friday night events, organize and offer input on major undertakings such as Homecoming, the Spring Fair, increasing involvement, and strengthening spirit and unity. Meetings were orderly, which allowed much to be done. Most members left after adjournment with a sense of accomplishment.

# Leaders Come Together

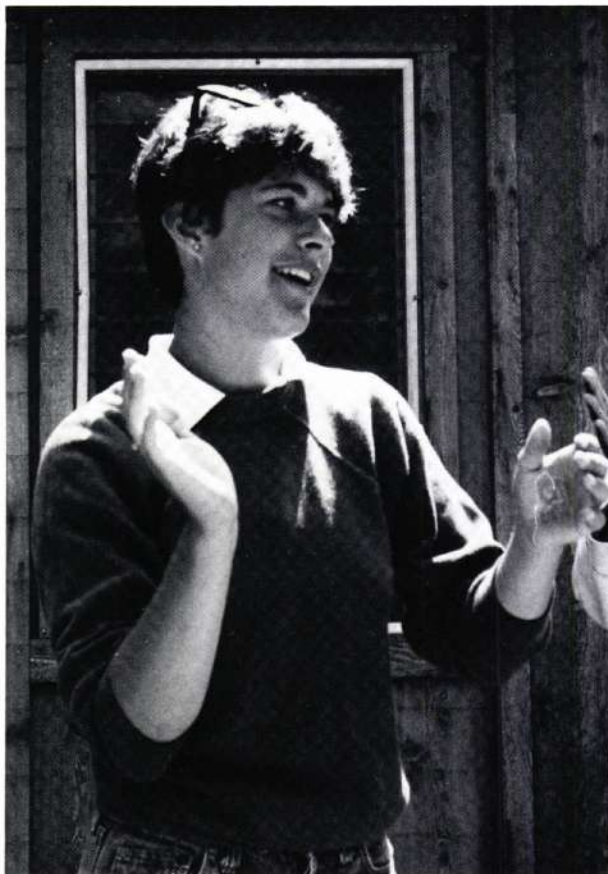

To kick off the year, the "leaders" of Miraleste traveled to Camp O-Ongo in Running Springs for three days of business and pleasure.

Business entailed brainstorming on a Homecoming theme, lunchtime activities, and ways to involve the "invisible kids;" listening to a seminar on budget; and discussing new procedures and rules with Dr. Burnight.

Elise Hanley put her leadership abilities to good use at Student Council's first meeting. The Council chose a Homecoming theme (Fairy Tales) and decided upon policies and goals for the upcoming year.

Even though the "leaders" had a great deal of business to attend to, they found plenty of time for cabin raids, water balloon fights, pingpong, volleyball, and horseback riding.

Unfortunately, the mischief got out of hand and a warning issued, but everyone agreed that it was one of the most productive and fun-filled sessions ever.

# Activities

# Classes Come Together

To promote class spirit and unity, class competition was held on Fridays at lunch. It succeeded in getting people involved and offered entertainment for those watching. Events included the turtle crawl, four-legged race, bat twirl, and marshmallow face stuffing, as well as other creative ones. At the end of the year, the points from these lunchtime competitions, along with points from academic and attendance contests, are added together and the class with the most points receives the "Class of the Year" trophy.

Coming in from the turtle race are Lynn Whitney and Gretchen Leimbach.

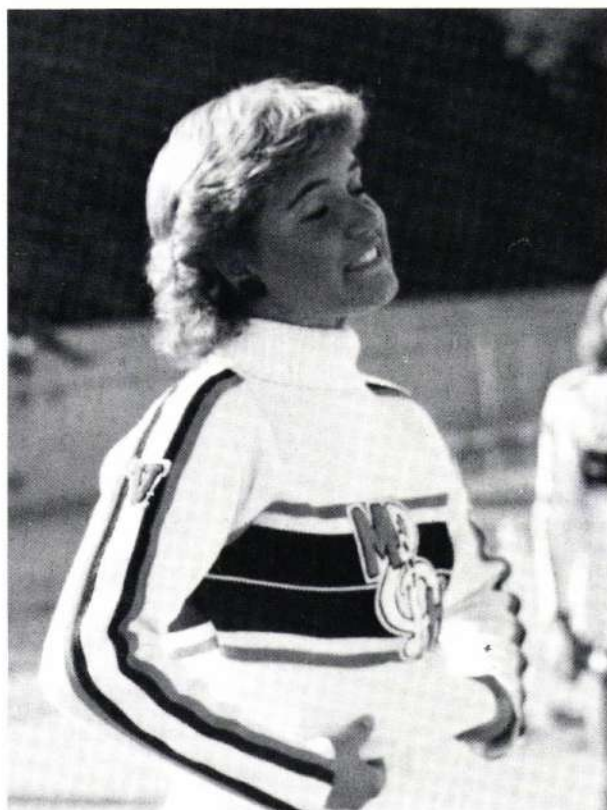

# Pep Squad Unites

The *Pep Squad* had a great start this year when they returned from camp in Santa Barbara. With many ribbons of superiority and excellence, two trophies, and special awards for enthusiasm and spirit, they eagerly awaited the beginning of the year. The spirit they exhibited early in the year continued until the last school activity. Not only did they attend and cheer at all athletic events, they were also credited with the numerous kidnapping of teams, giving them breakfast and treats for good luck, the T.P.'ing of the school, and holding spirited car rallies. Through the year, the *Pep Squad's* efforts were a great contribution to school spirit, unity, and involvement.

# Exhibit Spirit

This year, the Band and Banner Squad completed another successful season of competition and spirit boosting. The Band and Banner Squad, placing in every parade they entered in the last two years, finished up the year with a victorious first place trophy at the Camarillo Christmas Parade. Besides competing with the Drill Team at parades, they entertained and boosted spirit at football and basketball games. This group of musical students managed to not only contribute to school morale and pride, but had fun while doing it.

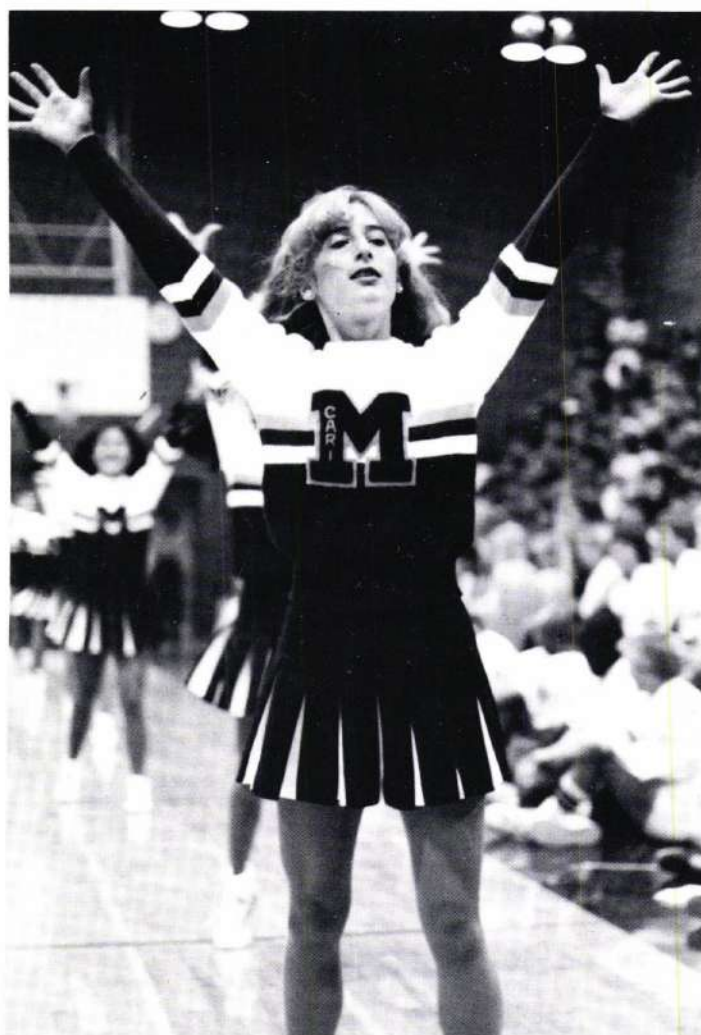

# Drill Team Has the Beat

After practicing all summer and attending camp, the hard work paid off for the Drill Team. Led by captain Elsa Halderman and co-captains Traci Marken and Jackie Spears, the team had one of its most successful years ever. In the many competitions and parades attended, they received either first or second place. The hard work that began in the summer continued throughout the football and basketball seasons, all the way to Miss Drill Team USA. In addition to the regular Drill Team, there was a special dance group that participated in a competition at Disneyland and walked away with a first place trophy. Advisor Jackie McGuire was a great asset and really helped the team pull through.

Spirit Week started for the seniors on Sunday with the annual senior barbeque which included announcement of the Homecoming Court. On Monday during lunch, the Homecoming Court was announced to the entire school. Dressed in their safari garb, for Monday was Jungle Safari Day, the nominees finished off the lunch time activities with competition among themselves.

Tuesday was Hat and Shades Day with the traditional Interact vs. Key Club water polo game. Interact came out victorious with a score of 4-3.

On Wednesday something new was tried this year. The Twisters held a lunchtime concert in the gym. Marauders, dressed in pajamas, flocked to the gym to dance their lunch away.

The annual Seniors vs. Juniors Powderpuff Game was held Thursday. The Senior team came out victorious in both the game, the score was 21-14, and in lunchtime competition.

The week was capped off on Friday with the Homecoming Assembly and football game. During the assembly, the nominees were formally presented to the student body and faculty and the king and queen were voted upon. During the football game the Marauders proved once again victorious with a win over El Segundo.

7

# Seniors Prove Tough

"Juniors are gonna die!!!" And keeping with the slogan, so they did in the annual Powder Puff football game between the Senior and Junior girls. The day kicked off with the customary breakfast at "Denny's", following a sleepless evening of parties, raids, and car painting. At lunchtime, the Seniors gave the Juniors a taste of what lay ahead as they proved victorious in the lunchtime activities. The game itself was tough and well played. Weeks of practice paid off for the Seniors as *Shelly Burrows* scored the first touchdown, *DeeDee Weber* the second, and *Diane O'Gorman* the final and winning one. The Juniors made a good attempt by scoring two touchdowns by *Jackie Spears* and *Susan Johnston*, but the Seniors' power proved unmatched in the 21-14 victory.

# Marauders Come Home

Spirit Week reached a climax with the introduction of the Homecoming Court by Kathy Knoll at the Homecoming Assembly. The Homecoming Court: Girls — Elise Hanley, Cathie LoGiudice Tricia Milligan, Heidi Mitts, and Suzy VanDerMeulen; Guys — Mike Crvarich, Spencer Krieger, Jay Mayer, Danny O'Brien, and Kurt Schroeder. That afternoon the Miraleste Marauders dominated the El Segundo Eagles and chalked up an impressive win. A capacity crowd was present for the game and festivities. At half time each class proudly displayed its float. "Fairy Tales" being the theme, the Seniors depicted "Snow White and the Seven Dwarfs," the Juniors presented "Cinderella," the Sophomore class portrayed "The Old Woman in the Shoe," and the Freshmen enacted "The Wizard of Oz." The Sophomores won top honors, followed closely by the Seniors, Juniors, and Freshmen respectively. Heidi Mitts was crowned Homecoming Queen '82 by a parachutist who "dropped in" for the occasion. That evening Miraleste students donned their togas for the Homecoming Dance. Kurt Schroeder was cheered by a jubilant crowd as Homecoming King '82.

# Orchestra and Chorus Sound Off

3

The Miraleste Orchestra is a highly dedicated group of musicians who devote many long hours practicing and perfecting the score of the spring musical. They got off to a strong start early in the year by competing in the Krelb Competition, in which they took first place. Under the direction of Bob Kohler, the orchestra performed not only in "No No Nanette," but also gave a Spring Concert and played for the Awards Banquet in June.

Although this year's chorus sang beautifully, it will not continue next year due to a lack of funding. Many chorus members participated in this year's musical, "No No Nanette." In December, they performed in a Winter Concert, then teamed up with the band to give a Spring Concert. The singers were accompanied by outstanding pianist Dan Wells and received steady guidance from teacher Mr. Still.

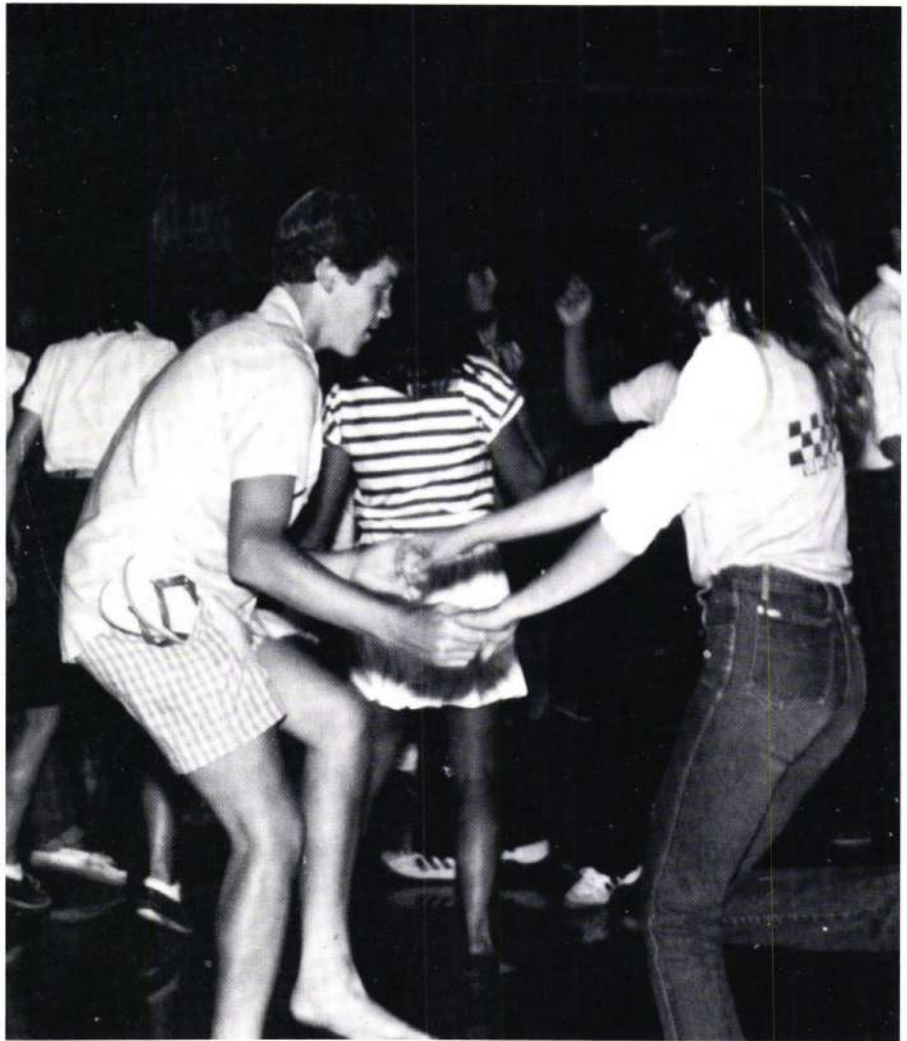

1. Mike Ayulo, Mike Dulac, and Jon Towner concentrate on learning a new piece. 2. Wayne Pages patiently awaits his cue. 3. Working toward perfection are Jean Miao and Nancy Bray. 4. Director Bob Kohler attempts to keep things under control. 5. Chorus — Front row: S. Sternfield, Mr. Still. Row 2: S. Wintroub, L. Bockserman, S. Rauch. Row 3: C. Wilson, L. Lach, M. Taylor, N. Searing. Row 4: D. Wells, G. Mohr, M. Satalich, Z. Nomicos, K. Holmberg.

