Dedication

Deciding whom to dedicate this year's book to was a very difficult decision for the El Mirador staff. Miraleste High is known for its special students, staff, faculty, and administration. With the possible closure or change in school structure, we felt it was important to dedicate this special book to someone equally special. After many hours of deliberation and arguments, the staff chose a person who we thought represented the schools special qualities. We wanted someone who had been with the school from its opening and someone who is involved with staff, administration, and especially students on a day to day basis. The person, in our opinion, who best fits this description is **Mr. Tom Graves**. His positive, helping attitude and concern for the school and the students are always prevalent.

Even when faced with the possibility of Miraleste's closure, Mr. Graves kept a positive attitude. All of the students at Leadership Camp were touched when Mr. Graves said that it would be very difficult for him to go to either Rolling Hills or P.V. if Miraleste was closed. However, Mr. Graves didn't merely sit by and let things happen without him. He did everything in his power to let the school board and the community know that we "MUST" save our school.

Mr. Graves has been employed at MHS since 1968, first teaching physical education, then coaching wrestling and football. Eventually he was promoted to Athletics Director accepting a great deal of authority. Most recently, "Coach" was appointed to Activities Director. This dual role keeps Mr. Graves busy at all times, yet he always has time to answer any question he may be asked.

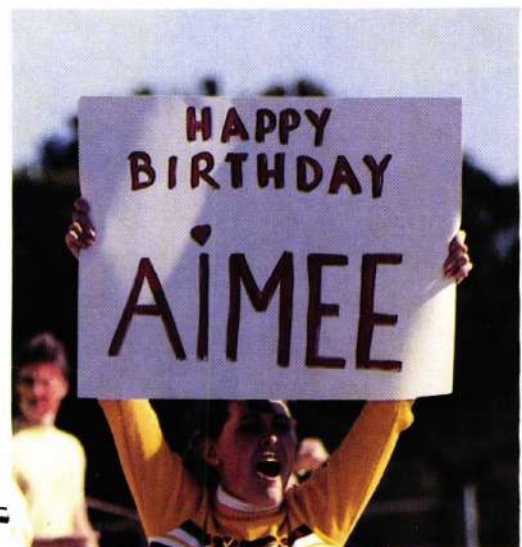

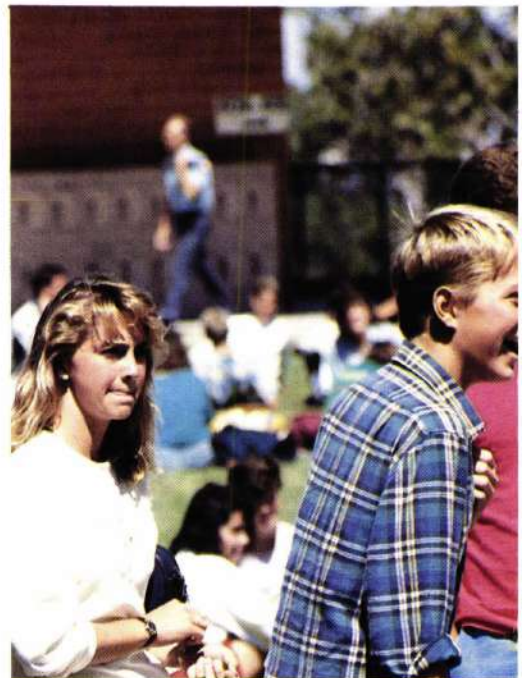

It is these outstanding qualities that led us to choose Coach Graves. He is a valued faculty member and friend. Miraleste would not be the same without him.

Leaders Live in Luxury at Lake Arrowhead

After one bus broke down and a seemingly endless cramped bus ride, about 50 some Marauders along with the leaders of South Torrance High arrived at the UCLA Conference Center at Lake Arrowhead. All were astonished. It was like entering Heaven. Although the tradition of "roughing it" at O-ongo was gone, very few seemed to care.

The luxuries at this new camp excited even the affluent of Palos Verdes; especially the keys and telephones. Within hours of getting our room keys, people were already "losing" their keys. The telephones also caused minor problems, such as crank calls at the wee hours of the morning.

The South High students did not go unnoticed. Although they spent much of their time planning for the upcoming year at their school, they contributed to our meetings as well, with new ideas for activities and class competitions used in previous years at their school. One game, "Dizzy Lizzy", was mastered by the senior guys, led by Alan Goldstein's short cut through the flower beds.

But Leadership Camp '86 was not all fun and games. Led by Activities Director Thomas Graves and the respective class presidents, the student council, as well as the class councils, quickly became involved in planning the future of Miraleste and its activities especially Homecoming. This year's theme, after sifting through all the various suggestions was decided to be "Around the World in '86".

In addition, there was the debut of Mr. John White, the new Principal. His positive spirit, and the many meetings intertwined with the ever present cabin raids, made the new and improved Leadership Camp yet another successful start of a new school year.

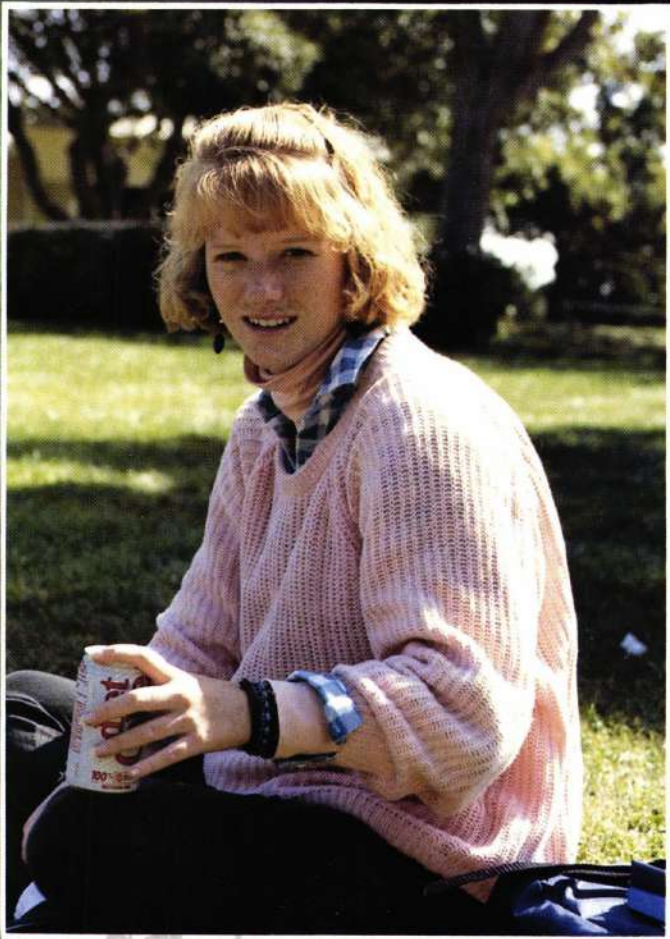

Success

To laugh often and much;
to win the respect of intelligent people
and affection of children; to earn the
appreciation of honest critics and
and endure the betrayal of false friends;
to appreciate beauty, to find the best
in others; to leave the world a bit
better, whether by a healthy child,
a garden path or a redeemed
social condition; to know even
one life has breathed easier because
you have lived. This is to have
succeeded.

— Ralph Waldo Emerson

Marauders Go Around The World In '86

The marauders went "Around the World in '86" during one of the most fun filled Homecoming weeks in history. The week's spirit began Monday at lunch with a limbo contest and the announcement of the Homecoming Court. This year's queen nominees were Maureen Bolen, Lori Levering, Stephanie London, Shelly Samples, and Michelle Trutanich. Their male counterparts were Mike Christensen, Rex Hoffman, Marcus Shen, Mike Silane, and Jarret Winter. The week continued with Tuesday as Italian Day. The campus was quite colorful in shades of red, white and green.

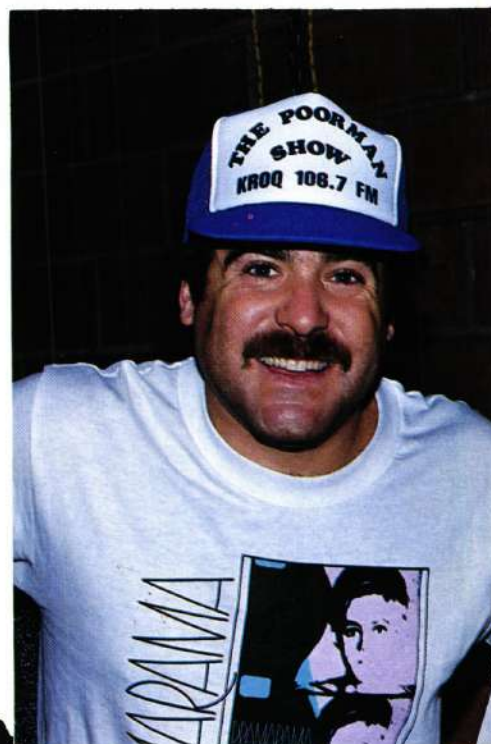

Homecoming Wednesday started bright and early with the always popular Pep Squad pancake breakfast and continued with the annual College T-shirt Day. On the next day, the Marauders really went wild on Commando/Rambo Day, a day in which there was a significant increase in the usual amount of camouflage and ragged clothing on campus.

Friday's assembly featured the Pep Squad, the Drill Team, Band, and the Tall Flags, all giving remarkable performances. Then followed the introduction of the court.

After a year's absence, the float parade was a welcome return to the year's Homecoming game halftime entertainment. The floats were sometimes funny and other times just funny looking. But there was nothing funny looking about this year's queen nominees. They came around the track in convertible Mercedes looking their finest. The suspense was finally broken as Torge Kambe crowned the new queen, Maureen Bolen.

Normally, with all this excitement, some might have been distracted from the football game itself, but not in this tight one. Before an enthusiastic capacity crowd, the Marauder team, led by their sturdy defense, held on to a 13-13 tie with Leuzinger, the defending league champs.

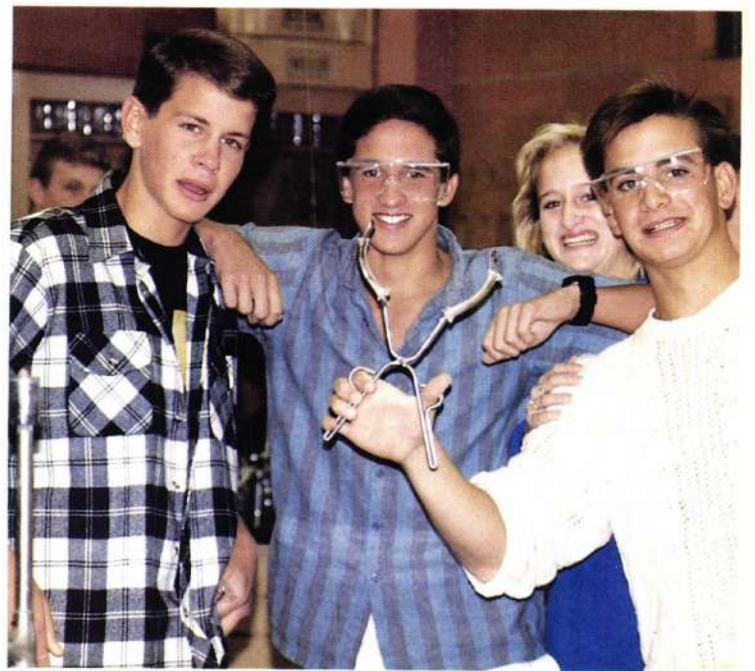

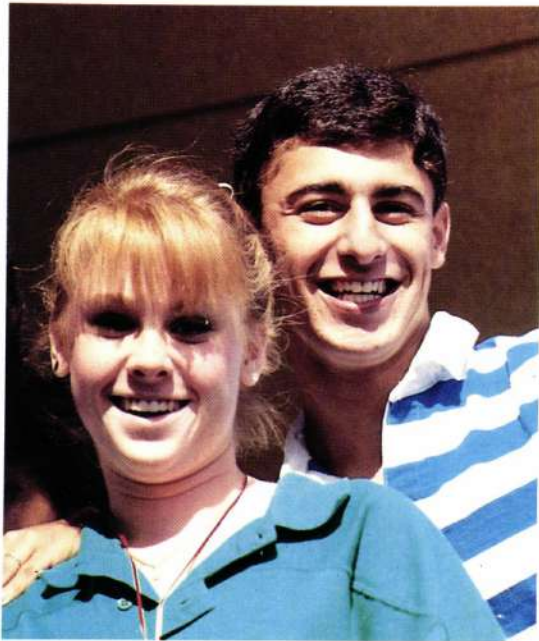

The Marauder spirit did not diminish as students packed the gym for hours of dancing with KROQ's DJ, the Poor Man. The highlight of the evening was the announcement of the king, who in this instance truly towered over the others, Jarret Winter. King Jarret and Maureen the Queen, along with their court and others, danced the night away to the very end of yet another incredible Homecoming Week.

President's Message

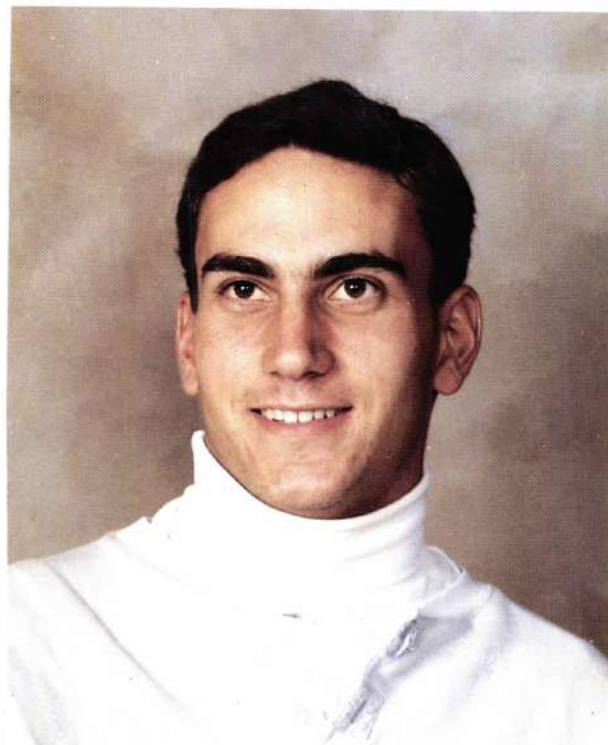

The school year was 1986-87, the site was Miraleste High School, and the problem—the student body's insurmountable debt. This is what our council confronted at the outset of the school year. This problem was soon eclipsed, however, by the threat of Miraleste's closure. As the days passed, a new spirit arose from the depths of our students. This spirit propelled us through one the most challenging years Miraleste has had. I'd like to review some of these memorable events.

Leadership Camp was the initial event. As I think back to camp, I remember that shocking statement made by Mrs. Sally Burrage (Board Member) about the possibility of the closure of Miraleste. 57 frightened Miraleste Marauders responded with, "Will Miraleste really be closed?" This tone affected our agenda. We would prove the excellence of Miraleste High School in every area.

We began to prove our excellence with an awesome football victory over Rolling Hills. The friendly rivalry with RH was accentuated as over 400 students showed up to cheer our football heroes on to victory. In early October we received the "Distinguished School Award," as we ranked among the 30 most distinguished schools in California academically and athletically. The meeting with the school board on October 16, with our achievement plaques and banner high overhead in the Miraleste gym was just the start of our battle to keep MHS open.

Homecoming '86! raised over \$3000. This year we tried to change the traditional Homecomings of the past by adding some new flavor. At this year's Homecoming assembly we witnessed two new additions: the return of our long lost Marauder Mascot and Freddy and Freida Freshman. At 3:00 our team tied (13-13) against a tough Leuzinger opponent. Later that evening, at 8:00, we enjoyed the best dance in MHS history with KROQ's "Poor Man." There was also a fantastic Four-Club party in October.

