

The Never Ending Story of Miraleste High School

Once Upon a Time . . .

It was the best of times, it was the worst of times, it was the age of wisdom, it was the age of foolishness, it was the epoch of belief, it was the epoch of incredulity, it was the season of Light, it was the season of Darkness, it was the spring of hope, it was the winter of despair, we had everything before us, we had nothing before us, we were all going direct to Heaven, we were all going direct the other way — in short, the period was so far like the present period that some of its noisiest authorities insisted on its being received, for good or for evil, in the superlative degree of comparison only.

It's never easy
reaching for dreams . . .
Strength
and courage
can sometimes
be lonely
friends. . .
but
those
Who dream
walk
in
Stardust. . .
-Flavia

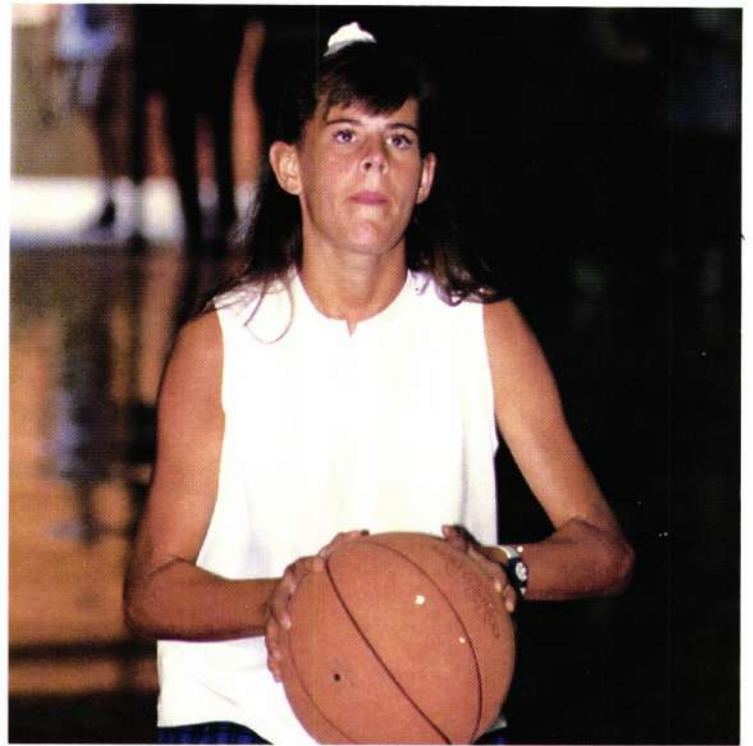

Look to this day. . .
For yesterday is but a dream,
and tomorrow is only a vision.
But today well-lived
makes every yesterday
a dream of happiness,
and every tomorrow
a vision of hope.

Proudly Presenting

The Class of 1990

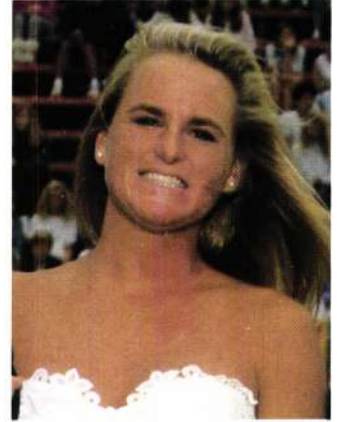

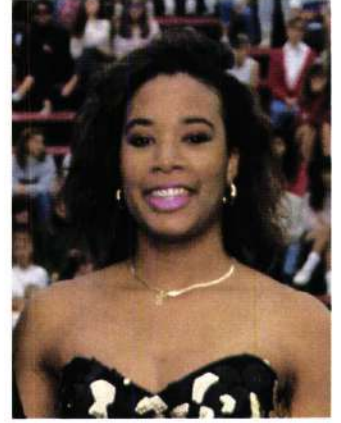

Now we take our time, so nonchalant, and we spend our nights so bon vivant. We dress our days in silken robes. The money comes. The money goes. We know it's all a passing phase, but I've loved these days.

Marauder Music Mania

A Little Rain Didn't Dampen Our Spirits

Miraleste's 1989 Homecoming was again another successful one. Students were kept busy with the week's well-planned activities. Based on this year's theme, "Marauder Music Mania," each class chose a specific style or era of music. After each class decided on their particular style, they were given a day in which they could "deck the halls." On Monday, freshmen kicked off the week with "Surfin' M.H.S. Style." Sophomores continued on Tuesday with "Kid's Tunes." That evening the Tuesday Night Jam took place with some exciting class competitions. Wednesday, the juniors took M.H.S. back to the 70's with tie-dyes and bell-bottoms. During lunch, the four clubs played a game of inner tube water polo, as Key Club and Girls' League defeated Interact and Girls' Service Club. The following day, the seniors decked the halls country style, and between classes tunes from Willie Nelson were played. Also, The Jones Band entertained students in the T.A.B. at lunch. Friday, the assembly took place where the Royal Court was announced. To add to the excitement, the King nominees were asked to participate in a lip sync contest. The Queen court didn't get off too easily though, as they participated in a muddy obstacle course at lunch. The traditional bonfire and float-building took place at night. Saturday, our Marauder Football team played an awesome game against Ontario Christian which led to a 27-10 victory. At halftime, **Amy Rush** was crowned this year's Homecoming Queen and the seniors once again won the float contest. To top off the week, **Duane Lauchengco** was announced Homecoming King at the dance. A special thanks to Miss Trutanich and all students who helped to make Homecoming one of the most memorable events of the year.

Seniors

Kings and Queens

After years of anticipation and hard work, we've finally reached our senior year, the culmination of our adolescent years. Our four years at Miraleste have produced some of the best memories of our lives.

Our freshmen year was typical of all freshmen: getting lost, running to class, and being harassed by the upperclassmen. And we seemed to have trouble with the M.H.S. clap.

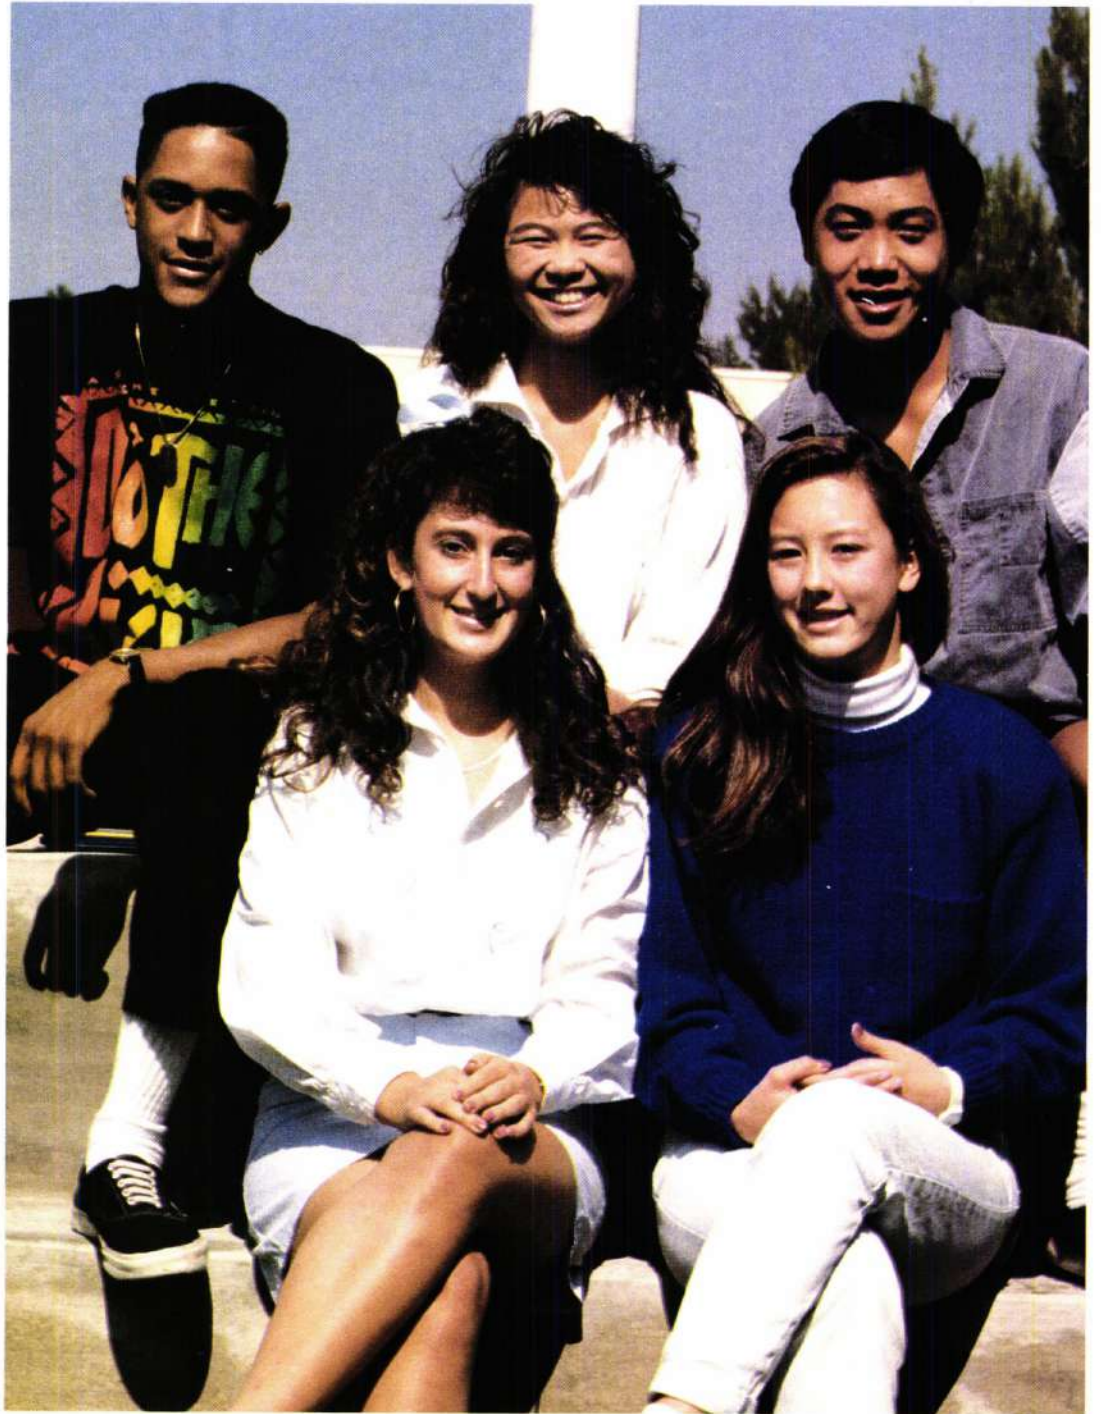

As sophomores, we established ourselves as veterans of the system and tried to look cool. We started to drive and gave new meaning to the word weekend. We became more involved in clubs and activities as we gained confidence in ourselves.

