ARRIVING AT THE GOLD

What is the meaning of Gold? — It is a word that goes beyond its usual definitions. Not only is it a yellow, adored mineral, it is a symbol of the best. And during the 1983-84 school year, that is what we were, the best.

Our academic achievements soared. The athletic teams sky-rocketed. School related activities were very popular. But what could be expected? With all of the hard work and unity of the faculty and students, we were GOOD AS GOLD.

1

1. In a rare appearance, wealthy Marauders NICK TUCKER, RANDY WILHELM, PAUL SMART and GREG RIOS strut their stuff. 2. BILL BARNES and his harem, consisting of JENNI McCANDLISH, EMERIE BECK, KAREN O'GORMAN, DAWN WILSON, LISA VICELJA, CLAIRE DUNLAP, and ERICA MILLER, take a relaxing break at lunch.

OUR GOLDEN YEAR

A question asked by both new and returning students this year was "how can I be a part of Miraleste High School?". The 1983-84 year was unique in the fact that there really was something for everyone. The entire year of activities were planned to include more people than ever before. With smaller classes, the teachers were able to give more individualized attention, and the sports events provided the chance for people to either join in the action or to cheer the teams on to victory. Throughout the year, excitement and energy flowed as the student body and faculty worked for the best year yet at Miraleste!

The pride, spirit, and traditions of Miraleste High School have developed over the past fifteen years because of the many different people who have been a part of our school.

The achievements in academics, sports, and organizations have created what is known as "Marauder Pride". This pride is displayed in the classrooms, at sports events, and all other school activities on the Miraleste campus. Students and faculty alike are proud to be a part of Miraleste and it shows everywhere. With all the memories, spirit, and pride of achieving our goals, we are "Good as Gold".

A GOLDEN SUCCESS

As the year progressed, the determination to strive for the gold became more evident. It may have been trying to earn that "A" in an especially challenging class, or just doing the best and finally succeeding. It also could have been participating in a winning sports team, or maybe even the beginning of a lasting friendship. All enjoyed the sensation of praise and glory from success. More than just being successful, the sense of importance to one-another was shown by the spirit and school unity. A drive for determination was obviously present in every individual.

OUR GOLDEN GOALS

4

5

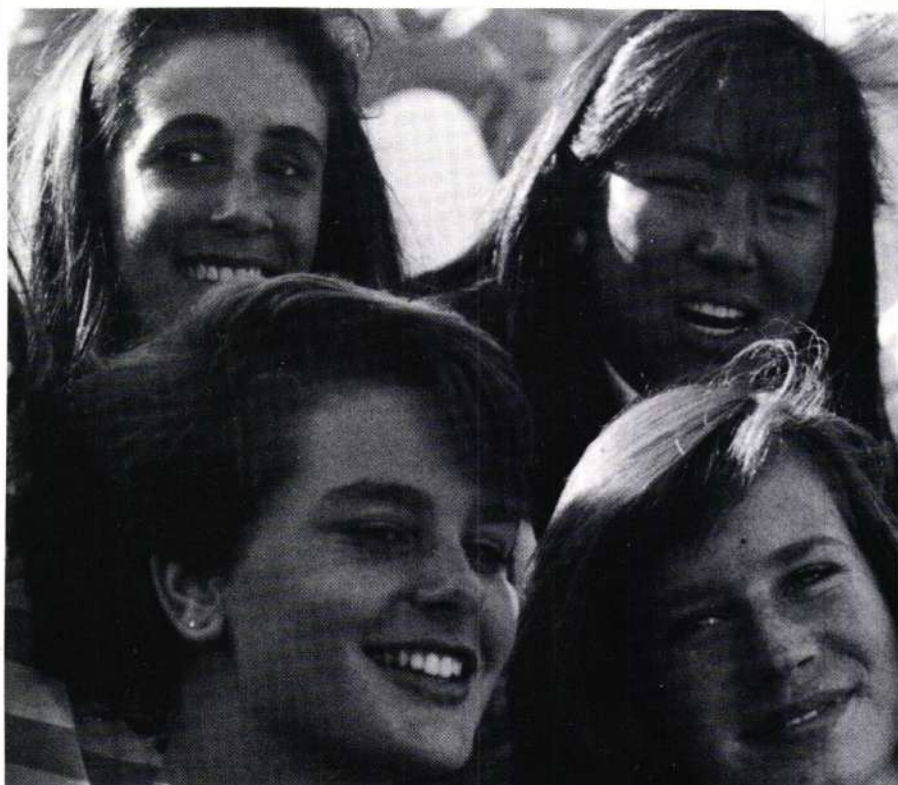

The term "Good as Gold", as referred to by those at Miraleste, reaches far beyond the elementary description of learning, sportsmanship, and leadership. It carries a more encompassing meaning. Throughout the year the students and faculty worked persistently in classrooms, club organizations and athletic teams to be the best at what they did.

The seniors reached the pinnacle of their effort to produce the final perfection of their four year climb to the top; and here, like trained athletes they realized their goals, measured their abilities, and cast unyielding strength to make their final year at Miraleste the best. This intense spirit was then captured by the junior, sophomore and freshman classes, which made it all come together to make the year "Good as Gold". What does it actually mean then, to be "Good as Gold"? It means that as students and athletes, we at Miraleste, not only set and achieved each of our goals, but we accomplished them with the style and pride of a Medallion Winner — with greater ability than any of the others. The 1983-84 year at Miraleste was "Good as Gold".

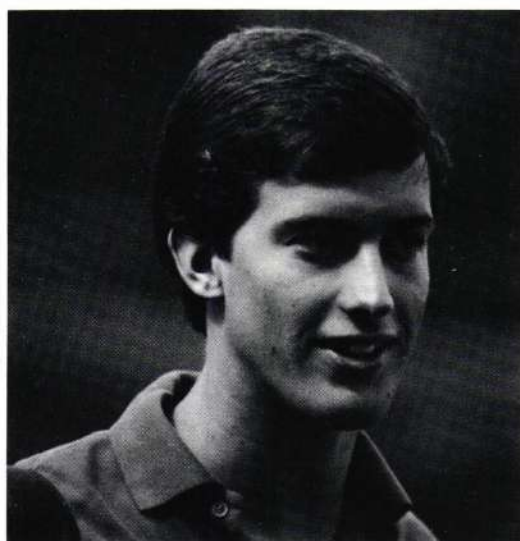

6

It is not only the people of Miraleste that make the school so special. It is the events and activities planned. Whether it be intermural and organized sports, or lunchtime activities. They all allow for healthy competition, teach benefits of teamwork, comradeship, and a positive mental attitude. It is the equivalent of an Olympic event where there is team competition verses individual competition. The team learns to work together to reach their final destination, whether it is the finish line, the termination of the school year or the gold medal.

2
Being a champion is very hard work. It takes a lot of talent and many long hours of training. Whether it was athletic goals or academic goals each student that attended the Miraleste High School Campus during the year accomplished as amazing amount of work. During the school year so many activities were occuring and so much was accomplished that everyone was a champion in one way or another.

A GOLDEN EXPERIENCE

The Golden Experience, whether for a student or athlete, is a discovery in what it means to be a true winner, free to strive and obtain the best we can for our lives, free to sense something for our own worth and, hence the worth and dignity of others, free to choose risks worth keeping. The Golden Experience doesn't just happen. It results from a highly individualized approach in all we do.

AUGUST-SEPTEMBER

WORLD

1,2 USSR shot down Korean Air Lines 747 on Sept. 1 over Japanese waters when it had strayed over the "sacred" USSR land. All 269 passengers died — 30 of which were U.S. citizens, including 1 senator. Reagan denounced it as an act of barbarism and demanded that an apology and reparations be given. USSR responded to neither and claimed that the plane was on a spy mission.

Lebanon — To help establish authority after Israel pulled back its troops, an American trained Lebanese army was permitted by Amin Gemayel. If order was not restored, a land/power grab was feared by Syria, Palestine, and Christian and Moslem forces.

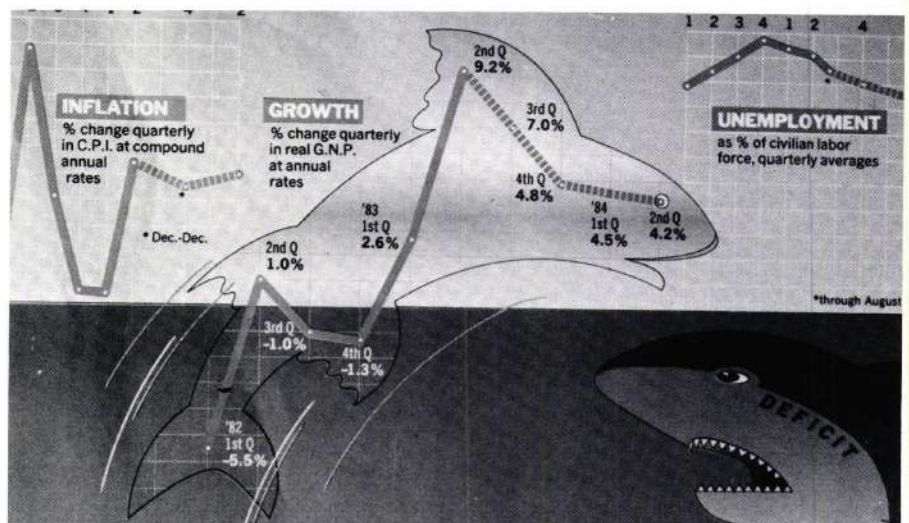

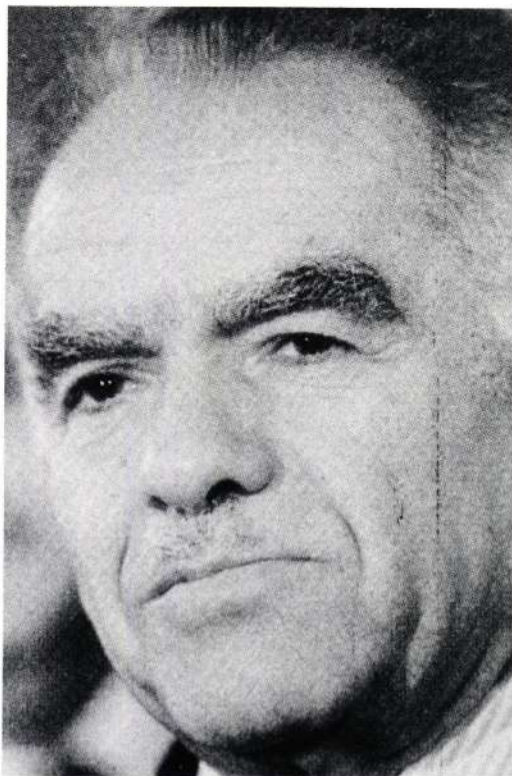

Full scale civil war led to Reagan's authorization of the use of carrier based aircraft and navel gunfire at the discretion of the 1200 Marine Corps peacekeeping force. Before, gunfire was only permissible in self-defense.

3,4 Israel — Menachem Begin announced his resignation on August 6 after 6 years as Prime Minister. Foreign Minister Yitzhak Shimir was elected on Sept. 1. He will follow Begin's policies.

Philippines — Murder of Benigno Aquino, political foe of Pres. Ferdinand Marcos, took place at a Manila airport by an unidentified gunman. Suspicion was focused on Marcos, who had ruled for 18 years.

NATION

Education — Reagan, Congress, and citizens were pressuring schools in math, science, and English.

SPORTS

U.S. Open — Connors battled Lendl while suffering a foot injury. Martina Navratilova defeated Chris E. Loyd, last year's winner, to win her first U.S. Open.

L.A. Dodgers lost to the Philadelphia Phillies 2-7, disqualifying them for the world series.

ENTERTAINMENT

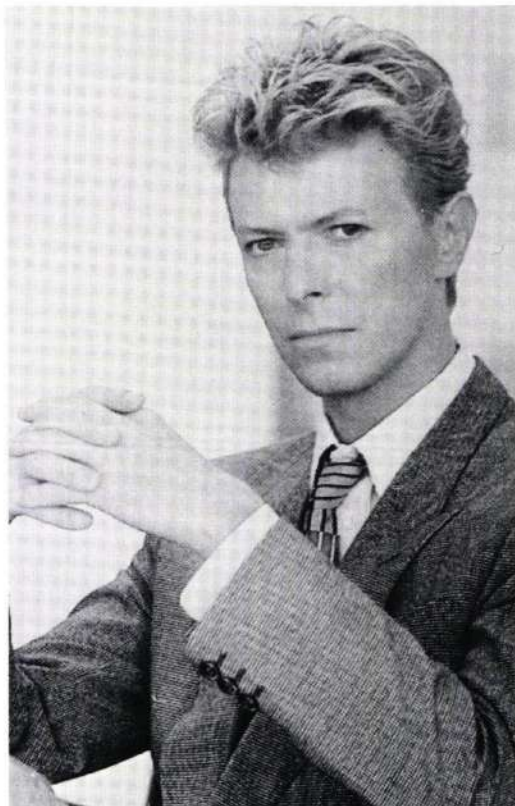

US Festival — Featured groups were The Clash, Oingo Boingo, Van Halen, Triumph, Berlin, and David Bowie (6). Saturday and Monday leaned toward new wave, while Sunday focused on heavy metal.