In November we enjoyed Beatlemania. We still spared some traditions here at MHS such as the annual Powder Puff Football game, the four club broom hockey game, and how could we forget, the Formal? Then the Spring Casual a May Dance Marathon and finally, the Prom.

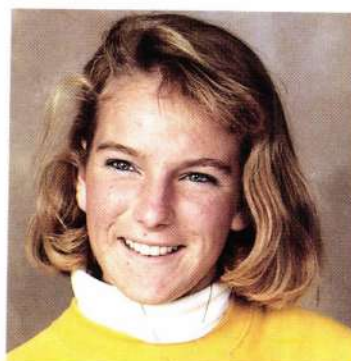

All of these successes however, did not come without hard work. I would like to personally thank each and every student here at Miraleste for giving me the opportunity to organize and plan the 1986-87 school year. I feel a special thanks is owed to the other officers on the student council, and all our student leaders and committees. Without them nothing would have happened this unforgettable year. This is one year we can look back on and say, "I'm proud to be a Marauder!"

Senior Class Officers

It was always cool to say we couldn't wait to graduate and leave Miraleste. But now that the end of our high school career has approached us, we, the class of 1987 can honestly look back and see some of the good times we've shared.

A normal class would remember their Freshman year as two semesters of jammed lockers and school lunches. But a normal group we were not. We were "brilliant minds working together," and we tried our best to be mature about this high school business. We tried to run through the halls and never drop our books. And we never did win class competition.

But we were girls chasing upperclassmen or guys dreaming about upperclasswomen. We were sneaking off campus at lunch, we were at the dances, a few of us even got suspended at the Winter Formal. Yeah... it was stupid, but we learned from it and other Freshman mistakes. And we surely got the most out of that first year.

Our second year proved to be just as exciting. With one year of high school experience under our belts, we were ready to reach even higher than before. There seemed to be more activities at school, and in turn, we got more involved. We joined service, academic, and athletic clubs. Then the moment arose when the keys were placed in our hands and we started our engines. Weekends (and for that matter, weekdays, too), would never be the same. We spent more time out... at the library or studying at someone's house. School was getting harder with all those subjects. We tried to be more "Flex"-ible, but things kept tightening up with all the Greeks, Romans, Aristocrats, and Peasants.

But sometimes, with our newly acquired driving privilege, we would try to find time to go out and just have a little fun.

Then came our Junior year: The second half of our high school years. It almost seemed as if we ruled the schoolcall it Juniority instead of Seniority. We handled pressure from friends, academics, and athletics better. We drove better. We did everything better...

...except maybe Powderpuff Football. But hey, did we show them how to play or what?

...Except maybe class competition. But our time would come.

Our class did put on the Prom, which turned out to be a great success, thanks to Alan Goldstein and his crew.

However that is all ancient history. Our most vivid memories will be of our final year. The sports teams always gave us something to cheer about. The Pep Squad always gave us a cheer about something. The true Marauder enthusiasm never died, and as Seniors, we set the standard. We teamed up and dominated in spirit, in class, and finally in class competition, too.

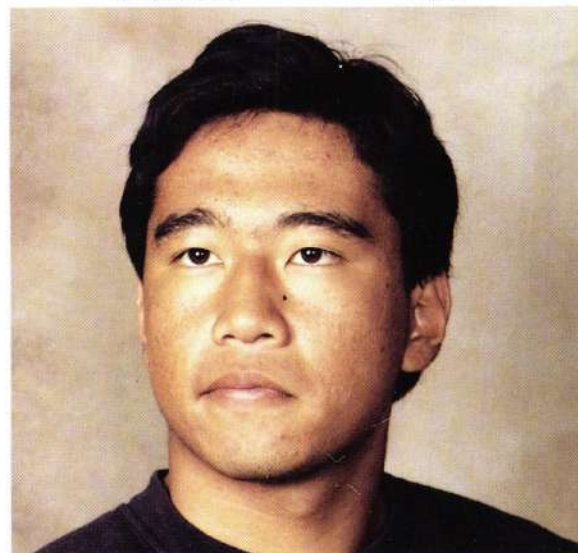

We've seen so many changes at Miraleste: from honor slips to breathalizers to red lunch stickers. Despite some of these minor setbacks, most every member of this year's graduating class can honestly say that this is the best high school they have ever attended. The friends we've made, the times we've had, the marks we've left all add to the uniqueness of this year's Seniors. And as long as Miraleste lives on, so will the legend and success story of the class of nineteen-hundred eighty-seven.

Good luck and God Bless,
Marcus J. Shen Senior Class President

Stand By Me

When the night has come
And the land is dark
And the moon
Is the only
Light we'll see.
No I won't
Be afraid
No I won't
Be afraid
Just as long
As you stand
Stand by me

Miraleste High School Here To Stay

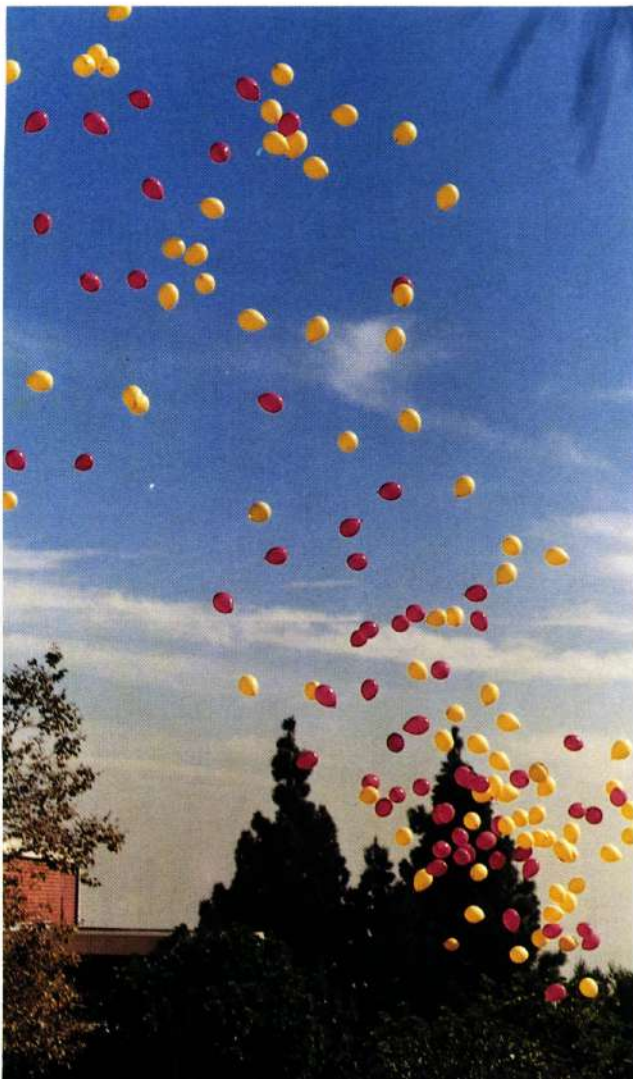

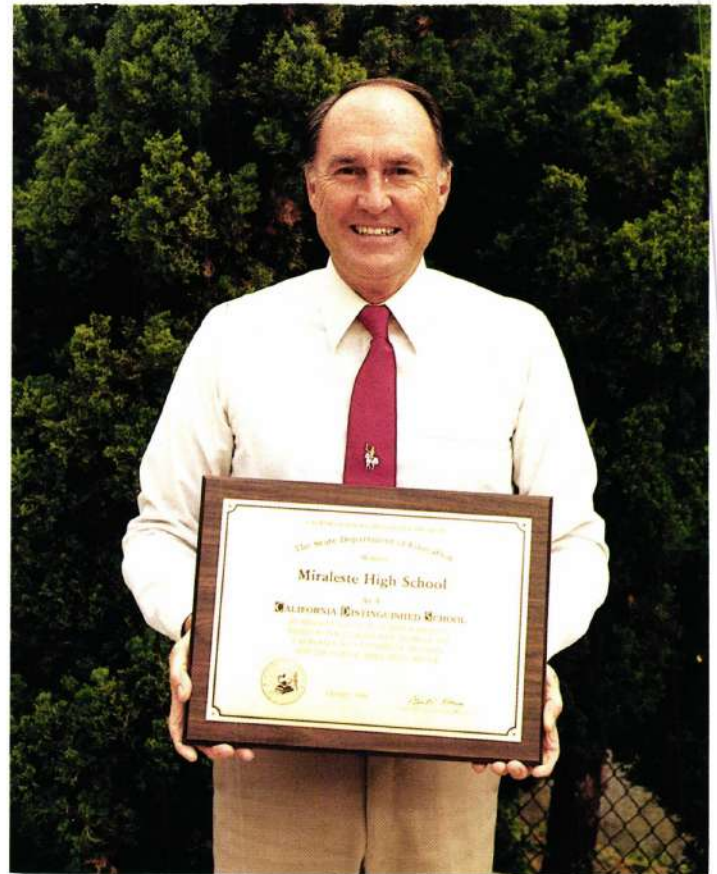

October 20 was a day for us to brag, that was the day we put up our flag.

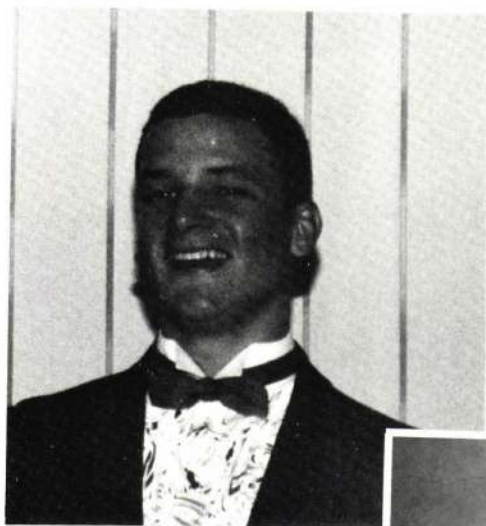

The flag was there to show that Miraleste rules, because we were one of California's best schools.

The sky was clear and the sun was bright, so was the spirit of Mr. John White

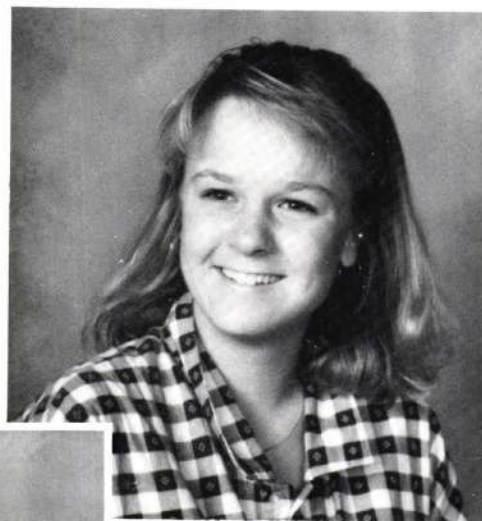

So as we drive to school every day, we see that MHS is here to stay.

Varsity and J.V. Pep Squad Kick Up The Spirit

Some of Miraleste's "Best of Friends," were found on this year's Pep Squad. Led by **Cheri Wright**, Head Cheerleader and **Patricia Juhn**, Head Songleader, the 1986-87 squad couldn't have been better. Starting off with summer practices at 6:30 a.m. and attending United Spirit Association Camp at UCSB, the 19 girls have collected ribbons and endless memories.... The squad has remained strong and enthusiastic through all seasonal sports, pep rallies, the Pancake Breakfast, team dinners, fundraisers, and assemblies. The back bone and biggest supporter of the Pep Squad was **Mrs. Chris Poe**, their advisor. Without her help, this year wouldn't have been as terrific!

1. The Marauder Pep Squad cheer on during the MHS clap. 2. **Patricia Juhn** and **Cheri Wright** model their new football sweaters. 3. The hyped up Pep Squad promotes the rival football game against Rolling Hills High during their 50's pep rally.

SENIORS DO IT AGAIN

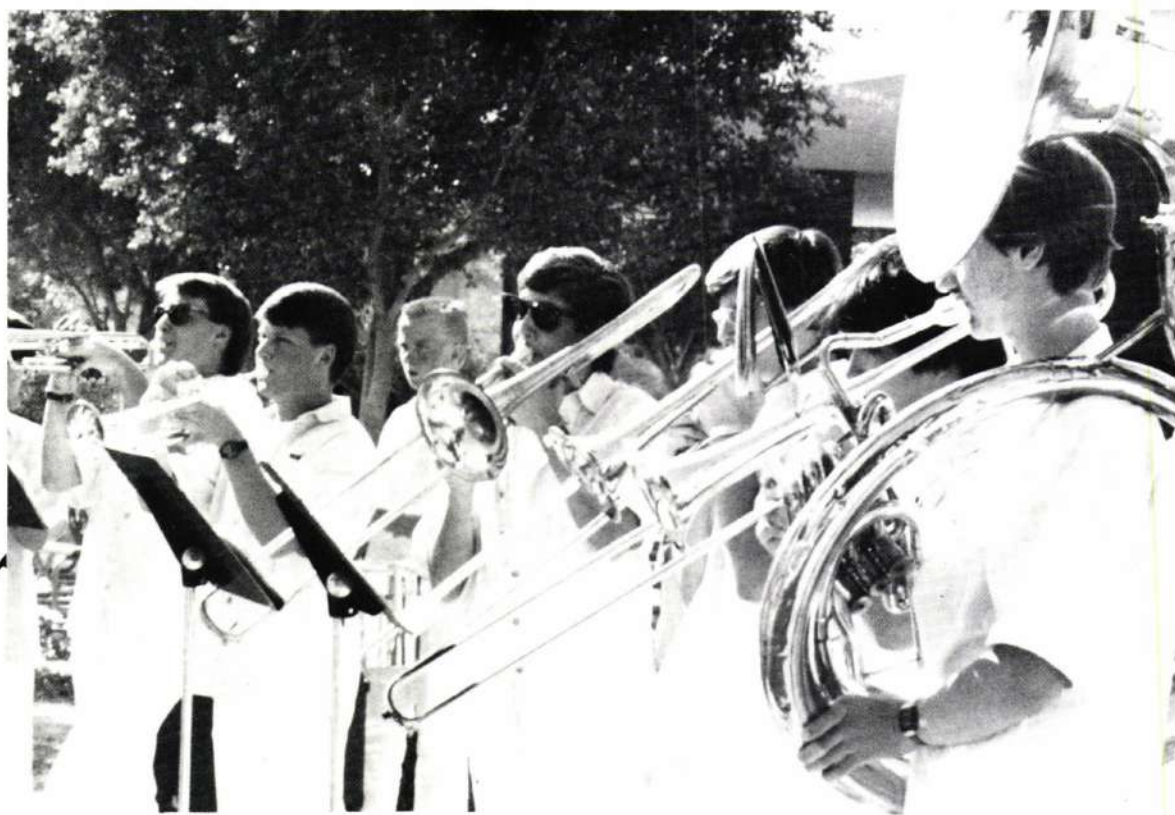

This year's powderpuff game was, once again, filled with surprises. It all began two weeks before the big game with grueling practices led by unrelenting coaches. Both the junior and senior teams eagerly awaited the day when they could show their athletic prowess. The rivalry between the classes was evident on Friday, when the girls rode around the parking lot screaming "death" threats to the opposing team members. This rivalry continued during the assembly when the awesome senior team defeated the junior girls in a tug-of-war. This was, unfortunately, their greatest achievement. Led by thier squad of "beautiful" Cheerleaders, the seniors also won the class competition. Later on the lawn, the juniors proved their ability by winning the Scream-A-Thon, which left the seniors with pie in their face. But the real excitement surfaced at the 3:00 game. The girls were all lined up. It was strength versus stamina, experience versus enthusiasm, beauty versus brawn, the seniors versus the juniors. The juniors gained an early lead when **Krista Amend** scored the first touchdown. This was followed by another junior score by **Brandi Pilato**. Unfortunately, the action was interrupted by an accident. When **Lisa Von Slomski** was wheeled off the field, the score stood at Juniors-14, Seniors-0. The senior team rallied to score and finally achieved their goal as **Susan Gasset** ran into the end zone. But unfortunately, the class of '87 did the opposite of what everyone expected and lost. When it was all over, both teams were happy, because as **Mr. Terry** reminded us, it was all in fun!