# Marauders Rock This Town . . .

There is no better place to see Marauders in action than at a dance, and this year proved no exception. All of the various dances had good turn-outs and students danced to the music provided by outstanding bands such as *Rollercoaster*, *Scandal*, *Keeper*, *the Imposters*, and *the Palisades*. Some of the different themes were: Toga, Rockabilly, Hawaiian, and Levi's and Lovers. The themes increased involvement, enthusiasm, and fun.

1. Tim Fresenius dances with a friend to the music of *the Imposters*. 2. The lead singer of *the Imposters* sings to an attentive bunch of Marauder girls. 3. Steve Marken and homecoming queen nominee, Cathie LoGiudice, enjoy each others company at the Toga Dance. 4. Kathy Botica twirls Carolyn Stevenson while Valerie Stunkard and Wendy Misitich wait their turn. 5. As Roman girls dance together, Denise Balderama points out a cute guy. 6. Mike Keese shows how it's done. 7. The popularity of Fred Schnerk is exhibited as he takes on two girls.

The Soph Doll and Guy dance, one of the most exciting dances of the year, enjoyed a healthy attendance. In fact, it was one of the year's most successful activities, earning a great deal of money for the class of 1985. Marauders danced to the music of the opening band, the *Dokters*, and to the ever-popular *Palisades*. Dressed in accordance to the theme of the dance, "Levi's and Lovers," all the nominees were introduced to the eager crowd. The highlight of the evening arrived with the announcement of *Matt Personius* and *Joelle Martinet* as the 1983 Soph Guy and Doll.

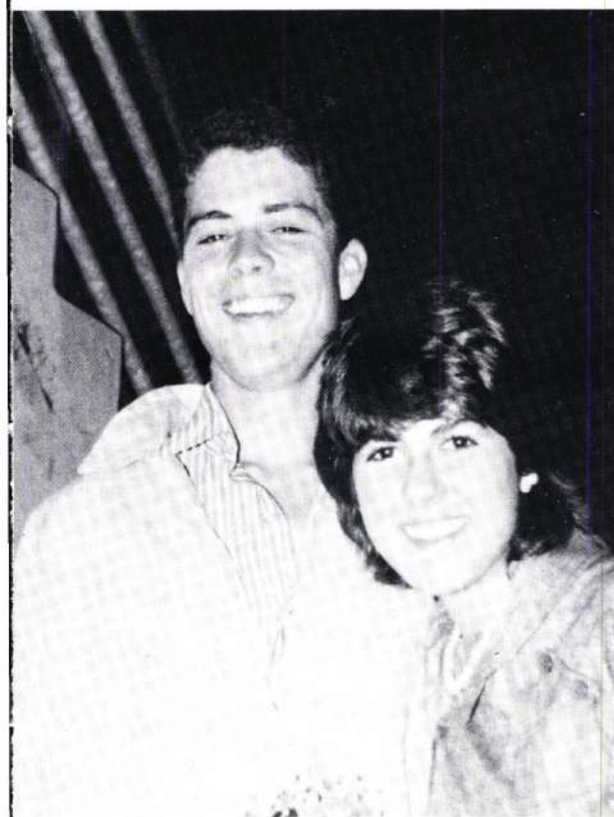

1. *Joanne Roe* rocks to the sound of the *Palisades*. 2. Soph Doll nominees congratulate *Joelle Martinet* as she is announced the winner. 3. Soph Guy and Doll nominees: Front row — *Joelle Martinet*, *Traci Marken*, *Jerriann Cobb*, *Danny Prislín*, *Chris Harper*. Row 2 — *Matt Personius*, *David Harper*, *Shane Lamb*, *Kristen Fogle*. 4. *Joelle Martinet* and *Matt Personius* are this year's proud Soph Doll and Guy. 5. Tired Marauders take a break from dancing.

# Sweethearts

The Sweetheart dance, sponsored by the senior class, was outstanding. Marauders danced to the music of a San Diego band, *The Pinstripes*. Leading up to the dance, the Pep Squad put on a challenging, yet exciting car rally. Highlights of the dance were the announcements of the winners of the car rally and of the class sweethearts. The nominees were introduced at the dance and finally the winners were announced. The Sweethearts for 1983 were seniors *Dave Raig* and *Rosanna Yuja*, juniors *Ray Hofer* and *Sam Suggett*, sophomores *Tom Parker* and *Wendy Swanson*, and Freshmen *Dino Ferrara* and *Laura Farley*.

Many things accounted for the high attendance at this year's Girls' League sponsored Winter Formal. The highest attendance in the formal's history can be contributed to two major factors: the drop in price of the bid to \$15 and the successful attempt by Girls' League to widely publicize the event. Upon arrival the couples were greeted by valet parking attendants and escorted into the gym via a red carpet walkway. Once inside, the theme of this year's formal, "A Winter's Dream Come True," was brought to life with pine trees, white lace tablecloths, and fog, which added the finishing touches to the wintry atmosphere. In between the music of Rollercoaster, this year's formal band, *Kathy Knoll* was crowned Key Club Queen. For most, this year's Winter Formal was an enjoyable evening and truly a dream come true.

# "The Water Engine"

## — A Splash

2

The fall play, "The Water Engine," was a great performance done by the theater arts department. This production, directed by Larry Thelen, is a story about Charles Lang, a poor, young factory worker who invents an engine that runs on water. Big business interests try to force him to sell the rights to his engine, and failing that, put his life in jeopardy. The actors gave strong solid performances and the setting enhanced the mood of the play. The audience was thoroughly impressed by the show.

# "No No Nanette"

The action in "No No Nanette" takes place one weekend in the early summer of 1925. Nanette, who has been treated like a child all her life, begins to rebel in her efforts to grow up and be treated as an adult. The musical was colorful, vibrant, and full of action. All performers exhibited great versatility in their dancing, singing and acting abilities. Complemented by the orchestra, the entire cast gave a first rate performance that amazed and surprised the audiences.

Leonid Brezhnev died at the age of 76 from heart disease after 18 years as the president of the Union of Soviet Socialist Republics and General Secretary of the Communist party. His successor was 68 year old Yuri Andropov, the former head of the KGB.

The Polish government attempted to ban Solidarity by a law which formally abolished the independent trade union. The passage met with much defiance in the form of strikes and demonstrations.

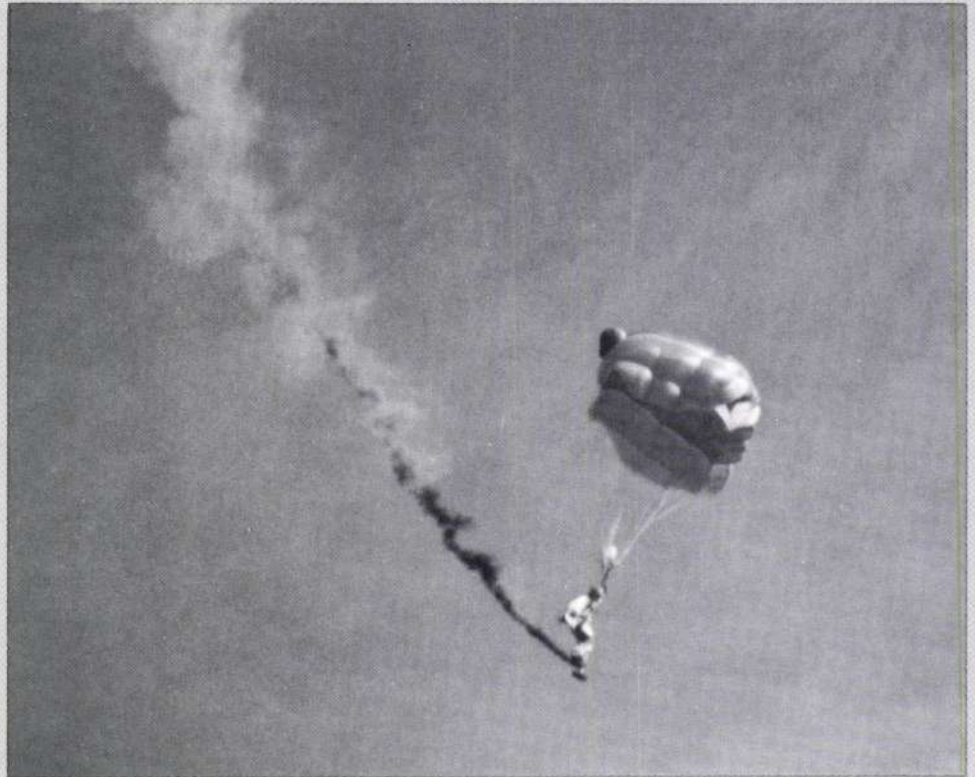

The first of 1,200 U.S. Marines arrived in Lebanon to help keep the peace. The American forces, coupled with French and Italian troops, were sent to help maintain the Lebanese government in the ensuing aftermath of August's massacre in West Beirut.

Zenko Suzuki resigned as Prime Minister of Japan after 2¼ years. The two main reasons for his resignation were declining public support and growing discontent within his Liberal Democratic Party (L.D.P.). He was succeeded by Yasuhiro Nakasone, former head of the Defense Agency and president director general of the Administrative Management Agency.

The 1982 Nobel Peace Prize was awarded to Swedish sociologist Alva Myrdal, age 80, and Alfonso Garcia Robles, age 71, a Mexican career diplomat. Both Myrdal and Robles were antinuclear advocates.

# October/November

## NATION

Seven people died after taking Extra Strength Tylenol capsules laced with lethal doses of cyanide. These deaths caused a nationwide consumer alert: there were calls for tamperproof packaging of drugs, Johnson-Johnson stopped producing the capsules which were the nation's number one pain killer and they also urged druggists to remove the capsules from the shelves.

In the November elections the Democrats strengthened their grip on the House of Representatives by gaining 26 seats, shattering Reagan's union. They also picked up 7 governorships but were checked by the G.O.P. in the Senate races.

American farmers had experienced the worst fiscal year since the Depression. Three straight years of bumper crops had created enormous surpluses of major crops which were

priced lower than they had been in at least a decade. The year's expected harvests of corn, wheat and soybeans were the largest in history, but the U.S. farm income was the smallest since 1933.

Twenty-six thousand members of the Brotherhood of Locomotive Engineers walked off their jobs due to salary disputes. The threat of a crippled economy forced Reagan to introduce emergency legislation to Congress ordering the engineers to accept a new contract and report back to work. The House and Senate overwhelmingly approved the bill and the engineers were back to work within four days.

Eight Republicans and seven Democrats from the National Commission on Social Security Reform met in Washington and agreed that \$150 to \$200 billion was needed over the next seven years for future benefit payments between 1983 and 1989.

## SPORTS

The California Angels won the American League title by a narrow margin over the Kansas City Royals. However, after winning their first two games against Milwaukee in the best-of-five American League pennant series, they lost the next three games knocking them out of the World Series race. Meanwhile, the St. Louis Cardinals, the National League East winners, easily handled the Atlanta Braves, winners of the National League West title. In 1982, therefore, the World Series brought two teams together whom no one expected to be there: St. Louis and Milwaukee. It was St. Louis winning the title in seven games.

After 52 days without football, much to the disappointment of husbands across the nation, the N.F.L. Players Association and the teams' owners finally agreed to a settlement calling an end to the football strike.

Alberto Salazar, in the closest finish in the race's history, nudged out Ro-

dolfo Gomez of Mexico to win his third consecutive New York City Marathon. Meanwhile the winner for the women was Norway's Grete Waitz with a time of 2:27:14.

The annual crosstown rivalry between USC and UCLA heated up again to produce a football game which, as in the past, came down to the final seconds. With time having run out on the clock, USC had just scored making the score 19-20 in favor of UCLA. USC decided to go for the two-point conversion and consequently, the win. However, USC's quarterback was sacked, giving the Bruins the victory.

## ENTERTAINMENT

The latest movies in the continuing James Bond series were scheduled to start shooting in the summer of 1983. However, the leading role of agent 007 will be portrayed by two different actors. Sean Connery will have the starring role in *Never Say Never Again*, a role which he created

4

20 years ago in *Dr. No* and hasn't portrayed since *Diamonds Are Forever*. Roger Moore will be playing Band which he has portrayed six previous times, in the other movie, *Octopussy*.

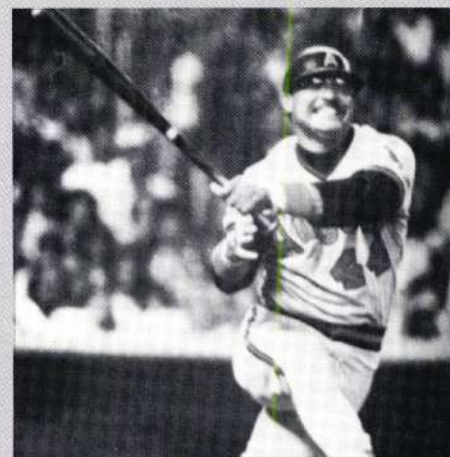

In a press conference in L.A., former husband and wife Elizabeth Taylor, 50, and Richard Burton, 56, announced their starring roles as the "bright but bitter lovers" in Noel Coward's 1930 comedy "Private Lives."