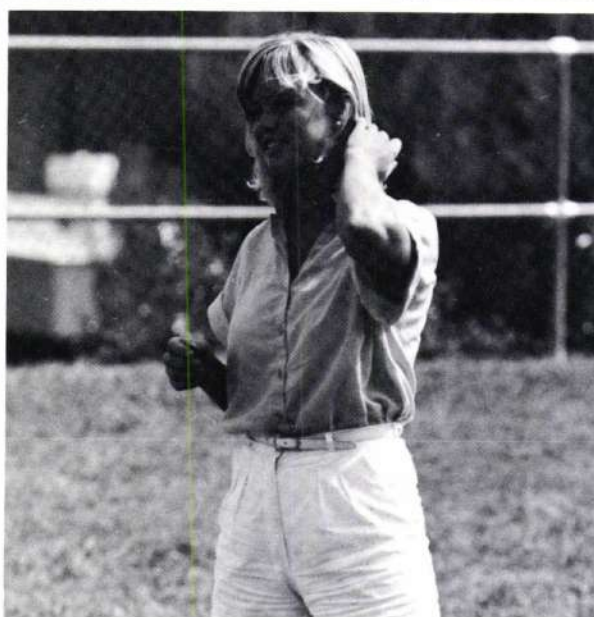

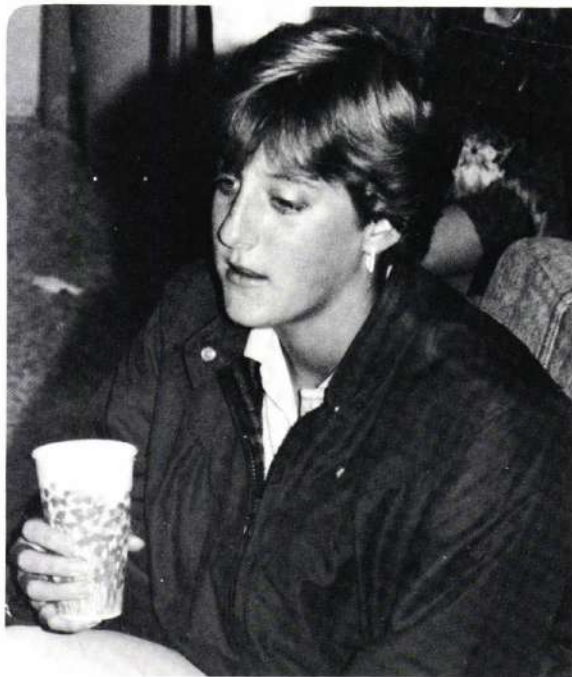

Movies popular over the summer included Return of the Jedi, Twilight Zone, Octopussy, War Games, and Trading Places.

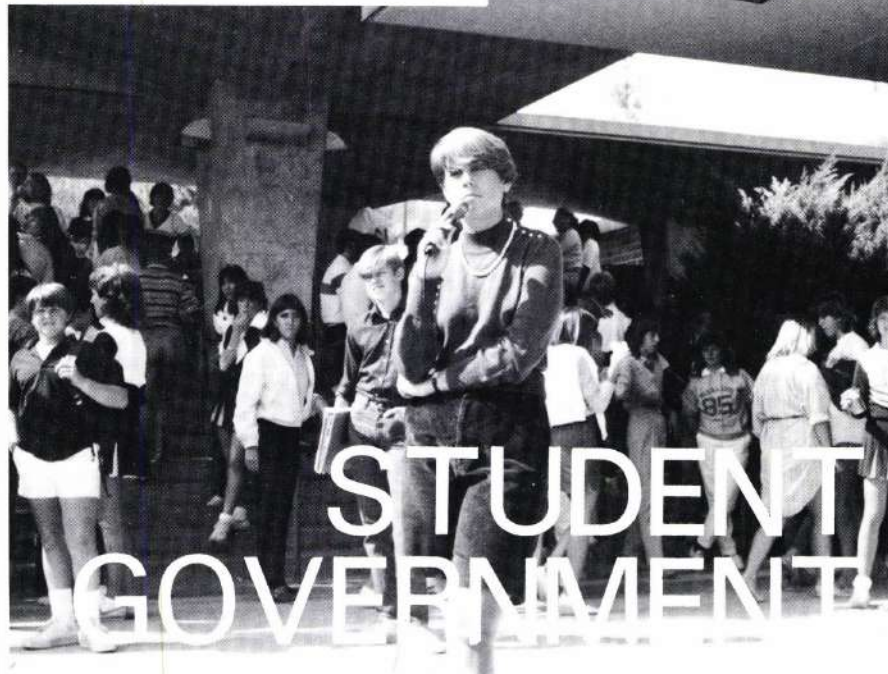

FASHION

Girls — New wave was in! With it came mini-skirts, plastic shoes, and cut sweatshirts. Studded belts, double-pierced ears, and closely cropped hair were also popular.

Boys — The British look was back, bringing trim haircuts, stripped cotton shirts with matching ties, and plaid Bermuda shorts. Some even had one ear pierced.

STUDENT GOVERNMENT

Under the leadership of A.S.B. president NICOLE TRUTANICH, the student council members helped to make the 1983-84 school year a golden success. Full of dedication and hard work, the group spent every Monday evening in the band room. There, they planned activities, fundraisers, and entertainment for everyone at Miraleste. This year's major fundraising ideas were the See's candy sale and the raffle. With the money that was made, Student Council was able to hold the Spring Festival and the all-school progressive dinner. Among the other exciting activities they planned were Friday night movies, Homecoming Week, and class competitions. With the support of the school administrators and the student body, the student council accomplished their goals and made the year enjoyable and memorable for everyone.

Leadership Camp Leads The Way

Getting off to a golden start, the leaders of Miraleste High School traveled to Running Springs to stay at Camp-O-Ongo, the traditional MHS Leadership Camp site. The two and a half days spent there were filled with many activities that combined business with pleasure. Included in the business agenda were discussions with Dr. Burnight, Mr. Terry, Mr. Letcher, the PTSA, and publications; a seminar on the school budget; brainstorming on new activities; and discussions on the homecoming theme . . . the Olympics. During their free time, Marauders enjoyed themselves in the afternoon sunshine playing ping-pong or volleyball, horseback riding, tree-swinging, or laying out by the pool. Nighttime activities included watching "The Swamp Thing," the traditional Bingo game, and, of course, the annual Camp-O-Ongo water fights and cabin raids. Highlights of the camp were a birthday party for Dr. Burnight and a talk with Don Williams. The 1983 Leadership Camp was enjoyable and successful for all who attended.

ACTIVITIES

On the Road to Gold

Class competition was held throughout the year. The contests between classes were much like events in the Olympics. During Homecoming Week, we had the 25 foot marathon and the decathlon, along with the usual spirit boosting events which usually occur during homecoming. Nearly every Friday during the year, students gathered on the lawn to eat lunch, watch, and participate in the games. Also included in games for class points were basketball throws, toothpick (javelin toss) and the traditional Miraleste clap competitions, held in the gym during assemblies. Throughout the year the seniors, as true olympians, were in the lead for the golden trophy denoting the most accumulated points.

Pep Squad's Golden Year

The 1983-84 Pep Squad has been a strong and spirited group this year. All three squads began at the start of summer, practicing for camp, football season, and basketball season. The Varsity Pep Squad, led by Jeni Byrd, head cheerleader, and Joanne Roe, head songleader, feel they had a very successful year working together. The Junior Varsity Cheerleaders have also had a terrific year, and they all look forward to keeping up school spirit next year.

Fifteen of the nineteen Pep Squad members attended cheerleading camp last summer, returning with trophies for their outstanding performance. Their main dedication, however, is devoted to MHS, and every sports team on campus. They wish to thank every athlete and fan who participated at games for making this the best year ever for the Miraleste Pep Squad.

Band and Tall Flags Capture the Gold

This year, the Miraleste High School Band and Flag Team completed another successful season of competition and spirit boosting. Besides competing with the Drill Team at parades, they entertained and promoted spirit during assemblies and many sporting events. Being the most visible organization on and off campus, this group of musically inclined students managed to not only contribute to school morale and pride, but had loads of fun while doing it.

Drill Team Marches On

Led by Captain LIZ SILANE, co-captains MICHELLE GREENE and LISA CRITTON, and Lieutenant COLLEEN MITCHELL, this year's drill team had one of its most successful years. The team was made up of essentially all new members; and all the time and effort they put into practicing was paid off. In the many competitions and parades they attended, they received either a first or second. In addition to performing at assemblies, football games, and basketball games, they ended the year competing in the Hawaiian Invitational. Under the instruction of Jacki McGuire, the 1983-84 Drill Team had a fantastic year representing and promoting Marauder spirit.

Senior Victory

Once again the Seniors proved victorious at the annual Powder-puff Football Game. The week leading up to the game was filled with numerous lunchtime activities. Highlights of these events included the racket spin and the first PPFB cheerleading tryouts. The game was held on Friday, October 7, and it was kicked off with the customary breakfast at the home of one member of each team. At lunchtime the Juniors were more spirited, but Senior strength proved more powerful. The game itself was tough and well played. The Juniors made a noble attempt with DARCY CAIN scoring the first touchdown. The Seniors overpowered with ANNABELLE ABBA scoring three touchdowns and JACKIE SPEARS one. Overall, the Seniors' vitality proved unmatched in the 28-7 victory.

The Winning Activities At Miraleste

1

With the goal to get everyone involved this year, Student Council sponsored many activities. Held during the day as well as in the evening, these activities included Friday Night at the Movies, lunchtime ice cream socials, and dress up days.

Friday night at the movies was a big success this year. The movies were shown in the TAB with people lounging in beach chairs, blankets, sleeping bags, or anything comfortable. Those who dressed up in the appropriate attire to fit the movie were given free popcorn. Some of the more popular movies shown were "The Spy Who Loved Me" and "The Outsiders."

Beside night time activities, student council also sponsored lunch time activities. During several lunch breaks, the ASB gave out free ice cream. Students lined up on the lawn to receive their ice cream sundaes with a choice of toppings. Another activity during lunch was a contest for the best dressed person in costume. This activity took place on October 31st which was, of course, Halloween. Marauders came dressed in their favorite costumes; WILLIAM HADLEY who was dressed up as Adam Ant won for best costume and was awarded a bag of assorted candies. Other dress up days included camoflauge day, sports day, twin day, and color day — all of which took place during Homecoming Week. In addition to the dress up days, the week was also filled with other activities entailing competitions between the four classes. These competitions included Donkey Basketball, a trash can decorating contest, and a mini-olympic event.

All in all the 1983-84 school year was filled with many activities that brought the students together and hyped up Marauder spirit.

An Olympic Homecoming

This year, the Marauder ASB brought forth an exceedingly encouraging theme for homecoming. The Olympics seemed to exempt a special kind of spirit from the student body. Not only was our team coming home, but our country as well. This spirit was realized during the customary homecoming activities. Each class float displayed their version of a past olympic competition. The game was in the back of the minds of the crowd as the candidates for queen were reannounced. The court included STEPHANIE VILLICICH, JOAN LENNARTZ, NICOLE TRUTANICH, JANET VANDERMEULEN, and CHRISTY KNOLL, all of which were escorted to mid-field by their fathers. After the band, drill team, and tall flags had gone through their routines, and the floats had passed and been judged, the time had come. The homecoming activities were climaxed by the announcement of Queen NICOLE TRUTANICH. Although the football team was upset in a heartbreaking loss against Cerritos, the Miraleste students still had enough pep to head to the Geeky Greek Dance to await the announcement of the 1983 Homecoming King.

Every move they made and every step they took was to the music provided by outstanding bands such as: THE PRESS, HEAD FIRST, and THIS KIDS. All of the dances had exceptional turnouts with people coming dressed in Flashdance and mod apparel. Some of the themes included white for the Icebreaker Dance, costumes for the Masquerade Dance, and togas for the Geeky Greek Dance.

1. Miraleste students beat it to the music of HEAD FIRST. 2. KENT FLEMING and LAURA TULMAN "break the ice" at the Icebreaker Dance. 3. Doing their best to imitate the band are DARCY CAIN and TRACY MARKEN. 4. CAMDEN McELEE, alert as always, notices the cameraman at the dance. 5. Modeling their togas are MICHELLE BURNS and her friend. 6. MAUREEN BOLEN and BRAD GINSBERG boogie down at the Geeky Greek Dance.

Sophomore Favorites

The Sophomore class sponsored Soph Doll Dance was quite a success. The students who attended enjoyed themselves dancing to the ever popular Santa Barbara band — THE TAN. The gym was creatively decorated with heart figures and balloons. In the corner of the gym the sophomores set up a picture booth consisting of a table and malt shop backdrop. The highlight of the evening arrived with the announcement of Laura Farley and Dale Bolen as the 1984 Soph doll and soph guy winners.