Band: The Back Beat of Marauder Spirit

Band was great this year! Led by talented Drum Major **Scott Douglas**, the band livened up the football and basketball games. Their music definitely made our assemblies more spirited! The band was active performing with the Pep Squad, Drill Team, and Tall Flags, and even represented Miraleste by marching in parades. The band's long hours of practice had paid off and it couldn't have been done without the gifted leadership of **Mr. Kohler**. The band really was Miraleste's Back Beat of Spirit!

Tall Flags... Welcome Back

This year is the first time in three years that Miraleste has had a Flag/ Banner Squad. Under the leadership of Captain **Tracey Weinstien** and Co-Captain **Carrie Harter**, the team performed at all home football games, Homecoming and Farewell assemblies. In addition, the Banner Squad led the Miraleste Band in parades. We hope that everyone enjoyed their performances as much as they did performing! Team members include **Kyra Nimeth Leslie Stroh**, **Meredith Holly**, **Karl Powell**, **Stacy Walrath**, **Natalie Pike**, **Candice Brunner**, and **Jennifer Talmadge**.

Brain Waves

Congratulations to the Miraleste Academic Team of: **Allen Chen, Don Dewar, Alan Goldstein, Steven Kan, Birthe Lauchengco, Ralph Lin, Henry Mansfield, Karen Mishkin, and Anne Tanaka.** The L.A. County Decathlon banquet announced the winning teams. Miraleste was the fifth place team out of 61 high schools in the competition. Individual awards were also won by the following team members:

Ralph Lin -First place Economics
Karen Mishkin -Third place Science
Steven Kan -Third place tie Economics
Allen Chen -Third place Fine Arts
 -First place Economics
Birthe Lauchengco -Third place Economics
 -TOP SCORING TEAM MEMBER

Alan Goldstein -Second place Economics
 -Second place Essay
 -PERFECT SCORE IN SUPERQUIZ AND SILVER MEDAL WINNER FOR THE SECOND HIGHEST SCORE OVERALL.

Miraleste and 68 other high schools entered teams in the Los Angeles County Academic Decathlon. Our team had been preparing for this day since last June. For eight hours, students were interviewed, gave speeches, wrote essays and took written tests in math, science, English, history, economics, fine arts and the U.S. Constitution. This year's president, **Alan Goldstein**, and coach **Roberta Kordich** led our team to victory.

Peer Assistance League

Teens Helping Teens

Teen Peer Assistance League is an organization that was formed to assist teenagers in their maturing dilemmas. This peer counseling was started by its first committee members, **Maureen Bolen, Heidi Hoffman, and Chuck Mitchell**. The topics of discussion ranged from "Dating & Mating" to "Drugs & Alcohol". It was a very effective way of getting ideas and advice from others who have been through it before and can perhaps give suggestions from a youth's perspective. Always well attended, Teen Pals' was a strong force in the never ending battle for truth, justice, and the Marauder way.

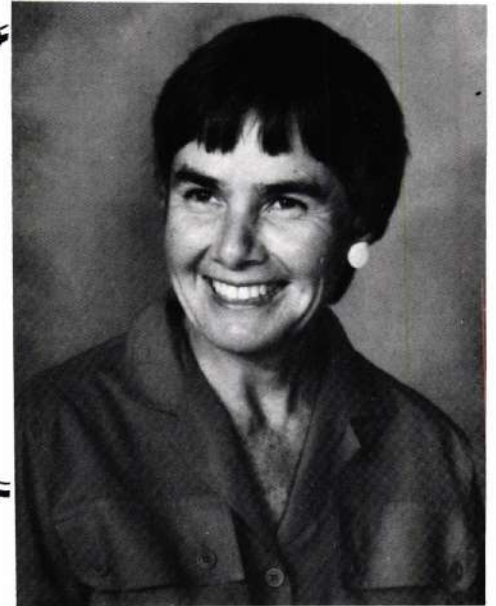

1. Mrs. Ward counsels Andrea Stockert, Michelle Chartier, Kit Heltzman, and Michelle Michaels. 2. John Woodward ponders on some advice he learned at a Teen P.A.L.'s meeting. 3. Another Teen P.A.L.'s meeting with standing room only.

Wanted: Student Workers

Work Experience is a program which assists students in making a career choices and prepares them for making transitions into the working world. **Mr. Kaczmarck** is in charge of the program at Miraleste. He enjoys watching the students gain the knowledge and attitudes necessary for good job performance and work habits. Helping students find good jobs as well as working with student and employer to gain a better working relationship are important aspects of **Mr. Kaczmarck** job.

The career center has been a vital part of MHS for many years. The college and careers search programs and the laser disc information system are often used by the students to help plan their future. **Mrs. Osborne** is always there to assist Marauders in making the right career and college decisions.

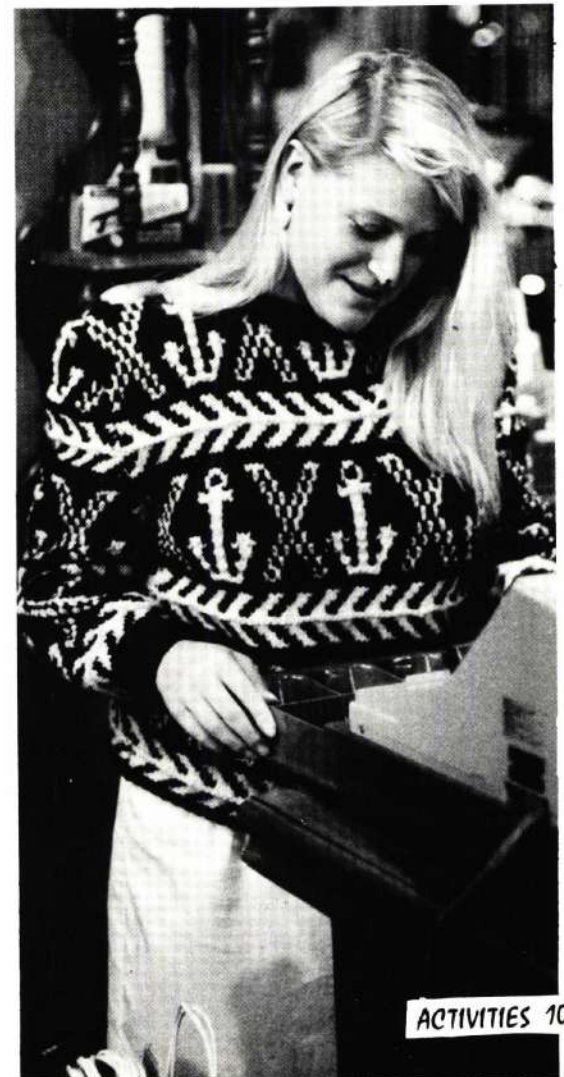

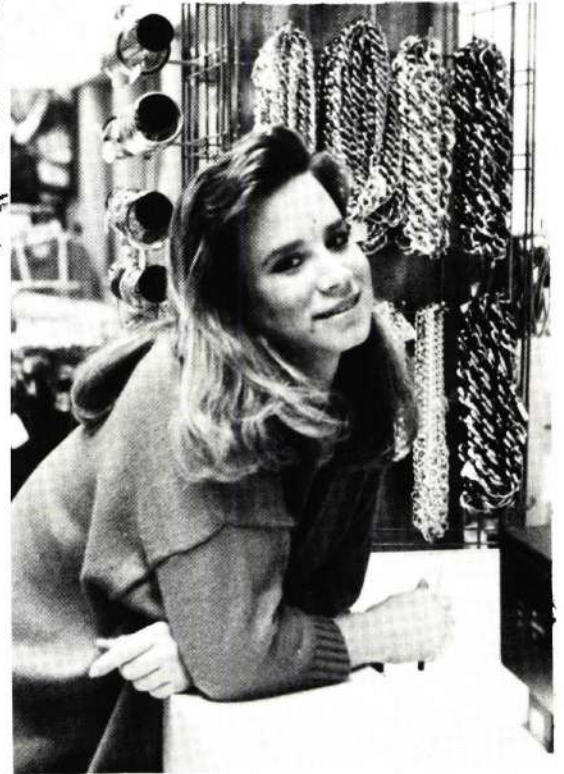

1. **Mrs. Osborne** enjoys working with the students. 2. **Sam Galletti** gets to preview all the good movies at Peninsula 9. 3. **Mr. Kaczmarck** gossips with some students. 4. **Mr. Kacz** calls a prospective employer

On The Job

Many students hold down part-time jobs after school or on weekends. Some have very interesting jobs, such as: working in a pre-school, clothing or sporting goods store, and movie theater. Of course, students also work in typical fast food places like McDonald's. Unfortunately, this year many students lost their jobs at Marineland due to its closure. When asked why they worked, most students answered, "For the money!"

1. **Kelly Biby** awaits a customer at Limited Express. 2. **Della Martinez** dishes out at Baskin Robbins. 3. **Sean Sedillo** punches out some pizza prices. 4. **Shellee Sepko** enjoys her job at Papagallo.

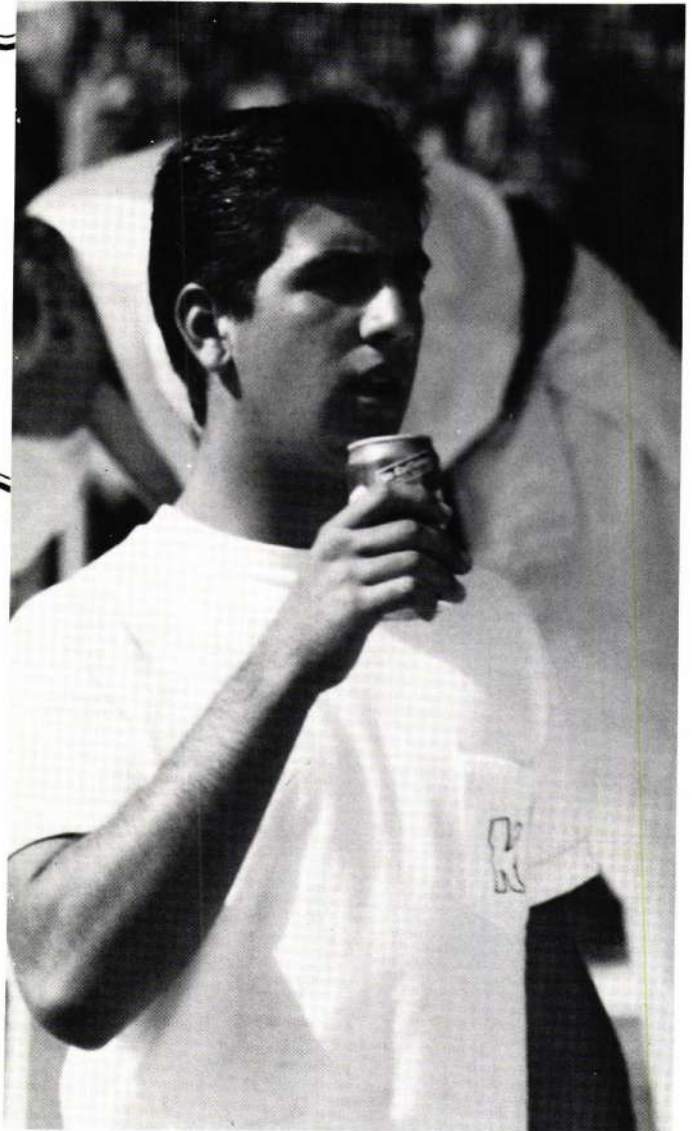

Dudes and Dudettes at MHS

Miraleste students have a style all their own. We tend to view life in a more serious and realistic manner. Yet we also know that fun is an essential part of life and this is shown by our attitudes towards fashions. We have surfers, athletes, casuals, preppies and intellectuals. A lot of different people with different styles, that's Miraleste. We at MHS are individuals; we're not mass produced clones. With each style comes a personality no one else can copy. So to all of the fashion trend setters at MHS, keep up the good work!

Chorale- A Jazzy Sound

This year's Jazz Chorale was charged with energy and sang with new spirit. Lynn Crawford was the director of chorale. Their music raised the spirit of many in their audiences. Their performance in the fall at the Norris Theater was unforgettable. It was followed by several trips to schools that hadn't yet been introduced to a school chorus. The singers also Christmas caroled through shopping centers. In the Spring, the group put the pressure on other high school in competitions. "Shut up and sing." is their motto . . .and that's exactly what they did!

Drama Dares to be Different

This year the MHS drama department had only one presentation, but it was an excellent one at that. In December eight talented actors and actresses of MHS got together to perform "The Odd Couple" by Neil Simon.

What made the show so out of the ordinary? First of all, it was the female version of "The Odd Couple". Second, it was performed by a much younger cast than the characters called for. And third, the seating arrangement was theatre-in-the-round.

People were interested to see what a successful Broadway musical would be like on the TAB floor. When opening night came around, there was a warm audience expecting an average show...nothing special...but all left with smiles on their faces. The cast consisted of **Alma Ferrara-Grand, Kari Whittlesey, Mark Simon, Ari Rubinstein, Amy Wright, Freddie Busse, Lori Krieger, and Scottie Hall.** Mark Simon said, "The cast was so close and united, and that's why the show was such a success."

1. "The Odd Couple" cast takes a break to pose for a picture. 2. Olive (**Alma Ferrara-Grand**) and Florence (**Kari Whittlesey**) have an intense conversation. 3. Manolo (**Ari Rubinstein**) seems to be a little ticked at Jesus (**Mark Simon**). 4. Alma kicks back after a rehearsal. 5. Jesus (**Mark Simon**) shows that he can be a real gentleman. 6. Sylvie (**Freddie Busse**) puts her all into the roll of the dice. 7. Vera (**Scottie Hall**) is accused of cheating.

Drill Team Performs With Pride

The Drill Team had a terrific year starting at USA Camp located in Santa Barbara. During camp, the team earned all the highest awards, including a superior trophy, spirit stick, and friendship boot. Kicking off the football season, Drill Team performed at all the home games doing pre-game and halftime performances. As basketball season rolled in, Drill Team performed once again for yet another terrific Marauder season. In the beginning of the year, Drill Team was involved with indoor competitions. Using dance, military, and novelty routines in early March, the team competed against several schools in the Miss Drill Team USA.

The team ended off the year by doing another performance at the farewell assembly.

The team was led by captains **Traci Critton** and **Stephanie Chew**, and Advisor **Terry Warner**. The Sergeants included **Ako Asano**, **Merrimac Caple**, and **Cindy Towle**.

Rain Doesn't Dampen

Winter Spirit Week rang in the new year by providing various school activities. Through class competitions, rain, creative days, rain, powder puff, and more rain, the ASB achieved a very successful week. Activities included an ice cream social, mystery day, "sweats and sneakers", a life saver and orange pass competition and much more. At Friday's assembly, the freshman, sophomore, and junior princesses were announced. The freshman princess was **Andrea Adamson**, sophomore princess was **Leslie Stroh**, and junior princess was **Danielle Lemire**. That night, in the gym, after a surprising upheaval at the powder puff game, the princesses were announced. As the crowd watched in anticipation, **Debra Lewin** was crowned Winter Spirit Week Princess. This night topped off the week filled with high spirit, "friendly" rivalry, and fun.

Students' Spirit

1. While most of the juniors put their all into the tug-o-war, a few have their minds on other things. 2. **Maureen Bolen** crowns **Debra Lewin** the new senior winter spirits week princess while **Jarret Winter** looks on. 3. **David Hardesty** escorts junior princess **Danielle Lemire** to the center of the floor. 4. **Debra Lewin** is happy with her new position of royalty. 5. Junior Powder Puff players show their enthusiasm. 6. Senior guys try to outdo the drill teamers.