Following a press conference in New York City, Roger Daultry, the lead singer of the Who, announced the band's farewell American tour. The date for their Los Angeles engagement was October 29 at the Los Angeles Memorial Coliseum. Close to 95,000 came to the concert with the warm-up bands T-Bone Burnett and the Clash kicking off the festivities.

# Time To Move On

We met with a fragile hesitancy, not knowing where the path between September and June would lead us. For it was a new beginning for all-brand new hopes and bright expectations, but we smiled and started on our own journey. We found that the path held many good things for us . . . friendships formed and laughter lit our way, yet that path was often laden with tears and tense moments. But we smiled and continued on our journey, and now we have reached our goal. Together like a family we rejoice, yet the hesitancy returns once more, for we met, we became one, and now we must part. But we'll smile in our memories, knowing that we leave with a part of each other in our hearts.

# What Is A Junior?

*David Blair* — A classification created by the society to label those people who have no scope of the outside world yet can't wait to get in.

*Jim Blair* — A group of kids with morals almost as bad as mine.

*Andre Beverly* — Someone who drives.

*Pam Greenberg* — Jammin!

*Brian Stark* — Someone who has the same name as his father.

*Scott Sedgwick* — Us (until we are seniors).

*Stacey Barnett* — A hyper-spaztic, non-freshman who knows how to have fun.

*Richard Goldenson* — An eleventh grader.

*Fred Schnerk* — A person who loves to be strange.

*Jeff Jetton* — One step below perfection!

*Nicole Trutanich* — An '84 junior is a person who is a part of the hottest class ever in M.H.S. — they have the most spirit and are downright the coolest cats you'll ever see.

*Dan Wetzel* — A person that does the best in class competition.

*Terry Fresenius* — A stud until I am a senior.

*Kevin Kim* — An excellent commando person.

*Stella Zogopoulos* — A person who can't wait until next year.

*George Sheth* — Someone that is less "sophomoric" than a senior and taller than a freshman.

*Doug DeCoster* — A hip cat.

*Price Shoemaker* — Awesome.

*John DeTally* — A rad party dude/chick.

# What's Your Favorite Sport?

*Andre Beverly* — **Bodysurfing class, because it's something Doug DeCoster and Paul Giuliano don't do.**

*Pam Greenberg* — **Waterpolo; #5, #13, #7, and #10.**

*David Oliveau* — **Running, because I love pain.**

*Clark Harris* — **Surfing, because it attracts all the beautiful women.**

*Angela Falkenstein* — **Leg and bun watching, self-explanatory.**

*Tim Schorr* — **Bicycling; it's fast, smooth, easy, great feeling while pumping the pedals.**

*Brian Stark* — **Partying, because I was born to party.**

*Terry Fresenius* — **Basketball, why not?**

*Terri Nelson* — **Football, it's nice to watch certain players.**

*Gretchen Leimbach* — **Powderpuff, the night before.**

*Tyler Sparks* — **Going to Mr. Hanson's class because he helped me in my search for common sense, the building block of all human functions.**

*George Sheth* — **Band, because it's a "buff" sport.**

*Maria Vargas* — **Roller skating, because I get "picked up" after I fall.**

*Doug DeCoster* — **Surfing, because you get barreled.**

*Dan Wetzel* — **Cross country, because it's ramblin'!**

*Melissa Harris* — **Talking, because I get a lot said.**

*Nicole Trutanich* — **Jogging, because of all the rich and high-cal foods I will be able to eat after I finish.**

*Grant Kim* — **Soccer, it's exciting to play.**

*David Blair* — **Scuba diving, because it's the only sport where one can be active while doing nothing.**

# What Do You Think Of the Cafeteria Food?

*Trevor Sawyer* — It's better than junior high, but it's still too greasy.

*Rysa Ferdon* — Indescribably different from anything I've ever encountered and hope to encounter in future years.

*Andy Seamans* — It's too fake!

*Jeff Klopmeier* — I've always enjoyed soggy french fries!

*Naomi Alper* — At least the hamburgers aren't green, like at junior high.

*Mark Eison* — Well . . . put it this way . . . **BEEEEEEELLCH!**

*Colly Elgin* — Close competition with my grandmother's food at the hospital.

*Steve Finman* — Why does it move?

*Kamran Harsini* — It is fantastic.

*David Ward* — Better than Dapplegray, but all together bad.

*Kevin Li* — Inedible!

*Patty Garcia* — It's pretty good, until you eat it.

*Lynne Reeves* — I think it's a lot better than what cafeteria food is supposedly supposed to be like.

*Liz Silani* — Needs improvement.

*Tom Spears* — Not bad if you like canned dog food.

*Terry Raymond* — It's mostly good.

*Jeff Wiltse* — I think it is disgusting!

*Dale Bolen* — Golly gee! It's groovy stuff.

*Laurie DiBernardo* — I don't like thinking about the Miraleste cafeteria food.

*Erik Calcott* — Oh! That's what that stuff is.

As you review this yearbook in years to come, it should rekindle memories of a well-rounded experience. The joys of success, whether in the classroom or in athletic competition, are feelings you'll have forever. Even the bad times provided experiences with which, hopefully, you found growth. In sum, however, the four years of high school are a unique time in each person's life, and these pages record a chapter in the chronicle of those years.

CIF championships in tennis, a 2nd-place finish for MHS in the L.A. County Academic Decathlon competition, awards won by our band and drill teams, and successful drama productions are hallmarks of the 1982-83 school year. We were all proud of these accomplishments. Even more importantly, however, is that you, individually, had great opportunities of personal growth. Good friends, outstanding teachers, supportive parents and the help of others who cared, created a special atmosphere at MHS.

To the Class of '83, I hope you find success in your chosen ventures. You certainly enter into a world of challenge and change. You should have the skills, however, to be the match for the challenges you face. To paraphrase Robert Frost, the path you choose makes all the difference.

## WORLD

A month after the incident, the inquiry into the Israel massacre continued. Investigators have cleared Major Saad Haddad, the head of the "Army of Free Lebanon" — Israel's chief ally in the southern part of the country.

Newly appointed secretary of State, George P. Schultz, met with other NATO foreign ministers in Brussels. Schultz joined the allies in reaffirming their commitment to deploy 572 medium-range missiles in Europe if U.S.-Soviet talks fail to be more receptive to an offer of warmer relations from the U.S.S.R.

South African commandos hit Maseru, the capital of Lesotho, with a barrage of rockets and machine-gun bursts. Their mission was to destroy strongholds of the African National Congress (ANC), a black-liberation organization, and kill as many rebels as possible. Within six hours, six houses were in smoking ruins and the streets were littered with at least forty dead and scores of wounded.

Yuri Andropov, amid the Soviet Union's sixtieth anniversary celebration,

announced that Moscow is ready to cut its European nuclear arsenal by "hundreds of rockets," including many of the modern SS-20's. He also offered to trim down the Soviet force to equal the 162 missiles fielded by Britain and France and stated that the Kremlin would match any further British and French cut-backs. The Soviet arms control package looked attractive at first, but it was discovered that Andropov hadn't actually agreed to destroy any of the missiles pulled out of Europe and those that remained were much more powerful than Western models. Therefore it proved Andropov's principle aim was to upset NATO's plans to modernize its nuclear defenses.

In the Beirut suburb of Khalde, negotiators from Israel and Lebanon, as well as U.S. mediators, met face-to-face for their first formal peace talks in more than three decades. The three parties agreed on a triangular table, however, the principles staked out widely divergent positions on virtually every matter discussed.

## NATION

In a major blow to Ronald Reagan's proposed 1.6 trillion dollar defense buildup, the House refused to approve funds for the controversial MX missile. That was the clearest signal, as of then, that the consensus on defense needs was eroding in the face of an enormous federal budget deficit.

What was to have been the first march on the Nation's Capitol since 1925 by forty KKK members never emerged. A crowd of 3,000 anti-Klan protestors lined the scheduled route and the police decided to cancel the rally. Thwarted in their attempt to attack the Klansmen, anti-Klan demonstrators charged police lines in Lafayette Park across from the White House. Rock-throwing and tear-gas-tossing ensued. Windows were smashed, cars were overturned, and a bicycle shop was looted. When the assault ceased, ten police had been injured and there had been thirty eight arrests.

Leon Jaworski, the Watergate prosecutor who persuaded the Supreme Court to force Nixon to release sixty four White House tapes, died at the age of 77 of a heart attack.

The biggest cash heist in U.S. history took place from the Sentry Armored Courier Corporation in the Bronx, New York. The amount taken was 9.8 million dollars from thirty million dollars in receipts from a local race track, several area banks and a variety of local businesses.

The twelve year old USS New Jersey, a 58,000 ton World War II battleship, and a 30 year old B-52 strategic bomber were the newest vehicles of one of the military's newest, most sophisticated weapon system — the cruise missile. A squadron of 16 B-52s at Griffes Air Force Base in Rome, New York, and the New Jersey, which President Reagan recommissioned himself in Long Beach Harbor, have been refitted with the launchers for the new missiles. Over the next decade the Defense Department plans to spend an estimated 1.8 billion dollars to put 8,458 cruise missiles on the ground in Europe, in the air on B-52s and B-1 bombers, and ships such as the New Jersey.

In Overtown, Florida, some two hundred protestors raged through the streets setting cars ablaze, hurling rocks and bottles, and looting stores. The incident, which lasted three days, was apparently caused by the shooting death of twenty year old Nevell Johnson Jr. under disputed circumstances by officer Luis Alvarez, 32.

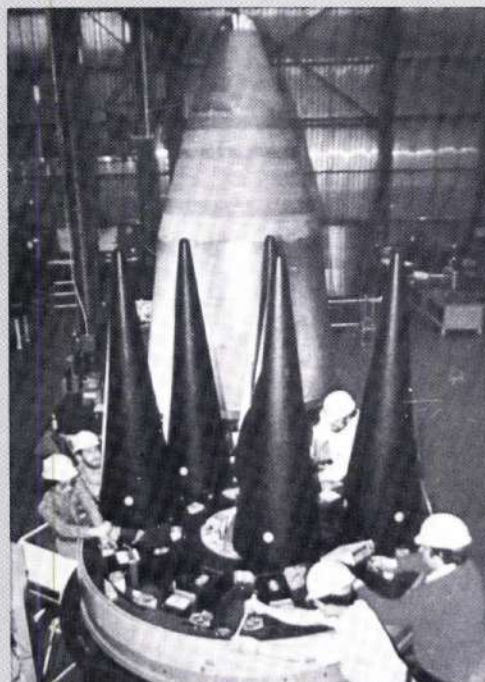

The Fueras Armadas de Liberación Nacional Puertorriqueña (FALN), who since 1974 were linked to about one hundred incidents of terrorism in the U.S., committed their most daring attack on government authority. They were the cause of four simultaneous blasts that rocked federal and city office buildings in New York City.

## SPORTS

With the end of the year came the end of the professional and college football season. The NCAA season came to a climactic end with the national championship being decided in the Sugar Bowl. Penn State beat Georgia 27-23 giving them and their coach, Joe Paterno, their first national championship. Other games included SMU's defeat of Pittsburgh, 7-3, in the Cotton Bowl, UCLA's victory in The Rose Bowl against Michigan, 24-14, and Nebraska's win over LSU in the Orange Bowl, 21-20.

In the professional rankings, the Washington Redskins, after a defensive battle against Minnesota and an upset victory over Dallas, beat the Miami Dolphins in the Super Bowl. The running of John Riggins, the game's most valuable player, proved instrumental in Washington's upset victory.

Several weeks after retiring from coaching college football, Alabama's former coach and the winningest coach in college football history, Bear Bryant, died of a heart-attack.

## ENTERTAINMENT

Men at Work, one of Australia's most popular groups, came to prominence in the United States as well. Their album "Business as Usual", has been number one on Billboard Magazine's Pop Music Chart for five weeks and their single, "Down Under", was number one for three weeks.

The 1982 movie industry had its biggest earnings ever. Ticket sales were at a high of nearly 1.2 billion dollars and estimates put the box-office grosses at 3.4 billion dollars. "E.T.," Steven Spielberg's hit movie, was the top grosser, earning 322 million dollars.

The most popular movie at this time was "Tootsie", featuring Dustin Hoffman in drag. People felt that Hoffman's portrayal brought a sensitivity and understanding to womanhood from a man's perspective. Other movies included "Ghandi" with Ben Kingsley in the title role and "48 Hours" with Eddie Murphy and Nick Nolte.

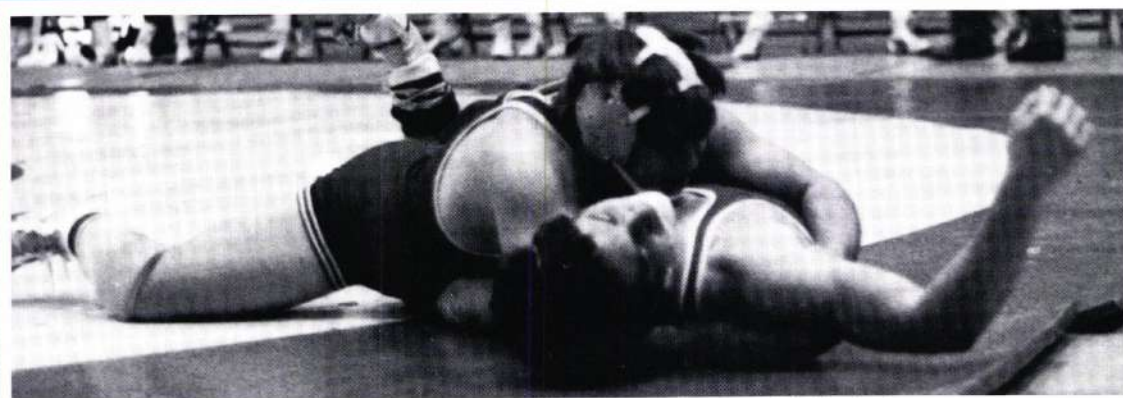

Arthur Rubinstein, one of the century's greatest pianists, died at the age of 95.

The hit of the Broadway musicals this season was "Cats", inspired by T.S. Eliot's poem of the same name.