1. MARY BETH RYNNE, MARNIE CASTER, and SAM FARRAR spend a Friday night at the Malt Shop. 2. IMEE DIEGO flirts with the guys, especially the one on her left. 3. The 1984 soph doll and guy nominees — I. DIEGO, C. WEICHSEL, M. MALLANO, L. BAREZ, L. TULMAN, L. FARLEY, G. PUCKETT, and T. McQUEEN (not shown A. CLARK and D. BOLEN). 4. The sophomore guy and doll winners are DALE BOLEN and LAURA FARLEY. 5. JON AXTELL, JEFF MILLER, CAMDEN McEFEE, and NEIL WINTERROWD scam around for dance partners.

Safari Sweethearts

The Senior class sponsored Sweetheart dance was a success. Dressed up in jungle-safari attire, Marauders danced to the ever-popular band, Head First. Highlights of the dance included a group of talented Marauder guys who breakdanced for onlookers and the announcement of the class Sweetheart winners. All the nominees were introduced and the winners announced. The 1984 Class Sweetheart winners were DAVID OLIVEAU and ANNABELLE ABBA, juniors WALLACE TUCKER and IRENE DIEGO, sophomores RALPH GALANTE and ERICA KIM, and freshmen MIKE SILANCE and BIRTHE LAUCHENGO.

Midnight Madness . . . with a touch of class certainly fit the atmosphere created at this year's Winter Formal. The amount of work and effort Girl's League put into publicizing and decorating the MHS ballroom led to the success of the evening. As the couples walked into the ballroom, they were overwhelmed by a beautifully painted silhouette of a dancing couple which added to the classy ballroom atmosphere. Adding to the scenery was a lighted fountain flowing with water which was tastefully situated in the middle of the room. Each couple who attended received an engraved brandy warmer as a memento of the exciting evening. Everyone enjoyed both the classy atmosphere of the formal and music of SURGE. All in all, the 1983 Winter Formal proved to be a great success.

Guys and Dolls — Smash Hit

This year's Spring Musical "Guys and Dolls" was a smash hit. Audiences loved such numbers as "Bushel and a Peck," "Sit Down, You're Rockin the Boat," "Luck Be a Lady," and "Sue Me." The musical was about Nathan Detroit (ALAN GOLDSTEIN) who has been engaged to Adelaide (PATTI DiCARLO) for fourteen years. Nathan runs New York's oldest established floating crap game and heeds a thousand dollars so he bets gambler, Sky Masterson (ANDY OSWALD) a thousand dollars that Sky can't take the girl he names to Havanah. Nathan names Sarah Brown, (SUE PAPACCIO) head of the Save a Soul Mission and Sky never expects he'll fall in love. Other parts of Nicely-Nicely Johnson and Benny South Street were played by CHRIS WILSON and FRED SCHNERK. The cast worked well under the direction of MS. CHRISTINE PARRENT, the music of BOB KOHLER, and the sets of PETE XIFO, the Theatre Arts Department can add another hit on their list.

Consisting of a highly dedicated group of musicians, the Miraleste Orchestra devoted many long hours practicing and perfecting the score of the Spring Musical. They got a strong start early in the year by competing in the Krelb Competition, in which they took first place. Under the direction of BOB KOHLER, the orchestra performed not only in "Guys and Dolls," but also at Dapplegray Intermediate School and Harlem Shoemaker Elementary School.

The Childhood Illusions of Story Theatre

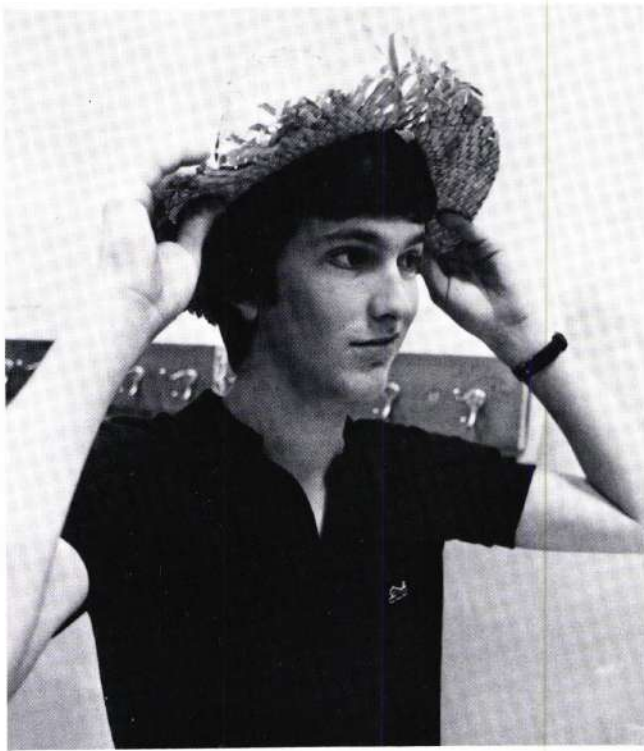

This year the MHS Theater Arts Department opened with a bang. The fall play, entitled "Story Theatre," was brought to life on the Miraleste stage. Directed by Christine Parrent, the play is a blend of Aesop's Fables and Grimm's Fairy Tales. Included in the production were such favorites as THE FISHERMAN AND HIS WIFE, THE MASTER THIEF, and THE FROG AND THE OX. The cast of ten actors gave a fine performance, and the audience was thoroughly delighted with the show.

Marauders

The Miraleste Historical Tour was organized by Mrs. Roberta Kordich and her husband Anthony, a P.V. High Teacher. This visit to the historic East Coast truly showed Marauders the meaning of history and friendship. Beginning in Virginia, students started their non-stop venture through history visiting Jamestown and Williamsburg. The tour then headed for Washington D.C. where the sights of our nation's capital were well at hand. Pennsylvania and the Gettysburg Battle Field were next on the agenda along with Philadelphia and the Liberty Bell. In Rhode Island, the group toured the famous Vanderbilt Mansions and the town of Newport. With the final stop in Boston, Massachusetts where many spots of heritage were admired. Our nation's history and way of life was experienced and enjoyed by all.

1. K. ERICKSON, C. CUTLER, T. VILLANO, K. POOL, M. O'NEIL and K. SIMON are enthused about the trip. 2. The first couple GEORGE WASHINGTON (S. SEDGEWICK) and his wife MARTHA (L. EICHEL). 3. K. STEVENS, J. ORTHOLANO, C. CUTLER, K. ERICKSON, R. DAPONTE, A. KORDICH, A. PETERSON, and CONNIE enjoy the bus trip. 4. C. BLACKMORE, S. BRANNEN, K. MATFIK, P. WILSON, B. LORENZ, E. COLLINS, L. EICHEL and MARYANNE EBERHARDT visited the MONTICELLO BUILDING in WASHINGTON D.C.

The spring trip to Europe in 1983 was a trip that will never be forgotten. It started off with a quick tour of Amsterdam, then it was off to Germany where the first night was spent. A cruise on the Rhine was on the agenda for the second day, and then the night was spent in Lucerne, Switzerland. The next two days were filled with shopping and touring. Miss Strauss was almost left on the French Border, but luckily she made it back to the train. The city of Paris was exciting for everyone. Many historical sites were seen. The last days were spent in London, England and then finally after ten days in a dream world, it was back to reality.

The MHS Drill Team was one of thirty-six drill teams selected to participate in the opening and closing ceremonies of the XXIIIrd Olympiad Games. Each team was selected by the Advisory Committee of the Los Angeles Olympic Organizing committee on the basis of their competitive and performance records. This years Drill Team established an excellent competitive and performance record by attending and performing at the various indoor competitions in and around the Southern California area. The members of the Drill Team are thrilled and honored to be chosen for this "once in a lifetime" opportunity; and will be proud to represent Miraleste High School during these ceremonies.

SENIORS

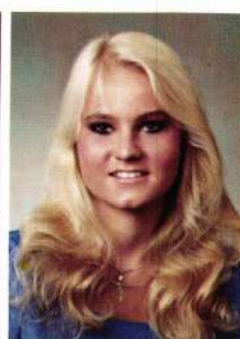

When we were freshmen, we thought that we never would make it through four seemingly endless years. In retrospect, however, the four years have gone by almost too quickly. Each year our class has become closer, working more efficiently as a unit, becoming better and better. The class of '84 not only has completed four hard years, but also has produced organizers, leaders, superb athletes, actors, and high academic achievers. This diversity among our classmates makes the Class of '84 outstanding.

Being plagued with the term "typical freshmen," as we entered Miraleste High, challenged us to prove the stereo-type wrong. It was during this first year that many of us started attending football games, Friday night dances, formals, and other traditional school activities. We also began forming some of the closest friendships people can share. As our freshmen year drew to a close, we set into motion our potential.

As sophomores, lead by enthusiastic officers and class members, we were named class of the year. In 1982, we really became an outstanding academic and competitive unit, a definite asset to the school. Highlighting the year for many of

us was the flex unit, where we had a great time while learning. We improved our social life by attending more parties and hosting the Soph Doll dance. Because by now we had exposure to different fields of study, our classmates began to focus on their specialties.

Throughout our junior year, many of us drove to school, some even in fancy sports cars. Lunch meant Carl's Junior, Jack-in-the-Box, or Taco Bell. We held a variety of jobs to earn extra money, and we learned to budget our time. This year involved taking PSATs, gathering information about colleges we might apply to the following fall, and attending the Junior-Senior prom. Athletes dedicated themselves to success, working hard and giving their all. We were proud of them, since their performances, together with memorable efforts and achievements of so many of our classmates in all areas, helped to bring new prestige to Miraleste High.

Now, in our senior year, we have put everything together, each member wanting this to be the best year ever. We anxiously applied to the colleges of our choice. Homecoming held special meaning because of the crowning of the king and queen. Many seniors found themselves assuming leadership

roles and participating in a variety of clubs and activities. We became a class of workers, not just talkers.

Now, with the help of our sponsors, Marion Hanson and James Hanson, we eagerly await our senior events, including Baccalaureate, senior ditch day, the prom, our senior breakfast, and the most poignant part of our story, graduation. Our friendships are increasingly important during this time, as we reflect on how much each person has meant to us. When we leave Miraleste, we begin our future. We'll go our separate ways, facing challenges, victories, and defeats, all the while seeking to fulfill our dreams. What will you remember most about Miraleste High? Hopefully, each and every one of you will relive the closeness of friendships in this special atmosphere that we have created. My stay at Miraleste is filled with happy memories that I will treasure . . . because of you. We've challenged ourselves these past four years, and we have won.

I wish all of you good luck in whatever you do, keeping in mind that success comes from within. Thank you for your confidence and support. See you at the class reunions!

Our senior year in high school will be remembered the most out of all of our years of education. This year was the climax of all those nights of studying, all those classes we took because we should, and all those friendships which survived the good and the bad times. It was a year of decisions, and for many a year to reap pleasure of success from past years of hard work. Having realized the coming of the end, we, as a class, grew stronger and more supportive of each other. We enjoyed working and learning in our last few classes in high school.

Now that we look back on all of the years of high school we are thankful for having been able to attend such an outstanding campus and be taught by such a well qualified, interested staff of teachers.

Guys, if you were James Bond who would you choose as your leading lady? JOAN LENNARTZ

Girls, who would you choose as your James Bond? JASON BEROLD

Girl for the "ideal date" — JANET VAN DER MEULEN

Guy for the "ideal date" — JIM MAHONEY

NFL Rookie of the year — RAY HOFER

Next Dallas Cowboy Cheerleader — ANNABELLE ABBA

The guy to be married the most times — PAUL GIULIANO

The girl to be married the most times — TIFFANY REIGAL

The first Senior couple to be married — STACY BARNETT and DAVID OLIVEAU

The next Howard Hughes — JIM BAER

The next woman leader of the corporate business world — NICOLE TRUTANICH

Who will be the next Ronald Reagan? AUBIE GOLDENBERG (with TERRY KRIEGER at a close second)

Who will be the next Nancy Reagan? LIANN McWHINNIE

Who will flunk out of college first? DOUG DeCOSTER

Who will be the next Steven Spielberg? ANDREW DeCRISTOFARO

Who will win the Olympic Decathlon in 1992? MARK TOOLE

Who will be the first counselor at Alcoholics Anonymous? STEPHANIE VILICICH

Who will be the next cover model for Cosmopolitan? THERESA VILLANO

Who will be the next cover model for GQ? ROD WINTERROWD

Caught on the edge we know we must jump . . . But wait, we want to enjoy the tightrope walk of being a senior as long as possible. Finally we jump; we only hope we've learned to fly.

1984 — the year of the Los Angeles Olympics! Every four years, athletes around the world dream of achieving the success symbolized by the gold medal. In terms of your experiences at Miraleste High School, the four year period is also significant, as you quest for the "gold" — the high school diploma which represents knowledge gained and the many experiences which transform you from an adolescent to an adult. My bias is that you will have spent four of the best years of your life as a student at Miraleste High School.