Moonlight Mystique

Some arrived in limos, some arrived in buses but all arrived for a memorable and eventful evening. It was only one night in December, but the time that the members of the Girls' League put in amounted to numerous weeks. Led by president, Meredith Simmons, the gym was transformed into a glorious

ball room. This year's theme was "Moonlight Mystique." The couples danced to the music of KROQ's DJ, Jed the Fish, under an arch of colorful balloons.

The entry way resembling a clear starlit sky drew the attention of the couples as they walked into the heavenly atmosphere. The usual photo session was a hassle, but the pictures showed that they were well worth the wait. For those who stayed, there was a raffle to cap off another wonderful Winter Formal.

M.H.S. Joins The Celebration

This year M.H.S. Marauders had a big part in the annual Rolling Hills Estates City Celebration. This year marked the twenty-eighth year of our city. Key Club had two booths at the celebration: "the Jailhouse" and an egg-throwing booth in which Key Club members were the victims. Girl's Service Club was in charge of the cotton candy booth. Girls' League sold ice cream, and the sophomore class had a puppet show booth to entertain the younger crowd. The performances of drill team, band, and chorus helped to make the day a complete success.

Despite the efforts of our industrious janitors, Frankie, Ken Madden, etc., it wasn't quite enough to counteract the garbage of a thousand people. To solve this problem, the four service clubs came back to school on a Saturday morning to clean up our campus. The annual Trash Pick-Up was born. Volunteers trudged through bushes and ivy, picking up trash until their bags were full. Class competition points were distributed to the classes according to the number of bags of garbage. Once again, the seniors demonstrated their spirit and devotion and won the competition. Trash pick-up was yet another boost for the morale and appearance of Miraleste.

Miraleste Steps Into Spring Fashion

This year's Girls' Service Fashion Show was a complete success. Models were from Girls' Service and Interact Clubs and some special appearances by our Miraleste Faculty. The clothes were provided by the Courtyard, the May Company, and Friar Tux. **Marcus Shen** was caught saying, "It was fun getting all dressed up and strutting in front of a packed audience!" The event was led by master of ceremonies, **Ann Fallgren**, Vice President Activities of Girls' Service and **Tom Graves**, Miraleste's Activities and Athletics Director. Models included: **Melissa Appleby**, **Cori Blair**, **Mrs. Contreras**, **Patricia DiCarlo**, **Marti Easton**, **Mando Enriquez**, **Rick Fleming**, **Chris Gagliano**, **Mary Ellen Gordon**, **Kelly Hildebrand**, **Todd Hollingshead**, **Jenefer Hudson**, **Ali Taghavi**, **Mr. Kaczmarek**, **Jeanette Lee**, **Kim Mayer**, **Casey Martin**, **Shevin Mirhashemi**, **Yuko Mizoo**, **Mrs. Newman**, **Mr. Pollock**, **Max Schroeder**, **Marcus Shen**, **Mike Silane**, **Scott Snyder**, **David Torrel**, **Drake Wesson**, **Mr. White**, **Keith Wonder**, and **Mrs. Yamane**.

"Just Say No!"

On April 20, Miraleste High School was visited by **David Toma**, and ex-narcotics officer and inspiration for two television series, **Toma** and **Barretta**. **Toma** delivered his powerful message about drugs, alcohol and teenage suicide that has brought rave reviews from over a million students and parents who have seen his presentation. He has been on a thirty year crusade and visited over 8,000 schools to help kids stop using drugs. Everyone was very impressed with his talk. Students can relate to because he speaks on their level. He told true stories what he himself has experience. This tactic benefitted many students by helping them to see just how they are killing themselves if they let drugs be a part of their life. **Toma** wants kids to "say no to drugs and alcohol, but say yes to love and understanding." Not only did he talk to students at all three high school campuses, but he, also, spoke to interested parents on Tuesday April 23 at Rolling Hills High School. We would like to thank the Toma Steering Committee of the Education Foundation and the Palos Verdes Unified School District for arranging **Toma** to visit our campus.

Dancing Up A Storm

1

3

This year, Miraleste dances were extra special. Many well-known disc jockeys were featured. Beatlemania, KROQ's Poor Man, and Jed the Fish all played for enthusiastic Miraleste students. The various dances had themes, such as toga, or "mod"; this attracted students to join in the fun. In order to raise dance attendance levels, members of the four on-campus service clubs were required to attend all dances. Although this rule was hard to enforce, many abided by it. This year much of the Miraleste student body put on their dancing shoes and "moved to the beat" at the entertaining dances.

Flour Children

During the month of December our campus was again visited by the flour. This experiment in parenthood was originated and developed by **Mrs. Dixie Stevens** as a part of the Psychology program.

"It gives students more awareness to care for a baby. They create the children in their image and show love, respect, and care for its environment." It was an interesting sight to observe Miraleste Students taking care of their newborn children. Throughout the month, the new parents cuddled, hugged, and cared for their children. Each newborn had its own special personality and style. Some babies had no hair, while others had more than their parents. Students were extremely creative in the dress and facial expressions of their young. **Vivian Roe's** baby was being trained to become a future MHS Cheerleader while **Sam Galletti** gave a birthday party for his child. Most of the parents didn't complain about the five pounds of flour until the end of the third week, then they began to turn to the Ben-Gay. To all of the Psychology fathers and mothers, you did a great job!!

Spirits Soar in Class Competition

Spirits soared in fun-filled class competitions which occurred throughout the year. Friday lunch time entertainment was always hilarious. ASB Activities Representative **Patricia Juhn** planned many exciting events which sparked interest among the MHS student body. A few of these events were the limbo, a pie eating contest, and pennies-in-a-jar. "We've tried something new this year to get more people involved with month long competitions. Hopefully this will continue because this is when the whole student body pulled together for their respective classes.

1. Limbo, limbo. How low can you go, **Kim Mayer**? 2. **Chad Somers** shows that the sophomore class is the cream of the crop. 3. Servant Day special: just two dollars! 4. Feeling a little dizzy, **Ralph Lin**?