It wasn't until our junior year, however, that our class really began to excel. From athletics to academics, we did well in everything that we attempted. Thoughts of college plans edged into our minds as we took our first S.A.T. Everyone tried their "Love, Luck, and Fortune" as our class proceeded to put on one of the most successful formal events ever at Miraleste.

Finally, senior year arrived. With newly-acquired superiority, we dominated life at Miraleste. Our school spirit soared as we participated enthusiastically in class competition. Homecoming was unforgettable. Every activity we participated in provided great memories and a lot of laughs.

Although graduation seemed like an ending, it was really a beginning for all of us with our futures shining brightly ahead. Our time at Miraleste had led to new experiences and terrific friendships. Many thanks are in order to the faculty and the administration. Always cherish the special memories of our time at Miraleste.

Class of 1993

Lords and Ladies

Throughout this year, the class of 1993 has proved its school spirit time and time again. Despite the fact that we were freshmen, we performed admirably in class competition. We displayed our pride during float-building for Homecoming, the Tuesday Night Jam, and Winter Spirit Week.

These activities provided everyone a chance to get involved and have fun. Our treasury grew from fundraisers which provided money for various class events. The stands were filled with freshmen as we shouted and cheered at football and basketball games.

We excelled both academically and in sports, guaranteeing our class notoriety in the future. This year started our class on the road to having a reputation as a united class that works together.

Class of 1994

Squires and Damsels

During this past year, we as an eighth grade class, have carried out many of our goals, while increasing our school spirit. We have grown closer to one another and have made a number of new friends. We have become more active in class competitions, up-coming events, and the seventh and eighth grade dances, thanks to Miss T.

Even though this year has been an excellent year for the class of 1994, we intend to make next year, as freshmen, even more spectacular! We have learned a lot this year. At first, some of us thought we were going to miss out on many activities that junior high schools were getting or going to get. Now we have forgotten those words because we know who got the better opportunity and who had more fun! With our accomplishments this year, Miraleste High School better be prepared for us next year!

Class of 1995

Serfs

During the past year the seventh graders really got a feeling of what Miraleste was like. Our class was always filled with school spirit. We had seventh and eighth grade dances, we participated in pep rallies, we tried to get as many points as we could for class competition, and much more.

We have also had many opportunities that other seventh graders didn't have such as taking foreign languages.

This year not only did we have new academic opportunities, but we met new friends. The class of 1995 has had a great year, and we are all looking forward to eighth grade at Miraleste.

Spirits Were High at the Welcome Back Assembly

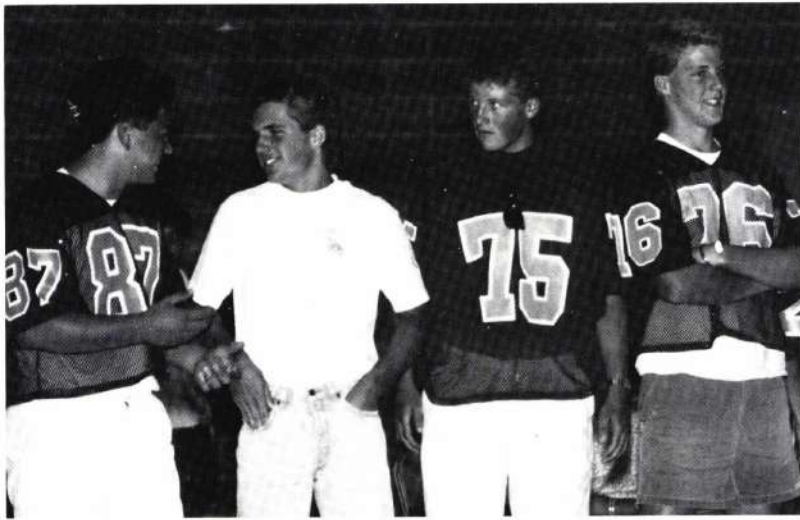

There was great excitement as students joined together in the gym for the first assembly and activity of the year. The fall sports were presented, and entertainment was provided by the drill team and pep squad performances. Both A.S.B. president **Paul Miloe** and activities representative **Mark Tamalunas** gave inspirational speeches about school spirit. Each class cheered on their friends shooting basketballs for Class of the Year points, and all participated wildly in the M.H.S. clap. The spirit shown at this assembly gave everyone a glimpse of the great year to come.

Work Experience

Several students at Miraleste do not return home after the last bell rings; instead, they find themselves involved in a part time job. Life for a high school student can be expensive.

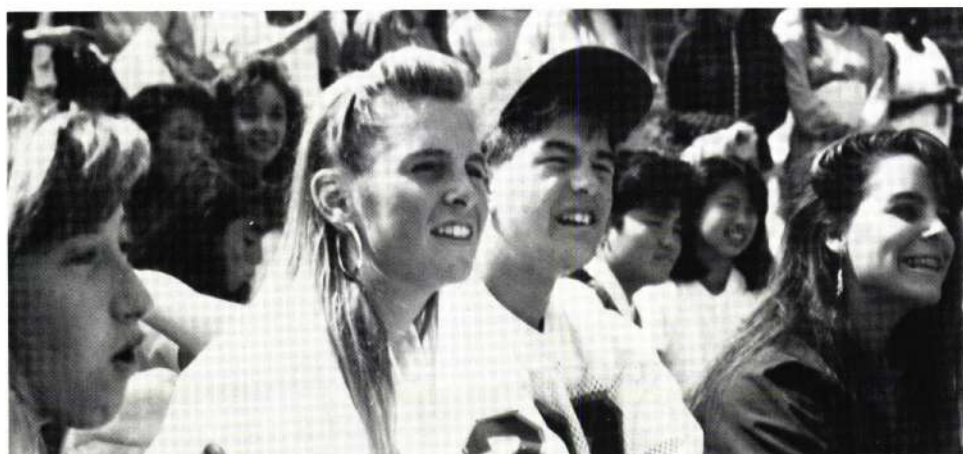

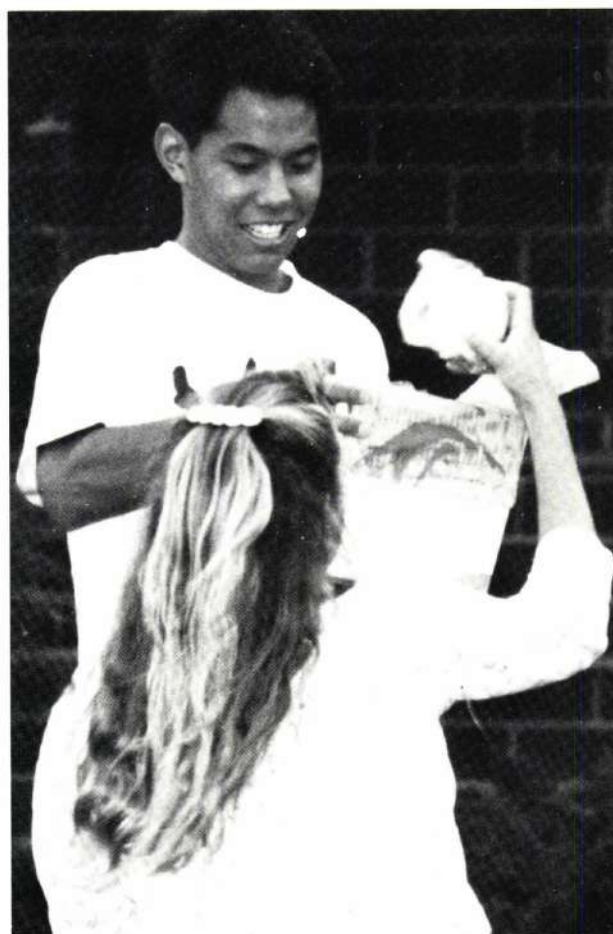

Besides providing extra cash, work experience assists students in making career choices and prepares them for a transition into the working world. Under the guidance of Mr. Kaczmarek, the program at Miraleste has continued to be a success.

Marauders Celebrate Friday and Saturday Nights

At the end of every week, the most popular question on campus is, "What are you going to do tonight?" Whether the answer is a party or spending time with a friend, Marauders always enjoy these nights out.

For some, Friday night means a date with a boyfriend or girlfriend. M.H.S. couples can always be spotted at local movie theatres. Others gather with friends to just have some fun together. During football season there are usually loyal crowds of friends that follow the team on the bus rides to away games. These evenings seem to always end up at Denny's, the hang-out for those times when there is absolutely nothing going on. The deli is also a general meeting place after the parties have been broken up for the night, and it is these parties that will always be the most popular weekend pastime for M.H.S. students. After a hard week of classes, Marauders love to live it up and have a BLAST!

The Band at Its Best

The Miraleste Marching Band began a very busy year by preparing for the football season during the last weeks of summer vacation. In addition to performing at all the football games, the band traveled to numerous locations for community and school-related functions. Several weeks before Christmas, they were invited to play at the Dorothy Chandler Pavilion with twenty five of the South Bay's finest high school groups and the U.S.C. Trojan Marching Band. The band made the transition from football to basketball season early in December and provided music at all the home games. As second semester rolled around, they switched to more traditional pieces in preparation for the Spring Concert. Many thanks go to the director **Claude Albanese**, the M.H.S. Booster Club, and the band parents. Student officers consisted of Drum Major **Stephen Chen**, president **Enna Serina**, vice president **Bernard Chen**, secretary **Owen Smith**, historian **David Devine**, and the 7th /8th grade representative **Jeremy Korito**.

'Twas the Night of the Formal. . .