The year preceding the Olympics was also a year of change for education. In 1983 the state legislature passed new laws which promise to have great impact on public schools in future years. The reforms included in these laws have already influenced graduation requirements, the length of the school day, and attendance regulations: they will also have bearing on the qualifications and requirements future teachers and school administrators must meet to enter the profession. The sum, the reforms in education should serve to make a good programs at Miraleste even better!

As the 1983-84 school year comes to a close, I offer special praise to the seniors, the class of '84. We began at Miraleste together, four years ago, and you have helped to make those years some of the finest in my professional life. To you, I say "thanks", and offer my found hopes that you find the same happiness and fulfillment in your lives as I have felt working with you at Miraleste.

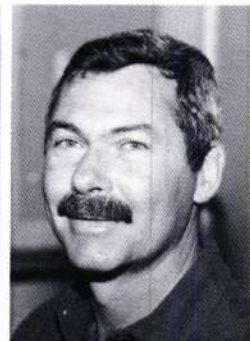

To all students, I wish you the contentment that comes with knowing you have lived your life and utilized your skills to the fullest of your potential.

OCTOBER-NOVEMBER

WORLD

Lebanon — Surprise bombings of U.S., French, and Israeli troops ended hopes for peace by support of Gemayel's government and negotiations for withdrawal of Israel and Syria. Lebanon is holding "national reconciliation" talks among opposing factions.

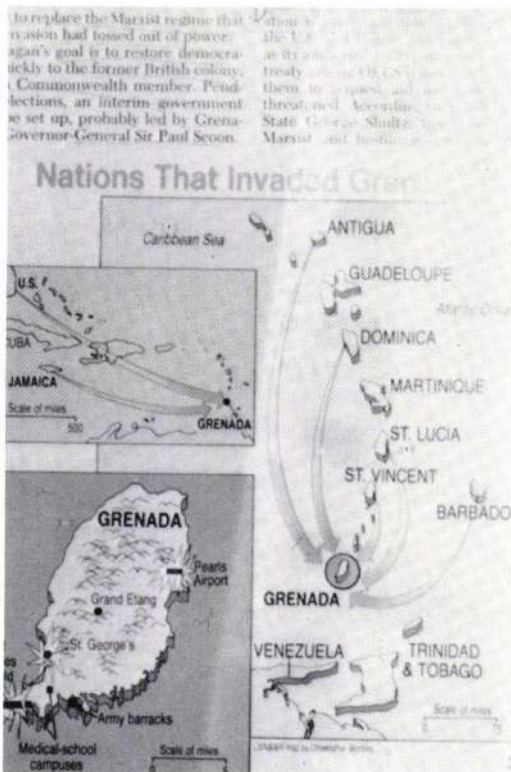

Syria — President Hafez Assad seeks to dominate Lebanon and eventually from a Syrian-led Arab World committed to the destruction of Israel. Syria is backed by over 7000 Soviet advisors.

PLO — Syrian backed radical Palestinian terrorists split from and demolished moderate forces under Yassir Arafat.

Grenada — Successful invasion on Oct. 25 by U.S. marines to protect American lives proved justified, after finding Cuban-based weapons and communications equipment. On Oct. 19, a marxist coup overthrew Maurice Bishop, Prime Minister since independence from Britain in 1974. Although the invasion was kept in secret, the marines were met with 1100 Soviet armed Cubans. U.S. casualties: 18 dead, 89 wounded. Complete withdrawal is delayed until the next election.

Central America — With over 5000 troops stationed in Honduras, U.S. warned the Cuban and Sandinista regime in Nicaragua that, if necessary, military force would be used to halt the spread of communism.

Europe — Despite the USSR walkout at the Geneva Arms talk and the strong antinuclear protest movements, W. Germany, Britain, and Italy reaffirmed commitment to receive the first deployment in Dec. of 572 Pershing 2 and Cruise missiles.

to replace the Marxist regime that had tossed out of power; again's goal is to restore democracy to the former British colony, Commonwealth member. Pending elections, an interim government is set up, probably led by Grenada Governor-General Sir Paul Scoon.

Pershing missiles like this one are the target of German peace movement.

Asia — In a 6-day trip to Asia, Reagan sought to restore confidence in S. Korea after the airliner incident and terrorist bombing in Burma, which killed 17 officials, and to reassure them of our friendship and commitment to the defense against communism. In Japan, Reagan gently pressured them to boost defense spending, continue voluntary limit on auto exports, and open markets to U.S.

NATION

William Clark, former national security advisor, was appointed to replace James Watt as Sec. of Interior. This will mean more power for Secretary Shultz — a rise of pragmatism in world affairs.

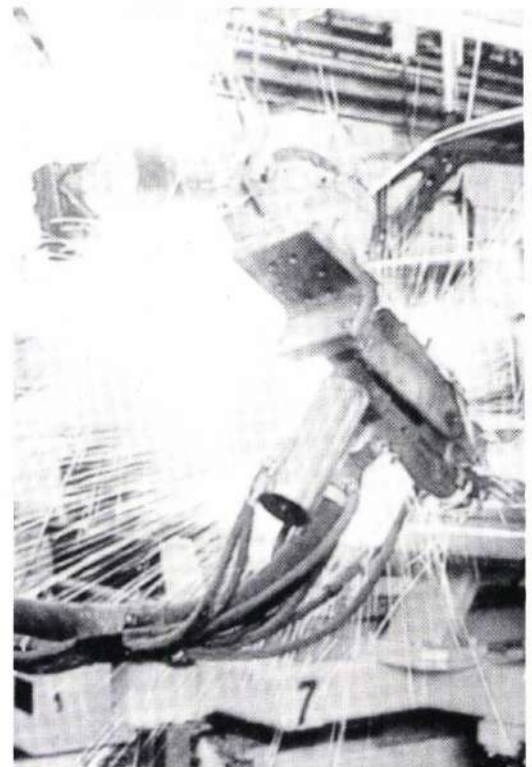

5 Weather — This summer's drought and hot spell, comparable only to the Dust Bowl days and the summers of '53 and '54, had led to soaring food prices. Weather this winter will be cold and wet.

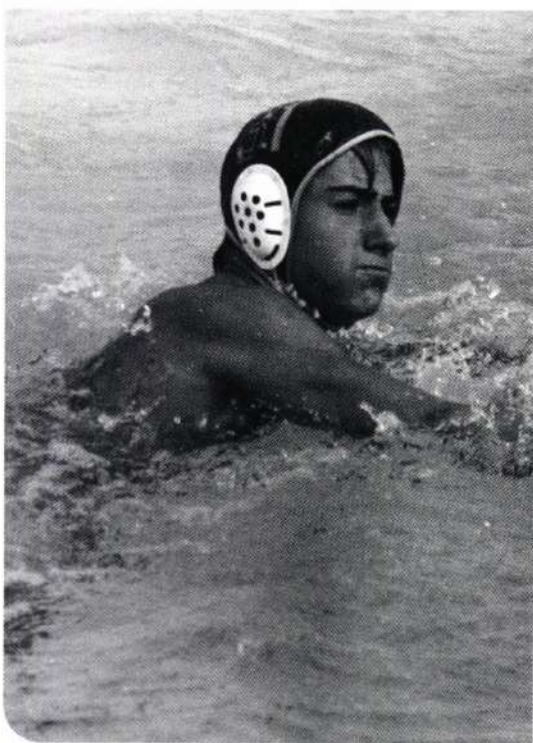

Sports — World Series results: Baltimore Orioles beat Philadelphia Phillies 5 games to 1. A rookie for the Rams, Eric Dickerson, became a leading rusher in NFL. Norm Nixon of the Lakers was traded to the San Diego Clippers. Hoping to win his 4th World title, Roberto Duran challenged, but lost to Marvin Hagler.

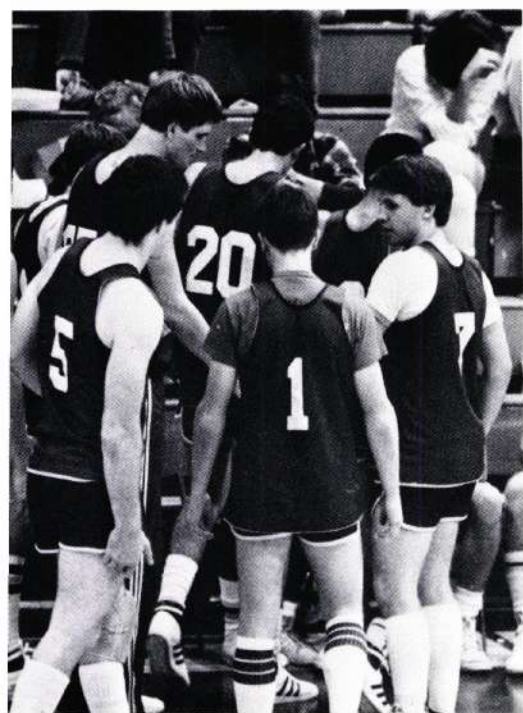

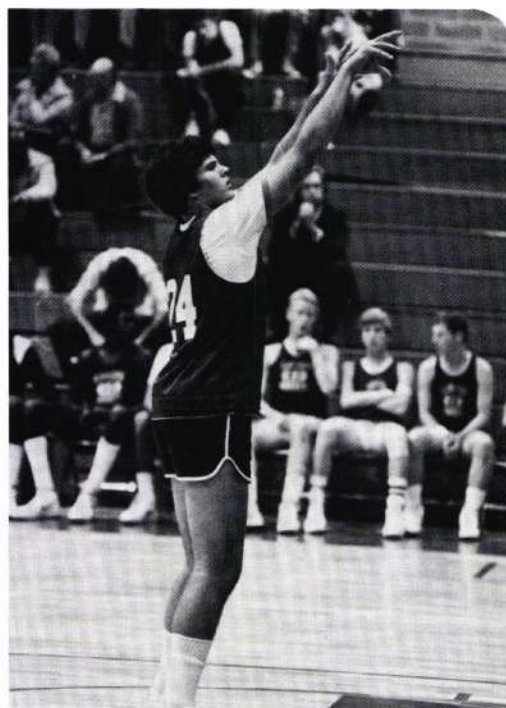

6 Robots — though still in its infancy, are projected to grow at an annual rate of 35-45%. An estimated 85% of the workers that would be displaced would be retrained, and transferred or retained. These computer-controlled machines range from \$25,000 to \$80,000.

Home Computers — Competition for higher performance and lower prices has reached chaotic levels. Apple has come out with Apple IIE and IBM, in 1984, will be marketing PC jrs. After losing over half a billion dollars, Texas Instruments announced its pullout.

The DROUGHT OF '83

V. Football Struggles Through Tough Season

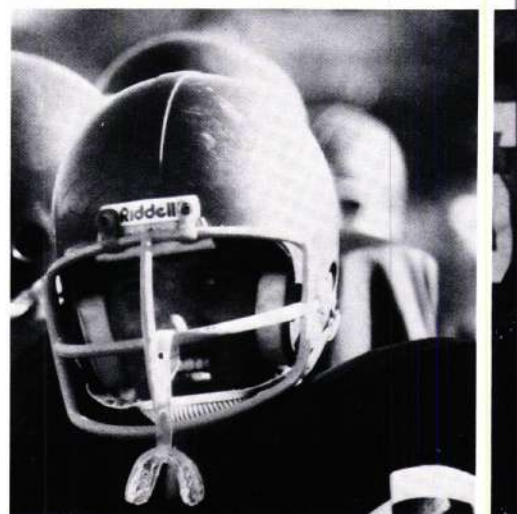

This years Varsity Football team, coached by Gary Kimbrell, had an interesting year. The team was stricken by injuries of offensive starter DARRIN DEL CONTE, and defensive man, SCOTT GAINES. The injuries occurred in a winning battle against El Segundo, on October 21, 1983. Unfortunately, the following week was a different story. At the end of the third quarter, MHS was ahead 21-0, but Mira Costa scored 29 points to our 7 in the last quarter. This game stereotyped the struggling season of the Marauder football team.

Break Away

In the middle of the season, the two freshman and sophomore teams combined forces to produce one effective team. Led by TODD HOLLINGSHEAD, MIKE SILANE, JON ACCARDO, CRAIG WALTON, and STEVE ERICKSON, the team followed in the Varsity's footsteps. The team was coached by Art Warner, Art Diaz and Buddy Murdock. The frosh/soph team ended their season 0-8. The team tied one game to the Redondo Sea Hawks.

H₂O Makes A Splash

The Varsity Water Polo team had a successful year under the coaching of ED and MIKE PERSONIUS. The record was 7-11 in the tough 3-A league. The team was led by BOB HEITZMAN, FRANK GRIMES, and captain, CHARLIE GRIMES. The team was very young this year, but it is looking forward to a very successful season next year. Outstanding play was shown by returning lettermen, RANDY CUTSHALL, REX ROSS, and captain MATT PERSONIUS. These players should be the key for the Marauders to win a highly possible Ocean League championship next year.