IN TRANSIT MHS STYLE

One of the biggest moments in a student's life is their sixteenth birthday. We look forward to this day from the moment we enter high school. This is the day that we can finally drive and put an end to the long walk home from school. Since we live in such an affluent area, we often see people driving to school in brand new BMW's, Rabbit Convertibles, or even Toyota 4X4's. But no matter what kind of car you drive, your first car is always special. Even if it's a parent's car, having your own transportation is a kind of freedom. Our individuality is expressed especially with our personalized license plates.

~~~~~Marauders Break For Lunch~~~~~

MHS Marauders have a full day, some with as many as five or six solid classes along with sports and other activities as well. Everyone, however, is given a chance to kick back and relax at lunchtime, and we all look forward to that. It's a time to eat, socialize, and just enjoy the sights of MHS. Freshman and sophomores dream of McD.L.T.s and other delicacies as they anxiously await the day that they will be able to leave campus for lunch. The most common place for eating lunch is the lunch tables just outside the cafeteria. For those who want something different, there are the benches just outside the drama room where one can have some peace and quiet or the lawn where one can often watch crazy class competitions. The fence seems to be the football players' favorite place to sit. There's always someone around like **Elma** or **Mr. Terry** to make sure things don't get out of hand. Overall, lunchtime is a fun time for everyone.

Booster Club Sells Spirit

1

This year's weather conditions affected the Miraleste Christmas tree sales, but this didn't stop the Booster Club's spirit & efforts. The Booster Club was still able to raise about \$5,000 which helps the athletic, drama, pep squad and other departments. This money allows the various departments to maintain the fields, pay for the productions, supplies, and needed equipment. Athletic team members sold the trees for the Booster Club. This is an important fundraiser which helps the school. Thank you Booster Club & athletics.

Sports

This year's Varsity football team, led by the rushing of **Mike Silane** and the defense of **Mark Commings**, was a pleasant surprise. After opening up the season by punishing Mira Costa, the Marauders settled into a tough pre-season schedule including such teams as Dimond Bar, Burroughs Ridgecrest, and Trabuco Hills. Although they came out of preseason play with a record of 4-0-1, the team knew league games would be the hardest part of their season. Since four of the six league teams were ranked in the top ten in C.I.F., and their starting quarterback **Todd Hollingshead** was injured, the Marauders knew they had their work cut out for them. After tough losses to Morningside and Redondo, the Miraleste team emerged from league play with a disappointing 2-2-1 record. Even though they finished fourth in league, the marauders went to the C.I.F. play-offs. In the play-offs, the Marauders got an unlucky draw and they traveled out to Temple City, to play the number one seeded Rams. The Miraleste team played well against Temple City however, in the end, a couple of key mistakes cost Miraleste the game. When asked to describe his team in one word, **Coach Kimbrell** remarked, "Tough!" Toughness and their drive to win helped make this Marauder team one to remember.

1. The Marauder defense closes in on an opponent. 2. The offensive line prepares to do battle. 3. The mighty Marauder offense breaks loose. 4. **Mike Silane** rips through the line for another big gain.

Sophomore Football Sets New Standards

This year's sophomore football team followed the example of the Varsity and had an outstanding season. For the first time in at least 10 years, they ended their season with a winning record of 6-4. The key to the Marauder's successful season was their outstandingly aggressive defense. Through the strong play of **John Bettino**, **John Haynes**, and **Jeff Van Wagner**, the Miraleste team physically abused their adversaries. With hard work and continued improvement, this team is sure to continue their winning ways next year at the Varsity level.

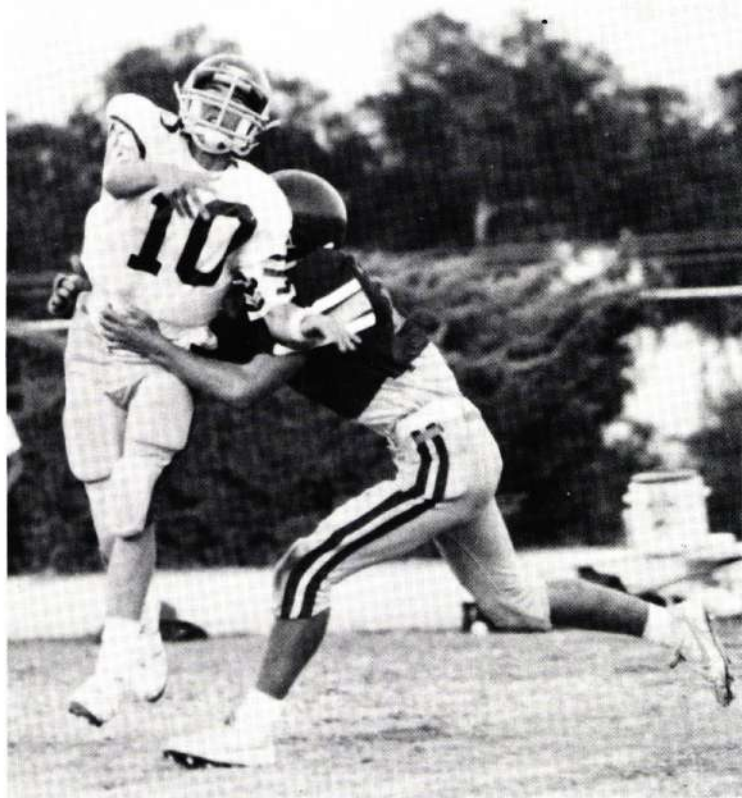

1. **Jim Silane** eludes the defense for another big gain. 2. **Mike Booth** looks for an open receiver. 3. Valiant Effort Pulls Team Together

This year's Freshman football team faced hard times. Even though the team was one of the biggest and fastest in recent history, the Marauders couldn't quite get things together. Because the younger Miraleste teams are taught the same things as the varsity, they are not always able to deal with all the techniques. The Marauder team did show some promise, even though they had a record of 0-10. They didn't give up and stuck with the program and they seem to have a positive attitude for the future.

1. A Miraleste defender arrives a little too late. 2. A Marauder receiver pulls down another first-down pass. 3. The Miraleste defense thinks they are flying high.

The varsity water polo team finished their season a 14 and 9 record. The season was highlighted by their second place in the South Bay Water Polo Tournament. This year, under the leadership of coach **Chick McIlroy**, the team had to make many changes. The players had to adjust to a new coach and his coaching methods. Thanks to hard work and dedication, at the conclusion of the season, Captain **Jarret Winter** and **Matt Crawford** were selected to the All-League 1st team. **Glen Schneiderman** and **Steve Barber** were selected for the All-League 2nd team.

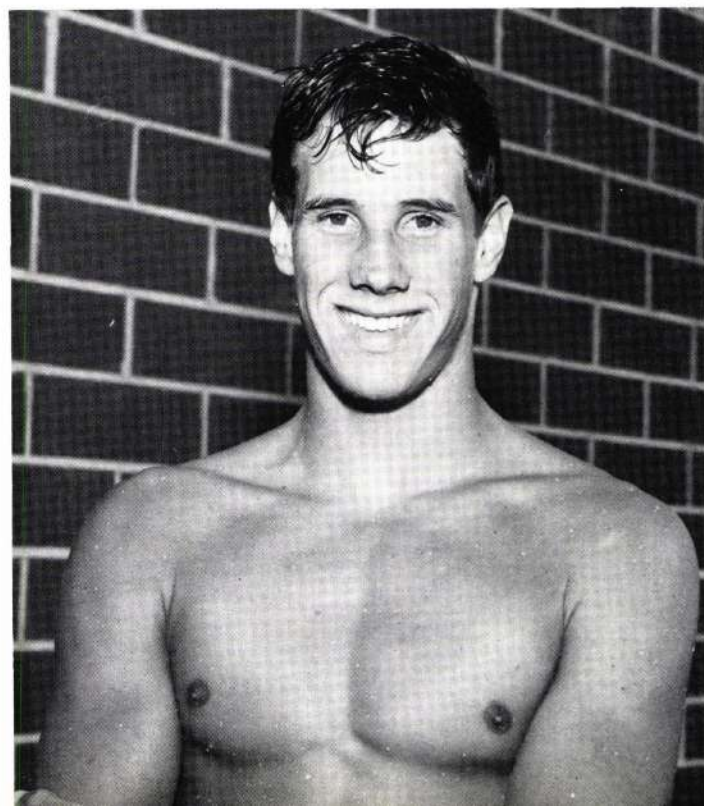

1. **Jacob Neushul** goes for the ball.
2. Everyone just seems to be reaching for something.

Even though the frosh/soph Water Polo team was plagued with illness and an excess of players, the team pulled together to complete an impressive season. This future CIF team placed third in league. Leadership from **Joey Lauro** and inspirational time outs from **Steve Walther** pushed **David Isom** and **Sean Travis** to the brink of greatness on many occasions. The future is indeed bright for these young aquamen.

This year's girls' volleyball team had an excellent season. Under the coaching of **Richard Henkel** and **Jim Boyle**, the team had a season record of 9 wins and 7 losses. The team also qualified for C.I.F. playoffs, in which they advanced to the second round where they were defeated. Yet, this did not tarnish their otherwise shining season. Some of the key players over the season were **Andrea Stockert**, **Wendy Wright**, and **Kristy Rauch**. These players were three of the major catalysts of the girls' varsity team. All of the other girls on the team had an outstanding season as well. Congratulations on a great season and good luck, girls, in the future!

And Here's JV

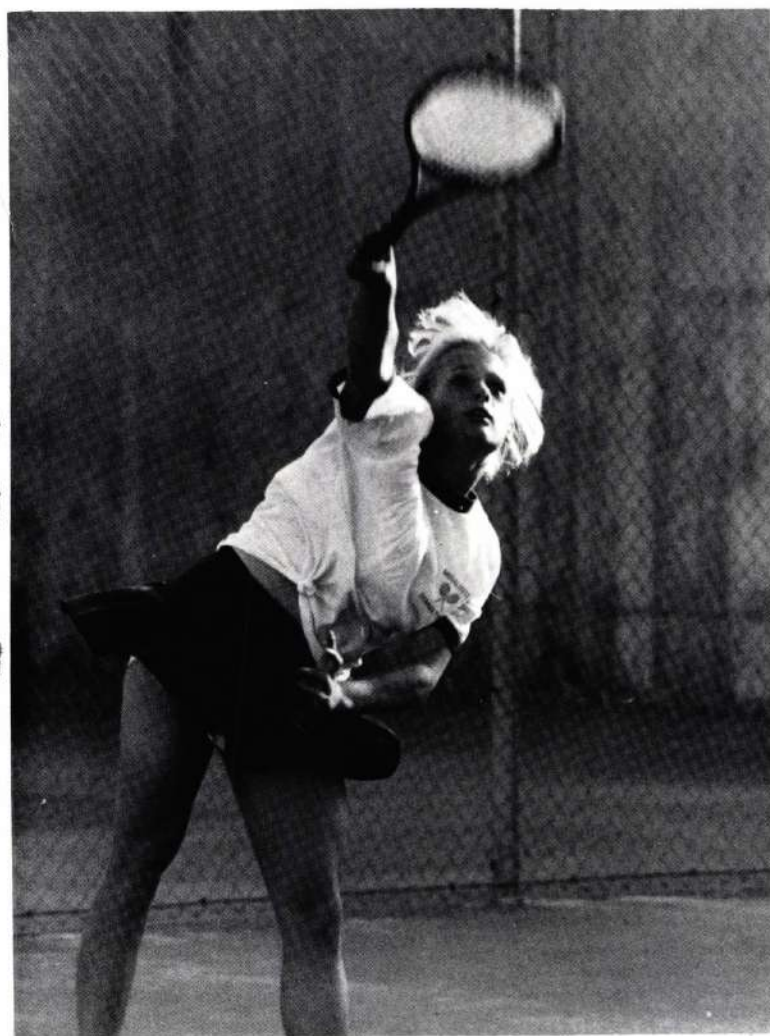

This has been the third consecutive year in which the Marauder girls' tennis team has made it to the CIF 4A finals. Coach Jim Hanson inspired his team to play aggressively and enthusiastically. The team not only made it to the finals but swept their rival Palos Verdes off their feet with a 14-4 victory.

This is just one example of the 20 wins Miraleste had in their season, leaving them with a perfect record. Their victories were led by their spirited captains Stephanie London and Krista Amend. Along with them were Kim Po, Melissa Kaiser, Tricia Simpson, Christy Bailey, Heidi Hoffman, Erica Hanson, Rebekkah Utzinger, Monica Schuck, Aimee Akhlaghi, and Nina Cullen. Because of the great coaching, organization, and support of coach Jim Hanson, this year's varsity team has proven themselves invincible.

Miraleste's junior varsity squad, led by captain Mandy Gibbs, proved to also be an enthusiastic group. They too had their share of wins this season. Together, the Varsity and JV teams are great teams and are looking forward to defending their crowns next year.

X-Country Strides Towards Perfection

Both the boys' and girls' cross country teams did a spectacular job this year. The team spent many long, strenuous hours training to prepare for their season. As a result, the victorious team made it to CIF. The most valuable runner, **Gary Stolz** who has only run for 3 years, led the boys' team to victory by receiving 9th place in 2A division CIF finals out of all Southern California. **Ted Ng** and **Lew Hankins** also helped lead the boys' team through a good year. The girls' cross country team also went to CIF and did an outstanding job. The team had strong performances by **Angela Guerrero**, **Jodi Kemp**, and **Natalie Keese**.

Coach Towers, referred to as "Stormin' Norman", was proud of his teams' accomplishments.

Miraleste Boys' Tennis had a "semi-rebuilding" year with the loss of the four top players from the 1986 team. This year's team compensated with solid depth and balance in the top twelve players. The team was led by three seniors: **Greg Po**, **Marcus Shen** (co-captain), and **Rex Hoffman** (co-captain). Some important matches were against Beverly Hills, Palos Verdes, and University. As usual, the goal was to reach the CIF-5A finals and win. Because of the expert coaching of **Jim Hanson**, the team did quite well.

Boys' Varsity Soccer had an outstanding season. The hardwork and talent of such players as **Max Schroeder**, **Todd Hollingshead**, **Mike Christensen**, and **Brad Puskas** gave the Marauders an exceptional team.

The Boys' JV team had an equally extraordinary season. Both **Brian Puskas** and **Jack Christensen** gave good performances this season and showed great potential for next year's Varsity team.

The girls soccer team did a fantastic job this year. The squad was comprised of many talented players such as **Brandi Pilato**, **Kerri O'Kane**, and freshman **Lisa Parsons**. **Susan Snyder** was an excellent goalie. They each helped lead their team to victory.

The JV team was #1 in their league. Some strong assets to the team were **Angela Guerrero**, **Laura Servis**, and **Marcella Aguirre**. The JV team did an excellent job and had a lot of support from **Coach Wright**.

This year's wrestling team proved themselves to be a team to contend with. The team started off their season with a third place finish in the Harvard tournament. After the Harvard tournament, the team members participated in a number of individual tournaments, where they fared well. Led by strong performances from **Mark Comings, Toby Graves, and Drake Wesson**, the team entered league matches. The team came up short of their goal, the league championship, as they lost two tough meets, at Redondo and El Segundo. Next year, the team should be even more improved as six of the twelve varsity wrestlers are returning. They also have many outstanding younger wrestlers including **Joe Lauro, Roland Zupke, Pete Stevens, and Mike Reed**. Both the JV and Frosh-Soph teams wrestled well and showed much promise for the future.

The Miraleste High School Golf Team did well this year. They were led by seniors **Gayle Jenkins** and **Steve Wagner**. "Our success this year was in large part because of the improved play of **Mark Freeman**, **Doug Pitchford**, and newcomer **Yascha Feld**," Coach **Roy Wilton** said proudly.

The Golf Program has produced five League Championships and one second place since he took over the program seven years ago. Their greatest achievement during that period was the 1983 CIF Championship team. **Coach Wilton** felt this 1986-87 team could do just as well if they play to their potential.

This year's varsity baseball took a dramatic step towards excellence. With the appointment of new head-coach **Tom Pollock** the team changed to a year-round program. This year **Coach Pollock** put major stress on "thinking like a winner". With the impressive play of **David Johnston**, **Chris Gagliano**, and **Scott Snyder** the team came together and had a successful season. Much of this year's team was made up of underclassmen, but this did not detract from their competitiveness in their season. Their talent and their will to win made them a team to counter with.

The Junior-Varsity Baseball Team proved itself to be strong. Under **Coach Joe Gatlin's** leadership, the team used strong pitching and consistent hitting to achieve one of the best records in years. This was a young team, consisting of four Juniors, six sophomores, and four freshmen. All though they started out slow, the Marauders kept themselves "moving to the right" in their tournament brackets. With a little more improvement and an enhanced desire to win, the Marauders have a shot at the top.

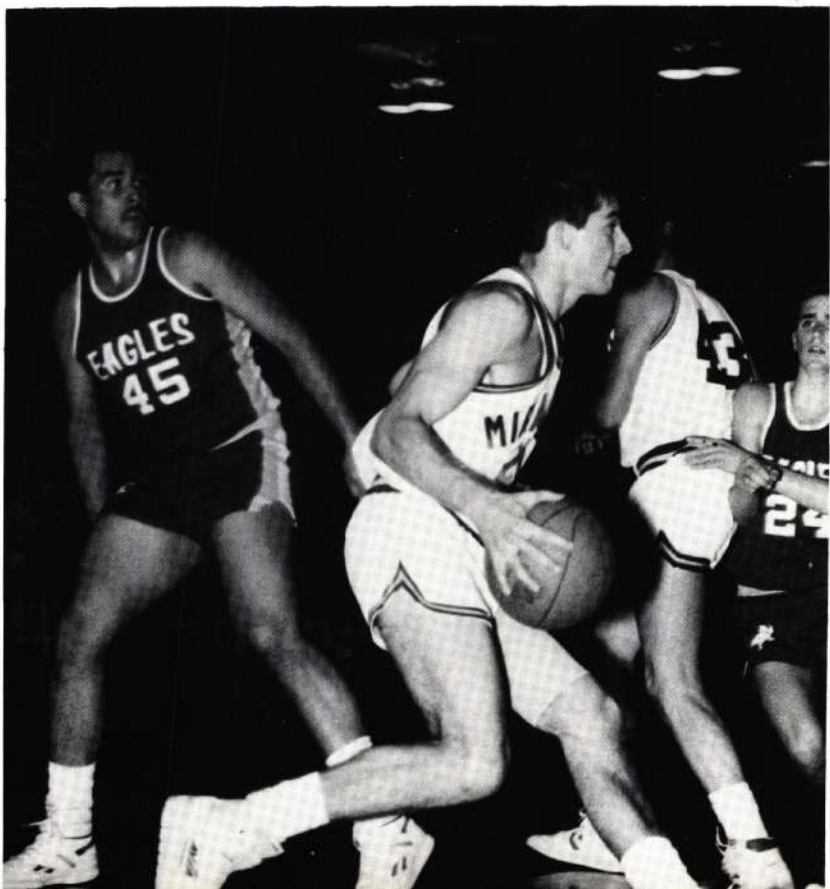

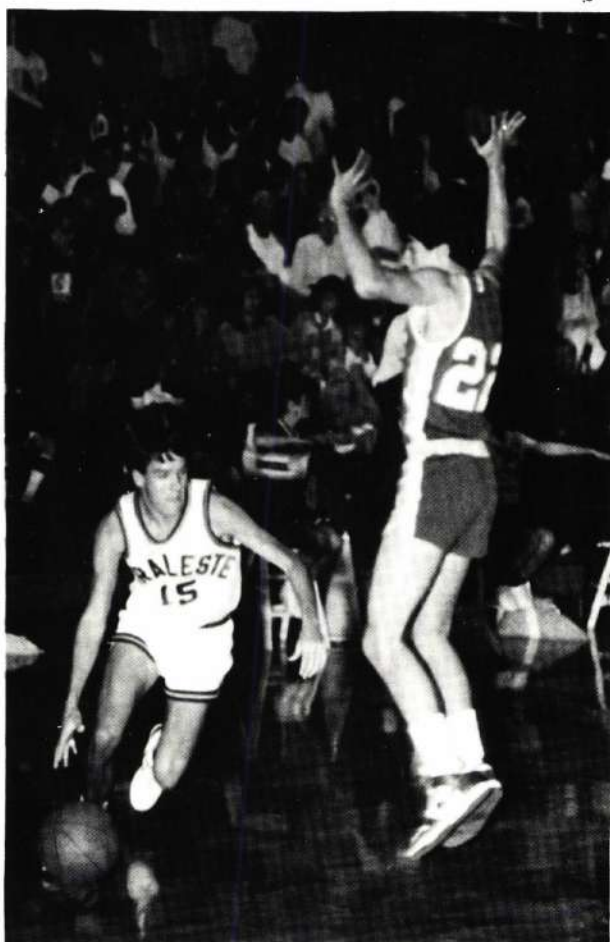

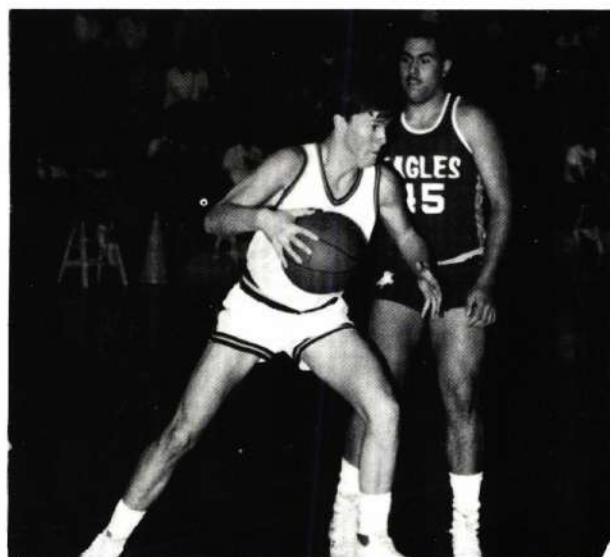

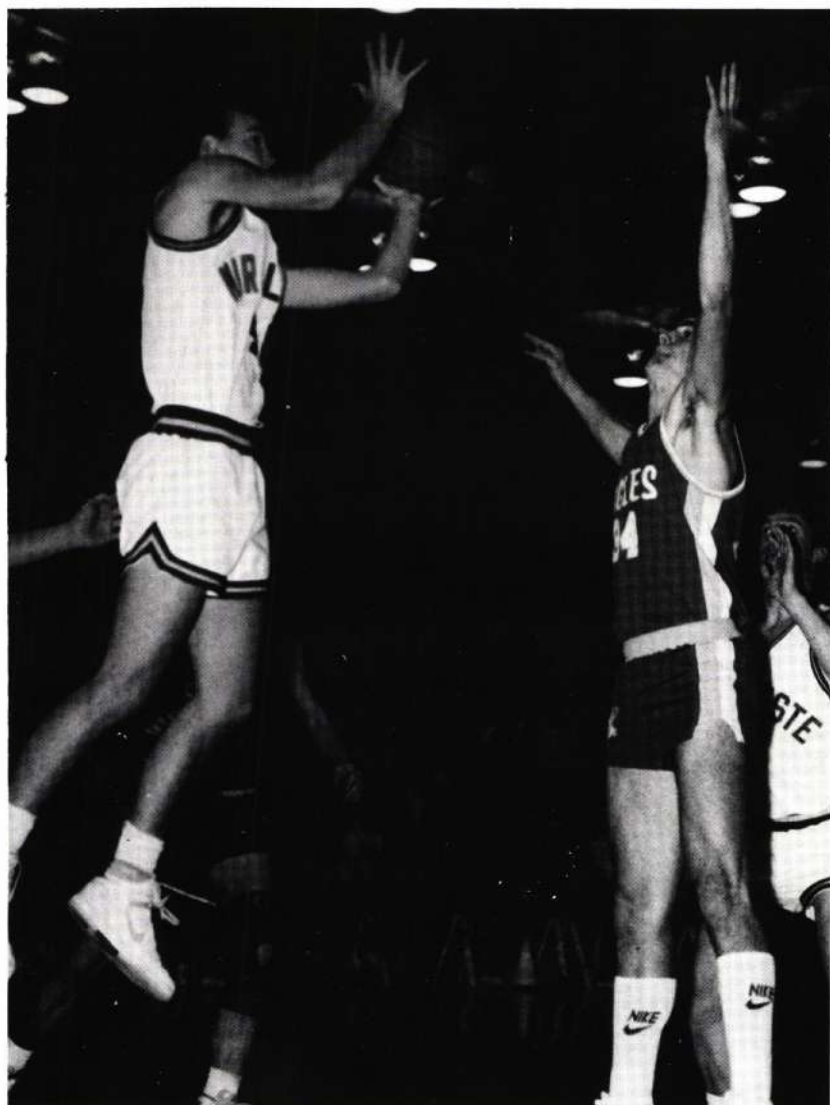

Varsity Basketball Shoots 'Em In

This year, the 1986-'87 Varsity basketball team competed in a very tough Pioneer League. Our Marauder team was led by co-captains **David Johnston** and **Mike Nenadic**. The remaining starters were **Shervin Mirhashemi**, **Rick Fleming**, and **Buzz Klein**. Under the leadership of head coach **Todd Mirsky**, the team played their best. They were faced with many tough challengers. **Scott Snyder**, **John Caple**, and **John Woodward** were great junior assets who will help next year's team.

This years Junior Varsity team had a trying but successful season. Their season started a bit rough, but with the excellent coaching of coach **Jim Small**, not to mention a lot of hard work, they finished the season strong. Some of the key players on the team this year were **Eugene Serina, Scott Klein, Mike Booth, and Lou Budde**. Congratulations on a great season and good luck next year!