And all through Miraleste

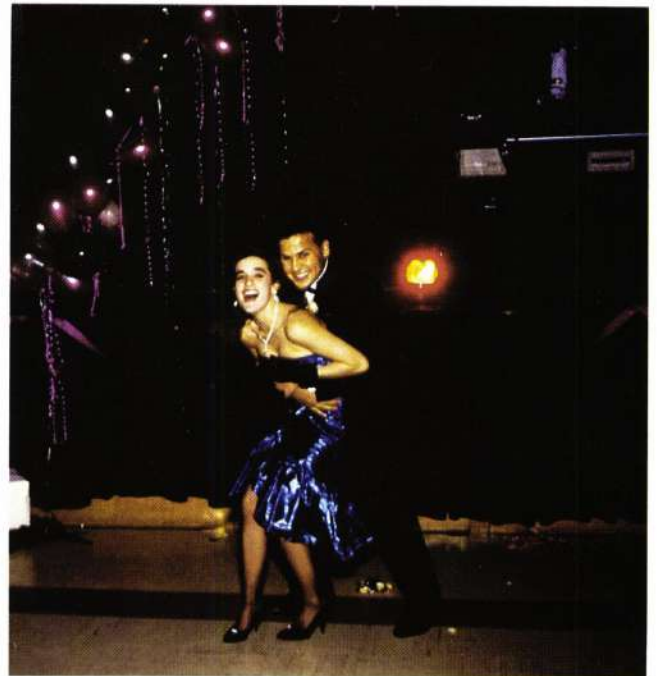

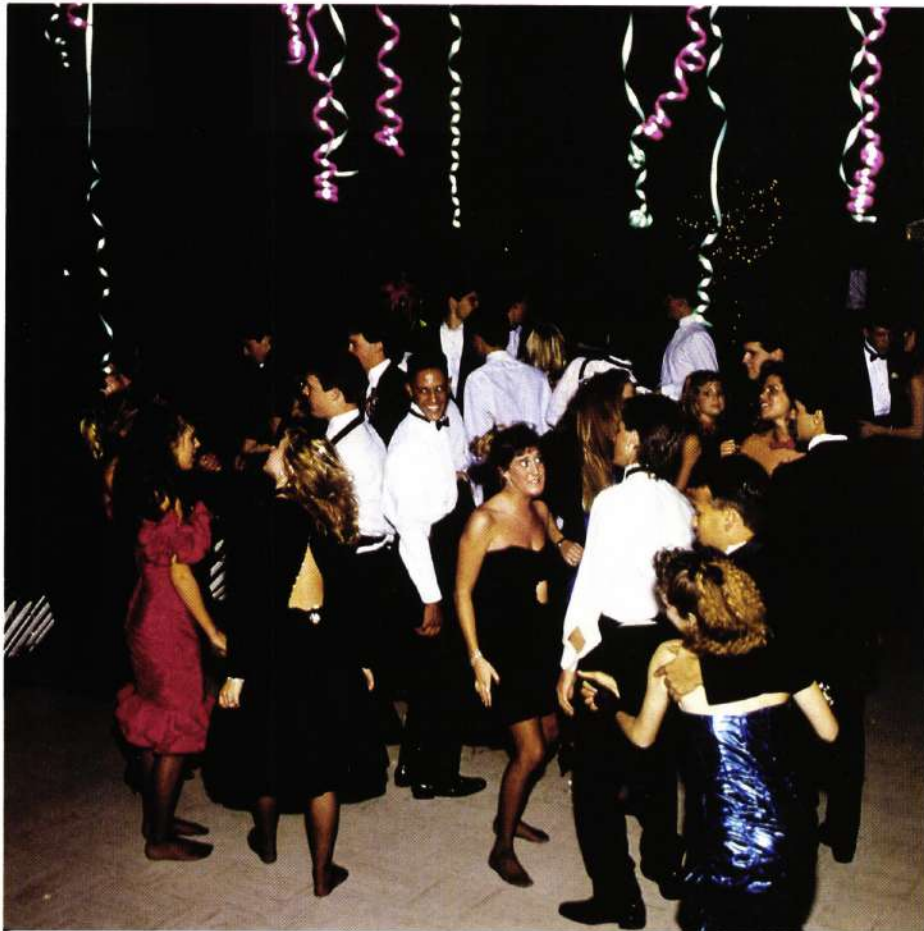

The students were stirring
dressed up in their best.

The girls put on dresses and
make-up with care,

In hope that their dates
would soon be there.

The boys bought corsages of
pinks, greens, and reds,

While visions of romance
danced in their heads.

And mama with her Camcord
and dad close beside,

Took dozens of pictures
while bursting with pride.

When outside the houses
there arose such clatter,

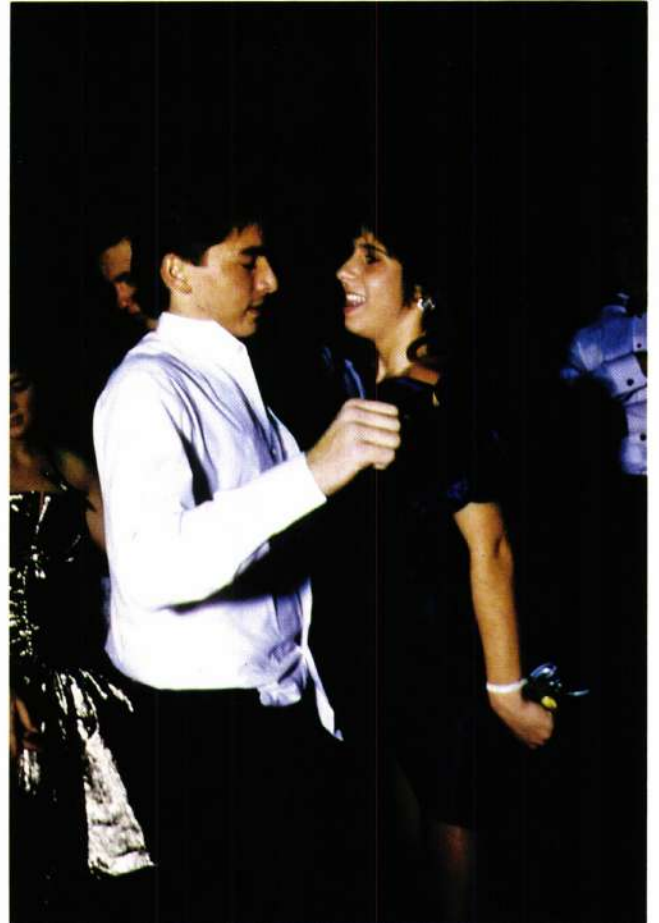

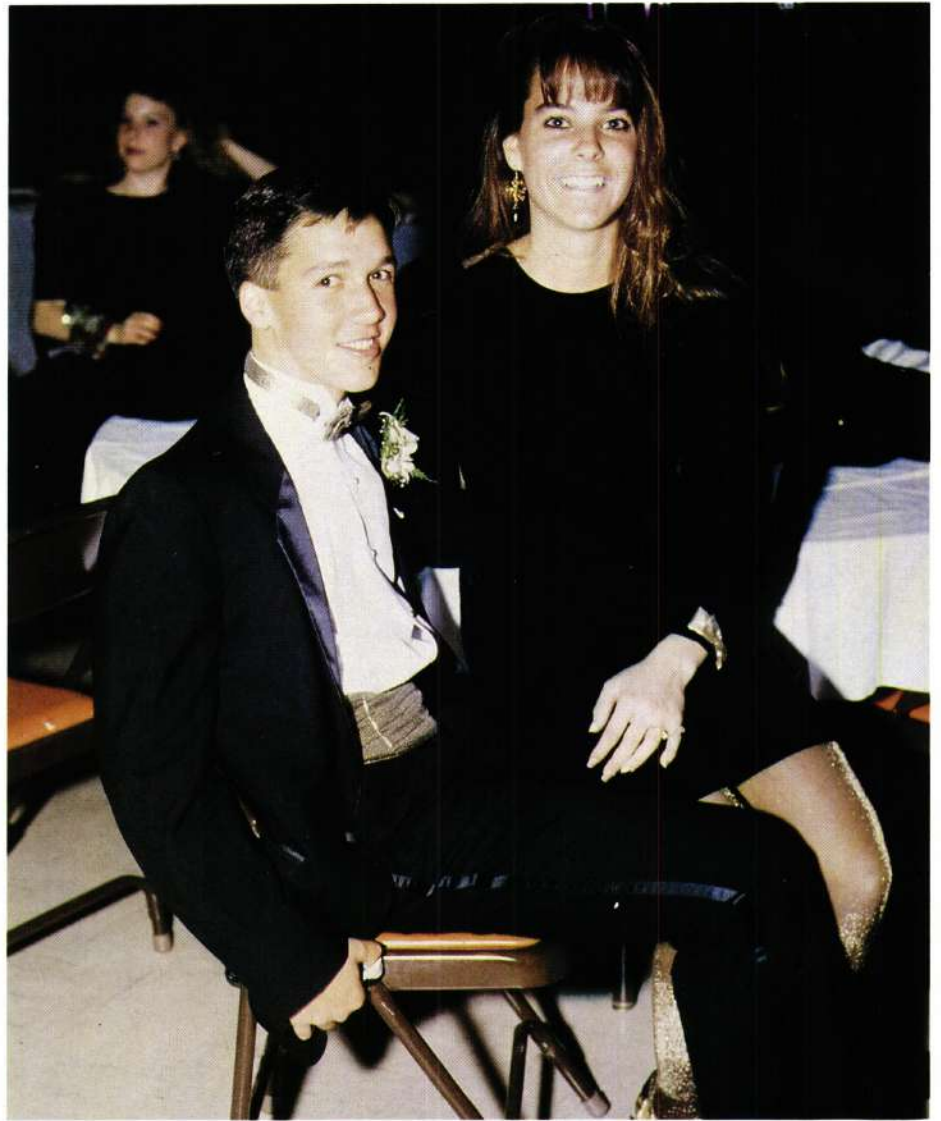

Couples sprang to their
doors to see what was the matter.

When what to their wondering
eyes did appear,

But party buses and limousines
drawing near!

At the dance they arrived,
eyes all a-gleam,

Knowing in a moment 'twas
a Winter Night's Dream.

More rapid than eagles
all their friends came,

And they whistled, and shouted,
and called them by name.

They were dressed all in silks
from head to toe,

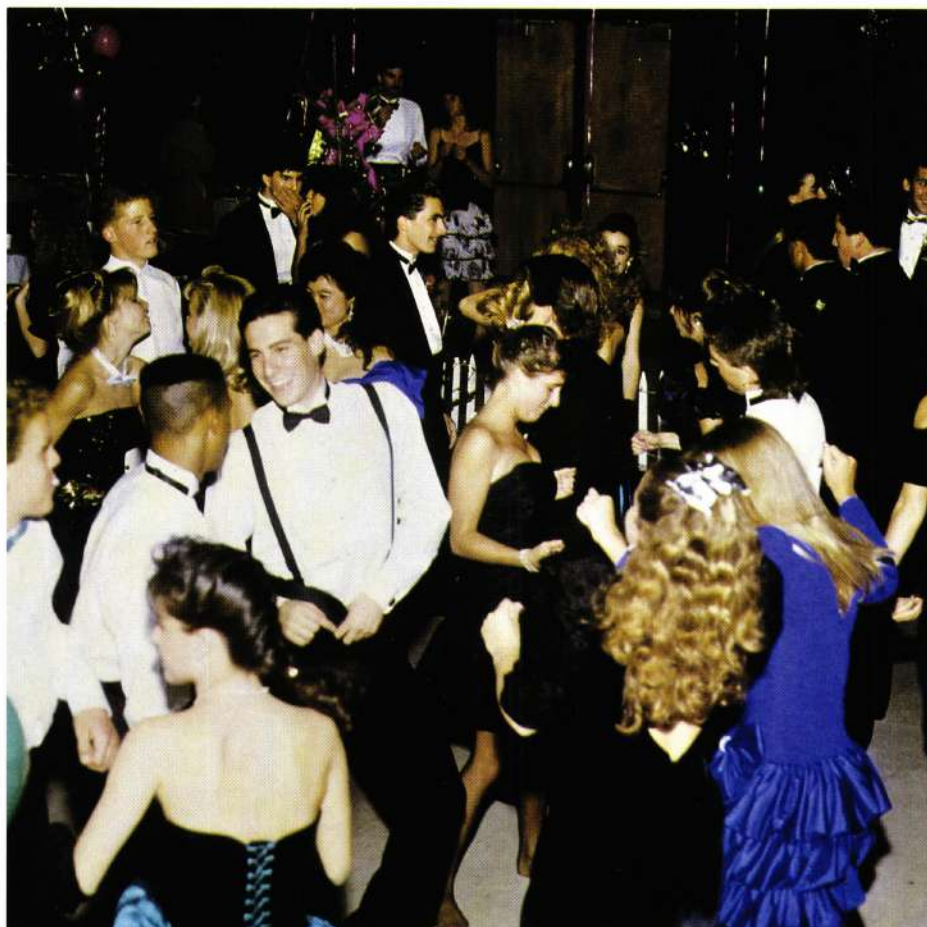

And hanging above were
sprigs of mistletoe.