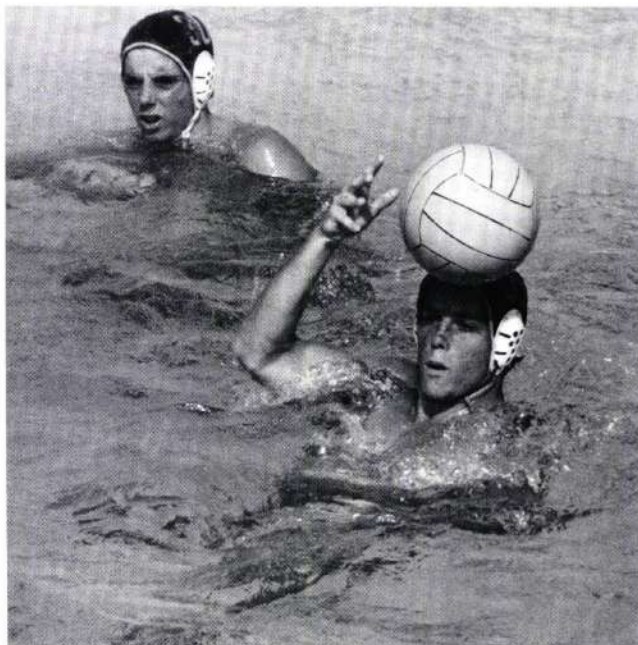

This years Junior Varsity Water Polo Team also played very well this year. The team consisted of quite a few good freshman who show they have some real potential. Some of the players are MARK GALYEAN, BRIAN BISK (captain), and JARRET WINTER. They played well in all of their games.

Girls' VB Digs In!

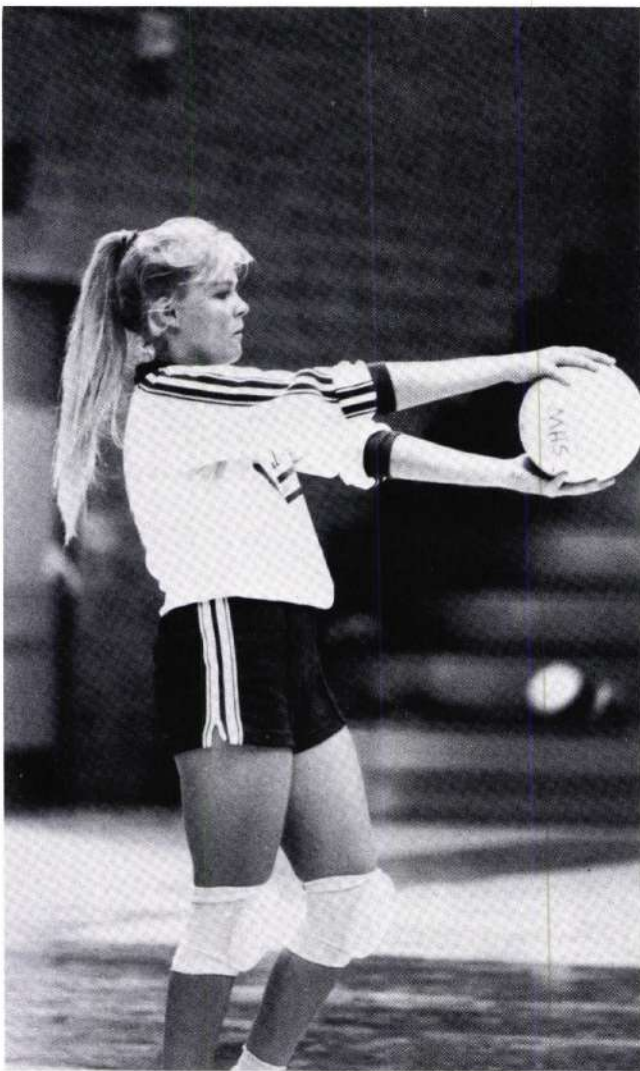

This years girls varsity volleyball team completed their season by compiling a record of 4 and 4. Their preseason mark was 9 and 3. Leading the team were MICHELLE ALLRED, MARRIANNE EBERHARDT, DIANA BACINSKI, and TAFFY WRIGHT. The team was a powerful one and a tough competitor in league play. By knocking off such teams as Redondo and Beverly Hills, they earned a spot in the C.I.F. playoffs. It was volleyball's first C.I.F. appearance in almost 10 years. Being a 1-A school in a 4-A league, the squad shocked the critics by doing as well as they did. COACH HENKEL is looking forward to leading a very strong team next year.

The Junior Varsity team finished a tough season with a league record of 3 and 5. LINDA NUNEZ and WENDY WRIGHT produced many impressive performances during the season. The J.V. netters finished their season in a third place tie for league under the direction of COACH KACZ-MERIC. The girls learned many of the basics of the game. Next years team holds great promise.

Girls Ace C.I.F.

Bringing honors to Miraleste is just one of the things the Marauder tennis team manages each year. Getting through their season undefeated has become a habit for the girls. The leadership provided by the seniors on the squad set the pace for the future stars. Captains MARIA LA FRANCHI and NICOLE TRUTANICH were the team's inspiration. The team credits most of its success to returning coach CLAGG OFFUTT. The play of sophomore COURTNEY WEICHSEL and seniors JOAN LENNARTZ, JAIME MURPHY, KIM WEICHSEL, and MICHELLE DASSO set the pace throughout the year. Being the only junior in the bunch, COLLEEN BLACKMORE had some pressure on her, but the pressure was shrugged off, and she added to the team. Freshman STEPHANIE LONDON is perhaps one of the best freshman players to ever come to MHS. There are two squads, a varsity and JV, yet the girls are such a close group one would hardly notice. The Junior Varsity added a great deal to the program, and will make for another exciting season next year. The highlight of the girls season was reaching the C.I.F. 4A finals again. Although the team was disappointed with a heartbreaking 10-8 loss to arch rival Palos Verdes, the girls took it in stride in hopes of regaining their title in '85.

Marauders Keep The Pace

As cross country season progressed, we once again found Miraleste right in the thick of things. Co-MVP MARK TOOLE paced the team throughout the season. Other Co-MVP's MIKE KEESE, LESLIE EICHEL, DENA DAYBELL, and CHERYL NEUMANN led the team to a successful year. The boys team ended up in third place in the competitive Ocean League and went on to CIF competition. DALE BOLEN and MATT BLASKOVICH are looking forward to their place in the spotlight next year. DENA DAYBELL was an outstanding asset to the girls team this year, and she closed her season by going on to individual CIF competition.

Best Season Ever

The Marauder boys varsity basketball team has done it again. Under the guidance of COACH RICHARD BELCHER, the team completed a very successful season. With two returning starters, FRED ROESSLER, who was first team all league the previous year, and DAVID WIDDING, the squad posted a string of impressive victories. The injury to forward MIKE ADAMS early in the year was a setback to the team's spirit. Fortunately the depth of the team was such that COACH BELCHER could confidently go to his bench and find a capable replacement in junior RON FERDON. Starting junior guards PAT SHEA and WALLACE TUCKER were assets to the team by scoring in double figures nearly every game and running their opponents ragged. The team was nicknamed by the media "The Greyhounds," and they lived up to everyone's expectations. With the three guard offense working to perfection, they were off to C.I.F. for the fifth consecutive year.

Junior Varsity Basketball

This year's junior varsity basketball team had a very successful season. In the pre-season, the JV's had 6 wins, and 6 losses. The exciting team began their league play at home against Hawthorne and after three overtimes came out victorious. Proving that they could provide excitement, the team played Leuzinger and at the last second won, with a shot by CAMDEN McEFFE. Point guard and co-captain KENT KIRKPATRICK led the team and handled most of the scoring while the other co-captain, MATT BEECHER, contributed in good all around play. STEVE WATERS and NEAL THOMPSON controlled the rebound section of the game. The team was coached by TODD MIRSKY, who again had a winning season.

Soph, Frosh B-Ball —

This year's sophomore basketball team was hurt by the loss of two starters to the J.V. team. However, the team, led by COACH HAROLD DENNIS, had a successful season. Although the wins were not all there, they provided excitement for their faithful fans. The team was paced by forwards KELBY WOODWARD and JON AXTELL who handled the rebounding task. Point guard TOM CARRESE guided the team on the floor. Even though the team's winning percentage wasn't what they would have liked, they hold good potential for the future.

Had a Trying Season

With the quality players COACH JIM SMALL produced this year, next years sophomore basketball team looks to be very good. Center MIKE NENEDIC was one of the teams most experienced and valuable players. The ball handling during the season was the job of STEVE BORODKIN. The team had a great deal of flair and poise. They had some disappointing losses, but their wins were managed in an exciting fashion.

Basketball Rebuilds For a Trying Season

Girls' basketball certainly is not the most publicized team at Miraleste, but by the promise they showed this season, it shouldn't be long before they get the recognition they deserve. After a disappointing season last year, a new group of girls joined the club, and have given new hope to the Marauder girls basketball program. With a new face in the coaching slot, DICK HENKEL, the girls had the leadership they needed. Being mostly underclassmen, the team had a rough time competing with some of the schools in their league. Freshmen ANDREA STOCKERT and JULIE PERRY showed they have what it takes to lead a team. On the J.V. level, TOBY GOLDENBERG was probably one of the most consistent players in the league. The two teams often combined to form one strong squad. Both teams had a rough start at the beginning of the league, but came on strong at the finish. Next year should be a very interesting year at both levels.

Valiant Wrestling Efforts Go Unrewarded

A rugged group of individuals came together this year to form the 1983-84 Marauder wrestling team. Hard hours of practice and the constant working and reworking of moves made these individuals into a respectable and proud athletic organization. Sophomore AL WEKILI made all league champion this year at 121 pounds. Other high achievers were Senior KEVIN SMITH, and junior JIM HUDSON, who were both second in league championships. The team was comprised of mainly young wrestlers, who are looking forward to showing off their moves next year.

Soccer — A Thrilling Season

With a brand new coach and high hopes, the varsity boys soccer team set out for their '84 season. The team started out as one of the teams picked to be in contention for the league championship. As it turned out the squad didn't quite accomplish this goal. The Marauders started their pre-season with Rolling Hills, and Palos Verdes, both of whom fell for the ominous Marauder force. During the season the wins just weren't all there. But things weren't as bad as they seemed as the squad entered C.I.F. a wild card pick. With returning starting standouts in ANDREW DUNN, MARK TOOLE, and CRAIG BAREZ, COACH JOHN GERARD had a strong nucleus to his power house squad. They had great depth, and should be just as powerful if not more so next year. The Junior Varsity squad, coached by BUDDY MURDOCK, had a rough season. They weren't as strong as was expected, but they had their moments. RUNAR WEIL and SPENCER PUSKAS led the team throughout the season.

Driving Forward

The 1983-84 Golf proved consistent and determined through the season. Led by senior PRICE SHOEMAKER, the 1983 Ocean league player of the year, and junior PETER HOFF, the team was sure to have another great year. Seven of the thirteen players returned from last years C.I.F. championship team, and encouraged the new members. With their home course at Rolling Hills Country Club, the team "psyched out" their opponents because of the difficulty of the course. But no matter how difficult the course, the squad always managed to turn in low scores. Eight players were underclassmen, so the team holds great promise for COACH ROY WILTON in the future.

Girls Soccer Reaches

Starting league as one of the least likely teams to reach C.I.F., the varsity girls soccer team proved their adversaries wrong. In one of the most thrilling victories of the season against Bishop Montgomery, the girls showed they were destined for C.I.F. The whole squad was made up of valuable players: CYNTHIA CUTSHALL, TRACY MARKEN, TAFFY WRIGHT, BARBARA HUFFMAN, ERICA KIM, and DEBBIE ENGLISH are to name just a few. The inspiration of sophomore goalie TONIA "ANIMAL" REYNOLDS led the team through many tough spots. The team had great depth, as shown by substitutes SUSAN ROSKOS and LAURA PUSKAS, who were capable of filling any position at any time. The junior varsity squad also established themselves as a league force. They provided a great deal of excitement for their fans. Freshman goalie SUSAN SCHNEIDER showed great promise. Under the direction of COACH ROY WILTON the team proved they are just as good, if not better than their opponents.

Tennis Takes League

This years Marauder tennis team went on to continue its tradition of a successful year. This year the team was coached by JIM HANSON. The team was led by senior captain ERIK AMEND and junior captain NEIL WINTER-ROD. The team will again most likely be defending its 4A Championship in the finals. Included in this years team were quite a few nationally ranked players. Every player on the team was an outstanding asset to the overall performance of the team. BSBL Survives Tough Season

When the Marauder Varsity Baseball Team took the field for their first game, they could still taste the bitterness of their 1983 performance. Many players returned from last year's team with confidence and something to prove. TOM TREZEK, JOE FRITSCHI, and DAN PINA were prominent members of the pitching staff and intensified the defense. Three year starter and captain, DARRIN DELCONTE, led the team throughout the year. By returning so many starters, the Marauders had the makings of real competitors. With the help of strong performances from all the members of the team, the squad proved they could compete with any team to come their way.