# Football Studs: What a Season!

The Marauder Football team continued its tradition of excellence in 1982 under Head Coach *Gary Kimbrell*. The team played its toughest pre-season schedule ever, including South Torrance H.S. and Banning H.S. The Marauders finished their pre-season with a 3-2 record, showing a lot of promise for the regular season play with a physical, hard-hitting, defense, the team's greatest asset. The Marauders dropped a disappointing league opener to Redondo H.S., who went on to be league champions. Fighting back, the team went on to win four straight league games and qualified for C.I.F. for the sixth consecutive year. After a long drive to Riverside, the football team lost a tough 13-7 game to Notre Dame H.S. Of all the eleven teams the Marauders played, six were champions in their own leagues. The Marauders finished with a 4-1 league record and 7-4 overall, with a second place standing in the Pioneer League.

Many players earned All-Pioneer honors including *Kurt Schroeder, Tim Wahl, Don Gray, and Eric Norris*. *Tim Wahl* was named to the All-Pioneer League team at four positions.

Leading the Marauders in scoring in '82, Kurt Schroeder catches one of his eight touchdown receptions.

# Sophomores Display Talent

1

Due to the fact that five of the sophomores played on the varsity team this year, the sophomore team often came up shorthanded. However, this did not hinder their spirits. Throughout the season they continued to give an all-out effort to the task of winning. This was shown as the Marauders ended their season on a winning note by shutting out Lennox, giving them a tie for second place in league play. Returning players are expected to be a valuable asset to next year's Varsity team.

# V. Water Polo: Successful, Tough Season

The Varsity Water Polo team completed a successful 14-7 regular season before advancing to the first round of the C.I.F. The team was led by seniors *Dave Raig*, *Roger Crawford*, *Dan Jones*, and *Mark Sommer*. Junior *Charlie Grimes* and sophomores *Matt Personius*, *Sullivan Hastey*, and *Rex Ross* earned starting positions and displayed excellent play through the season. Two players, *Dan Jones* and *Mark Sommer*, were chosen to All Ocean League teams. The fine coaching was done by *Ed Personius* and *Larry "General" Lean*. Although the season ended with the first C.I.F. game against *Dos Pueblos*, this young team gained valuable experience and shows great promise for next year.

The Miraleste frosh-soph water polo team dominated opponents through the season. They swept undefeated through league, effortlessly winning the Ocean League Frosh-Soph Championship. Coach Tim Meenan produced possibly the strongest frosh-soph team ever at Miraleste. The team was led by sophomores Scott Hinkle, Paul Falkenstein, and Kent Fleming. Freshmen John Gottschalk and Brian Bisk showed great promise for future years.

# V-Ball Builds For Next Year

The 1982 Girls' Varsity compiled a 5-11 over-all record, 2-6, in the Ocean League. The competition was tough with the Ocean League champ, Mira Costa, winning the CIF-4A division as well as the state championship. This year was a building year. The team included 11 juniors and six first year players who gained experience and skills through practice and competition that started in early May and continued throughout the summer.

With the return of the 11 juniors and six first year players, the team is looking forward to being competitive next year with the tough Ocean League schedule.

This year the JV volleyball team set a league record of 3-5. Coached by Carolyn Matull, the team improved 100% due to many hours of practice. The team defeated both Mira Costa and Redondo, which are the best teams in the league. When the Marauders were defeated, it was only a matter of points. Due to the exceptional talent of the team, the returning players are expected to excel next year.

# A Young Girls' Vars. Wins 4A C.I.F. — J.V. Finishes #1

The Girls' Varsity Tennis Team surpassed all previous performances in Miraleste history by winning the 4A C.I.F. Championship. After breezing through league undefeated, the team went on to beat Palos Verdes in the final. It was an especially rewarding victory since it avenged an earlier loss to them.

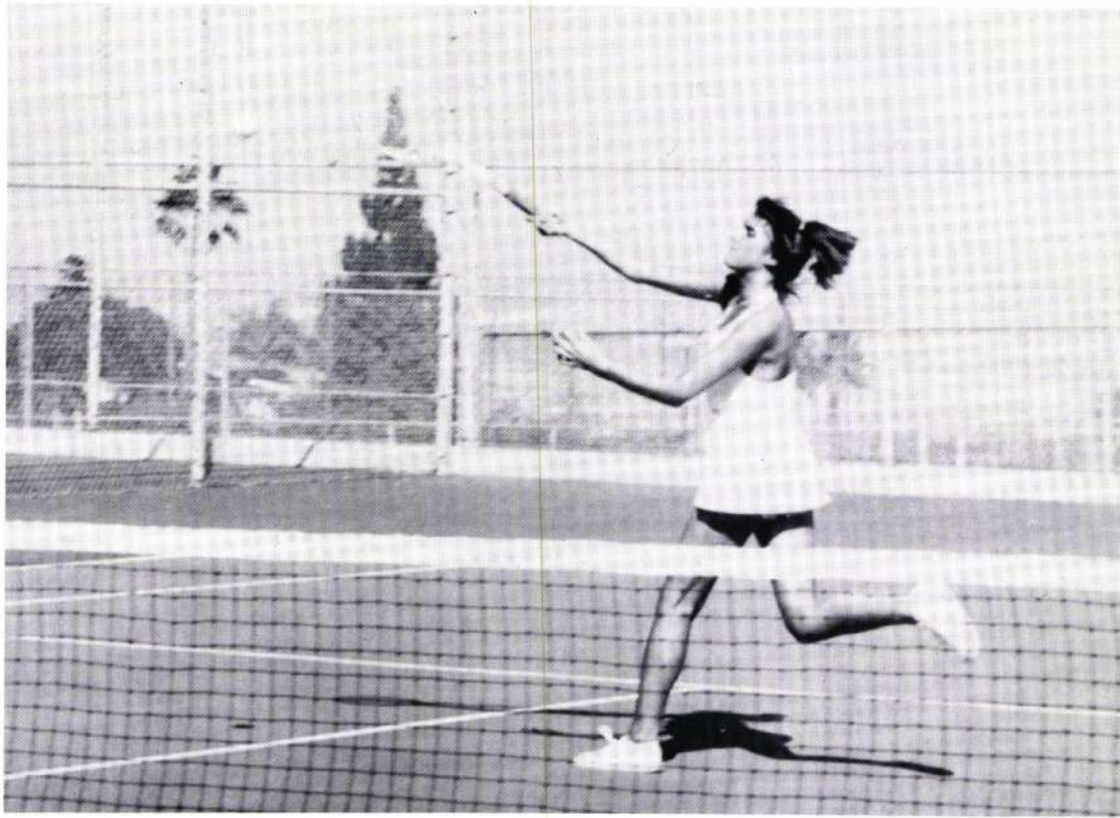

In C.I.F. individual play, *Maria LaFranchi* represented the Ocean League in singles, and the doubles team of *Joan Lennartz* and *Colleen Blackmore* won the C.I.F. doubles competition. Nine of the starting Varsity members were named All-League, with *Maria La Franchi* being chosen as Ocean League M.V.P. *Courtney Weichsel* was the team's most inspirational player while *Robin Hollingshead* was most improved, and #10 player *Laurie Kraynak* was lettered Varsity. Coach Offutt concluded, "With no seniors on the team this year, next year ought to be pretty similar."

The Junior Varsity won first place in the Ocean League. Seven J.V. players got Varsity experience during the season and easily handled Varsity competitors from other schools. A special unity, developed through participation in 6:00 a.m. aerobics workouts, really pulled the team together. *Liz Province* was named M.V.P. and *Colly Elgin* and *Karen La Caze* made up the number one doubles team. This year's players are expected to be a great asset to next year's Varsity team.

# X-Country Runs to C.I.F.

**1**  
The boys' and girls' cross country teams had great seasons and advanced to the first round in C.I.F. Superbly coached by Norm Towers, the team had the largest number of people running in years. Leading the boys' Varsity team were Mike Keese, Mark Toole, and Don Rivera, with Matt Blaskovich being most improved. Also contributing were runners Kurt Anderson, Keith Rowan, Dan Wetzel, and Royal Miller. Standouts for the J.V. team were Craig Barez, Dave Oliveau, and Tony Droubay, and Dale Bolen lead the freshmen. Running consistently for the girls' team were juniors Leslie Eichel, Sue Feyk, Janet VanDerMeulen, and sophomore Dena Daybell. Joelle Martinet, Erica Kim, Jana Atkinson, and Alice Nolan showed promise for next year. In the first round of C.I.F., the Varsity came in fifth out of the thirteen competing teams.

# Varsity Basketball Defends,

Strong defense and accurate free throwing were the two main characteristics of this year's Varsity basketball team that accounted for their great success. Coached by Mr. Rich Belcher, the Marauders finished their pre-season with a 7-7 record. Highlights of the pre-season were wins over Mary Star, San Pedro and Torrance, and clinching the consolation bracket at the competitive El Segundo Tournament. The team finished league in second place with a 7-3 record, winning six of their last seven games. The highlight of league play was a 62-60 win over Hawthorne, avenging Hawthorne's first round defeat of the Marauders. The team then went on to victory over sixth-ranked Whittier Christian before losing a three point game to Banning in the second round of C.I.F. play-offs. The Marauders great success was the result of many players outstanding abilities: Philip Tucker and Fred Roessler's scoring, great rebounding from Dave Kinnett and Tim Wahl, impressive play-ing from Junior Dave Widding, and tough defensive play from Dan O'Brien, Spencer Kreiger, Kevin Roberts, and Ted Yasuda. Ward Hildebrand, Leland Jameison, and Jay Mayer contributed a great deal to the team's closeness, which enhanced their overall performance. All-League selections were Philip Tucker and Fred Roessler to first team, and Tim Wahl and Dave Kinnett to second.

# JV Basketball Conquers League

1

The 1983 Junior Varsity Basketball team has had one of their most successful seasons ever at Miraleste High. The team came in first in the pre-season Torrance Tournament and went on to become the Pioneer League Champion. Exceptional play came from the team's leading scorer Pat Shea, Mike Adams (most rebounds), and Wallace Tucker, for overall quickness. Coach Mirsky attributed their success to having an extremely unselfish team, a "tough" mental attitude, and the ability to respond well to pressure. "This is the best team that I have ever coached at Miraleste, and I don't see why they can't continue on next year."

# Sophomores Tip It In

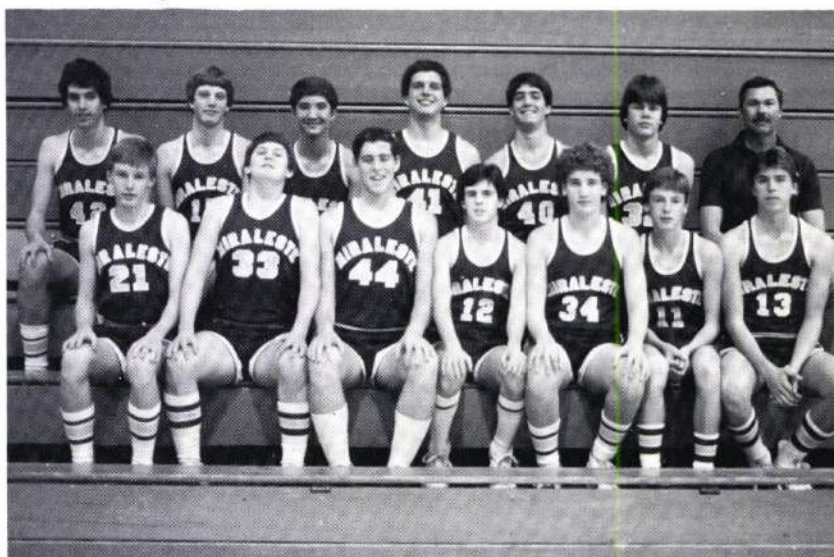

In their first year of competition, the Sophomore Basketball team played exceptionally well. Since most 1A division schools are too small to have a separate sophomore league, the team played challenge games against teams of different divisions. The sophomores showed great ability and stamina throughout the highly competitive games against Redondo and Mira Costa, both of these teams are in the 4A division. The Miraleste sophomores won both of these games, along with many others against 4A teams. The top five starters Neil Thompson (postman), and Alex Boudov (Forward-Guard) have showed great improvement. The whole team worked very well together under the direction of Coach Dennis.

# Freshmen Bounce Back

The newest addition to Miraleste High School's basketball program is the up and coming Freshmen team. They started their first season in a tough, competitive league, but they never let this fact defeat them. Even after injury to one of the team's leading players, *Kelby Woodward*, the team went on to win over half their games for this season. The leading man in rebounds, scoring, and shotblocks this year was *Steve Waters*, aided by the skillful play of *Camden McEfee*. The team played well in the Los Altos Tournament and had a very good season overall. According to *Coach Small*, the team has a lot of potential for next year's season.