This year's Frosh/Soph Basketball team had an outstanding season. The season was highlighted by a league record of 8 wins and 2 losses with victories over both Centennial and Morningside. The team was led by the coaching of **Jim Denver**. A few of the key players on the team were **David Terrell**, **Ricky Nogueira**, and **Jon Stewart**. Many of the team's members will be continuing to play in the future at Miraleste. Congratulations on a great season and good luck in the seasons to come.

Frosh/Soph Basketball Creating The Bonds

The 1986-87 Girls' Basketball team had another fine year with four returning varsity starters. The team greatly improved with the dedicated coaching of **Joe Gatlin**. With scoring and strong rebounding by varsity players senior **Andrea Stockert** (co-Captain) and sophomore **Marilyn Cragin**, the Marauders fulfilled high expectations. The outstanding outside shooting of senior **Janet Perry** (co-Captain), senior **Julie Perry**, and sophomore **Lisa Oswald** further demonstrated the team's strong capabilities. Senior **Kelly Hauge** was the team's key substitute and played every position well.

The Junior Varsity team was led by junior **Stacy Bisk** (co-Captain) and junior **Paula Rosenblatt** (co-Captain). With the help of the other three starters, sophomore **Tanya Pacileo** (co-Captain), freshman **Enna Serina**, and freshman **Vicki White**, the girls' team competed again for league honors.

Unfortunately, **Joan Cragin**, a two-time All-League performer, was unable to play basketball this year due to a medical problem.

Boys Varsity Volleyball moved into the Pioneer League this year. **Coach Henkel's** Varsity team consisted of eleven very strong players. **Mike Christensen, Jim Chen, and Peter Suggett.** The middle blocking position was dominated by **Troy Jankovich, Chris Brandt, Andy Moulton, and Brian Servis.** The setters were **Rick Fleming, Rob Harris, and Peter Leimbach.** **Tim Gabriel** was the back row specialist for the team. **Coach Henkel** said:

"Even though the team was not as experienced and was younger than past teams, their teamwork and comraderie was great." He went on to say, "The players were very coachable and a lot of fun to work with." During the year the team played schools such as Palos Verdes, Rolling Hills, and the Torrance Schools. Overall the team did very well throughout the season.

J.V. Volleyball did very well this year. Coach **Aaron Dyer** and assistant coach **Camden McEffe** thought their team did exceptionally well. Coach **Dyer** said, "The J.V. team is very strong and has good skills." This year's starters were **Jason Frankson** and **Mike Gross** as outside hitters. Dominating middle blockers were **Will Breiholz** and **Chuck Mitchell**. This year's setters were **Nolan Harris** and **Jack Christensen**. Coach **McEffe** said, "The team will undoubtedly take the league this year." The J.V. team also plays teams such as Redondo Union High, South Torrance and other schools with strong volleyball teams. Even though the league was difficult this year's J.V. team did extremely well. Both coaches were impressed with their team's quality playing.

J.V.'s Reaching to New Heights

This year's track team had a long but rewarding season. The team was guided this year by the coaching of **Bill Maynard, Norm Towers, and Gary Kimbrell**. The team benefitted this year by having nearly all the varsity team returning. Some of the key team members this year were: **Gary Stolz, Martina Lauchengco, Marilyn Cragin, and Buzz Klein**. Once again the distance squad rose to the level of their expectations. The sprinting and field events also performed well against all opponents.

The Varsity team captains were: **Jarret Winter** and **Matt Crawford**. **Joe Lauro** and **Wilhelm Zilliacus** were the Frosh/Soph captains. The top swimmers were **Jarret Winter**, **Steve Barber**, **Steve Kan**, and **Matt Crawford**. The future stars of the team are **Bruce Jones**, **Mark Willoughby**, **Wilhelm Zilliacus**, and **Steve Walther**.

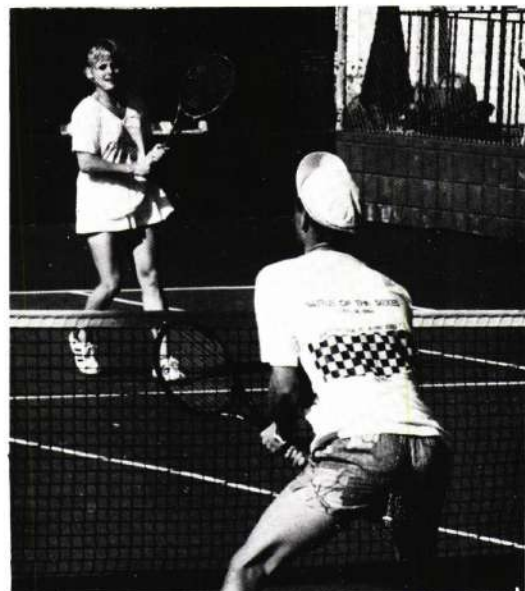

Boys' Swimming Plunges To New Heights

Wednesday, March 12, 1987 is a date that will live forever in tennis history. It was the year the girls had their championship year with a team many called the best ever assembled. The guys followed their winning tradition and again finished as one of the top teams in CIF.

The ladies were led by captains **Stephanie London** and **Krista Amend**, both of whom figured to extend their winning streak. CIF doubles champions, **Tricia Simpson** and **Christie Bailey**, tried to match the boys' strength in doubles, but like the rest of the team, with little success.

The gentlemen had been together as a team for only two weeks, but it was hard to tell from the match. Veteran seniors, **Rex Hoffman**, **Joe Lademan**, **Greg Po**, **Marcus Shen** and **Scott Tremonti** foiled the girls' plan for victory.

Despite the girls' enthusiasm and talent, the men came away with one more win for the 1987 season.

1. **Krista Amend** can only stand back and stare at sexist **Scott Tremonti's** outfit. 2. "Will you still love me even if I beat you, Kim?" says **Greg Po**. 3. **Marcus Shen** and his men dance to the beat of a victorious drum. 4. "Not bad for a couple of girls," say **Matt Thorton** and **Joe Lademan** to **Heidi Hoffman** and **Melissa Kaiser**. 5. If looks could kill, no matter how good they are, **Stephanie London** just murdered the photographer.

A Dynasty Ends

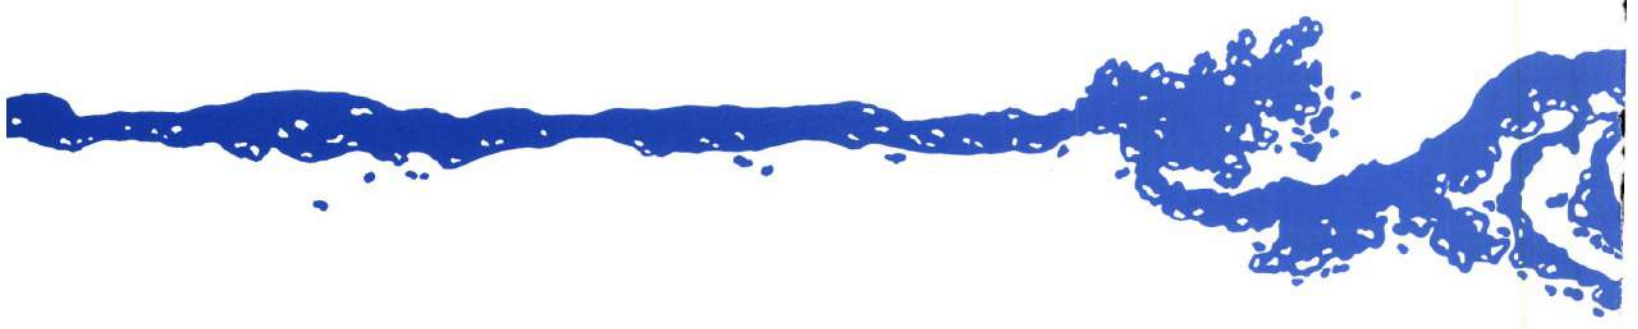

In 1977, **Gary Kimbrell** became the Head Football Coach at Miraleste High. During these last ten years, he has positively influenced more than 500 student-athletes. Building and strengthening a program is a task that not only takes patience but also perseverance and self-dedication. **Coach Kimbrell** was a model for his athletes with the same self-discipline, loyalty, and dedication that he imposed upon himself. It was important to him that his players be a cohesive unit both on and off the field. He believed that "Some of the best friends that you make during your lifetime are those you play high school football with." **Coach Kimbrell** will be missed both by those who worked with him and for him, but most of all by those student-athletes who played for and learned from him.

"Success is peace of mind—which is a direct result of self-satisfaction in knowing you did your best to become the best that you are capable of becoming."

Clubs

Spanish Club

The 1986-87 Spanish Club is a group of approximately 140 students dedicated to Spanish conversation and learning more about the cultures of Spanish-speaking countries. Under the guidance of these officers: President-**Kelly Biby**, Vice Presidents-**Susan Tuttle** and **Lisa Hyland**, Secretary-**Anne Powers**, and Treasurer-**Chris Brandt**, the Spanish Club participated in general activities, for the purpose of raising funds as well as promoting interest in Hispanic studies. Some of the fundraisers sponsored by Spanish Club included selling popcorn at basketball games and selling Christmas gifts through catalogs.

Spanish NHS

The Miraleste chapter of the Spanish National Honor Society is an organization of high achievers who are definitely going places. The students have proven a deep and sincere interest in the Spanish language. Bestowed with this honor, they are acknowledged for their achievements and are encouraged to further their studies in Spanish.

This past year, under the guidance of the very dedicated **Mrs. Hagey** and the leadership of President **Cindi Kim**, Vice President **Kelly Hauge**, and Secretary/Treasurer **Naoko Miyashita**, members attended an initiation ceremony with complimentary dinner and received gold seals on their diplomas.

Ping Pong Club

The 1986-87 Ping Pong Club is one of the newest clubs on campus. Almost one hundred members were recruited on Club Day. Under the leadership of co-Presidents **Todd F. Hollingshead** and **Marcus J. Shen**, Vice President **Max Schroeder** and Sergeant at Arms **Steve Borodkin**, the Ping Pong Club organized events such as the 1st Annual Miraleste Table Tennis Tournament and the Ping-Pong O'Grams. The club motto says it all- "Only those who play ping pong truly live."

In the past years, the Altruist Club has been very small, but this year the club has made a real comeback with over 50 members. Our functions are mainly charitable. This year's events included visits to convalescent homes, orphanages, and schools for less fortunate adults and children. Funds were raised through bake sales, socials, and car washes. The club had a successful year under the capable leadership of co-Presidents **Shelle Sepko** and **Sharon Swart**.

The Follies: Comedy Relief At M.H.S.

On April 2 and 3, comedy came to M.H.S. in the form of the **Miraleste Follies**. This vaudeville show was the brainchild of **Mrs. Stevens, Mr. Kohler, and Mrs. Crawford**, and was hosted by **Andrea Stockert and Alma Ferrera-Grand**. The **Follies** was a "talent" contest involving faculty, clubs, and individual performances by students. All the preparation and talent of the participants was readily apparent once they were under the spotlight. A highlight of both evenings was "**The Way We Were**," a hilarious spoof of a "typical" class period at Miraleste, starring the faculty. The **Follies** also included special guest stars **Julio Iglesias (Mr. Kaczmarek)** and **Willie Nelson (Mr. Maynard)** serenading the lovely mystery lady, **Mr. Pollack**. All four service clubs were participants in **The Follies**. **Girls' Service Club** represented by **Sharon Reynolds and Patricia DiCarlo** did an excerpt from **Guys and Dolls**. A lip sync to "**Roadhouse Blues**" was performed by **Girls' League**, and **Key Club** voyaged to the South Pacific with "**There's Nothing Like a Dame**." **Interact** added some culture to **The Follies** with their rendition of **Swan Lake**. The **Follies** was also peppered with the fun-loving humor of **Tweetle Bird**. Other performances included **Girls' Athletic Club, Drama Club, Psychology Club, The Malaquenas, Cori Blair, Kendra Ishak, Lisa Jacobelly, Sonomi Nabors, and the WBOA's**.

Girls' League

At the beginning of the school year, I was waiting nervously to begin all the activities planned for Girls' League. The year started at the Rolling Hills City Celebration. Soon after this, we held our caucuses, and we ended up with the largest club ever: 59 girls. The new girls were initiated by being kidnaped and then brought to school in their nightgowns after a nourishing meal of donuts and OJ. We had several fundraisers to raise money for the biggest club event, this year's Winter Formal!! KROQ's "Jed the Fish", a raffle by Friar Tux, and all the decorations made this formal one of the most successful ever!! After the formal, progressive dinners and self defense nights were planned. This year wouldn't have been nearly as successful without the incredible support of all the board members. Vice President **Michelle Trutanich** was always willing to help with anything. I couldn't have done it without her. Secretary **Lori Levering** kept everyone in line and was at every meeting with her attendance notebook handy. **Birthe Lauchengco** as Treasurer kept the books balanced and **Shelly Samples'** input as Social Chairman was always welcome and appreciated. We watched the year in review due to the efforts of historian **Michelle Moret** and her great slide show. Last but not least, **Paula Scherlacher** tried her best to keep the meeting quiet with her infamous squirt gun. All these people and the terrific club members made this year's Girls' League very special. The friends, memories, and good times won't be forgotten.

Girls' Service Club

This year's Girls' Service Club was definitely a very busy and successful year, with both serving the school and community and just having a lot of fun. The year started out fast with the help of **Patricia DiCarlo**, Vice President of Service, working hard on planning many activities such as a can drive for the poor, working with the blind, and much more. They never had a dull moment thanks to the help of **Anne Fallgren**, Vice President of Activities. She was constantly working to make sure everyone was having fun. She planned the club games and the activities such as the Key Club progressive dinner and the annual Spring Fashion Show with Interact. One of the main focuses of the year was the Spring Casual. Due to the success of the first one last year, we wanted to at least match the success of it. Due to this year's extremely large club, there's no way I could have made it through without **Melissa Appleby**-Recording Secretary, and **Mary Ellen Gordon**-Corresponding Secretary to keep me on top of the club. Treasurer **Kim Mayer** also worked very hard. **Mrs. Contreras** was our sponsor last year and was again this year.

Key Club

The Miraleste High School Key Club, a part of Key Club International, is sponsored by the Kiwanis Club of San Pedro. Key Club International is the world's largest high school service organization, with 123,000 Key Clubbers in more than 3500 high schools in ten countries.

In observance of this year's theme, "Understanding: the Pathway to Progress", our M.H.S. club has offered its services to local people and organizations who are in need of volunteer assistance. We have worked at the Peninsula Music Fair, the Rolling Hills Estates celebration, and the Clean-Up M.H.S. Day.