JV's Make Their Mark

1984 proved to be a year of change for the underclassmen's baseball program. In hopes of developing a stronger all around team, the Junior Varsity and Freshmen teams combined. The strategy strengthened the team, but couldn't quite do the trick. The squad had a rough time competing with the tough teams in their league. ANTHONY CLARK led the pitching staff with his strong and accurate arm. On the offensive end, TOM MAHONEY, TIM MCQUEEN, and JACK BELIAVSKY provided the team with most of the scoring. COACH RICHARD BELCHER quided the team, and had them improving all year. Perhaps next year, the strength of the JV, Freshmen combination will prevail.

This varsity volleyball team had a rather interesting year. They started off the season without a few players who were still in other sports. However, the team overcame that setback by working even harder. With CLARK HARRIS and TERRY FRESENIUS playing "all the way around," this left four spots to be taken by one of the best hitters on the team, JOHN SLINGSBY. SLINGSBY couldn't spike without the setting of TIM BOYLE and bumping of DAN PRISLIN another member that contributed in the hitting field was junior RON FERDON. The varsity squad started in a bit of a bind, but overcame the odds.

Opponents

1

The junior varsity was definitely a "tall team." They were tall in many respects: height, depth of the bench, and coaching. In the height category, BRIAN KARMELICH had the advantage with his tremendous hitting, and ALEX BOUDOV with the same. ALAN GOLDENBERG and MATT BEECHER were also very good hitters. From the bench was JEFF MILLER, who contributed with good all-around play. Coaches JIM BOYLE and RALPH KACZMERIC did a tremendous job leading the squad. Both coaches have great confidence in their players for next year too!

Track Keeps The Pace

As the season progressed this year, the Marauder track team showed great promise. The large track team was coached by NORM TOWERS, HAROLD DENNIS, and BILL MAYNARD. The field events were led by junior BRIAN HENRY. The long distance team was comprised mainly of the previous Cross Country team. Outstanding runners include MIKE KEESE, MARK TOOLE, ROYAL MILLER, JASON BEROLD, and BILL GILLIAND. The Sprint team also showed some great talent. Leading the sprinters were junior MARCUS GERLACH, sophomores AMY BARR, DAWN HAYNES, and freshmen HENRY KAO, and HARRISON CHUNG.

SOFTBALL 2nd to None

Coming off a league championship in 1983, the Marauder Varsity softball Team had great expectations to live up to. With the returning of 3 year all C.I.F. player, BO STEFANIK, and all-league competitors, MICHEL MASUDA and TAFFY WRIGHT, no team could even come close to matching the Marauders in skill or teamwork. For the first time in a while the Marauders could boast a solid pitching staff, with right hander JENNIFER CHEW and left hander LORI METHOT. The remainder of the infield consisted of all C.I.F. candidate CINDY METHOT at 2nd base, and TONYA MATULL tending third. Sophomores SUSAN ROSKOS and RYSA FERDON showed they were worthy of all league honors once more. Coached by DIANE OLESON, the junior varsity squad gained experience, and showed WENDY ALLEN and TONIA REYNOLDS hold great potential for the future.

Swimmers Stroke Ahead

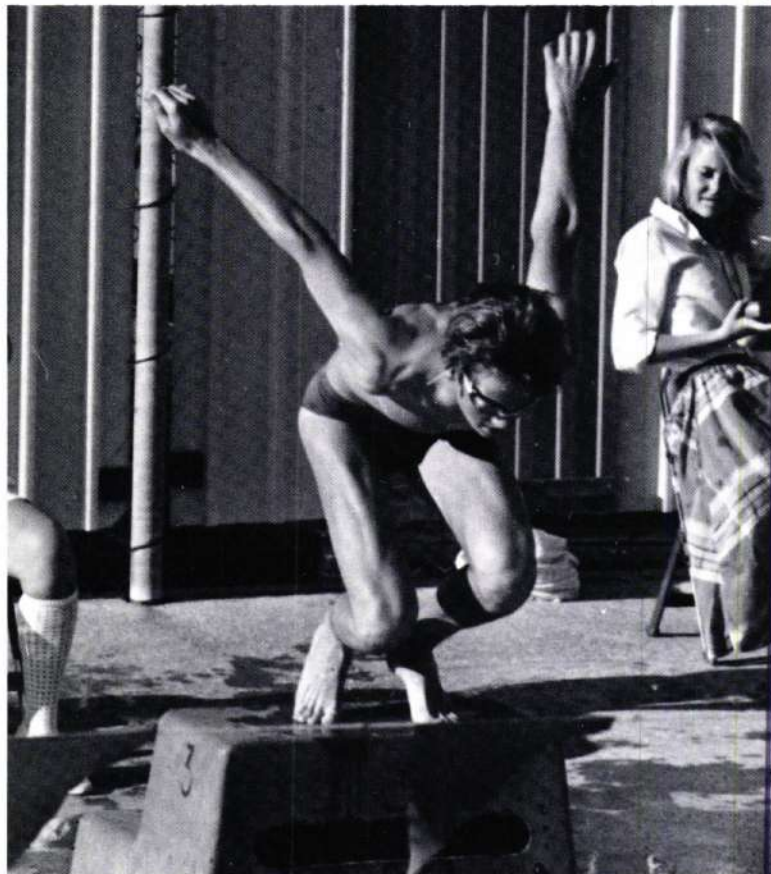

This year's Marauder swim team was both consistent and powerful. The Varsity boys team was led by returning lettermen MATT PERSONIUS, JOHN GOTTSCHALK, and PAUL FALKENSTEIN. Freshman JERRET WINTER was an outstanding new asset to the team. Moving up from the Frosh/Soph team were BRIAN BISK, BRETT MACKNIGHT, ERIK CALCOTT, KYLE ENRIGHT, TEVOR SAWYER, and RICHARD HYNES. The Frosh/Soph team was led by SCOTT McCLAIN, BILLY JOHNSON, MATT CRAWFORD, and ROY VOLMAN. The Boys V. and F/S teams were both coached by Coach Meenan. The girls team was coached by Coach Bianchi. Girls Varsity was led by CLAIRE WHEELLOCK, KIM STEVENS, BETH CANTOR, POLLY PERKINSON, JACKIE GRUNINGER, and ABBIE WINTER. Great assets to the girls Frosh/Soph team were KRISTIN LEIDIG, HEATHER LOCKWOOD, BRITTANY CALCOTT, and NADINE SEARING. The whole team showed great talents throughout their season. Miraleste diver, SUSAN JOHNSTON, won second place in CIF competition last year, and was again a Miraleste Olympian!

WORLD

USSR — The puzzling disappearance of Andropov, whose last public appearance was in August, leaves the world in doubt as to whether or not he is still alive. With major speeches given in his name, Andropov seems to be reigning with a powerful hand from his sickbed; however, suspicious eyes have noted that the Soviet military and KGB have moved in to fill the power vacuum. Andropov has previously suffered from a grave kidney ailment, diabetes, and a heart condition.

CHINA — Premier Zhao Zizang's visit Jan. 16-19 ended with two settlements: U.S. will continue to supply defense weapons to Taiwan despite China's objections and China will receive greater sales of U.S. technology and possibly nuclear powered material. (1)

AFRICA — A military coup in late December toppled Democratic rule in Nigeria by President Shelu Shagari, who, although he won re-election, lost the confidence of his generals for failing to end an economic crisis. U.S. promised to work with the new leader, Mohammed Buhari.

CENTRAL AMERICA — The bipartisan panel headed by Kissinger reported that only with large increases in military and economic aid would a Soviet military takeover be averted.

AFGHANISTAN — Determined rebels are still fighting for their homeland after five years since Soviet invasion in 1978. One third of its fifteen million people have fled to Pakistan and Iran. (2) (3)

ISRAEL and U.S. have formed a strategic partnership in which U.S. increases military and economic aid and agrees to free trade.

NATION

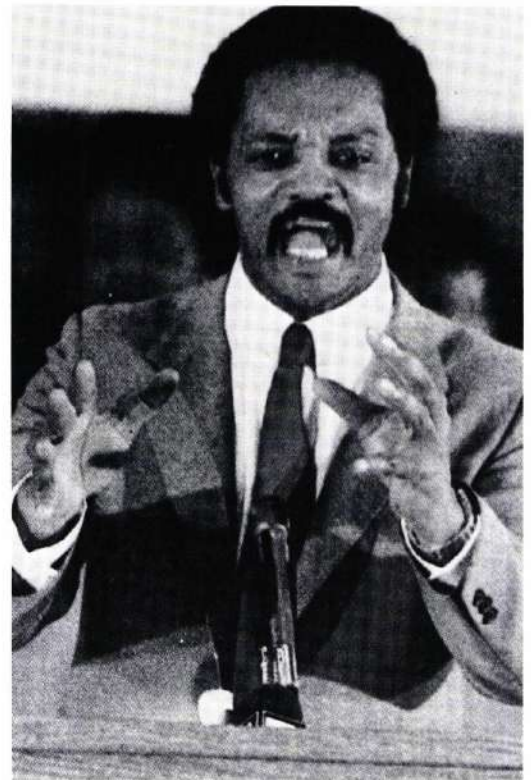

REAGAN formally announced his bid for re-election on Jan. 29. He needs to juggle inflation, deficit, interest rates, unemployment, and defense spending while pacifying women, blacks, unions, business executives, and farmers. Opposing Democrats are: Walter Mondale, former vice-president, Alan Cranston, who stresses nuclear disarmament and promises full employment, John Glen, former astronaut, Gary Hart, Earnest Hollings, Reubin Askew, George McGovern, and Jesse Jackson, a black reverend whose high voltage rhetoric about black power and ability threatens the final vote. (4)

CABBAGE PATCH KIDS — a chinless, puffy-faced rag doll was the latest craze this Christmas. Made in the Orient and designed by a computer to bring out paternal instincts in children, the no-two-of-a-kind doll has been the cause of mobs and fights among shoppers numbering into the thousands. (5)

SPORTS

ANABOLIC STEROIDS used to hasten muscular development and improve strength, have illegally entered sports down to the high school level. Its use could mean a position in starting line-up or the pros. However, prolonged use can stunt growth, lead to liver damage, testicular atrophy, infertility, and heart disease. (6)

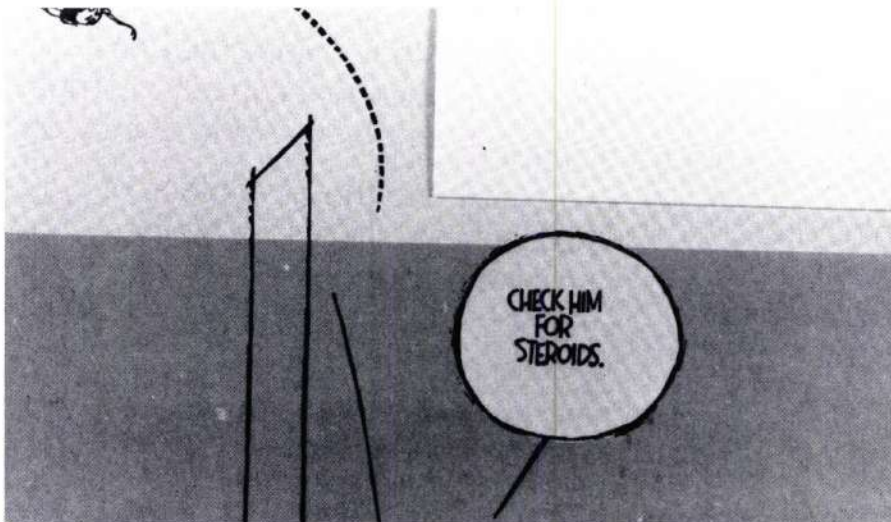

LA RAIDERS defeated Washington Redskins 39-9 in the largest Super Bowl crushing in history. John McEnroe is now the No. 1 tennis player in Madison Square Gardens after winning the finals over Lendl 6-3, 6-4, 6-4.

Interact

The main function of our club this year was to serve the school and community through various projects.

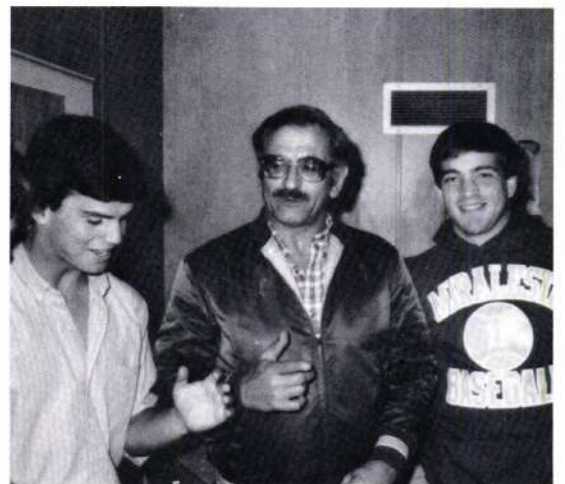

In addition, annual projects were: the blood mobile, homes tour, P.V. phone book delivery, and the Christmas project with Girls Service Club.

Other activities were "Casino Night", the Halloween Party, and a progressive dinner with Girls League. Interacts father club, Rotary Club, was instrumental to us throughout the entire year. The Rotary Club helped Interact stay active. Interact was supportive of Rotary Club by helping out in such events as 10k runs and Rotary fund raisers. Two Interact members were invited to Rotary's weekly Friday afternoon meetings. This year Interact had a lot of fun, but we were also a very productive club. I hope next year's club will be as successful as we were this year.