# Girls Basketball Sinks 'Em

Following the aggressive play of returning player *Leisha Gardner*, the controlled ball handling of *Laura Buchanan*, and the accurate shooting of *Lisa Buchanan*, this year's Girls' Basketball team completed a successful season. All League selection *Leisha Gardner* proved to be a central figure in the team's success, turning in excellent play as well as providing strong leadership. Starters *Laura* and *Lisa Buchanan* were the only other two returnees on the team: their experience and ability to perform under pressure made the difference in the

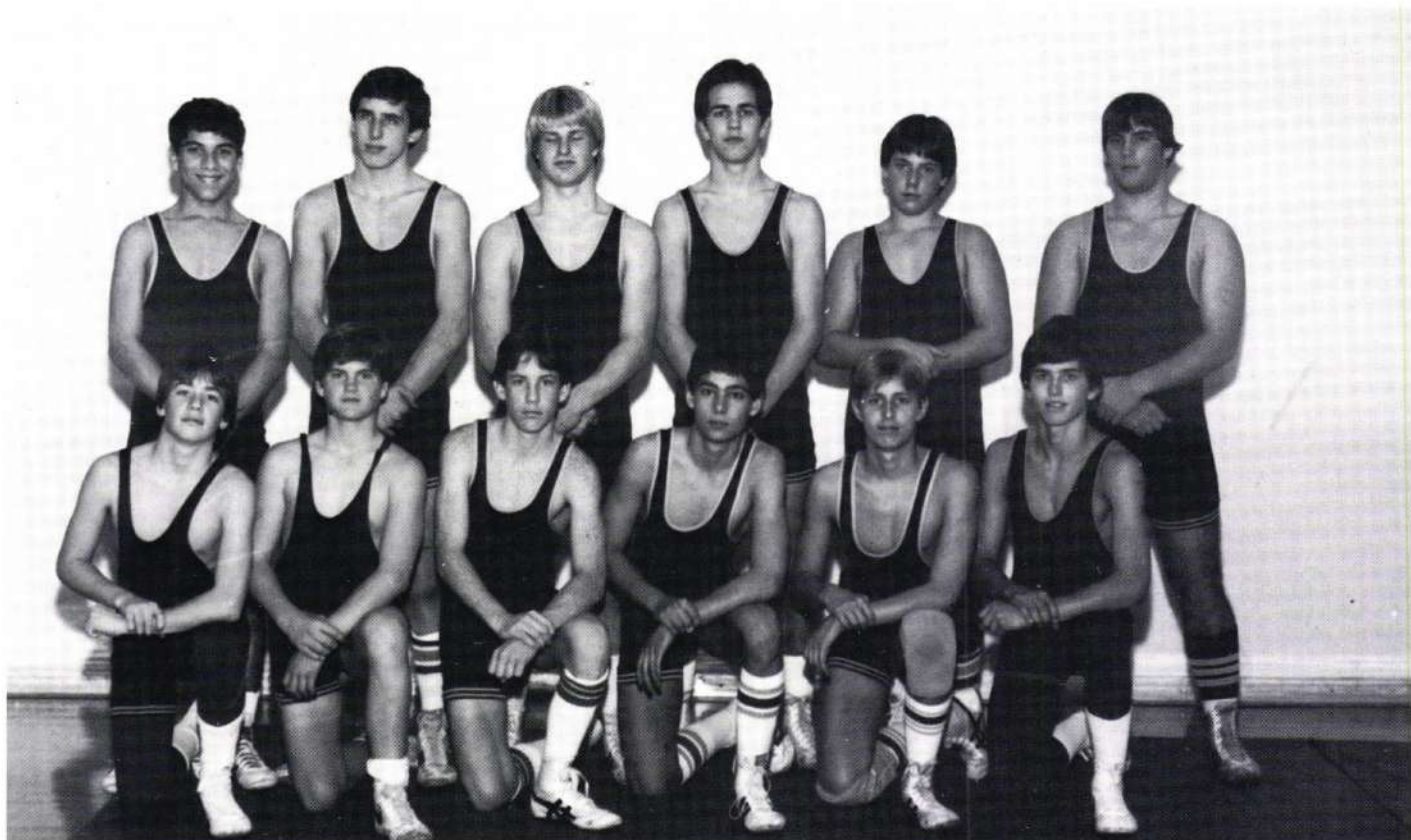

games. *Helle Hermansen*, an exchange student from Denmark, was a definite asset in performing as center. *Bo Stefanik*, a junior, exhibited poise as well as outstanding skill in her first year as a starter. Coach *Will Fuller* managed to get strong performances from speedster *Molly Markert* and first year player *Donna Wong*. The only sophomore on the team, *Diana Bell*, kept up the other team members and showed promise for the upcoming years. Overall, the team showed both physical and mental toughness on the court.

# Wrestlers Grapple to League Finals

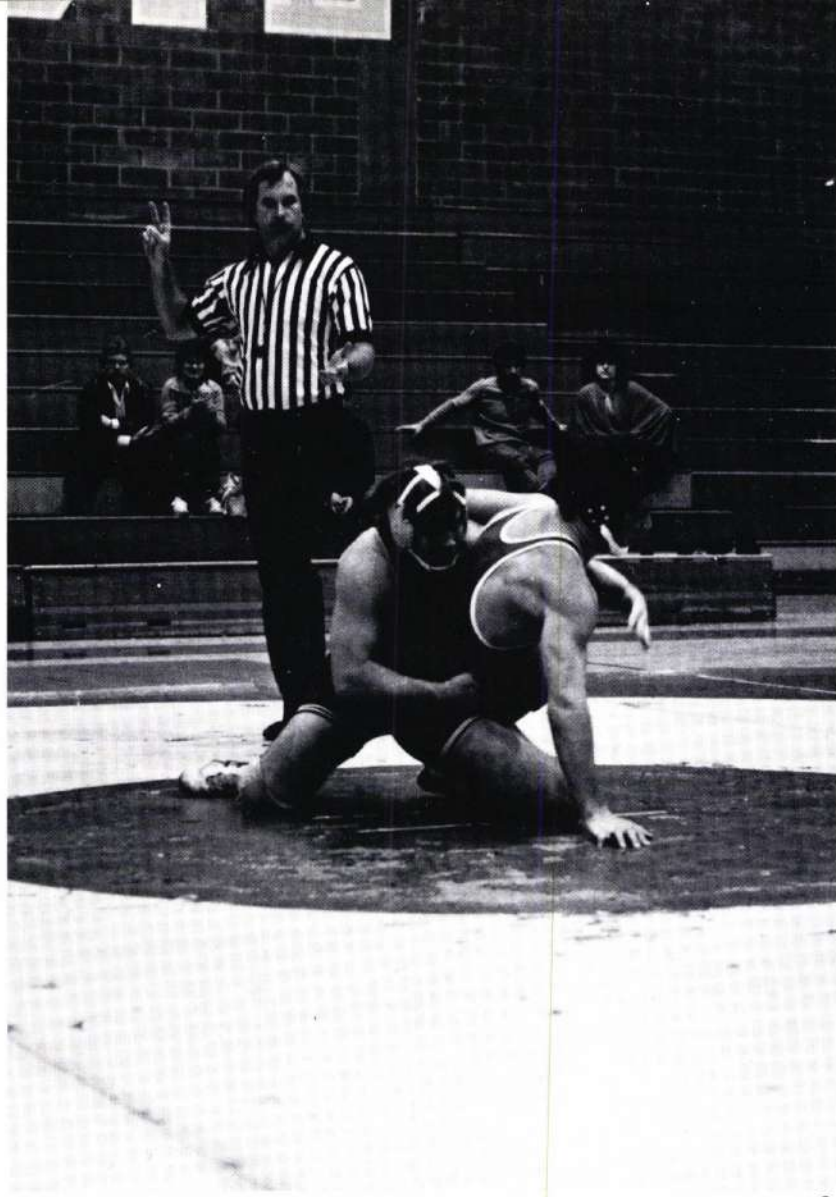

Wrestling had an exciting and challenging year. The team, consisting mostly of freshmen and sophomores, is young. Despite this, the team is very strong and has promising years ahead of it. Although the team came out with no dual meet wins, they ended up taking second place in league finals.

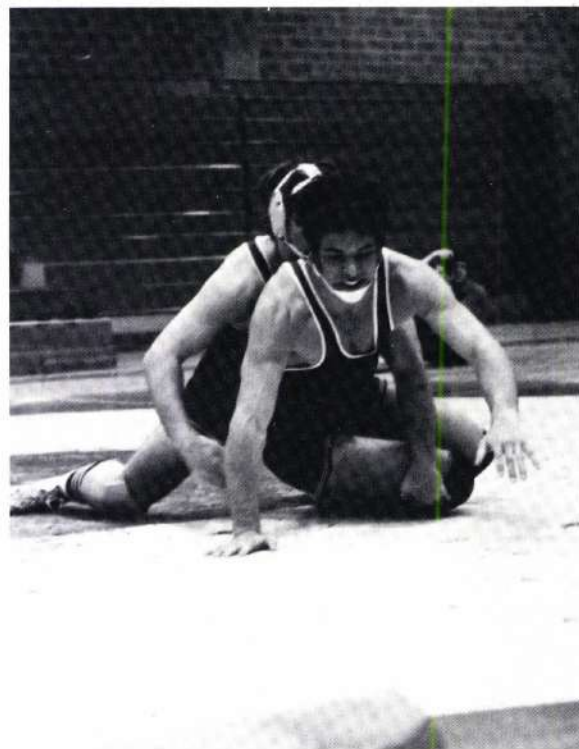

Leading the team was *Curt Hagman*, who showed extreme skill and talent in his matches. Other outstanding wrestlers were *John Bloomingdale* and *Jim Hudson*. Four of Miraleste's wrestlers, *Curt Hagman*, *John Bloomingdale*, *J.P. Isom*, and *Jim Hudson* made their way to CIF Championships and wrestled with top competitors. The first year wrestlers, with their added experience, are looking forward to an even better season next year.

# V. Soccer Unites for Victory

The Varsity Soccer team completed a hard-working and successful season. The team had a great deal of spirit and enthusiasm from all the players. In the season, seven games were won with excellent team correspondence. Coach Henkel remarked, "The team is good, and next season will be great due to the talent of the returning players."

Showing outstanding skill and leadership were Paul Perkovich, Mark Toole, and Doug Ehrenclou. Other very active and spirited players were Kurt Schroeder and Craig Barez.

The Varsity players' way of "sticking together" and working as a team led them to a great season.

# J.V. Soccer Kicks It Off

The J.V. Boys' team had a fine pre-season record but had an unfortunate start with five injuries to four of the five starters. These injuries hampered their chances to reach the League finals. Key players included fullbacks Grant Kim and Todd Somers, half-back Ken Hollister, and forward Lamer Baren. This exceptional team was coached by Carl de Cuitiis. Barring any major injuries, the team should have a great season next year.

1. Front row: G. Kim, E. Bucy, D. Prislin, L. Barez. Row 2: D. Hardesty, S. Puskas, M. Stampflye, D. Boyle, E. Kamiya, J. Tuler, T. Somers. Row 3: Coach C. de Cuitiis, P. Guiliano, K. Hollister, S. # Golf Drives Down Fairways

1

3

With all Varsity players from 1982 returning this year, the golf team had no problems compiling a winning record and advancing to C.I.F. The top five players had different strong points and competed well together. Accurate hitters were Price Shoemaker and Tyler Sparks. Steady long-ball hitters were Peter Hoff and Seniors Jeff Potter and Mike Donatoni. Both Peter Hoff and Price Shoemaker are expected to go far in individual C.I.F. playoffs.

# Kicking Their Way

Due to hard work, dedication, and spirit, the Girls' Soccer teams had very successful seasons. Both Coach Maynard and Coach Wilton were extremely pleased with the Varsity and J.V. team performances. The Varsity team came in fourth in League with a 9-9-1 record. "Next year we will be losing only two seniors. Shelly Burrows and Davea Stark, both who did a great job for us. Next year's team sure will be hard to beat," said Coach Maynard. This year's team was blessed with many talented players, including Taffy Wright (captain), Debbie English (co-captain), and Dawn Haynes (Goalie). Other standouts were Erica Kim, Diana Bacinski, Barbara Huffman and Cynthia Cushall.

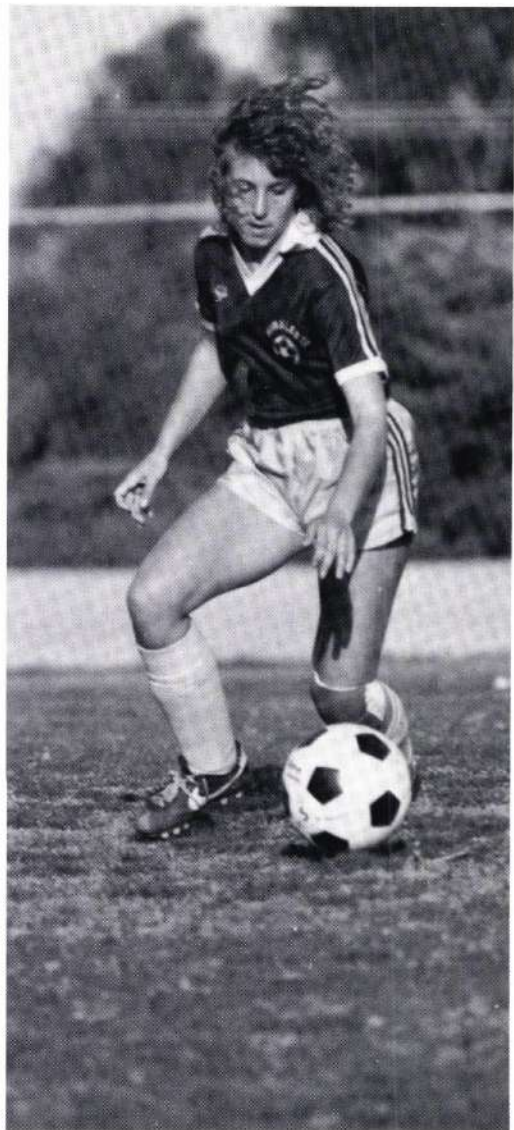

The J.V. team also completed a victorious season, placing fourth in League. Outstanding players were Colleen Nelson, Dannielle Kelly and Kristen Rode. With such a strong J.V. team, next year's Varsity team, as well as the J.V., will prove to be unbeatable.

# Boys' Tennis: No Faults

Even though five seniors graduated in '82, this year's boys' tennis team continued the successful tradition of previous teams by easily qualifying for CIF. The team will again most likely be defending its 4A CIF Championship in the finals. The Marauders are led by singles player *Craig Johnson*, and the doubles team of *Richard Goldenson* and *Tim Fresenius*. Several freshman, *David Bier* (singles), *Pete Fitzpatrick* and *Bob Langley* (doubles), also played Varsity. Other strong Varsity singles players were *Rod Gabuya* and *Neil Winterrowd*. *Eric Amend*, after healing from an ankle injury he received while playing baseball, returned when he was needed most, the CIF playoffs. Some JV players competed on the Varsity level: *Craig Barez*, *Brian McPeak*, and *Jerome Lopez*. Other outstanding players who performed consistently throughout the season were *Tony Droubay*, *Brian Crawford*, and *Danny Prislin*.