Their eyes how they twinkled!
Their dimples how merry!

Their cheeks were like roses,
Their noses like cherries!

They danced and they chatted
like jolly old elves,

And laughed all along,
in spite of themselves.

Then back to the limos,
they gave the drivers a whistle

And away they all flew
like the down of a thistle.

But you could hear them exclaim
as they drove out of sight,

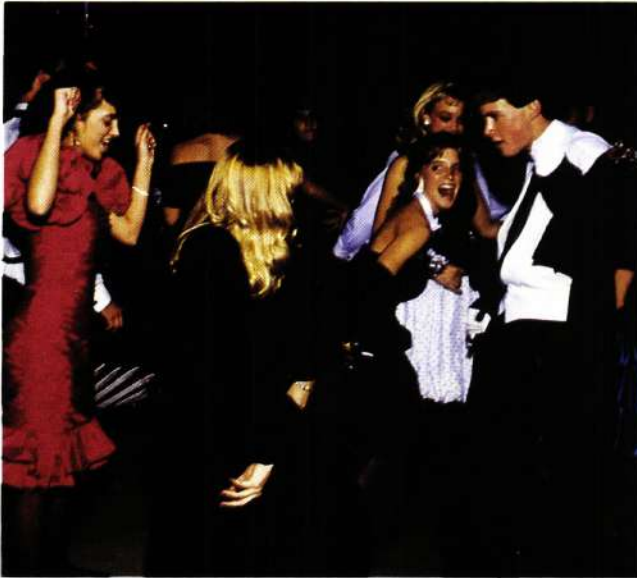

“A Winter Night’s Dream to all
and to all a good-night!”

But wait! The story is not
yet done,

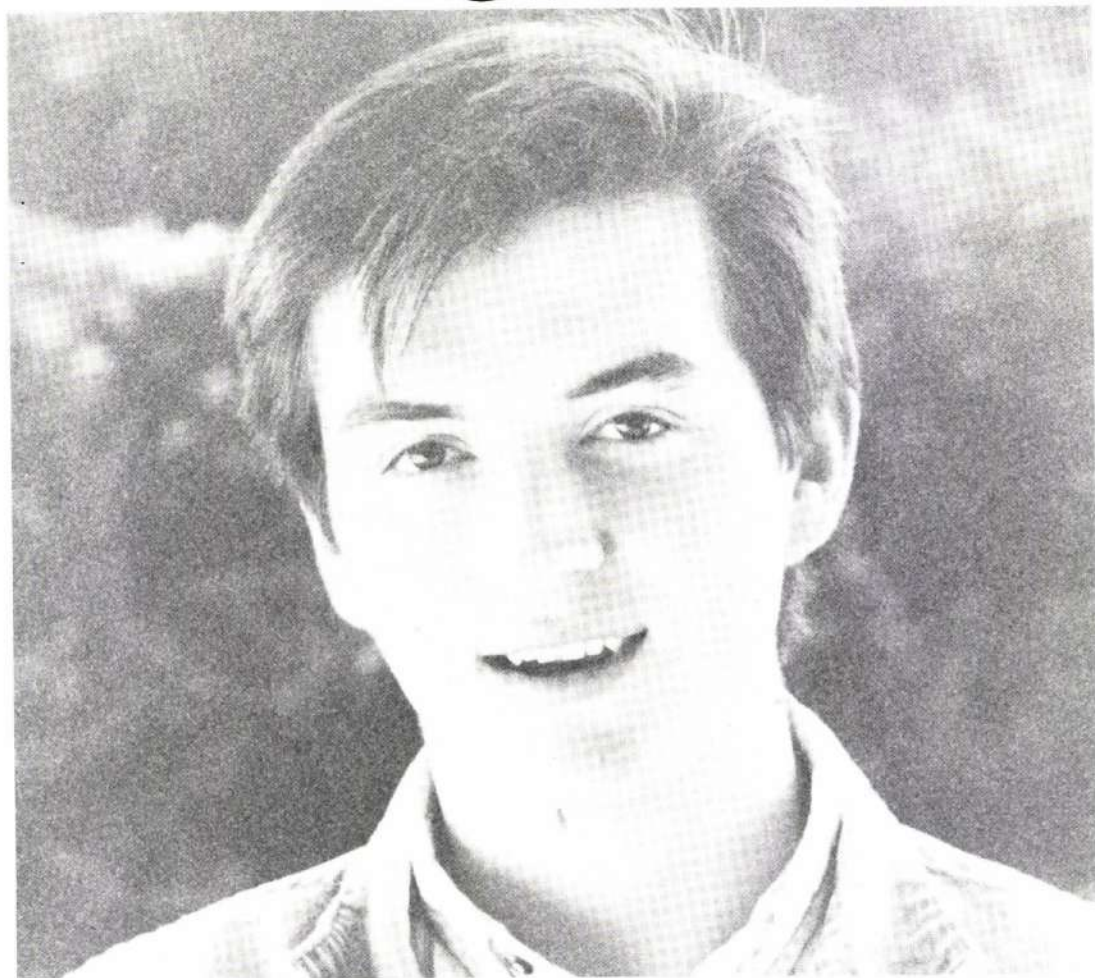

For some the party had
just begun.

And for those who survived
the entire night,

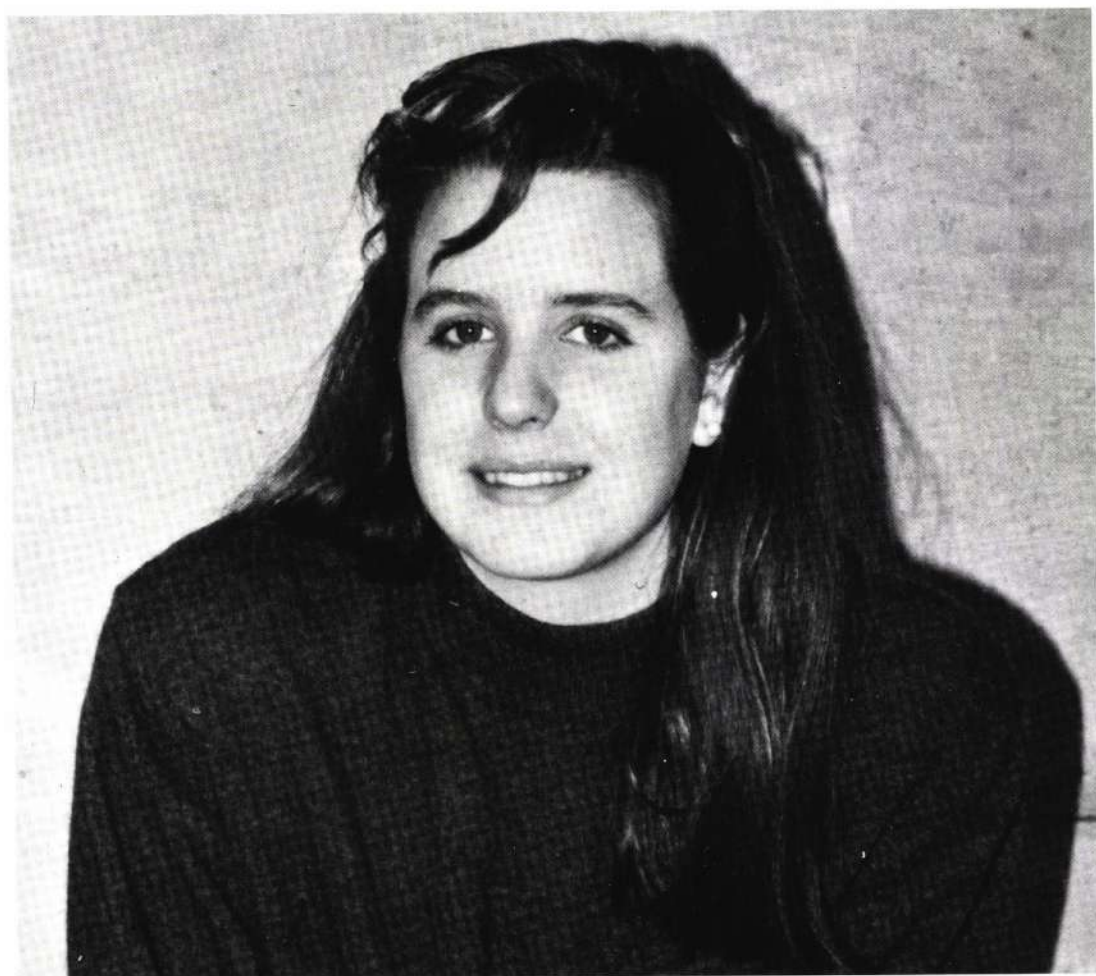

There was breakfast at sunrise
to start Sunday off right!

Exchange Students at M.H.S.

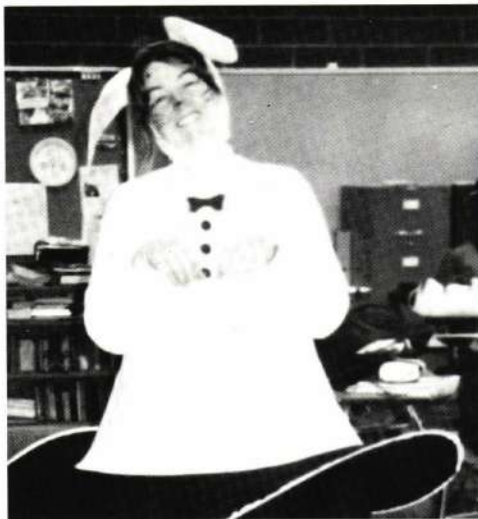

Tomislav Matic came to Miraleste this year from Croatia, Yugoslavia through the American Academic Youth Exchange. Tom chose the U.S. because he wanted to meet American people and learn more about our culture and language. He likes the close student-teacher relationships and freedom to choose classes at Miraleste most. His favorite activity has been boogie-boarding at the beach, and of course, he loves Disneyland. About living in America Tom says, "I like the freedom most; the freedom to say your opinion and to be respected for it. That's what makes this country so great." Tom has also been very impressed by and thankful for everyone's kindness here. Most importantly he wants to say "thank you."