In addition, we collected and distributed toys to underprivileged elementary school children in San Pedro at Christmas, and held an Easter egg hunt for handicapped students at Willenberg Center.

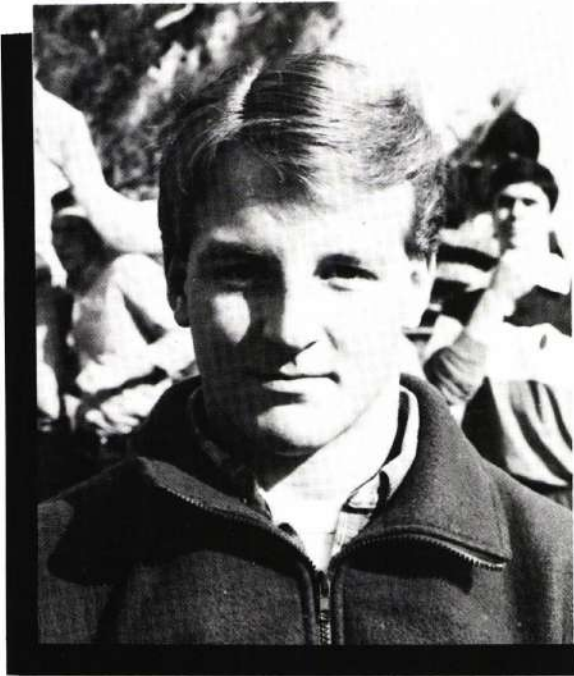

Key Club couldn't have been run without the help of **Don Orsillo**, Vice President; **Chad Budde**, Secretary; **J.J. Burch**, Secretary; **Rex Hoffman**, Treasurer; **Mark Comings**, Sergeant at Arms; **Marion Hanson**, Sponsor; and all of the Key Club Princesses.

The fine year that Key Club has had this year will help to make the club even better in the future.

Interact

The Members of the 1986-87 Interact club were strongly committed to having a club which remained active throughout the entire school year. Under the supervision of the Club advisor, **Mr. Tom Pollock**, the members of Interact developed a strong sense of unity and worked together to achieve their goals. Interact helped to develop school spirit and pride by working with other service clubs for the benefit of the community.

Interact began the year by sponsoring the blood drive and by helping out at the Rolling Hills City Celebration. Other projects included the Homes Tour, the Quilt and Craft show at the Botanical Gardens, and various 10K runs such as the P.V. Library Run and the Tom Sullivan St. Patrick's Day Run. The Club also helped out at school by parking cars at graduation and back-to-school night, and by co-sponsoring the 4-Club Halloween Party and progressive dinners.

This year has been an active and fulfilling one for all of Interact's members. The amount of time that Interact's members spent working together resulted in many new friendships and a strong sense of unity within the club.

"French Club had a most successful and memorable year!" exclaimed French Club President **Patricia DiCarlo**. This year's other officers were **Toby Goldenberg**, Vice President, **Christine Minugh**, Treasurer, and **Jennette Gill**, Secretary. The extremely supportive sponsor was **Madame Maler**. The club organized the popular homecoming raffle and other fundraisers. Some social activities included enjoyable French dinners, discussions, and films.

French NHS

The French National Honor Society was established in 1981. The requirements for entrance into this elite club are very strict. A student must have an "A" average in French, as well as high overall grades and a genuine interest in the language. This year's president was **Lori James**, and the club's sponsor was **Madame Maler**. This year's members participated in a variety of exciting and enriching activities. "All in all," summed up **Lori James**, "we had a lot of enthusiastic members this year, and it was a lot of fun."

Bottom row (l-r): A. Prock, P. DiCarlo, L. James, D. Chinowsky, J. Gill. Row 2: A. Goldstein, J. A. Beazley, J. Zinkin, S. Matthews, R. Lin.

Psychology Club

The aim of Psychology Club is to encourage students to learn more about psychology and to help members understand their own and other peoples' reactions to certain situations. This year's president was **Rhys Williams**, and the club's sponsor was **Mrs. Dixie Stevens**. According to **Rhys Williams**, "Field Trips and guest speakers increased the members' understanding of current social problems, such as drug and alcohol abuse." This year proved to be a learning experience for all members.

Library Advisory Council

According to chairperson, **Stephanie Cobble**, "The purpose of the Library Advisory Council is two-fold: to support the school library through various activities and to support the public libraries in their program." **Stephanie Cobble** is also the Miraleste Student Representative to the Palos Verdes Library Board. **Mrs. Mary Oran** sponsors this diligent council. Committee work done included: assisting with the Book Fair, reviewing of books and compiling book lists, and volunteer service for the public library system. This council's hard work was very beneficial to the school and public libraries.

German Club

This year's German Club was led by Presidents **Stephanie Cobble** and **Asa Gitter**. The club was under the sponsorship of **Louise Koch**. German Club's excursions included a trip to Alpine Village, an Oktoberfest party, dinners at various restaurants, and numerous fundraisers. Highlighting the year was the visit from 16 exchange students from Bad Iburg. They lived with Miraleste students for one month in the spring. While they were here, the German Club funded special trips to Disneyland, Universal Studios, and Marineland.

Torreón

Under the leadership of Editors-in-Chief, **Alan Goldstein** and **Eric Cheng**, the 1986-87 Torreón staff brought new innovations and excellence to the newspaper.

The year also began with a newly appointed editorial board composed of **Ralph Lin** and **Tom Fitzgerald** (News), **Lisa Grider** and **Tahnya Gallio** (Opinions), **Kristen Leidig** and **Maye Chen** (Features), and **Don Orsillo** and **Michelle Chambers** (Sports).

The overall guidance of advisor, **Barbara Covey**, and reliability of Managing Editor, **Brian Arthurs**, proved to be invaluable to the entire staff.

Quill and Scroll is a nationwide organization sponsored by the University of Iowa. It is composed of high achievers in the field of journalism. Members are required to be ranked in the top third of their class, and are usually active participants on the school newspaper or yearbook staffs. This year, the Miraleste chapter submitted issues of the Torreón for professional evaluation by Quill and Scroll. Members also entered in the Southern California Journalism Education Association competition. Once again, Quill and Scroll provided much excitement and opportunity for the journalists on campus.

SADD

SADD, Students Against Driving Drunk, is an organization set up to make students more aware of the problems of Driving Drunk. Its primary purpose is to get as many members as possible. This year the members hope to set up a program to give people rides home when either they or their friends have had too much to drink. In the last four years since the club was founded nationwide, the rate of teenage Drunk Driving incidents has gone down 13%. As the club continues to grow, we are looking forward to one day erasing all incidents of Drunk Driving Accidents.

Model United Nations

Once again, Model United Nations had a busy and exciting year. MUN is designed to help people understand the complex world of international politics, but more importantly, to teach interested participants how to get along with and work with other people of different backgrounds. This year MUN traveled everywhere, starting off with a return to the UC San Diego conference in November. After a brief pause, the club attended conferences at UC Riverside, Ocean View, and Sanger. As always, MUN represented Miraleste in excellent fashion, and hopes to do the same in the years to come.

Girls' Athletic Club

The Girls' Athletic Club had been an idea among many of the girls who were involved in the Miraleste sports program. The girls felt that since there was a Letterman's Club there should also be something equivalent for the girls' athletics. **Peggy Toll** paved the way for the club with the help of **Coach Maynard** as a sponsor.

The club was started in 1986 for the main purpose of giving girls' sports at Miraleste more recognition. The school and community needed to know that not only are the Miraleste boys' teams successful, but so are the girls' teams.

The Running Club's main goals are to support the ever-popular sport of running. This year we raised money for both the Cross-Country and Track teams while also advertising and encouraging participation in nonschool races. With our sponsor, **Coach Towers**, we met every Monday to discuss fundraisers, publicity, and new running knowledge that we might have gathered. A running library was also available to all during the entire year. Although there were less members than last year, we were a greater factor in school life due to more publicity and harder work from our members.

Latin Club

This year's Latin Club's main goal was to have fun while learning about Roman life and modern applications on the verbal section of the SAT. Among the club's extra-curricular activities included a trip to Magic Mountain and a beach party. Another highlight of the year was a Roman festival with athletic and academic competitions. As well as going to the Gardena Banquet, the Latin Club had its own.

Lettermen's Club

The Letterman's Club was stronger than ever this year, led by co-Presidents **Joe Mahoney** and **Joe Clark**. The Letterman's Club is open to anyone who has participated and lettered in a varsity sport. The club has over 75 members this year, making it one of the biggest and most important years for the club.

The club's main goals are to order letterman jackets and to promote school spirit in MHS sports. The club's supervisors were coach **Gary Kimbrell** and coach **Jim Small**. Today, every member in the club strives for perfection: which is one quality of a letterman of Miraleste.

Physics Club

This year the Physics Club plans to sponsor educational trips to a variety of places, including: The Museum of Science and Industry, The Griffith Park Observatory, and Magic Mountain. The club will also be a major factor in sponsoring the annual Physics Olympics. The Physics Club provides students with a fun, interesting opportunity to apply classroom theories to the physical world, giving them better insight into the world they live in.

Academic Decathlon is a 10-event competition comprised of many academic groups, such as mathematics, along with several other groups such as speech and interview. The major competition of the year was the county competition. Miraleste has always done exceedingly well this competition, and this year was no exception. Coached by Mrs. Kordich, preparation started in the summer, with a class devoted to the competition 6th period during the school year. Long hours were spent studying everything from early Renaissance painters to the working of nuclear chemistry.

National Honor Society

Any NHS member will tell you that there is no greater pride on campus than to be part of the elite "Society". National Honor Society is, in fact, a group of exceedingly talented individuals who excel in leadership and student activities, both on and off campus. In the spring, sophomores and juniors with a GPA of 3.0 are allowed to apply for membership, and a faculty council reviews all applicants before granting admission.

This year, the NHS Book Fair was moved up to December, and the atmosphere was brought into Christmas cheer with the help of the girls' service clubs, the Band, and the Chorale. Another service dedicated to the intellectual stability of all MHS students was free tutoring twice a week. For the first time in NHS history, excitement and fervor peaked every Friday at lunch when the TRIVIA CHALLENGE question was read off. The winners walked away with substantial prizes.

Nevertheless, none of this could have been so beautifully performed without the fine-tuned support of sponsor, **Linda Kurt** and the steadfast, all-knowing help of **Mrs. Marlon Hanson**. This year's president, **Scott Douglas**, served an ever-challenging and seemingly endless term. His collapse would have been unavoidable without the encouraging assistance of **Eric Cheng**, VP, **Cindi Kim**, Secretary, and **Birthe Lauchengco**, Treasurer. Congratulations, NHS members, for an extremely successful year.

CSF

The California Scholarship Federation (CSF) is the largest organization on campus. The club is dedicated to recognizing those who have achieved excellence in academics. In previous years, an "A" has been worth 3 points, a "B" in an honors class was 2 points, and a "B" was one point. One of the highlights of the year was the presentation of the Gold Seals to members who were able to maintain membership for four semesters, one of which must be in their senior year. No longer content to remain just an academic club, members are making efforts to contribute to the good of the whole school.

Chess, Games, and Computer Club

This year saw the consolidation of Chess and Games Club and the Computer Club into one "massive" club. Because of its "unprecedented" size and the loss of its old sponsor, the new victim . . . err, advisor was **Mrs. Marcia Risdon**. To aid **Mrs. Risdon** in her "staggering" duties as club advisor was this year's president, **Bryce Agnew**.

The "new" Games Club met twice a week on Mondays and Wednesdays in room 505A. Popular games this year were "Nuclear War", "Illuminati," and "Paranoia." Activities for this year included going to a gaming convention and "conquering the world."

Bottom row, (l-r): **K. McAuley**, **M. Monfort**, **B. Agnew**, **K. McAuley**, 2nd row: **J. Matthews**, **G. Yamato**, **R. Williams**.

Math Club

Math Club is a fun and challenging club for those mathematically inclined. Under the guidance and training provided by sponsor, **Mr. Koch**, Math Club sent teams to several different competitions throughout the year. In the Spring we sent our two finest competitors to a nerve-wracking, head-to-head competition with the state's finest mathematicians at Pomona College, where we did battle with the likes of our district rivals to defend our second place position from last year. Winning or losing was less important, though, than the fun we had and the horizons we broadened.

Drama Club

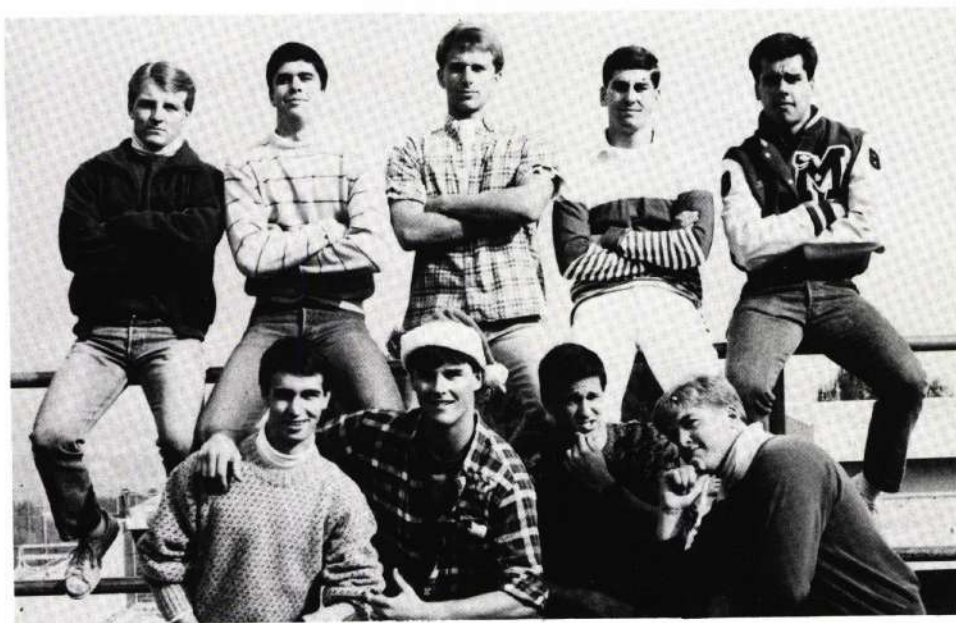