# Baseball — A Grand Slam

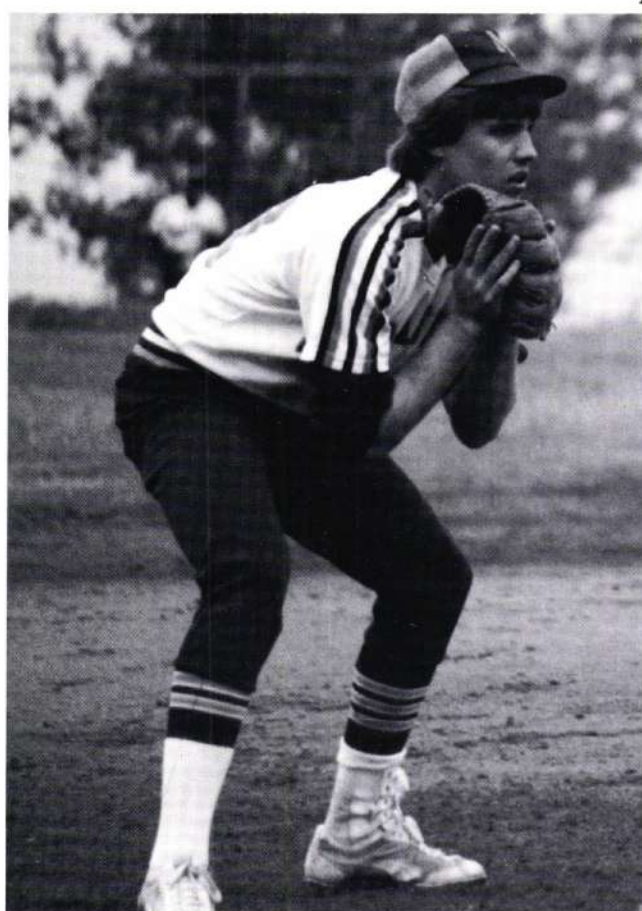

Though this year's Varsity Baseball team got off to a slow start due to rain, they came to life, exhibiting their defensive skill. Key players were Tim Wahl (co-capt.), Mike Zupanovich, Darrin DelConte (co-capt.), and Mike Mantellino. Coaches Tom Graves and Jim Small say that this team is much improved over last year's. Despite losing two key players Darrin DelConte and Mike Zupanovich, early in the season, they still managed to defeat El Segundo and Los Palmas. With the strong pitching of Scott Speranza, Tim Wahl, Joe Fritchi, and Chris Scherba to lead them, the team proved to be a challenge to many schools.

# J.V. and Frosh Baseball

Due to a lack of experience and a true offensive leader, the Marauders have gotten off to a slow start. However, the young team, behind the consistent pitching of Junior Tom Trezek and Sophomore Kevin Marshall, began to show improvement. Sophomore Mike Scherba and Junior catcher Steve Puglsey were defensive standouts, exhibiting talent and consistency. Coach Belcher remarked, "The major factor in the success of the team was its togetherness."

# Hit It Off

Having one of the finest groups of freshmen baseball players, the 1983 edition of freshman baseball was quite successful. Led by pitchers Anthony Clark, James Castle, and Tim Taylor, the Marauder horsehiders were one of the strongest groups of incoming Freshmen in recent years. Coach Small commented, "Their consistent play and aggressiveness were characteristic of this year's team."

# Volleyball Rebuilds, Wins

"The J.V. volleyballers were a good, hard-working group of guys," said Coach Kaczmarek. The Promising team was tall and athletic. Although inexperienced in the sport, the team fared well during the season. The highlight of the season was a second place finish in the La Serna Tournament.

The Varsity Volleyball team found itself rebuilding from heavy graduation losses in '82. Only two Varsity players, Tom Goode and Todd Mullin, returned from last year's team. Despite this, the Marauders had a successful season. Goode, Mullin, and Fred Roessler well all-around. Blockers Terry Fresenius and Ron Fardon formed a strong front line. Clark Harris, Steve Marken, and Dave Raig demonstrated outstanding play on the back row. John Slingsby improved as an outside hitter. Josh LaBelle and Dan O'Brien were all-around subs who were often called on to serve. Freshman Steve Waters showed great promise. Coach Henkel felt the rebuilding was going well as the team looked forward to a tough battle for second or third in the competitive 4A Ocean League. The Marauders beat R.H. and P.V., continuing Miraleste's dominance over these schools in volleyball.

Through increased freshmen participation, the Track team doubled its size this year. By increasing the number of team members, the Marauders gained greater depth and a wider range of talent. Even though the team was basically inexperienced, it quickly began working as a unit to become relatively strong. Following runners Brian Henry, Mark Toole, Dan Rivera, and Royal Miller, the boys' team proved to be a challenging and determined team. Leading female tracksters were Sue Feyk, Diana Bacinski, Michelle Allred, Leslie Eichel, and Stephanie Clampett. Said Coach Maynard, "At this stage of the game we look really good. With some more practice we should make it to League finals. With so many freshmen on the team, they should be strong competition next year."

# Varsity Exhibits Talent

3

Due to the experience and skill of returning players and the careful direction of *Coach Matull*, the Varsity Softball team completed a successful season this year. *Coach Matull* developed the team to the point where they were a well-coordinated and a dangerous rival for many other schools. The team was led by returning starters *Lisa and Laura Buchanan*, whose talent and experience were great assets, and Junior *Bo Stefanik*, who proved to be an outstanding player. Overall the team was impressive, alert, sharp, and organized. Many rapidly improving sophomores and juniors will be returning next year to keep the team on top.

# J.V.'s Show Potential

<sup>1</sup>  
With the guidance of Coaches Kenneth Chew and Robert Ferdon, the J.V. team finished with a winning season. Along with this success came the recognition of the team's talent and ability. Leading the team were enthusiastic freshmen Jennifer Chew, Debbie Ramirez, and Rysa Ferdon. Sophomores Pam Seamans and Trish Link provided the depth for the team. This year's team was one of the strongest ever at Miraleste, and with many freshmen and sophomores competing again next season, the team is looking forward to continued strength, dominance, and success.

# Swimmers Stroke Forward

"This is the most dedicated group of swimmers I've coached at Miraleste," said Coach Tim Meehan of this year's swim team. Only two seniors were on this year's boys' team, but what the team lacked in depth it made up for in quality. Outstanding varsity swimmers were Seniors Dan Jones and Roger Crawford, Sophomores Matt Personius, and Paul Falkenstein, and Freshman John Gohschalk.

The girls team is once again in contention for the league championship and should go on to place highly in CIF. The Varsity was led by returning swimmers Karen Dokter, Kathy O'Kane, Gillian Scott, and by Freshman Claire Wheelock.

Watching diving has been especially fun for the last three years with Susan Johnston competing. Having won league, and placing fifth and third in CIF the last two years, Susan is expected to repeat these feats again and once more represent Miraleste in the diving championships.

Miraleste *Interact* is a Rotary International sponsored club dedicated to serving the community and the school to the best of its ability. This year *Interact* was led by a board that took over in the middle of last year. Art Warner, the club's advisor for the past sixteen years continued to oversee things this year, as this year's president Mark Sommer, ran the club. *Interact* held club caucuses twice this year. This year *Interact* has done many worthwhile projects such as PTSA Homes Tour, Open House, and the Red Cross Blood Mobile. *Interact* has adopted the blood mobile as an annual project ever since it set a high school record with 135 pints drawn last year.

# Girls' League

This year the Girls' League had an excellent year. Heading the club for 1982-83 were sponsor *Marjorie Goldschmidt* and president *Brooke Robertson*. The Winter Formal, which was the main project was one of the most successful in the history of Miraleste. Some of the Girls' League's other projects were the PTSA Homes Tour, helping in the RHE city celebration, and tutoring children with disabilities at a local elementary school.

# Girls' Service

1

*Girls' Service is designed to let the school and community see the positive action of today's adolescent. Led by sponsors Carol Sanders and Midge Trost along with president Annie Diego, the club has maintained an exceptional reputation for its outstanding service projects and dedicated membership. One of the club's major projects this year is the adoption of grandparents. The club also gives parties for underprivileged kids at the Toberman House in San Pedro and gave a Christmas party for handicapped children at Harlan Schoemaker. Some social events included a blind date set-up with P.V. Interact, a fashion show, and the traditional George of the Jungle dance.*

Comprised of extremely talented speakers, the *Forensic's* team regularly competes in speech tournaments held at high schools and colleges throughout California. The team members are broken down in one of two divisions; Varsity or Novice, and compete in various speech categories including humorous, dramatic, two-man, current events, and of course, debate. The team's leadership includes head coach *Patricia Goldberg* and on the administrative end, President and team captain *Bennett Schnier*, who work hard to insure the team's success. The team's advisor and sponsor, *Ms. Sharon Dezutti* says "Miraleste has time and time again proven itself to be one of the best. This year is no exception."

# El Mirador

This year the *El Mirador* was faced with a challenge — to educate an inexperienced staff, while the Editor-in-Chief, *Lauren Morimoto*, and the Assistant Editor, *Laura Smith*, had exactly one week of yearbook knowledge. The editors rose to the challenge and directed the enthusiastic staff. Despite their inexperience, the staff members proved to be hard working, eager, and talented. A great deal of time and effort is necessary to produce a yearbook, and the staff came together and really pulled through for deadlines. One of the major goals for the year was to create a dynamic, representative book that the entire student body could relate to. In the attempt to create such a book, new policies were given a try that upset some people, but the end result was worth the effort. Due, in part to this goal, but also the huge amount of ads sold, this yearbook is over thirty pages longer than last year's. The cost for such an increase was financed by ads (business and personal) and sponsors. The book, however, would not have been possible without the help of advisor *Frank DiSanto* or the support and patience of the administration, who got the staff on the right track during the frantic and trying moments. The staff hopes it reached its goal, and that the book will be enjoyed by everyone now and in the future.

# Torreon

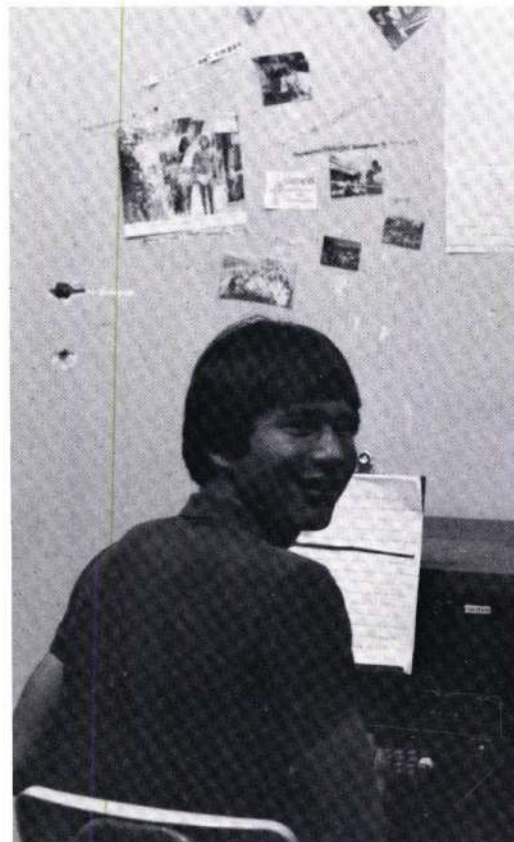

The *Miraleste Torreon*, under the editorial leadership of Kara Watanabe during the first semester, and David Kaye and Nick Brajevich during the second, is the school's oldest and most prestigious bi-monthly publication. The 1982-83 year was for advisor Mrs. Covey, the editorial staff, and staff, no bouquet of roses. There were questions from within and without about article subject matter, writing quality, and the tendency of the editorials' pages to "pick a fight" — but most will agree that, despite minor difficulties, the tendency of the paper's quality of layout, style, writing, and so forth has been one of improvement.

# Model UN

This organization, coordinated by *Ms. Lee Stauss*, is only a chapter of a national organization dedicated to increased student awareness and understanding of the functions of the United Nations. Participants become actual delegates to a simulated session of the U.N. held at high schools and colleges throughout the nation. For each conference, the club is assigned two nations to represent. Headed by Secretary General *Rita Chan* and Vice Secretary General *David Kaye*, the club has proven itself to be very successful. Says David, "M.U.N. is blood, sweat, and tears, but we learn a lot."

# Academic Decathlon

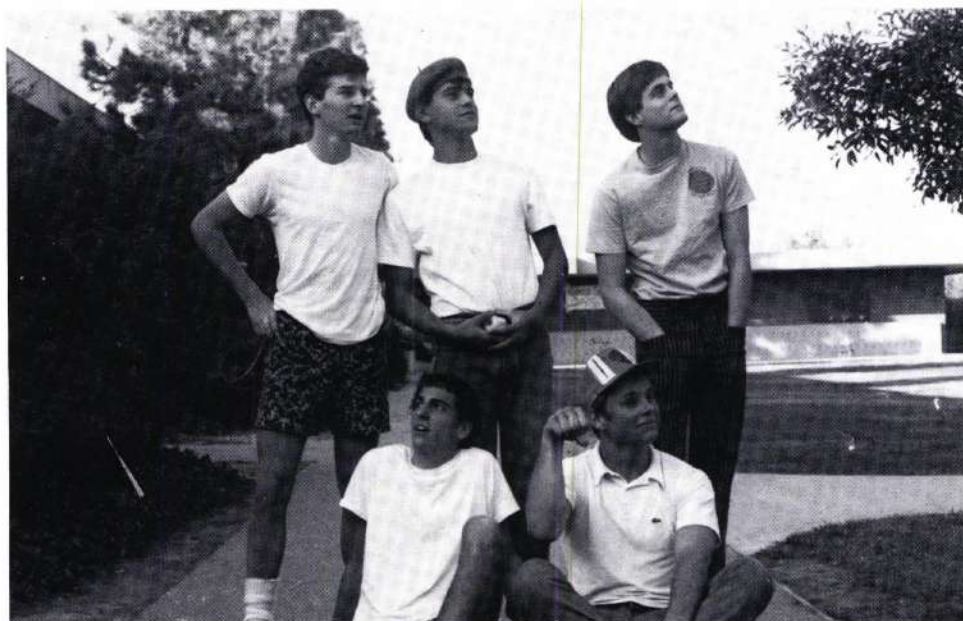

The *Academic Decathlon* team has brought to Miraleste a distinction that has yet to be matched in our school's history. The team under the guidance of coach *Roberta Kordich*, took second place overall in the First Annual Los Angeles County Academic Decathlon. The Decathlon lasted one day, during which team members vied with top students from eighteen other county high schools for high scores in ten individual tests, covering academic areas ranging from mathematics to economics to U.S. history, and climaxing in the "Super Quiz," in which Miraleste took first place.

# Computer Club

The M.H.S. Computer Club is comprised of computer enthusiasts who regularly gather to trade programs and discuss the latest news in the ever evolving world of computers. Members get together at noontime in the computer room to lunch and run programs. The club is mainly made up of computer students, but anyone can join. The club is sponsored by Miss Marcia Ash who teaches computer programming. The club's leadership includes President Steve Doughty, who is confident that, as computers become ever more popular, the club will continue to grow.