Elena Calonje Conde is from Spain. She likes Miraleste High School because of the fact that she has only six subjects. In Spain, Elena had nine and didn't get out of school until 6:00 in the evening. Elena came here to learn English and to see another way of life. In her spare time she likes to go out with friends, read, and sleep since she has had a lot of trouble adjusting to getting up at 6:00 in the morning everyday. The place she has enjoyed most during her stay in America has been Magic Mountain, but to Elena almost everything in the United States is new to her so she rarely gets bored.

Winter Spirit Week

Winter Spirit Week, beginning on February fifth and coming to a close on the ninth, was the cause of outstanding school spirit. The eventful week began with an all-school assembly which commended Miraleste's best students and athletes as well as announcing the spirit princesses. Tuesday evening the Marauder basketball team delivered a crushing defeat to Montclair Preparatory, and **Lisa Parsons** was crowned the queen of Winter Spirit Week. Other events included the slave auction where senior, **Duane Lauchengco** sold for \$18.60, a pancake breakfast sponsored by Interact, the class feud that was won by the junior class, blue jean and hat day, and the mud wrestling match.

G.S.C. Sponsors Annual Fashion Show

Fashions in Bloom was the theme for this year's fashion show presented by Girls' Service Club. The latest styles were modeled by G.S.C. members along with faculty members and guys from each class. Club President, **Lori Krieger** and Activities Director, **Liz Trutanich** acted as the emcees for the evening.

To start the show off, both girls and guys looked cool and comfortable in beachwear from Balboa Beach Co. Casual wear, from Nicole's showed off the latest trends in womens wear. During the second half of the show seniors and teachers strutted their stuff in the formal wear segment with tuxedos supplied by Man-nino's. Everyone looked great!

The Leaders of MHS

MHS in the Snow

The annual Miraleste High School Leadership Camp was held this year in Lake Arrowhead. The leaders, planners, and organizers of MHS spent a weekend discussing the second semester activities for the school. However, much work was also done outside in the snow with many snowball fights and sledding activities. The nightlife consisted of Bingo, fun-filled skits, sing-a-longs, and of course the Oujia board. After two days and nights of no sleep and all fun everybody was ready to return home. Thus the 1990 Leadership Camp had ended and everyone had a great time.

This year's El Torreon staff has proven to be the best yet. **Sarah Bernard** has done a brilliant job as editor-in-chief for the past two years at Miraleste. The staff, consisting mainly of seniors and sophomores, was surprisingly talented despite a lack of previous experience.

Many changes were made for the El Torreon class, such as the new advisor, **Mr. Colin**. The managing editor was **Krista Yokoyama** and the talented cartoonist was **Mark Mohr**. Page editors changed each semester.

An eight page paper was produced every three weeks. Two new columns, "Do You Ever Wonder" and "From the Pen of **Nolan Harris**" have been very successful. The new "People" page interested its readers as well. El Torreon also presented the Senior Wills as it has in the past years.

To sum up, **Sarah Bernard** adds, "It's difficult to put out a high quality paper and one that students would want to read, but I think that this year we've finally done it."

Showing Spirit in a Formal Way

Girls' League

Girls' League was an unforgettable club for 135 girls. This was the first year the club was open to all applicants, which made everyone a little apprehensive at first, but the overwhelming enthusiasm of all the members made Girls' League all the more successful. They began the year with the annual Kidnap Breakfast, which included donuts, O.J., and lots of pajamas. There were meetings every week, where everyone's input helped to plan our most memorable Winter Formal, "A Winter Night's Dream." Fundraisers for this infamous night included an all-school Penguin's night and the traditional Rose-a-grams. Besides 4-Club parties and competitions, Girls' League also strove to help serve the community and our school with various services during the year. For example, they delivered a Thanksgiving feast to an underprivileged family and volunteered their

Girls' Service Club

Thanks to all the support and enthusiasm of the members in Girls' Service Club, this was a very successful year. Due to the many new faces because of the open membership of clubs, Girls' Service promoted M.H.S. spirit, served the community, and had a lot of fun. This year they began selling Miraleste key chains to the students and faculty, and then they helped sponsor the four club party which was a great event for everyone. In addition, the most exciting event was the fashion show which featured the members as models. In the community, Girls' Service contributed food and toys to such causes as Toberman House, Headstart, and underprivileged families. Success was definitely due to the fantastic board which included **Lori Krieger** president, **Sarah Bernard** social chairman, and **Sydney Sobel** service chairman. Also with the support and love of **Mrs. Appy**, the sponsor, G.S.C. had the best year ever.

"Girls' Service has had an awesome year helping the community and, in general, having fun."

“Service Above Self”

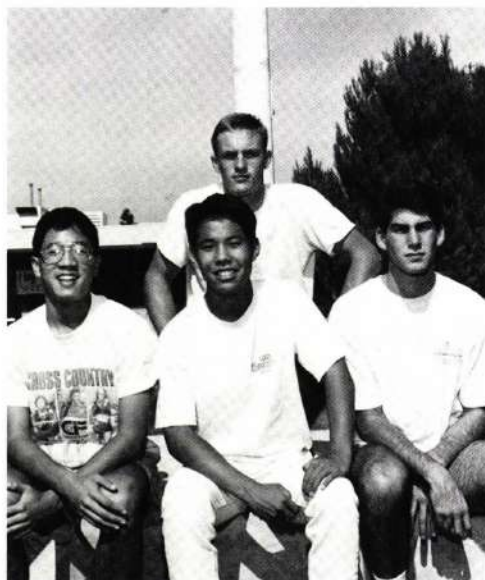

Interact Club

The Miraleste High School Interact Service Club consisting of well over 60 members was very successful this year in sponsoring school functions and community projects. Interact is sponsored by Rotary International and was under the supervision of **Miss Trutanich**, and president **Alex Shen**.

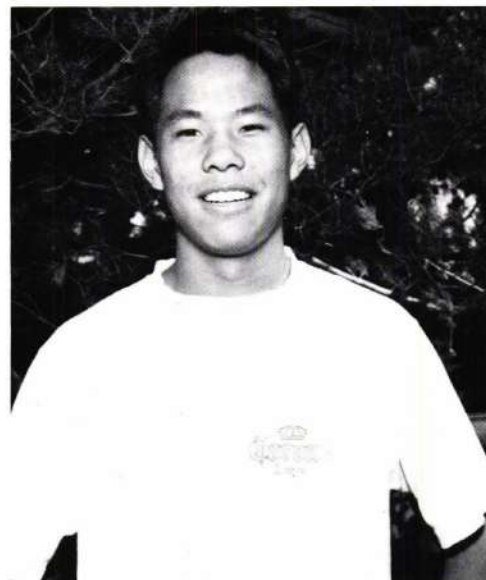

The year began with Interact's Welcome Back Luau that proved to be one of the most successful school functions in years. Interact also helped out in the Palos Verdes Estates 50th Birthday Party and Parade, the Community Pancake Breakfast, and with various 10K runs. These events along with some annual projects like school pick-ups and the Tom Sullivan St. Patrick's Day Run as well as the Miraleste Food Drive for the needy, a new project, were all events that Interact was especially proud of.

These projects along with occasional social functions with the other service clubs on campus such as the Halloween 4-Club Party and the Progressive Dinner helped Interact continue to be a close knit and dedicated group of students. This year was truly a year of “Service above self.”

“Interact this year was almost too much... We did so many good service projects that we almost died from the sheer good-will of it all.” — **Albert Lin**

Key Club

After an exciting summer vacation, Miraleste's Key Club embarked on yet another successful year. Key Club, which is part of the largest high school service organization in the world, started its year by producing and selling Miraleste's first three football programs. Due to its new, open membership status, the bolstered ranks of Key Club participated in numerous other service projects for the community and the school throughout the year. Such projects as a gift-giving Christmas project for underprivileged children, phone book delivery, and the annual Easter Egg Hunt for handicapped children in San Pedro were just a few of Key Club's activities. Led by its dedicated president **Duane Lauchengco**, vice president **Collin Higo**, sergeant of arms **Brian Johnston**, and treasurer **Paul Lemire**, Key Club enjoyed a successful school year.

California Scholarship Federation

As one of the largest clubs on campus, the California Scholarship Federation (CSF) recognizes the academic achievement of students in terms of grades, with semesterly acceptance to those who qualify under the following conditions.

Based on the previous semester's grades, an "A" is worth 3 points, a "B" in an advanced placement or honors class is worth 2 points and a "B" in a regular placement class is worth 1 point. A total of 10 points is needed to be granted admission each semester.

Membership in four semesters, including one in the senior year, constitutes being a gold sealbearer. This honor is worn at Commencement and designates life membership. **Mrs. Newman** led the year as sponsor.

National Honor Society

National Honor Society is basically a club that was created to honor students for their academic achievements. The club's members, however, don't just rest on their laurels. They have been very active in trying to increase NHS's service program. NHS, with the assistance of sponsor **Mrs. Kurt**, president **Albert Lin**, vice president **David Kurnick**, secretary **Enna Serina** and treasurer **Jenny Cohn**, provides free tutoring in the library at lunch. National Honor Society organized a magazine drive and sold Cram-o-Grams to subsidize the library. In all, it was a banner year for NHS.

Altruist

Altruist Board

Altruist Club was dedicated to helping the underprivileged people of our society. The members contributed their time by visiting different facilities housed for the poor and retarded. One favorite was the annual Halloween trip to the Harbor Center when all members went down in their favorite costumes and entertained the kids. The members feel the warmth and love everytime they visited these facilities. Another favorite location visited by members was the 1776 House for battered women and children.

Through the years, Altruist has been a club opened to the students, but just in the past few years, with the help of **Mr. Kaczmarek**, the club has developed into one of the most worthwhile clubs on the Miraleste campus.

G.A.C.

Girls' Athletic Club Board

Girls' Athletic Club, with a membership including only female athletes participating on a varsity or junior varsity level, has proved to be one of Miraleste's finer organizations. Founded in 1985, G.A.C. has grown throughout the years to become one of the strongest supporters of all school related events as well as any involving girls' athletic games. This year G.A.C. proudly sponsored the Sadie Hawkin's dance as one of their main events of the year. Run by board **Marcelle Moses, Michelle Moses, Kathleen Esporst, Kelcey Kemp, Jennifer Van Wie, and Sheila Mc Sherry**, the club had another successful year. Principal's Advisory Council

The Principal's Student Advisory Council is traditionally a group of approximately thirty students, selected from 80-100 applicants, representative of a cross section of the student body. All grade levels are represented with the largest contingent coming from the senior class. Their primary purpose is to bring topics of student interest and concern to the principal's attention and conversely to give the principal suggestions and opinions regarding the school program.

Ping Pong

The Ping Pong Club is a multi-faceted organization. We have developed an appreciation for our beloved sport, yet at the same time, maintain a spirit of competition. Our quest for victory must not overshadow our quest for camaraderie in that we all share a common bond in ping pong. With each member comes new attitudes, values, and beliefs as well as long standing traditions and bold, contemporary rules about ping pong. Our tournaments and get-togethers provide a virtual breeding ground to show our strong enthusiasm that distinguishes our love for ping pong.