Interact

Key Club, the original service club at Miraleste, is dedicated to serving the community and helping the needy. With our two year sponsor Richard Bierregard, Key Club has dedicated another year of commitment and service. In addition to annual projects, such as helping with the P.T.S.A. Homes Tour, welcome back night, and our Christmas project in San Pedro, Key Club has been active socially. We had an all school party in February and several progressive dinners. Thanks to another year of dedicated boys and girls, Key Club is still a strong and active service club.

Girls' League

This year, Girls' League was the largest it had ever been. I think it was because of this that we got so much done and had so much fun. Another obvious reason for our successful year was our board this year, JANET VANDERMUELEN — V.P. CHRISTIE BARRY — Rec. Sec. SUE FEYKE — Corr. Sec. NICOLE TRUTANICH — Treas. LIANN McWHINNIE — Historian and STEPHANIE VILICICH who helped me with almost every decision I ever made concerning the club. The unity between Girls' League members this year seemed very special and I think new friendships came about because of it. It was really challenging to work with girls from all four grade levels each with their own creative and original ideas. It was because of the wide variety and types of Girls this year that we did such neat, new, successful service projects and fundraisers. We also, at least in our minds, put on the hottest formal MHS has ever had. With the theme "Midnight Madness" we had great ideas for decorating the gym and I've never seen it look as good as it did on that nite of Dec. 10. Although my grades have suffered a little, I think it was a small price to pay for all the happy memories and forever friendships I have made being Girls' League president.

This year the Girls' Service Club was very active participating in service projects. ALICE DIEGO who was my dedicated and very helpful Vice-President of Service, organized such projects as going down to the convalescent home, and to P.V. Park each month. P.V. Park was our major project this year. Each girl volunteered her time, with the handicapped children who spent their afternoons there. Our annual Christmas project also was a success. The club working with Interact, helped OUR "Secret Santa" pass out gifts to all of the underprivileged children of the Harbor Hills community. Activities were organized by SUZIE RODICH, who was my Vice-President of Activities. This was a tough job and I hold a lot of respect for SUZIE because it was hard to get the enthusiasm filtering throughout the sixty members. Some of the activities included: a Sunday brunch, a Valentine party, and much more. Of course, none of this would have been possible without the support of our sponsor, MS. SANDERS. I hope each of the girls got as much out of the club as I did. I learned a lot this year and will never forget my experiences as GSC President.

El Mirador

The 1984 El Mirador was planned during the spring and summer of 1983. The staff began enthusiastically and worked well together. With detailed, complete plans, and a cooperative staff, the EL MIRADOR had a successful year. With our goals set to create the best Miraleste yearbook ever and a corresponding theme, "Good as Gold" we omitted ads pages to allow for more candid photos to include a larger section of Miraleste students. We really tried to make the book for all of the school. As co-editors, we worked together to teach and polish the staff. With their cooperation, each deadline was met on time. We greatly appreciate the support of the administration, especially MR. LETCHER, and the student council. As class advisor, MR. DISANTO made it all possible, and gave his teaching advice at just the right times. We hope that our goal was achieved and the yearbook was truly a book for all of the school. We included all of the world and national news, sports fads, and music as a reminder of the entire Olympic year. We hope you all enjoy our accomplishments.

AFS

1

The AMERICAN FIELD SERVICE (AFS) is a highly acclaimed international exchange organization. To be accepted, the seven students from MHS had to fill out applications, and go through a series of interviews. They had the choice of the two-month summer program, or the twelve-month year program. These applications were sent to the AFS national office in New York, where they were processed. Each student was matched up with a family from one of the fifty countries possible. Mrs. JUDY TUTTLE was the president of the Palos Verdes AFS chapter. She worked all year round making sure that the students from Miraleste were taken care of. Also, she spent a lot of time working with the three students who were on exchange programs from other countries to MHS for a year. The opportunity to participate in AFS is open to anyone. Living and learning in a new country can be the experience of a lifetime.

SCROC

The SOUTHERN REGIONAL OCCUPATIONAL CENTER is designed to provide high quality training in skilled jobs of area and interest. SCROC students attend their class off campus and receive job entry skills upon completion. The program gives the student a "head start" in the vocational world of their choice. However the main advantage given by the class is the earning of high school credits upon graduation.

Those involved in WORK EXPERIENCE held jobs outside of school which were approved by the school district. These students earned credits for their job in addition to earning money.

Forensic Club began with a rather small team of determined young speakers who worked diligently under the direction and sponsorship of MRS. DEZUTTI. Through the year their speaking and debating abilities improved greatly. The forensics team competed in speaking tournaments in which certificates of excellence and trophies were won.

The tournaments offered team members the opportunity to match their ideas and techniques against some of the best speakers in California and across the country. Many executives and public relations officers, radio, and television personalities have testified to the benefits of their forensic participation as training for the ability to express themselves well speaking to an audience.

Latin Club

This year the LATIN CLUB emerged on the Miraleste campus just as the Romans had emerged on Western Civilization thousands of years ago. The club was originated for students to receive a fuller understanding of this ancient language. MRS. OLIVIA LaBOUFF agreed to be the sponsor and SALLY REHRIG was elected Princess. We had a fun and busy year. In November, we were invited to a Latin Banquet at Gardena High School where we experienced authentic Roman food and entertainment. The major activity of our first year was the Magic Mountain trip. We also presented our own Latin Banquet at the end of the year where the superbowl of the round-robin Latin football league was played. It was a great first year and we hope the future members have as much fun as we did.

French Club

Because of its enthusiastic leadership, the French Club had another outstanding year. With President, STACY BARNETT; Vice-President, MOLLY MARKERT; Secretary, MARIANNE EBERHARDT; and Treasurer, JOHN MOFFIT, a formal dinner was planned in French Cuisine. The Club also held candy sales and other activities for those interested in French culture and visiting France during the summer.

French NHS

Marauders honored enough to obtain membership in the FRENCH NATIONAL HONOR SOCIETY must achieve high grades as well as a true interest in the language. This club was established in 1981 with the sheer purpose to offer scholarship opportunities and recognition to those who have succeeded in their study of French. However this group also participated in a number of service projects and activities throughout the year, one of them being an initiation banquet. Academics combined with admiration for the romance language was well expressed by French NHS.

SPANISH NHS

The SPANISH NATIONAL HONOR SOCIETY is a group of students who have dedicated at least three years of their time to the Spanish language. DR. GLADYS COSTALES was the club's sponsor, helping with the members' plans and executing activities and fundraisers. This year's president was GEORGE SHETH; vice president, MARIA LaFRANCHI; secretary, CHARLIE GRIMES; historian, ALICE DIEGO; and treasurer, PAM GREENBERG. This was a very dedicated and hard working group. At graduation, senior members wore patches bearing the colors of the society.

German Club

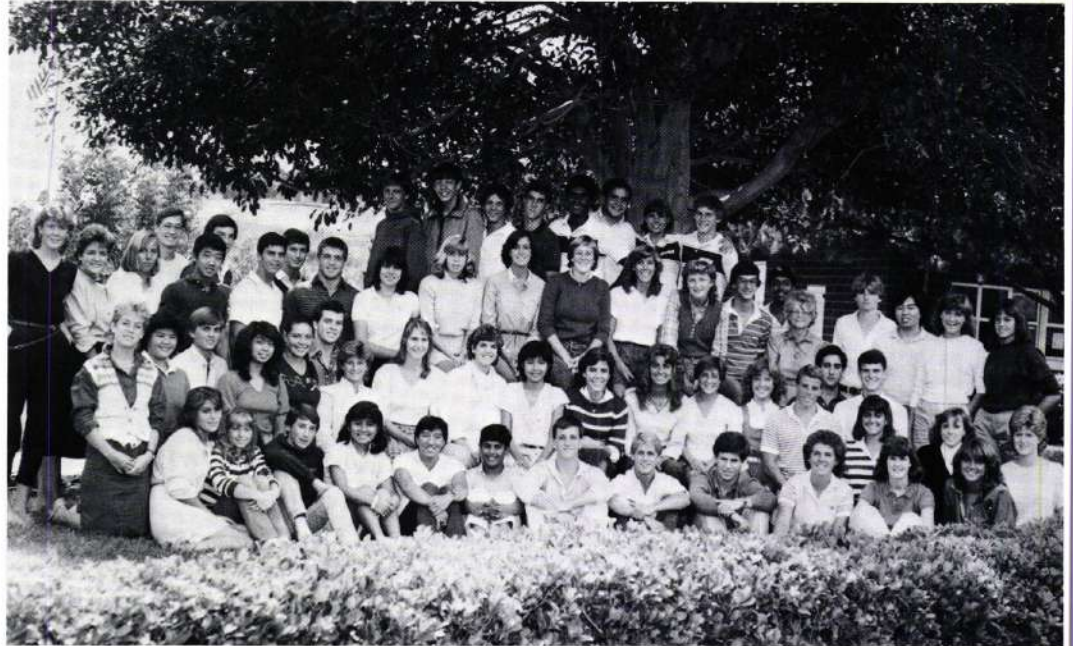

The GERMAN CLUB this year was made up of highly achieving German students under the instruction of Frau Koch. The purpose of the club was to give those students with true interest in German culture and language recognition for their accomplishments. The club participated in many activities including a trip to Alpine Village, candy sales, and study sessions for those taking the advanced placement exam.

NHS

The members of NATIONAL HONOR SOCIETY were chosen not only because of their high grade point average, but also for possessing traits worthy of recognition. Among these were strong character, leadership abilities, and community service. MRS. HANSON sponsored the club and helped with the organizing of activities such as the spring book fair and the initiation banquet. The president was SAM SUGGET and vice-president GRANT KIM.

CSF

The CALIFORNIA SCHOLARSHIP FEDERATION is a group of young achievers who maintain academic excellence for at least four semesters. Membership per semester is allotted in the following way: the students must accumulate a total of ten points with an "A" being equal to three points, a "B" equal to one point, and a "C" equal to zero. Those pupils who are able to maintain this standard for four semesters become gold sealbearers. This year's club was under the guidance of president, Jon Towner, and sponsor, Kathy Goodwin.

Academic Decathlon

The Miraleste ACADEMIC DECATHLON team won sixteen awards given at the second annual Los Angeles County Games. The teams consisted of six contestants and three alternates competing against thirty-five schools. Overall, Miraleste placed in the top ten. This year, the team was graced with a special award of most valuable and honorable mention, given to KARI GILLIAM. Students from all over were tested in many areas and finally had the "Superquiz."

Art Club

Those honored students gifted enough to be part of the M.H.S. Art Club were given many responsibilities. Under the direction of FRANK DiSANTO, the club accomplished many projects. Including work on the Fall and Spring Plays, conducting an art sale, and establishing spirit by supplying artwork for many of the school activities. Their main aspiration was raising money for the Art Scholarship fund. The club encourages all artists to join and express their talents.

Psychology Club

This year's PSYCHOLOGY CLUB called themselves "The MHS Psychos." This group consisted of a group of enthusiastic individuals. The president was JACKIE TOUBES followed by her dedicated officers: BARRI BRENNAN, TAFFY WRIGHT, DIANA BACINSKI, and SHANNON MCKEE. Some of their activities were: a "Family Feud" between Miraleste clubs, an advisory booth at the Spring Air, field trips to mental hospitals, and Friday night movies that dealt with Psychological problems. Much of the club's success was due to their supportive sponsor, DIXIE STEVENS.

Computer Club

The Computer Club, under the direction of President GRANT KIM, Vice President RICH HOWE and Secretary JEFF BRUNNER, met biweekly throughout the year to share programming ideas and techniques. The club was larger than in past years with 25 active members. One of the club's goals this year was to familiarize members with career opportunities in the field of computers. The faculty sponsors were MARCIA RISDON and GARY KURDYLA.

Library Council consisted of thirteen members. With GRANT KIM as president and student representative to the Palos Verdes Public Library Board, the committee carried out its primary function. This was to serve as a liaison between the public library and the school community. Also taking surveys, helping with library fundraising, and volunteer work, the MHS library council worked to improve our libraries for all students. Thanks to MRS. ORAN, the library council had a very successful year.

I.E.C.

The International Exchange Club, under supervision of MR. HALL and presidency of LESLEI MILLER created a welcoming atmosphere for our visiting AFS students. The group gave marauders a chance to get acquainted with visiting students who they may not have known otherwise. Many social events took place during the year such as luncheons featuring international foods and slide shows of Italy and Brazil. IEC was busy throughout the year and continued to welcome new members as an example of their warmth and unity.