# NHS

Those lucky enough to be amongst the prestigious ranks of the *National Honor Society* must have shown not only a high grade point average, but also demonstrated leadership, good character, and community service. The club is sponsored by Mrs. Marion Hanson, and this year's president is Michael Crvarich; both work hard to provide members with a variety of activities for the year. NHS earns money by selling concessions, bake sales, and such to fund the club's many pursuits. President Mike Crvarich says, "The *National Honor Society* provides those with special personalities a chance to stand up and be counted."

## NMSQT Semi-Finalists

Although not organized as a club, the *National Merit Scholarship Qualifying Test Semi-Finalists and Finalists* have succeeded in bringing a veritable avalanche of honor and prestige to MiralESTE. In their Junior year, these brilliant young students scored exceptionally well on their PSAT's then went on to compete against other top students from across the nation, all in pursuit of the elusive *National Merit Scholarships*. For that competition, their hopes are high that they will walk away beneath a shower of praise, somewhat richer.

2. Front row: S. Bray, S. Bottlik. Back row: D. Jones, D. Daybell, D. Kaye, D. Weston, C. Carlson, M. Rudolph.

# CSF

The *California Scholastic Association* is a group of academic achievers who must have at least a 3.4 GPA to qualify. Members sign up for each semester, so one's grades must be consistently good to remain in the club. After four semesters of membership, CSFers are then considered members for life or gold seal bearers. This year's president *George Sheth*, has worked hard with other officers to provide a variety of activities for the club, including a trip to a game show and Disneyland. The club's sponsor is *Ms. Kathy Goodwin*.

# Psychology

The *Miraleste Psychology Club*, founded to "promote the virtues of psychology," is a club comprised mainly of psychology students, but is open to all interested. This year's president *Brian Kerner*, has been very active and has organized several field trips including attending a "self actualizations" workshop and a visit to a mental institution. "It's nice to see ambitious students pursue psychology, which is indeed a fascinating field, in their spare time," says sponsor *Dixie Stevens*.

# Spanish NHS

The Spanish National Honor Society is a group of students who have studied the language for at least three years and have demonstrated a great deal of proficiency in the subject. The club is sponsored by Dr. Costales who spends a large portion of her free time working for the benefit of the members. This year's president is Rosanna Yuja: she works with the officers to organize fundraisers and other activities. At graduation senior members wear ribbons bearing the colors of the Spanish National Honor Society.

# French NHS

The French National Honor Society was established at Miraleste in 1981. The purpose of the organization is to offer scholarship opportunities and recognition to students who have succeeded in their study of French. Among the membership requirements are high grades, interest in the language, and willingness to participate in service projects. Due to the stringent grade requirement, the membership is very small. The members were initiated at the banquet which was held at the Rive Gauche restaurant.

Front row: M. Gioustremes, L. Thomas. Back row: K. Chickering, L. Morimoto.

# French Club

Front row: M. Markert, L. Thomas, T. Jaconi, K. Chickering, M. Gioustremes, N. Trutanich. Back row: L. Morimoto, J. McCandlish, J. Kim, S. Bogard.

The French Club, with president Kirsten Chickering, has once again had an outstanding year. Many meetings were held and a great deal of activities were planned for the following year. The club is designed for students with more than just an academic interest in French, it's for students who truly love the language. The club's sponsor, Madame Maier expresses hope for next year's group of students saying, "Each year we have a great bunch of kids, this year is no exception and I'm sure that next year's will be no exception."

# German Club

Front row: J. Veek, H. Lockwood, M. Tamalunas, K. Holmberg, A. Barber, T. Hibsman. Row 2: Frau Koch, J. No, J. Rule, S. Chai, J. Tuler, J. Wolfsam, M. Gitter. Back row: J. Chang, D. Daybell, D. Weston, J. Chan, E. Ratz, K. Weichsel, K. Dolen, K. Miller.

Comprised of exceptionally fluent German students, the German Club has seen a good year. The club is for those with a true interest in German and interested in participating in German related activities. The club participated in many activities (such as a trip to Alpine Village) throughout the year and also organized study sessions for those taking the Advanced Placement Exam in German. The club is sponsored by Frau Koch who takes an active interest in the club and its events.

# Mu Alpha Theta

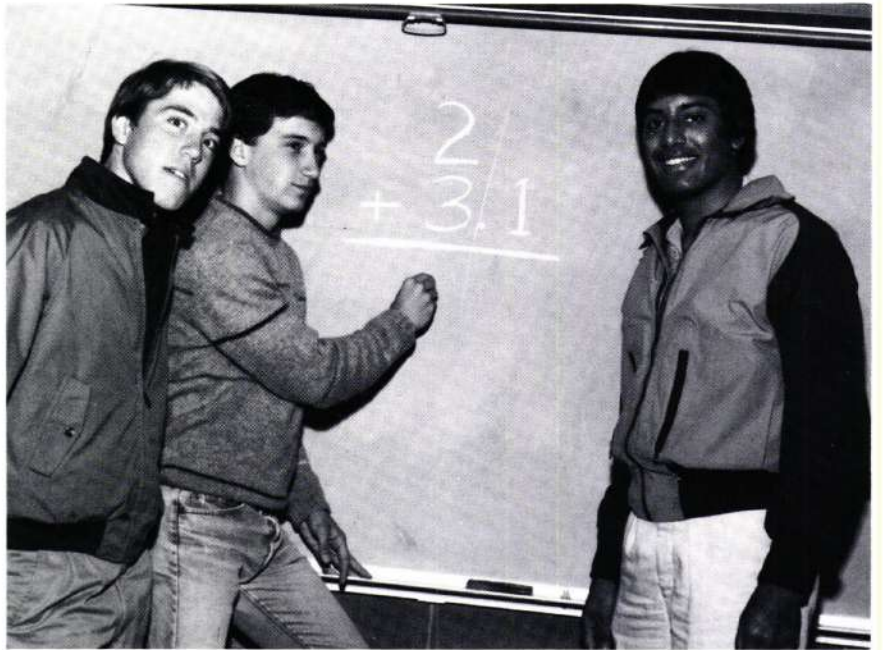

*Mu Alpha Theta* is a nationally known math honor society. Its members consist of exceptionally high achievers in the field of mathematics. Once again the Miraleste chapter was more than adequately represented by these outstanding students. The members of this prestigious society span all aspects of Miraleste social life.

Front row: G. Sheath, G. Kim. Back row: M. Rudolph, N. Brajevich, B. Schnier.

# Math Club

The *Math Club* is a group of highly motivated math students who truly enjoy math. Says this year's president, Nick Brajevich, "We don't just have a passing interest in math, we love it. For us it's a great deal of fun!" Math clubbers vie for honors in math tournaments county-wide where they must solve very challenging problems in short periods of time.

The Art Club has always been and continues to be an elite organization of the school's most talented students. Under the skillfull direction of president Gary Espinas and artistic guidance of Mr. Frank DiSanto (affectionately known to the students of MHS as Mr. D), the Art Club has the major purpose of raising money for the school's art scholarship. The members also produce the yearly art show in which their work is proudly displayed. This year, like years gone past, has been relatively quiet for the club, but in the words of Mr. D., what counts is "quality, not quantity," and the Art Club has proven just that.

# Games Club

The Games Club is quite simply, an organization dedicated to the playing and furtherment of games. The classroom of the club's sponsor, Mr. Fred Schorr, is open several days a week at lunch where the club's intensely competitive gamers eagerly have it at one another in Risk, Othello, Checkers, Dungeons and Dragons, Old Maid, and, of course, Chess. "Members feel that this is a very productive way to spend their lunchtimes," says president Alan Ng. "We spend our noons stimulating our minds and, yes, even getting out some of our agressions."

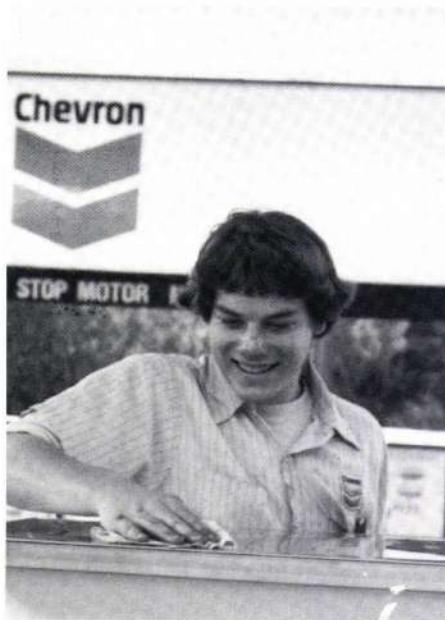

Front row: J. Chang, M. Kan, R. Crawford, A. Ng. Back row: J. Haines, S. Chai, J. Martin, R. Oas, B. Kerner.

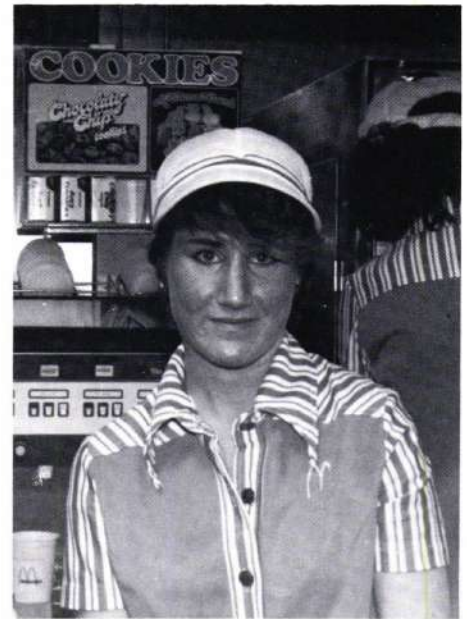

# Work Experience

For those Miraleste students wishing to be employed during the school year, the Work Experience Center provided help and aid in obtaining jobs. Students not only get on-the-job training and earn wages, but also acquire graduation credits in the process.

## S.C.R.O.C.

The Southern California Regional Occupational Center is designed to provide high quality training in skilled job areas that cannot be given in high school. S.C.R.O.C., in other words, gives individuals a "head start" in vocational training. In addition to receiving skills, training, and assistance in finding jobs, students earn high school credits

# Theater Arts

1

Once again, as in past years, the Theater Arts Club provided strong support for the Drama Department. Consisting of members of the Drama Department, they contributed financially and talent wise to the fall play, "The Water Engine," and the spring musical, "No No Nanette." Because of the club's willingness and ability to help, the Drama Department has grown and has continued to give first rate performances in the fall and spring.

# Library Council

The *Miraleste Library Council* consisted of five student members and Mrs. Oran, the advisor. Throughout its first year, the Library Council worked diligently to improve our school library. As chairman, Marshall Rudolph also held a non-voting student seat on the Peninsula District Library Board. Thus, he communicated important matters of business between our Library Council and the Peninsula Library Board. The Miraleste Library Council helped stop the prevalent library vandalism. Also, the Library Council gave the Miraleste students a chance to voice their opinions relating to all aspects of our school library.

M. Baird, B. Schneir, M. Rudolph, Mrs. Oran, G. Kim, S. Partrige.

# International Exchange

The *International Exchange Club* with the leadership of President Niki Simmons, was created to provide a comfortable, non-pressure atmosphere where high school students, and in particular, foreign exchange students, could meet and mingle without fear of rejection or the pressures of conformity. The club does not discriminate in any fashion what so ever. There are no requirements for joining and membership is available at any time of the year. "The most important thing we do is to offer an open-door and an extended hand to all," adds the club's sponsor Willie Hall.

# A.F.S.

*American Field Service is a multinational exchange program in which high school age students have the opportunity to live with a family in another country for either a summer or a year. Miraleste High School was fortunate to be able to host two foreign students this year, Pieter Verheyden from Belgium and Helle Hermansen from Denmark. Also H.H.S. sent five students of its own on adventures for two months last summer. All agree that their experiences were unforgettable.*

# Y.F.U.

*Youth For Understanding is an international student exchange program. Now at M.H.S. we have one student on a Y.F.U. six-month program, Carolina Coronel, who is from Argentina. Ann Williams went on the summer eight-week program to Venezuela, and has hosted several exchange students.*

*Families who wish to host Y.F.U. students are able to choose from many applicants from around the world and pick the one which would best fit in with their individual family situation.*

*Y.F.U. takes students from ages 14 through 18, and has a unique "13th year" program which allows students to spend a year in another country the year after they graduate from high school. The student is able to choose which country he or she wishes to go to. American students can choose to participate in either the eight-week summer program or the one year program.*

## WORLD

In the aftermath of Israel's victory in Lebanon, Syrian President Hafez Assad indicated to U.S. special envoy Philip Habib that he favored an early withdrawal of all foreign forces from Lebanon. However, the Syrian Leader soon changed his mind and insisted that the Israelis leave first. Also Assad continued to build up his armed forces in the expectation of a new round of warfare with Israel in Lebanon.

In one of the left's biggest offensives, guerrillas in El Salvador hit targets around the country, including a lightning raid on the central Army barracks in San Salvador itself. Political developments reflected the turmoil on the ground. In a surprise vote, El Salvador's Constituent Assembly clipped the power of Assembly President Roberto D'Aubuisson, leader of the ultraright-wing Nationalist Republican Alliance (ARENA). The revolt in the Assembly opened the first major crack in the conservative political coalition that has dominated El Salvador since elections in March 1982.

Summary executions and guerrilla terror were

commonplace in the mountain valleys southeast of the Peruvian capital of Lima. Government forces were fighting a frustrating war with rebels belonging to Sendero Luminoso (Shining Path) — a strange communist splinter group. The battleground is one of the poorest regions of Peru. There the misery of the Indian peasants has given the guerrillas the recruits they needed to challenge the government of President Fernando Belaúnde Terry.

The Lagos government ordered up to two million people to flee Nigeria in the largest forced march in Africa's recent history. The outcasts were victims of a cruel economic theory. Its author, Nigeria's President Shehu Shagari, accused illegal immigrant workers of ruining his country's economy by taking needed jobs and draining the nation's wealth. He gave the foreign workers two weeks to clear out. The order sent immigrants rushing to the borders in panic.

In an unflinching report, an Israeli commission found Ariel Sharon, defense minister of Israel, guilty of "indirect responsibility" for the Beirut massacre.

During the ensuing debate, tempers flared and accusations mounted. In the end, Sharon agreed to step down as defense minister, but he said he would remain in the cabinet.

## NATION

Thirty-foot waves, torrential rains, tornados, and mile-a-minute winds battered the California coast as a rapid-fire series of storms swept in from the sea. The toll was at least a dozen dead and nearly 100 million dollars in damage including the washout of a portion of the left-hand lane of Palos Verdes Drive East just behind Miraleste Plaza.