Art Club

The Miraleste Art Club is sponsored by art teacher **Pat Smith**. The Art Club's main goal is to have fun with art. Main projects for the year include scenery for the Drama Club's production of "Fame." We also hoped to make and sell art projects to raise money for the Miraleste art department. Art Club members are: president **Pat Pester, Ranko Kume, Jennifer Gervase, Jennine Stone, Katherine Moriwaki, Suzee Shin, Karen Smith, April Furuta, Catherine Bertein, Tomoko Yamamoto, Mark Mohr, Roni Kirshner, Maya Keller, Christine Ishibashi, Shizuka Yamagata, Sarah Soss, Merideth McNamara, Diana Mladinich, and Ixchel Samperio.**

Lettermen's Club

The Lettermen's Club is open to any athlete who has participated on a varsity team at Miraleste. Last year the club had nearly forty members, but this year the club was led by an organized administration and had over sixty-five members. Headed by president **Alan Brock**, vice presidents **Chris Hubbard** and **Brian Kelly**, treasurer **Mark Juhn**, and secretary **Anthony Uzeta**, the club was one of the most active clubs on campus.

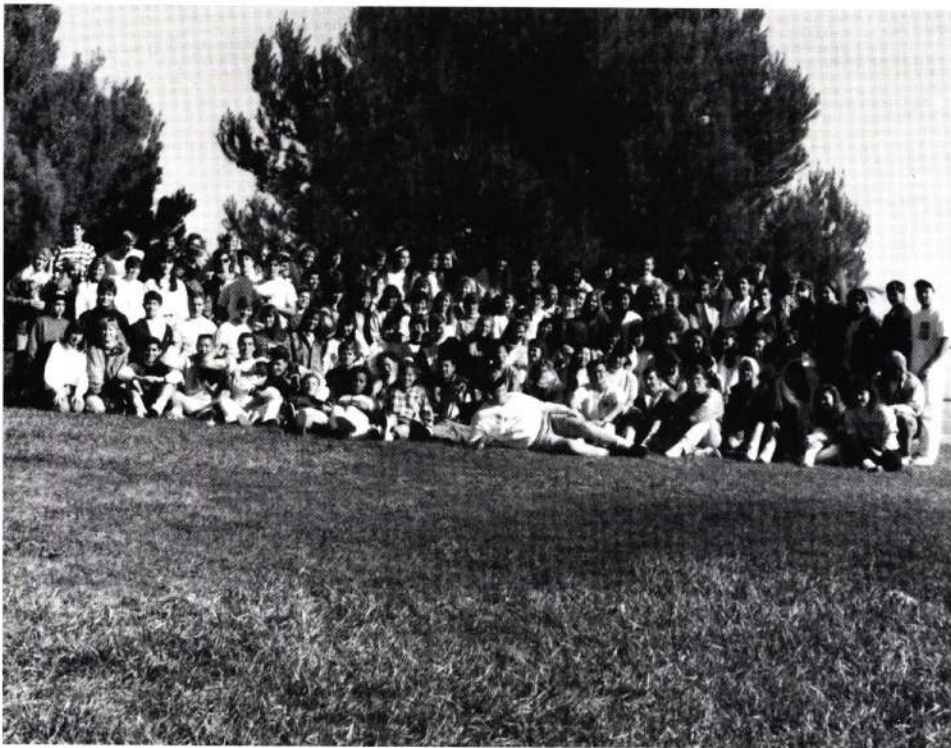

Activities of the year included Sunday afternoon football, bowling nights, group softball, basketball tournaments and a few friendly games of water polo.

Thanks to the sponsorship of **Coach Todd "on the sight" DeAngelis**, the club had a great year: by far the best one ever.

Students Against Drunk Driving

The S.A.D.D. chapter at Miraleste is part of the national effort that includes thousands of schools across the United States. S.A.D.D. had a very exciting year filled with various fund raisers and activities. The record breaking membership of 230 students worked extremely hard to get their message across. This being "don't drink and drive." Some of the activities included: a memorial (for those teenage lives in the L.A. basin area that we have lost to drunk driving), meetings with other S.A.D.D. chapters, many fund raisers, and "special" messages (especially during prom time and graduation). As one can see with hard work from all and a lot of fun, we had the best S.A.D.D. chapter ever! Now that this year has come to an end, we all try to remember "those who Booze and Cruise — LOSE." Please don't drink and drive.

The success of S.A.D.D. was a group effort which was led by the following: president **Amy Sova**, vice president **Jenni Luke**, secretary **Tiffani Tucker**, treasurer **Justin Berg** and our sergeants-at-arms **J.P. Burch** and **Taro Kuwata**. The club also would never have made it without board members **Kay Harter, Mark Juhn, Joe Carey, Kathleen Esphorst, Danny Sarnier, April Howell, Stacy Matthews** and **Adolph Juhn**. One final and special thanks to our devoted sponsor and advisor **Mr. Bill Maynard**. Without all his outstanding suggestions and efforts, S.A.D.D. could have never been possible.

"It's great to be in such a large club that works toward such a worthy cause." — **Amy Sova**

Spanish

The Spanish Club is open to all students who are enrolled in a Spanish class. Its purpose is to give students a chance to speak Spanish in an informal setting. Students have met during lunch for "Lonche Bonche," a conversational activity in which members are divided into small groups with a leader who guides conversation on a given topic. The club has also held "Dias de Juegos," when students enjoyed such games in Spanish as Cluedo, Monopolio, Scrabble, Memoria, Bingo, and Beisbol. Money earned by selling popcorn at the basketball games were used to fund service and cultural projects. President **Kelcy Kemp** led the year with activities along with the leadership of sponsor **Mrs. Hagey**.

French

This year's French Club was under the enthusiastic leadership of presidents **Tracy Akins** and **Albert Lin**. Other officers were vice president **Danielle Wagner**, secretary **Kena Yokoyama** and treasurer **Brandy Nagle**, who were very helpful throughout the year. The club's faculty advisor was again **Madame Maier**. Each month regular club meetings were held during which members could visit and help plan the club's various activities. These included French movie nights, game days at lunch, and club dinners at restaurants ranging from Mimi's Cafe to La Rive Gauche. All in all, the club was a fun way for the French students to spend time together and to share what they had learned about France and its language.

German

The goal of this year's German Club was dual: to make money for the German Exchange and to plan more social activities. Under the leadership of co-presidents **Stefanie Huie** and **Jennifer Shapiro**, the club planned many fundraisers and activities for the members to take part in. Students and their families made the trip to Alpine Village in celebration of the annual Oktoberfest. In November, the club sold chocolate bars and traditional Christmas advent calenders to raise money in anticipation of the student exchange next fall. Members also attended German-speaking dinners to improve their German and earn extra credit. The club also planned activities with the other language clubs. The success of the year was made possible with the assistance of vice president **Shana Aelony**, secretary **Crystal Reul**, treasurer **Mark Basinger** and historian **Josh Gitter**. Many thanks to **Frau Koch**, our sponsor, for making sure everything ran smoothly.

French N.H.S.

French N.H.S. encourages achievers in the French language to help others. French students with an "A" average for two semesters are allowed to join and are required to complete a certain number of hours of tutoring and service. Sponsor **Mme. Maier**, along with co-presidents **Tracy Akins** and **Albert Lin**, arrange club activities including the annual banquet "avec la cuisine francaise." This club is open to all students who have earned at least a 3.6 grade point average in German over a period of three or more semesters and have maintained an overall grade point average of at least 3.0. Under the supervision of **Frau Koch**, president, **Catherine Downard** and vice president **Lori Krieger** club members participated in several successful activities such as German dinners and tutoring.

Strategic Games

The newest club at Miraleste, the Strategic Games Club, set forth an admirable tradition this year. In accordance with the club charter, they stressed the winning of prizes at game conventions and achieved their goal. At the Orcon 1990 and Gamex 1990 Western Regional Game Conventions, club members won several prizes. The club was the perfect size, and the membership was dedicated to the cause. The Strategic Games Club was led by president **Lance Lauchengco**, vice president **Tomo Moriawaki**, and sergeant-at-arms **Bernard Chen**. The club was administered by secretary **Bret Lieberman**, treasurer **Matt Miller**, and the kindly sponsor to our occasionally boisterous group, **Mr. Koch**. The club looks forward to the Origins 1990 National Game Convention in Atlanta, Georgia this July, the Gateway 1990 Convention August 31 — September 2, and the 1990-1991 gaming year.

Drama

Now that Miraleste no longer has a drama class, the purpose for the Drama Club was to satisfy the needs of those interested in the performing arts. The fact that Drama Club did not go very well last year gave us incentive to improve. This year's officers were president **Amy Steinhaus**, vice president **Elizabeth Leineweber**, secretary **Jennifer Flemons**, treasurer **Suzee Shin** and publicity **Deidre Wolf**. But without the support of our supervisor, **Mr. Maynard**, and our dedicated members, the year would not have been nearly as terrific as it was. Some of our projects this year were going to T.V. tapings and outside plays, scene studies, and exciting fund-raisers. It must be said that our biggest challenge was pulling off the major musical "Fame," which will hopefully start off a tradition of having a large scale production each year!

Soroptimists

Soroptimists is a new service club interested and dedicated to philanthropic activities. Our service projects were numerous, since all members were required to have 15 hours of service. Such activities included going to a children's ward in order to give them a show, fundraising money to send to a charity group, and volunteering when people were in need of our services. We had a successful year and accomplished many projects which benefited the people of the community.

The Board of Soroptimists was as follows: president **Sophy Fung**, vice president **Bernard Chen**, secretaries **Serina Behera** and **Eden Serina**, treasurer **Yoko Miyashita**, and service officers **Christian Yen** and **Jennifer Meehan**.

Las Nochas

Las Nochas is a club designed for those student-athletes who are both serious and interested in various types of fishing. The club consists of students who at one point or another have competed in a sport at Miraleste and like to fish as much as possible in their free time.

This year's club president, **Jason Mavar** utilized not only his fishing skills, tips, and knowledge, but much of his free time in organizing productive trips throughout Southern California. Much of the club's success can be attributed to vice president **Jeff Goldstein** and treasurer **Kenny Craig**. **Jason Brown** and **Lou Bozanich** both turned out to be not only productive but consistent anglers for the club.

The highpoint of the year for Las Nochas was a successful Albacore trip off the coast of beautiful San Diego, CA.

Math

The 1989-90 Math Club started strong in September with preparations for the first Bay League Math Competition at Palos Verdes High School. Members tackled topics throughout the year ranging from basic algebra to calculus and beyond thanks to the dedicated instruction of sponsor **Mr. Koch**. In addition to the first meet, the Math Club attended contests at three other South Bay high schools. Led by president **Stephen Chen**, vice president **Owen Smith** and secretary/treasurer **Enna Serina**, the group tamed the six ferocious California Math League tests and the merciless annual American High School Mathematics Examination.

Knights and Ladies

The Knights and Ladies is a service group comprised of seventh and eighth graders. This group helped with such class activities as decorating dances, school clean-up days, and helping with high school functions. The Knights and Ladies assisted the seventh and eighth grade class officers with all their activities, both social and service oriented. When the need arose for help in the community, the Knights and Ladies were there to lend a hand. Many thanks to our devoted sponsor, **Ms. Trutanich**.