Like a part of me
it speaks to the heart of me
Forget what Life used to be
you are what you choose to be
It's whatever it is you see
That Life will become.

winning only 8 medals — 4 gold — there were a number of outstanding performances. Bill Johnson and Phil and Steve Mahre captured golds in downhill skiing while Debbie Armstrong won the gold in the giant slalom. Kitty and Petter Carruthers won a silver in pair ice skating while Scott Hamilton and Rosalynn Summers took the gold and silver respectively. Jayne Torvil and Christopher Dean of Great Britain won the gold in pair ice skating with scores of six 5.9's and three 6.0's in technical merit and nine 6.0's in artistic performance. US pair, Blumberg and Seibert gave a brilliant performance; however, their medal was stolen because of a bias on music. US hockey team lost to Canada and Czechoslovakia. (6)

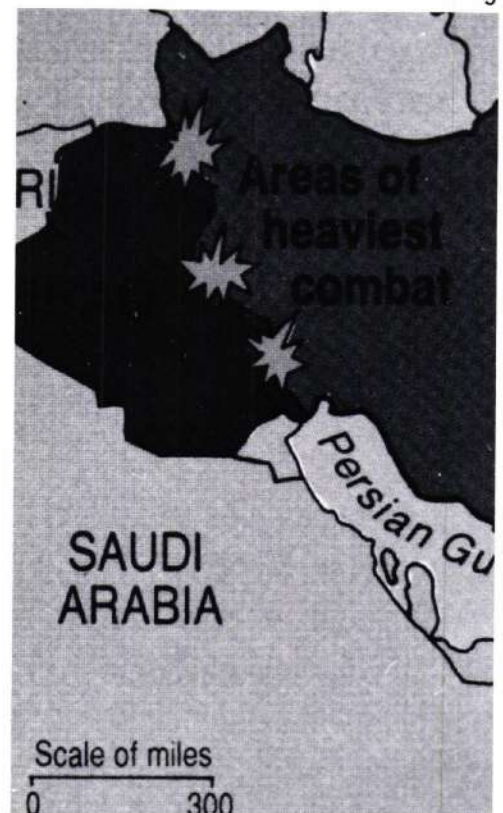

NATION

GARY HART vs. WALTER MONDALE — the race is on. As of March 16, all other candidates dropped out except for Jackson. Hart's surprise victory in the New Hampshire primary has boosted his campaign to challenge and even prevail over front runner Mondale. Hart's success consists of his youth (age 47) and his platform — "a new generation with new ideas" which is reminiscent of John F. Kennedy. Hart supports a nuclear freeze and an end to US aid to El Salvador. He opposes the MX missile and B-1 bomber while endorses buildup of conventional forces. (5)

ROCK VIDEO — a mixture of acting and singing — is the hottest item among teenagers today with sales projected up to \$70 million for 1984. Beginning 5 years ago, rock video has accelerated the careers of many upstart groups such as Duran Duran and their album, "Rio" two years ago. Bonnie Tyler's video has promoted sales for her album, "Faster Than the Speed of Night" to 1 million sales. Michael Jackson's "Thriller" is also a popular hit. Video production costs range from \$50,000 to \$1 million. The price of one video is about \$20.

FEBRUARY — MARCH

1

WORLD

LEBANON — After devastating Moslem militia attacks on Lebanon in mid-February, Reagan decided to pull out the Marines to ships offshore. Their departure, within days, altered US role from participant to observer. For now, it's up to the Saudis, the Jordanians, the Syrians, and the Lebanese factions to sort things out. Although USSR would veto the measure, the possibility of a multinational UN peacekeeping force remains. (1,2)

2

3

USSR — After 15 months in office, Yuri Andropov died of kidney failure on February 9. Konstantin Chernenko was selected to take his place. At 72, Chernenko is the oldest man in Soviet history to take over the communist party. He faces a slowdown in economic growth, industrial backwardness, massive unchecked military spending, and a decline in agricultural production. (3)

IRAN — IRAQ, at war since 1980, caused a controversy concerning the use of mustard gas by Iraq, which has been under international ban since 1925, and Iran's threat to close the Strait of Hormuz, through which 1/6 of the free world's oil is shipped. Reagan opposed this measure, even threatening the use of naval force. (4)

SPORTS

WINTER OLYMPICS '84 in Sarajevo proved to be exciting as well as suspenseful. Notable performers include Marja-Lusa (Finland) winning 3 golds in cross-country skiing and a bronze in relay and Saetan Boucher (Canada) with 2 golds and 1 bronze and Karin Enke (E. Germ) with 2 golds and 2 silvers both competing in speed skating. US sent its best Olympic team ever; although

Golden Memories Engraved in Time

1

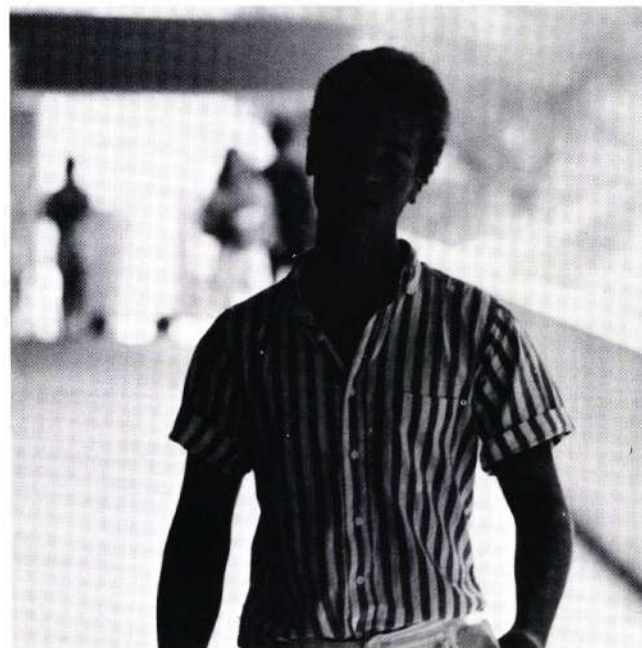

2

Another year has come to an end, and with it the completion of another chapter in the annals of Miraleste High School. However, the memories of the friends met and the events experienced will not be forgotten. They will be etched in the minds of all who have passed through the hallways. Just as a gold watch, a precious time keeper, is engraved as a keepsake, so will the memories of our youth be engraved in our hearts and in our minds. Furthermore, as time progresses the value of these memories increases as does the value of the watch. Eventually, treasured memories will be the only reminds of happier times gone by.

Twenty Karat Gold Friends

Throughout the memories of our high school years, those of friends seem to be the most vivid. It was those twenty four karat friends who stuck by us. Like gold they were hard to get, hard to change, precious, and became more valuable with the passage of time. These friends became the source of inspiration, our diversion, and basically our reason for continuing against adversity.

A Gold Medal Finish to a Winning Year

5

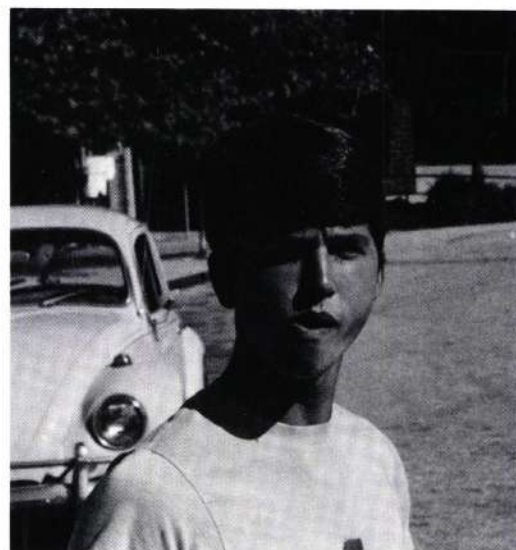

6

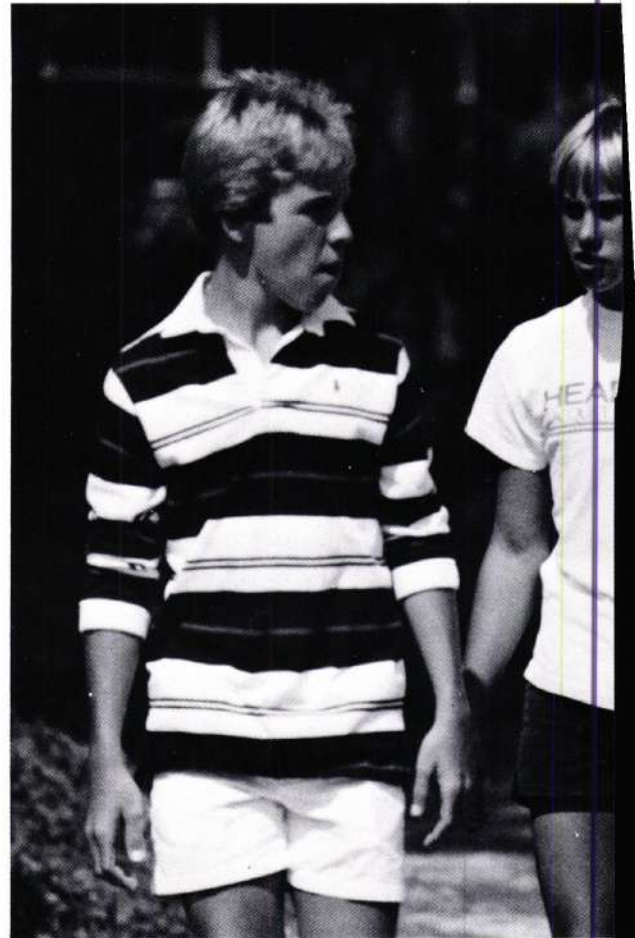

The race to the end of the year has been completed and for the graduating seniors especially it was a quick one. Our goals were to make it through the end of the year and either to pass on to the next grade or to start a new life of college, trade school or work. We won. We accomplished our goal. We reached for the gold and we achieved it. However, it was not the end victory that counted so much as the pain taken to get there. That path was paved with an all-out, one-hundred percent effort and was supported by close friends who stayed by us, administrators who cared, and parents who encouraged us. Also, it was the desire to win, to reach our goal, that sustained us all from ever giving up.

A Golden Year to All That Were Here

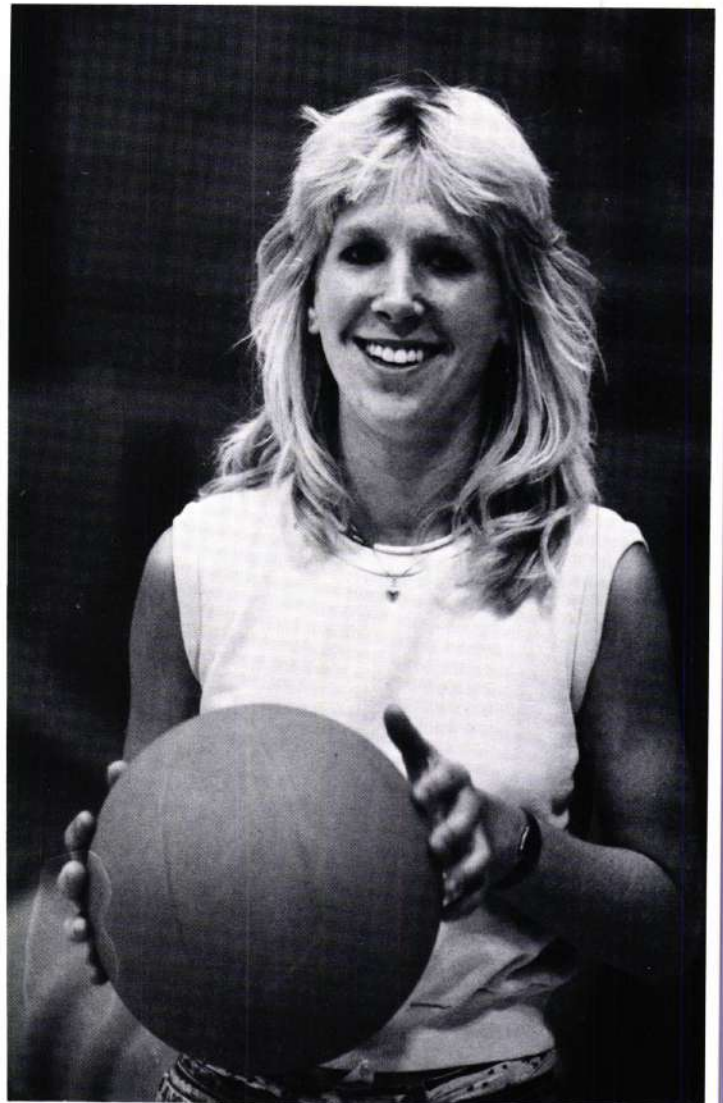

4

6

Even though this may have seemed like any other school year, it was different from all the rest. The teams had different successes and failures. We took different courses with new teachers. Our grades were different, hopefully improved, and we met new friendships and made old ones stronger. It was different and special and no year was ever like nor will any year ever match it.

Golden Memories

10

1

2

We have completed our classes for the year. We have done our homework, read our chapters, taken lengthy notes, compiled formulas, stored facts, and taken tests. We made it through the excitement of Homecoming Week and the chaotic days before vacations. Yet in addition to those nights spent in endless study, there also were nights of fun and excitement such as the winter formal, sports events, and the prom. In September, the year seemed so long, but by the end of first semester we realized just how fast the golden year was passing and the end came upon us just as quickly with the prom, senior ditch day, and all of the spring sports intermingled with the year end finals.