This year a fresh, new drama club got off to a great start. The club's basic purpose is to raise funds for the fall show and spring musical, and fortunately, President **Sharon Reynolds**, Vice President **Steve Zimmerman**, Secretary **Lani Seidel**, and new advisor **Dixie Stevens** had a very enthusiastic group to help them out. On top of the biannual mainstage productions, club members were occupied with various theater events and competitions throughout the year. Drama Club successfully provided all those involved with challenging, exciting new experiences.

Los Creadores

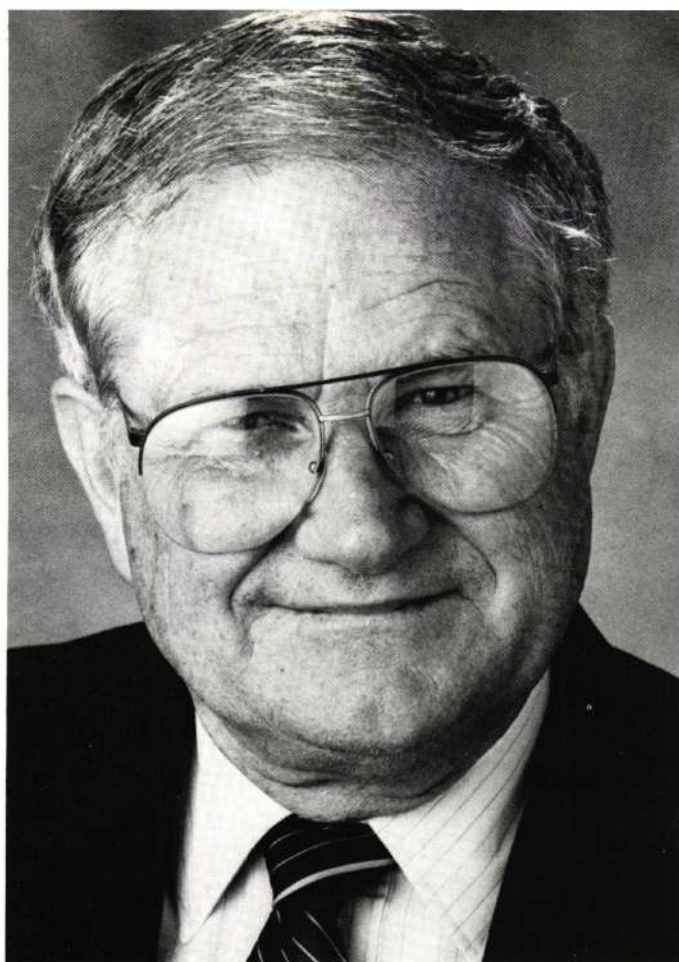

The Art Club is a fund raising "scholarship" school club designed for the sole purpose and function of raising monies through the creating and selling of student art/clay works to the public. All funds are to be given to graduating seniors who will be majoring in art at college. Areas of student recognition and awards of recognition are in Drawing and Painting, Design/Graphics, or Ceramics. **Mr. DiSanto** is the sponsor

District Administration

Handling such issues as how to save Miraleste High School and dealing with declining enrollment has kept Dr. Jack Price the Superintendent of School and his fellow staff officers occupied this year. These unfortunate problems have challenged their objective of maintaining the highest academic standards possible.

The District Administration also has other delegated tasks. The Administration must manage day to day duties and apply the policies established by the School Board. It is essential that the School Board and the Administration coordinate their efforts to be effective towards achieving their goals. Maintaining records and staying in harmony with the state educational laws is another responsibility the Administration has to respond to. As a result the School Board has given the District Administration large workloads and created for them many challenges.

School Administration and Counselors

When you look back at your 1986-87 school year, you will not only remember your friends and classes, but the Administration and Counselors as well. You will remember the pleasant, warm atmosphere of academics and activities. If you have taken advantage of the many opportunities which exist, you leave high school prepared for the next step in your life. The counselors have helped you prepare for college and the outside world.

The Principal's Advisory Council has been very beneficial to Miraleste. Topics of discussion ranged from student problems to how to keep Miraleste open next year. Although the council's objectives varied, their overall objective was to improve Miraleste's image.

At the beginning of the year the members were carefully selected with the intention that the chosen Principal's Advisory Council members would represent the whole student body.

In its third year, the Principal's Advisory Council has certainly proven to be an asset to the school.

Two Miraleste Teachers Receive

"If there was ever a Mrs. Miraleste High School, then **Marion Hanson** would fit that qualification," said Principal John White. So it is befitting that on October 23, **Marion Hanson** was selected as the 1986 recipient of the Claude E. Norcross Educator of the Year Award at the high school level.

Marion Hanson began teaching English at Miraleste eight years ago, but her involvement with the school began much earlier. Two of her daughters attended Miraleste on its opening day. As an MHS parent, **Marion Hanson** was actively involved in raising money for the construction of our swimming pool. She's also well known because of her extensive involvement in extra-curricular activities. In addition to being voted Marauders' Most Loyal Fan by various teams, she is also an honorary member of the Pep Squad. Other extra-curricular activities of hers include sponsorship of the Key Club, as well as having sponsored the National Honor Society for seven years.

As co-chairperson of the English Department, **Marion Hanson** created an accountability system for lost books and received \$2,000 from the Innovative Project Committee to augment the school's collection of world literature class sets. As a teacher she encourages students to enter writing contests throughout the year. This year, three of her students took first, second and third place awards in the Allbright American Essay Contest, and another received the very prestigious writing award from the National Council of Teachers of English Achievement. In addition, 90 percent of her advanced placement students scored a "3" or better on the A.P. exam. She is also currently involved in the National Council of Teachers of English and is a judge for literary magazine contests. Marion is on district committees for implementation of Model Curriculum Standards and revision of the Writing Project.

Well Deserved Recognition

Young Educator of the Year Award winner for the Redondo Beach area, **Linda Kurt**, is pleased at being recognized for something she enjoys doing. This award is for outstanding teachers ranging in age from 21 to 35 years of age. Eligible educators can teach at any level, from elementary to high school.

Mr. White recommended **Mrs. Kurt** for this award due to her exceptional record as a Physics teacher. She has managed to dramatically increase the size of all her Physics classes in only a few years.

After the principal's recommendation, **Mrs. Kurt** took a short test which helped the judges of the contest compare her to other teacher also in the competition.

The questions, which she described as "fairly vague" involved such ideas as how she handles disciplinary problem and how she tries to explain difficult concepts to a student that doesn't understand. Overall, the questions dealt with how a teacher teaches.

In addition to her responses on the test, **Mrs. Kurt's** school related extra-curricular activities were also taken into account. As Girl's Swim Coach, NHS Advisor, Physics Club Advisor, and Administrative Advisory Board Member, **Mrs. Kurt** leads a busy life on campus.

As the winner of the Redondo Beach area award, **Mrs. Kurt** automatically became a state semi-finalist, and now is one of the five finalists for the statewide competition.

The English Department has taken several strides this year towards achieving their primary objective. This was to teach students how to write intelligent, coherent, well organized papers by the time they graduate. WANDA, teachers were assisted in aiding the students to perfect their writing skills. Miraleste also had an outlined program for all freshmen and sophomore English classes. Another important aspect of the department was the study of famous literary works. Such famous writes as Shakespeare, Chaucer, Dante, and Steinbeck were studied. This was then transformed into essay and other writing projects. The time and effort this year's teachers from the English Department put into achieving their primary objective has enhanced the writing ability of the students.

The Mathematics department at Miraleste is designed to meet the needs of all the students through different levels of curriculum. Each student must take four years of mathematics. This curriculum is continuously upgraded and ensures that the student will receive the best mathematical education possible. Classes offered by the department include: Algebra I, Algebra Prep, Algebra II, Business Math, Calculus, Geometry, Math I, Pre-Calculus, Trigonometry.

During the past 2 years, the District Administration has attempted to unify each of the high schools in terms of their course curriculum in the areas of Science and Mathematics. This has been accomplished through curriculum study committees that preview texts, review course objectives, etc. This past year, for example, each high school Biology program within the district adopted the same text and course objectives for the first time. Similar inroads have been taken in the remaining Physical Sciences and Life Science.

In coordination with these efforts, our department has strived to refine our course material so that each student will be exposed to a variety of material without duplicating or eliminating crucial areas in the science framework. Our objectives for unification have been further enhanced by the merging of the Dapplegray program with our own. This will allow us to integrate and direct the science curriculum from a unique position beginning with grade 7 as opposed to grade 9. We are looking forward to a demanding year, but also a rewarding one as we continue to formulate and reconstruct a curriculum that will meet the needs of the largest segment of our science students.

Make New Friends . . . But Keep The Old

Lounging on the Lawn

The lawn, an often popular gathering place at lunchtime, is the center of activity at noon. Its easy-going atmosphere makes it an attractive place to meet friends as well as make new ones. Famous for exciting class competitions, bands, and performances by the Miraleste Pep Squad, it provides the perfect place to enjoy one's lunch. Also, it's often the place where students fill out ballots deciding their favorite guys and girls of M.H.S., such as the Winter Princesses. The lawn can be an entertaining place, which makes it the most pleasant eating area on the Miraleste campus.

Half-waking and half-sleeping —
where fact and fancy meet.

dreams as sweet as wine.

Reality: You're far away

The dream: (turn back,

Let happiness belong to me.

After School : What a Difference!

All day long Marauders methodically go to their classes. After school, these students change. They become alive. Students spend their time doing various things ranging from homework, to sports, to jobs. It is during these hours when a person sheds his school identity and can become someone else. About a half hour before the end of a student's last class he will glance at the clock and count the minutes until he/she can leave behind his academic classes and leave to do "more important things". At the end of the day Marauders can cut loose, be themselves, and enjoy their youth.

Friends to the Ends

So many things are short-lived—romances, beauty, youth. But, there is something that will last forever, and that is a true friend. Forever is a very long time, and it is good to know that there will always be someone there to talk to, a shoulder to cry on, someone to share good times with and to keep you from being too normal! But a friendship is a give-and-take situation. You can't just sit there and let it glide along. A meaningful friendship takes some work! But, it's worth it! — Marauders know.

1. A friend is someone who'll give you an encouraging hug when you need one. 2. A friend is someone who will always stand by you. 3. A friend is someone you can lean on. 4. A friend is someone who helps you out. 5. A friend is someone who shares your interests. 6. A friend is someone you enjoy life with.

1. Lou Budde and Peter Suggett try to get the girls to come their direction. 2. Mike Booth does his best James Dean. 3. Heather MacLeod tries to get organized enough to find her way to class. 1. Jenny Luke, Mari Mizoo, Sydney Sobel, Tanya Pacileo, and Sandra Kim support their Marauder team. 2. Michelle Chartier tries to teach Greg Po how to do their physics homework. 3. Dyan Daglas, Kristina Clark, and Aimee Akhlaghi fight for Chuck Mitchell's attention. 4. Alex Shen waits for his brother to give him a ride home.

Torreon Says Goodbye to Mrs. Covey

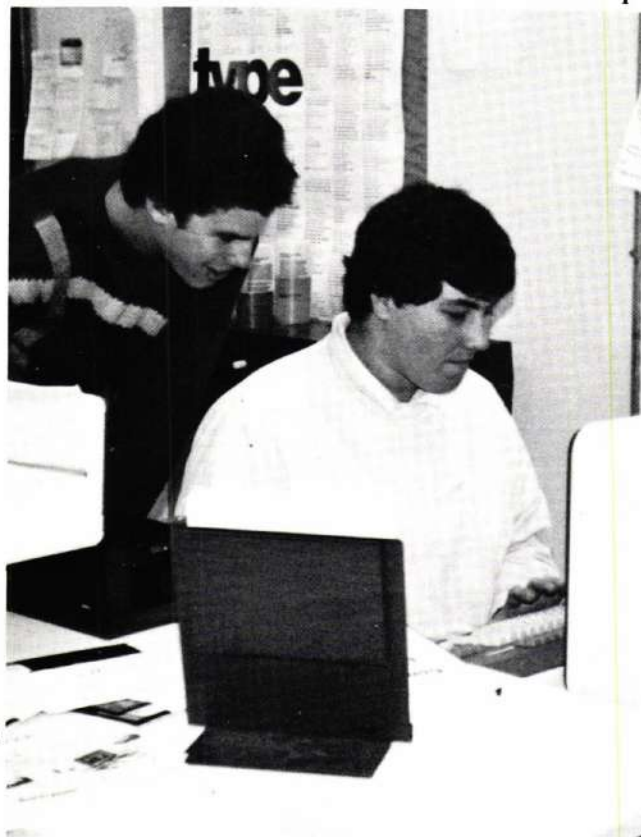

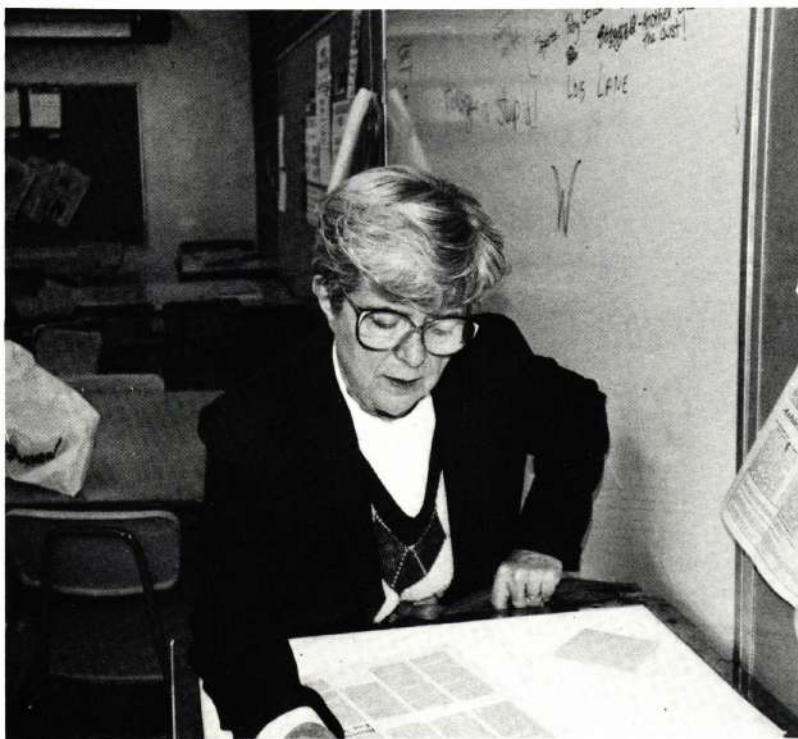

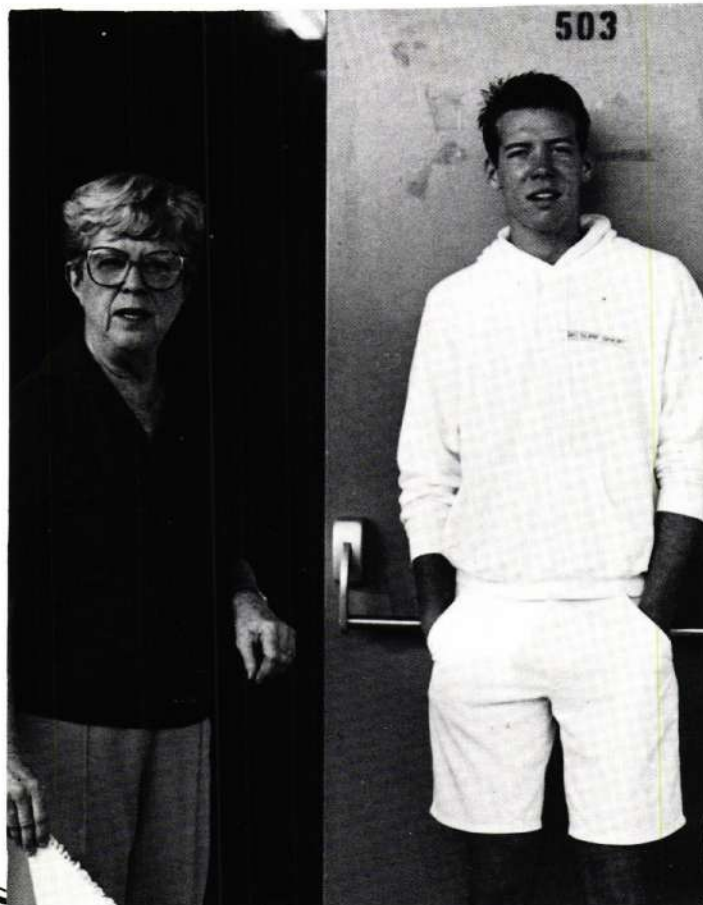

After 18 years of dedicated service, **Barbara Covey** is retiring. She leaves behind a legacy of enthusiasm and great teaching. **Mrs. Covey** taught a variety of subjects, including American Literature and many other English courses, but her favorite, by far, was teaching journalism and being the advisor of the Torreon and its staff. During her six years as advisor, there was never a dull moment. Each year provided "new problems to solve, different news to report, and a variety of journalists to work with."

"In the eighteen years I've taught at Miraleste, I'd estimate I've had over 4000 students in my classes. It has been a rare privilege to be allowed into so many lives, and one that I treasure.

"However, I'm not really retiring from anything. Rather, I'm moving on to a new set of challenges. A book publisher has indicated that he is interested in my book on the Iroquois and I need time to work on it.

"My husband and I want to attend the Winter Olympics in Calgary, next year. His Second Air Command buddies are planning a reunion in England. Gerry and I have lots of plans for the Fiero.

"If, after a year of gadding about, I'm still as in love with teaching as I am now, I'll apply for a job with one of the local colleges or private schools." **Mrs. Covey** says she will greatly miss "the stimulation and excitement involved with journalism."

1. **Mrs. Covey** always has time to talk to her students, even **Jeff Wright**. 2. **Mrs. Covey**—hard at work as always. 3. The job of editor, **Eric Cheng** is never done.

COMMITMENT.

Commitment is what transforms a promise into reality.

It is the words that speak boldly of your intentions. And the actions which speak louder than the words.

It is making the time when there is none. Coming through time after time after time, year after year after year.

Commitment is the stuff character is made of; the power to change the face of things.

It is the daily triumph of integrity over skepticism.

Thinking about all our younger years—
 There was only you and me—
 We were young and wild and free—
 Now nothing can take you away from me—
 We've been down that road before—
 but that's over now, you keep me comin'
 back for more—
 Baby you're all that I want
 We're in HEAVEN

We love you so much!