Model United Nations

Once again, Model United Nations had a busy and exciting year. M.U.N. is designed to help people understand the complex world of international politics and to teach interested participants how to work with people from different backgrounds. This year, with the help of sponsor Mr. Maechling, Secretary General **Bernard Chen**, and Under Secretary Generals **Shana Aelony** and **Lance Lauchengco**, the club attended several conferences, including one at the University of San Diego. Although the club's main goal was serious, M.U.N. was a lot of fun and an enjoyable learning experience.

Psychology

The Psychology Club took off to a running start this year. It was full of enthusiasm and energy. The club has been open to both Psychology students and those who enjoy psychological interactions. The club's main goals were to help the needy and each other. With the help of **Mrs. Stevens** and the club officers, president **Michelle Mitchell**, vice president **Candice Brunner**, social director **Tracy Fisher**, secretary **Amy Livingstone** and several others, the club accomplished many feats such as visiting the elderly, contributing toys to local centers for abused children during Christmas, and participating in many fund raisers. The year was also full of seminars which delved into psychological aspects that helped us learn more about ourselves. Thanks to the help of all members, this year was a great success.

New Life

The motto for the New Life Club is to be a "Club That Cares." This year we accomplished just that by offering service time, encouragement, and time to discuss personal problems with all that were interested. We discussed problems or issues facing high schools today and found solutions using the Bible as a reference guide. This year's staff was very enthusiastic throughout the exciting and challenging year. President **Aaron Godshall** led the year along with devoted sponsor, **Mr. Calabrese**.

Bridge

Bridge Club enjoyed its second official year as a club. This year, the club doubled in size and looked exciting from day one. We met four days a week, so that those who took playing to heart, could play often. Those who operated Bridge Club this year were president **Alice Mansfield** and sponsor **Mr. Koch**. A bridge tournament was in the plans this year to add to our weekly playing. The Bridge Club would like to thank **Mr. Koch** for his support and enthusiasm.

Miniature Golf

The Miniature Golf Team started out with an amazing one hundred sixty members in autumn. The board not only had to think of a way of organizing the club, but they also had a fear of imagining the look on the face of the Castle Golf's owner when nearly one hundred wild Marauders showed up to play miniature golf! Ideas of dividing the club into smaller portions and working towards class competition points became a possible solution, but the club was finally settled and ran an operative, productive and enjoyable year. A prominent leader of the club was president **Brian Greene**.

Paddle Tennis

The Paddle Tennis Club is an organized body open to all students at Miraleste. In our first year as a club at Miraleste, we promoted the sport of paddle tennis by organizing fun activities for our members, such as tournaments and barbeques. Several of the tournaments were doubles and others were singles. With the sponsorship of **Miss Trutanich**, we hoped to get enough players to enter some teams in U.S.P.T.A. tournaments at Venice Beach and Santa Monica. Leading the year in activities, membership, advertisement and finances were **Cary Ruby, Brad Younggren, Sean Miller, and Josh Gitter**, respectively.

MHS Grid Has Winning Season

The Miraleste Marauder football team, after not playing quite up to par in recent years, showed signs of domination this year in the Olympic League. The overpowering running game included starting linemen **Mark Juhn**, **Chris Hubbard**, **Lucas Fresenius**, **Brian Kelly**, and **Alan Brock**, who along with senior fullbacks **Scott Courtney**, and **Mark Tamalunas**, opened huge holes for sophomore phenoms **Dan Sarnier** and **Danny Crofton**. The "Sophomore Express" backfield included sophomore quarterback **Steve Cooper**. Although the offense was a success, Miraleste's defense is what won ballgames for them. The Marauders were led again this year by returning all-leaguers **Scott Courtney**, **Mark Juhn**, **Mark Tamalunas**, and **Lucas Fresenius**. The defensive backs were anchored by **Mike Cooper**, the other member of the Cooper brothers.

J.V. Football

J.V. Football Comes Out With a Great Record, Finally

This year's J.V. football team started down and went up rapidly. Their first game would have brought down the morale of many teams, but the J.V. Marauders stayed strong to win six straight with an overall record of six wins and four losses.

The team was led by great coaches. The head coach was Jim Small who did a magnificent job. The running backs and secondary were coached by former Marauder, Toby Graves. John Brown taught the ends and linebackers great techniques.

"The guys' morale and spirit has been great!" said Coach Small. The team was led by the efforts of quarterback **Jason Brown**, tailback **Frank White**, defensive lineman **Bart Glusac**, tight end **Pat Hubbard**, and offensive and defensive lineman **Jack Woodruff**. "A sign of a good football team is that it doesn't need someone to inspire them, they inspire themselves," said Coach Small. The J.V. Marauders did just that!

It was a great year, indeed, for the junior varsity Marauders.

Swinging

The Miraleste standard of girls' tennis excellence was fulfilled again this year as the Marauders dominated the South Bay once again. Varsity, piloted to the finals of C.I.F. by captains **Erica Hanson** and **Krista Corette** came through with the crucial win against Palos Verdes to advance to the final matchup versus Corona Del Mar. Outstanding play by all led to the overall success of the entire team, despite their independence from any formal league.

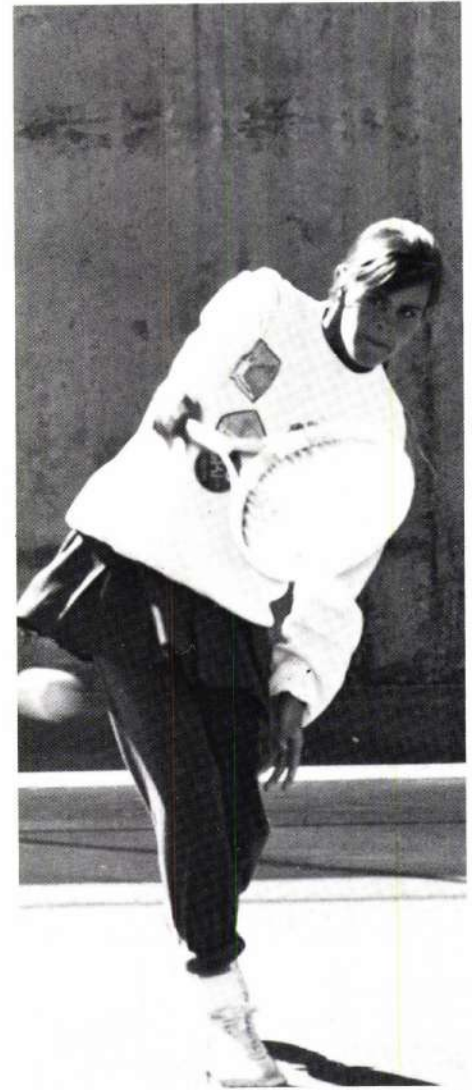

The J.V. showed dominance on the courts also. Led by captains **Kelly Gibbs** and **Allyson Cohn**, they all displayed the talent that should take Miraleste tennis superiority far into the future. We look forward to many more years of outstanding girls' tennis and wish them the best of luck in the years to come.

Water Polo

Winning Season Leads to CIF

The M.H.S. water polo team again enjoyed a most successful season. While senior **Duane Lauchengco** provided a leadership role, the Marauders got extensive scoring from juniors **Kyle Hildebrand**, **Andy Foster**, and **Zolton Gyurko**. **Jason Sarnier** provided the team with a great play maker and excellent scorer. **Jon Rodrigue** showed brilliant defense. Coach Chick McLroy quotes, "We have no real standout players. Our whole team plays so well together. We have really good chemistry."

Smashing

Coming together and working together was the theme of this year's varsity volleyball team. Both on the court and off, they exhibited team work that helped them to stay competitive in a league filled with much taller girls. In the Camino Real League, the girls faced tough matches against hard-hitting El Segundo. **Laura Servis** and **Lisa Parsons** led a young and rapidly improving team as they continued to climb the ladder of success. The team came together quite nicely and blended well, both as a team and as individuals. The hard work they showed throughout the season helped them to come through victorious.

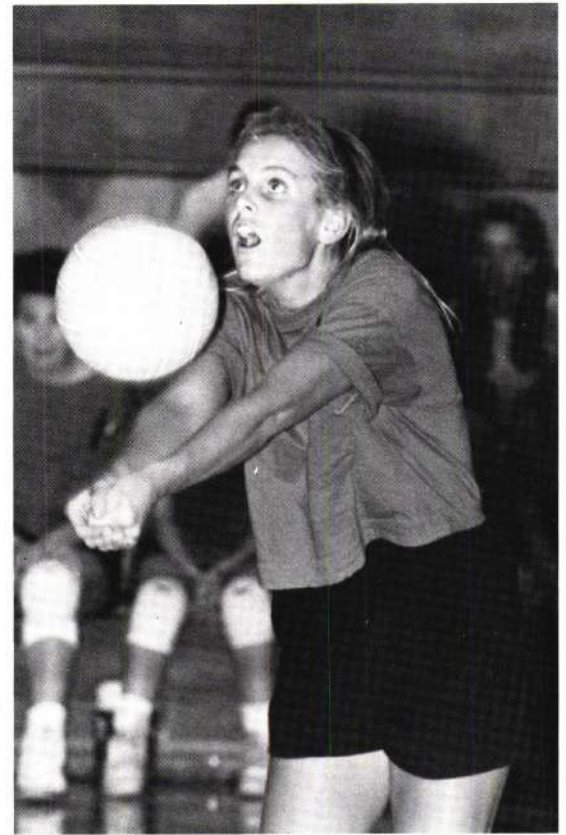

The J.V. was led this year by two competent captains, **Krista Conners** and **Ellen Gordon**. As a team, they proved that determination and team work are essential in order to come out on top. They also provided support for the varsity team. Together, they showed that big or small, you can always come out on top.

The girls were led by sophomore **Mesha Stow**, who along with **Jessica Goldberg**, **Maya Keller**, **Cinnamon Hampikian**, and **Leasha Barry**, helped bring the Marauders first place finishes in the Warren Invitational as well as others. The entire team was made up of freshmen and sophomores. As a result, it looks like the future is bright for girls' cross country.

The boys' team also did extremely well. They were led by seniors **Albert Lin** and **Aaron Godshall**.

Marauders Know

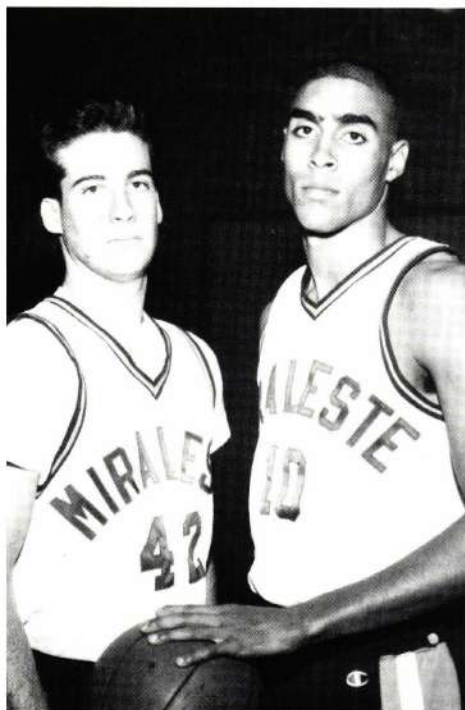

Coming off last year's championship season, expectations were high for this year's squad. The team did not disappoint. After a slow start against a tough schedule, the Marauder basketball team turned it around for league. One of the Marauders' most impressive wins of the season was a twenty point victory over cross-town rival Mary Star.