The Department of Health and Human Services published its final version of one of its most controversial initiatives ever. The newly proposed "squeal rule," backed by the Reagan Administration, would have required all federally funded family-planning clinics to notify the parents of "unemancipated" teen-agers under eighteen within ten days when they are given prescriptions for contraceptives. However, the main exception is when notification might cause the adolescent to suffer physical abuse at home.

Because of the strike called by the Independent Truckers Association (ITA), non-striking drivers were the subject of violent attacks along the nation's highways. In total, more than one thousand acts of strike-related violence were reported in thirty six days as well as one man having been killed and fifty others injured.

Environmental Protection Agency (EPA) Administrator Anne Gorsuch dismissed the EPA's administrator of hazardous waste programs, Rita Lavelle, bringing allegations against Gorsuch and the entire department to a peak. Six Congressional subcommittees then began investigations into the EPA's hazardous waste programs. Gorsuch herself was accused of perjury, conflict of interest, and political manipulation. Despite President Reagan's public backing, Gorsuch resigned on March 10. Her Majesty Queen Elizabeth II embarked on a ten-day West Coast expedition of the United States. The visit was filled with elegance and ceremony including a receiving party of three hundred private pleasure craft, yachts, and water-spouting fire boats for the royal yacht Britannia and a one hundred thousand dollar dinner given by the Reagans. However, the highlight of her trip was a visit to the Reagan Ranch in California.

## SPORTS

Due to the variations of rules from conference to conference in the NCAA, many teams and players who were considered to be down-and-out proved otherwise. Scott Simcik of Alabama in Birmingham was just an example. Most of the officiating confusion was put upon by the four different three-point zones and three different shot clocks that were used.

The United States Football League began its first season of play ever. The USFL, a new concept in football since games are played in the spring and early summer, will have competition for spectators with the NBA playoffs, the Stanley Cup, the Indy 500, and the Kentucky Derby. However, much attention was already attracted to the League since Herschel Walker signed a three-year, three point nine million dollar contract with the newly established New Jersey Generals making him the highest paid player in football history.

In basketball, the UCLA Bruins made it into the NCAA playoffs after finishing off their regular season with the best overall record in the PAC 10. On the professional level the Lakers were in first place of the Pacific Division of the NBA with Seattle close behind.

## ENTERTAINMENT

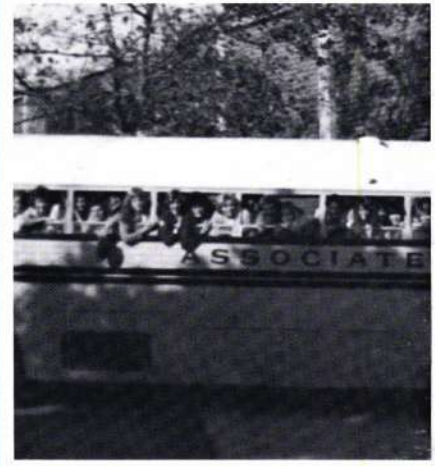

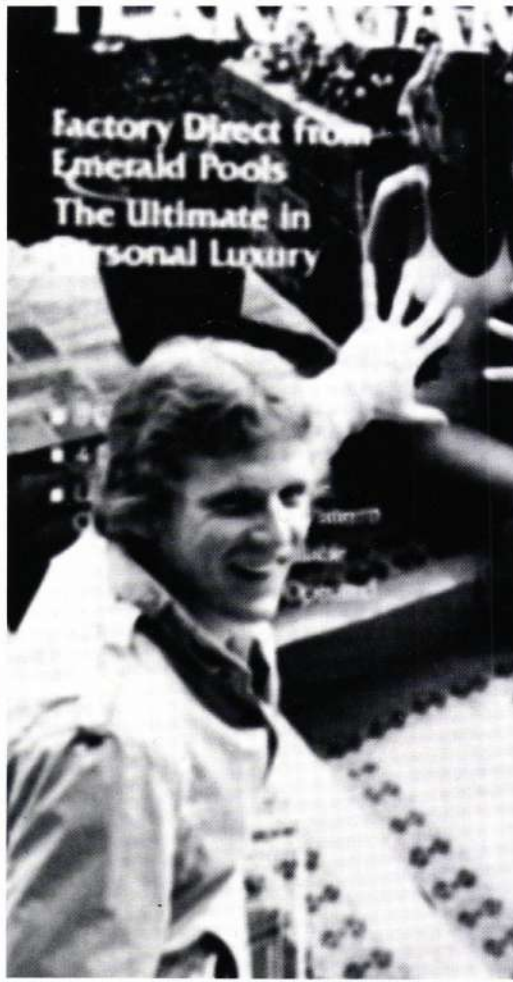

3

After eleven years on the air, "MASH," television's most popular and successful show ever, ended its run with a two hour length movie. Over two hundred million people watched as the members of the 4077th Mobile Army Surgical Hospital said goodbye for the last time and a tearful goodbye it was too. Although original episodes weren't being shown after the final episode, syndicated reruns could still be watched.

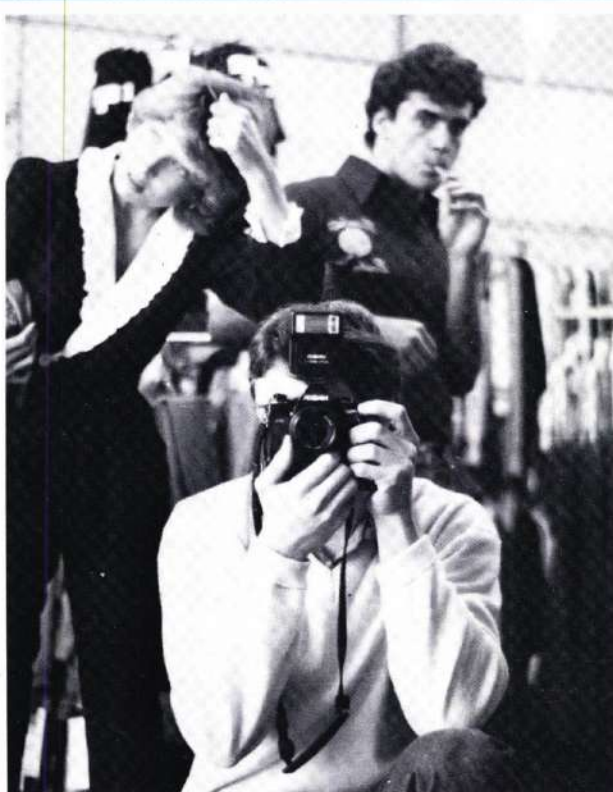

The most popular musical artist at this time was Michael Jackson. His album "Thriller" was at the top of Billboard Magazine's album chart for three weeks. Also his hit single "Billie Jean" was at the top of both the soul and pop charts. Other performers who were successful at this time included such diversified artists as Joe Jackson, the Culture Club, Hall and Oates, and Supertramp.

Some of the movies popular at this time were "The Lords of Discipline," "Without a Trace," and "Table For Five" with John Voight starring as a divorced father who wants to come back into his children's lives.

Randy -  
Let's go to a Grateful Dead  
concert this summer. If not,  
we'll go for some major volleyball  
sessions. Until then have a nice  
day, and have nice life.

Love,  
Brian

Memories are made throughout  
the years  
We share the laughter and we  
share the tears  
Soon we will be seniors and three  
more years will have passed  
But the memories of yesterday  
will always last . . .

Regardless of who we meet or what we do or what we become, it is the friends we grew up with that we feel closest to and that we have the most in common with. Though we won't see each other often, when we do, it will be as though we were always together — so comfortable, so natural, so honest. I guess old friends who know where we come from who know our backgrounds, who know our families have an understanding of us that no new friends can ever have.

# Memories . . .

Together we've laughed, cried, won, and lost. But most importantly we've come this far, farther than anyone else. Alone, it would have been an impossible feat. Maybe not all of the memories are good, yet with these memories, we've grown. We learned to work together as one body, to be what we are now — The Best.

# Never to Forget

As we end the year we look back at the close togetherness we shared with old friends and new acquaintances. We recall at all the good and bad times we enjoyed and endured and look forward to all the great times ahead. We remember the parties, dances, trips, tours, and all the "hanging out." We say good-bye to our Seniors with fond remembrance and wish them luck in their future ventures. We look ahead to the "typical Freshmen" that are coming in, and at the Juniors who are preparing for their Senior year. And yet, we will probably never forget the events that made the '82-'83 school year a very special part of our lives. The memories we have made will serve to always keep us together.

*We would especially like to express our gratitude to the following people whose help in creating this book has been immeasurable.*

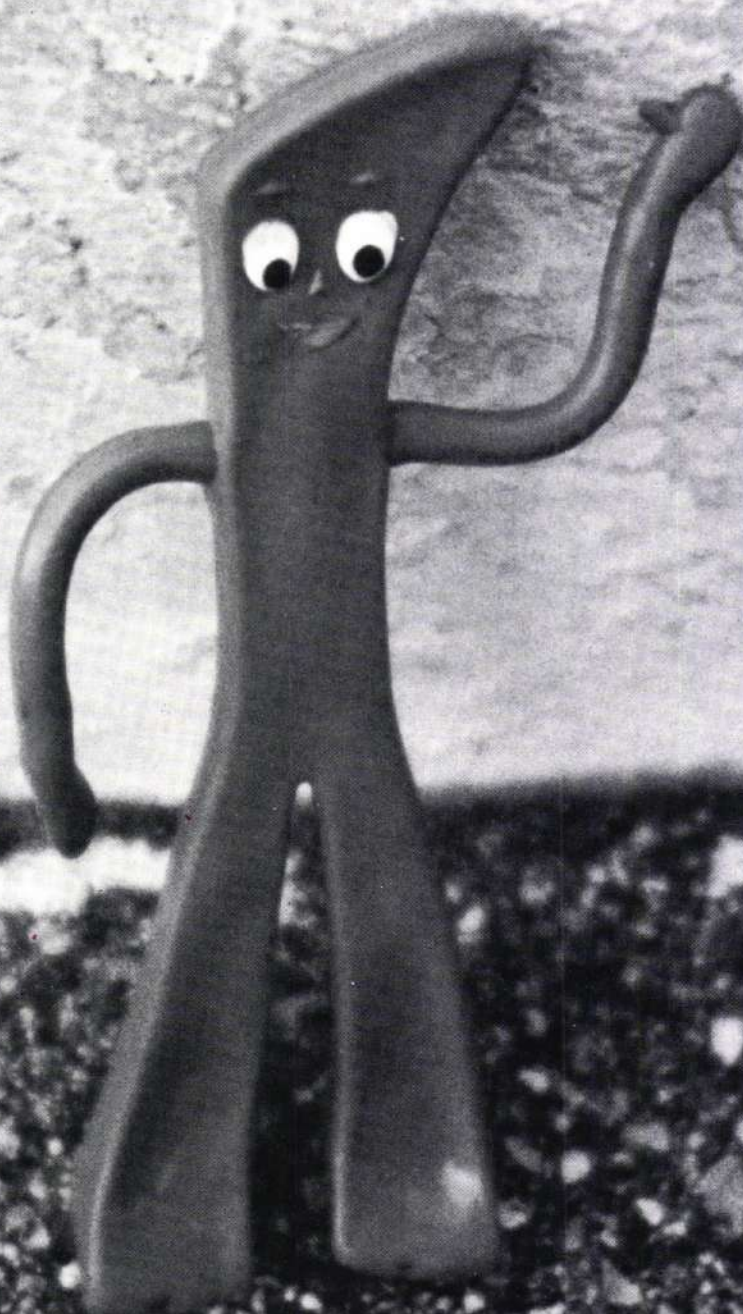

*Tom and Sue at Thelma's for their photographic expertise.*

*Rich and Joann at Herff Jones for their invaluable knowledge and planning.*

*Mr. Letcher for his patience and understanding.*

*Dr. Burnight for his unwavering support.*

*And to all the Moms and Dads who sponsored us.*

I THINK I KNOW

Hi Randy!  
 How are Ya?  
 I'm So glad were freinos  
 you are so sweet!  
 I'm so happy you and  
 Liza are back toghter!  
 You guys are such a  
 Cute Couple! Well hope  
 to see ya over the  
 Summee! well go  
 Parting! ok?  
 love ya!  
 -Ariana-

Randy,  
 well, I want you to know  
 that your really, some kind  
 of guy. I'm glad I got to  
 know you. What would I have  
 done without you in Spanish.  
 If any good parties come up  
 in the ~~party~~ summer, give  
 me a call. 377-4221. Have a  
 great vacation. Hopefully I'll see  
 you.

Love,  
 Emeril

Randi -  
SHUT YOUR  
MOUTH!!! well  
it's been great  
knowing you this  
year!! I hope next year  
we will have some classes  
together!! and how about cutting  
down on those drugs, huh?! all right -  
I won't lecture you - but I care about  
you & I don't want you to die or be a veggie!!!!!!  
Have a good summer! Love always,  
Cari

P.S. - ok - it was nice knowing you  
all those years - is that better?! Remember in  
grade when I always came down to your  
house w/ Krister after school! ever since  
then I've loved oings & oings, but I  
never listen to my Black flag!!!! Yuck!!  
well, that was a fun time!!!!!!  
Let's keep in touch  
Me

Randy, Terri, Rita Kilbrey  
esta bonita. I'm really to  
glad I got to know you see  
spanish this year. I'll probably see  
you next year. Have a swell one & don't  
come back with deteriorated lungs. (just kidding)  
no, really, have a GREAT summer.  
Friends always.  
Amit Horland

Randy

Hay we made it  
well now lets have  
some serious partys  
rember my parents  
leve soon - We got  
to stay rad and  
set a good example  
Anthony

Kim

How ya

Randy,  
The year was terrific huh?  
Straight so. With you in  
English and what else you've  
made it halfway back to well  
hope you have a terrific summer  
and keep up surfing (obviously good)  
Boys night, shop well  
in a class together.  
How ya

Randy -  
Hello there!!  
Well what do I  
write to my old boyfriend?  
(Remember in Caplegray!?) I guess  
I could tell you that your a really  
'fun' friend to have and im glad we  
~~are~~ were in Mr. Wittens together because we probably  
wouldnt have become good friends without him! Anyways  
hope that next year we can remain friends and have more  
fun together! - Shawn  
Well ♡ ya always - Shawn