Senior co-captain **David Terrell** led the Marauders throughout the season. Others who helped in the success of the team were seniors **Eric Adler**, co-captain, **Jeff Goldstein**, **Mike Holmberg** and sophomore point guard **Frank White**. The fast break style of these players created high scoring games throughout the season.

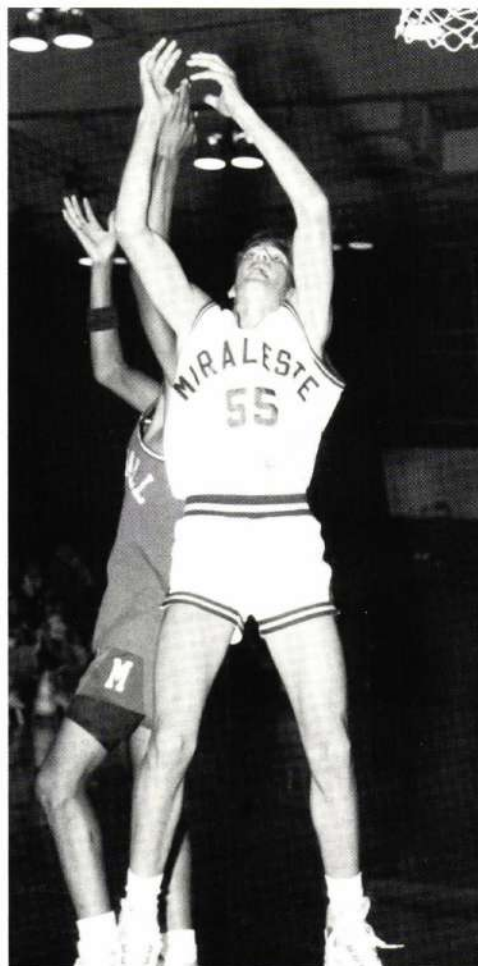

Head coach **Todd Mirsky** used his experienced seniors, along with talented sophomores and juniors to create a winning combination. Juniors **Sean Miller** and **Kyle Hildebrand** came off the bench often to add support, and sophomore center **Fritz Marohn** showed why he is going to be a dominant player in the future.

M.H.S. Soccer

Varsity Soccer Gets Its Kicks

Varsity soccer has had great success this year at M.H.S. The Marauders have had excellent teams in the past and kept up the tradition this year by posting another winning season. Their winning ways had a great deal to do with the standout defensive performances of full-backs **Mark Juhn** and **Leif Halverson**, along with great efforts from goalie **Anthony Bantula**. Miraleste's offense was anchored by junior phenom **Greg Keese**, who along with forward **Brian Kelly** and halfback **Brian Johnston**, provided the scoring. Kelly quotes, "We have an aggressive and young team which should build as the year goes on." Miraleste Marauder varsity soccer is looking good.

M.H.S. Soccer

The varsity girls' soccer team set high goals at the beginning of the year and continued to work hard to improve their team as the season progressed. Led by seniors **Beverly James, Lisa Parsons, Kelcy Kemp, Alice Mansfield, and Laura Servis**, the team was described as a "lean, mean, fighting machine" by their head coach, **Mr. Maynard**. They played tough and were very successful in league as well as against other teams on the hill.

The J.V. soccer coach complimented her team's dedication when she said, "We have a strong, hardworking team that has improved greatly." They provided strong support for the varsity team and each girl worked hard to improve her individual and teamwork skills. Even though there are few J.V. teams in their league, Miraleste girls' J.V. soccer established themselves as a strong and dangerous team, capable in all respects.

The team captains this year were senior **Peter Stevens** and junior **Brett Lieberman** who did an outstanding job. Newcomers **Mike Ryan**, **Matt Isom**, and a surprising freshman **Randy Sherman**, each wrestled as though they had four years experience.

For the girls, Coach Kim Buck was quickly hired, and the team, led by seniors **Lisa Parsons, Jennifer Shapiro, Shannon Braden, Sonja Bjerknes, Devon Hollingswoth, and Shane Fowler**, had a strong season in the Ocean League.

Bonnie Durdy came on to coach the boys' team, made up of mainly juniors and sophomores. The team was led by **Andy Zinn, Andy Foster, and Kyle Hildebrand, with strong performances from Jon Rodrigue and Aaron Godshall**. The swimmers look forward to many strong seasons under their new leadership.

The team was young this year, with only two seniors, **Jennifer Van Wie** and **Amy Livingstone**. There was also young talent, in freshman **Laura Salmonson**. Facing competition not only in league, but also in the Downey and Carpinteria tournaments, the varsity girls came out victorious. The softball program at M.H.S. looks to be a solid team for many years to come.

The junior varsity team sported many new faces and lots of talent. Stress was put on making the most of individual talent and preparing for the varsity team.

Volleyball

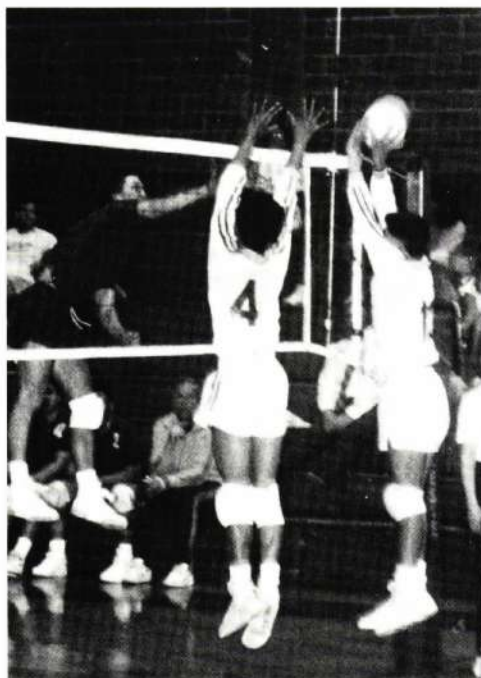

The sport of 'volleyball' was redefined this year by the intense effort, extreme desire, and dominating performance of the Miraleste varsity boys volleyball team. Nearly every week of the pre-season featured the boys pitted against larger schools with a higher C.I.F. ranking. However, the Marauders reached deep into themselves to play to their full potential and, in doing so, upset their formidable opponents allowing them to roll into the Olympic league undefeated. Upon entering league, the Marauder Volleyballers turned on the afterburners and never looked back.

With hands like a skillfull surgeon, captain **Mark Tamalunas** set the ball to devastating outside hitters like captain **Mark Mayeda** and standout **Brian Johnston**. Their opponents were hard pressed to 'volley' anything with **Luke Rawlings** and **Bob Uzeta** middle blocking. Then its was **Mark Tamalunas'** turn to crush at the outside hitting position, and ace **Nolie Harris** dished out the sets.

The mastery and knowledge of coach **Richard Henkle** were the final ingredients needed to make the talented team complete.

The only way to find rainbows is to look in your heart; the only way to live fairy tales is through the imagination and power of your mind; the only place to begin a search for peace is within your very soul; because rainbows, fairy tales, and peace are treasures that grow from the inside out.

The Never Ending Story of Miraleste High School — there is a lot of truth and a healthy dose of irony in that title. Yet, it is not the only appropriate one.

Miraleste can just as easily be seen as “The Little Engine that Could.” Marauders, it seems, have a lot in common with that determined locomotive. Both spent a great deal of time and energy battling forces out of their control. Perhaps “The Ugly Duckling” would have been a better title for the yearbook. Triumphant over discrimination was a prominent theme in both of these stories. Then there is always “Cinderella.” Did you ever get the feeling that Miraleste is the ugly stepsister?

Regardless of the title, the year 1990 had all the makings of a classic storybook. There was good and evil, drama and suspense, comedy and tragedy.

Just remember that in the end, the little engine got over that hill, the ugly duckling became a beautiful swan, and Cinderella was the only one whose foot fit in that slipper. Never forget, if the slipper fits, wear it.

To all the friendships I've shared:

Hold fast to your dreams. As we go our separate ways, our experiences together may end, but the memories are still there and will never fade away. Whether it's Brent, the flour baby, Eat at Ed's, or just Hug O' War, I will never forget the caring, the support, or the dreams that we've shared throughout the years. Congratulations and thank you for all the precious memories.

TO THOSE WHO WISH ME WELL

To those who wish me well,
there's a story I must tell
which will justify the faith
you place in me.

A long, long time ago,
just how long I do not know,
I embarked upon a quest to set me free.

In this quest filled disillusion
which was marked by great confusion
I had learned that we must be
is what must be.

There's no need to try to fight it,
misconstrue it, wrong or right it,
just to bring to life these facts
for all to see

In the pale light of my waking
to my friends there's no mistaking
I must live my life for me, and only me;
for life passes those who look
but fail to see.

On these facts I shall not dwell
but to those who wish me well,
I give thanks for all the strength
you gave to me.

Love is something more strong than anything God gave us to feel
And I can honestly say I love you two, it's a fact I can not conceal.
You two have made my life full of wonderful times to treasure.
You gave me laughter, love, and honesty more than I could ever measure.
You were there for me through the good times and so many of the bad.
You cheered me up when I was down and made me happy when I was sad.
I began to think back on all the caring things but there were far too many.
So I tried to remember what I did for you, but I couldn't think of any.
Even though I don't always tell you, I love you both so dearly.
You've taught me so much in life and made me see more clearly.
I hope someday I can repay you for all the good you've done,
So Julie and Amy, this poem's for you, I love you both a ton!!!
And to Corie, you'll always be my "little sis," I'll miss you so much!

A shoulder to cry on,
 an ear to bend
 Money to borrow,
 clothes to lend
 Friday night movies,
 afternoon walks.
 Being together,
 our private talks.
 Mending our hearts,
 crying those tears.
 Planning our futures,
 voicing our fears.
 Our memories together,
 may they never end.
 Always together,

When problems are near
And solutions don't rise
Just shout out for help
Cause I'll run to your cries
When nothing seems right
And you can't get things straight
Call out my name
And you won't have to wait
When you're on the verge of tears
Because of a broken heart
Come cry on my shoulder
I'll help life for you start
When I'm far away
And you need someone to talk to
Pick up the phone
Cause I'll forever be there for you
You mean so much to me
Forever friends we'll always be.

To Mi, Les, & Mar-

Friendship is a golden chain
The links of friends are so dear
And like a rare and precious jewel
It's treasured more each year
It's clasped together firmly
With love that's deep and true
And it's rich with happy memories
And fond recollections too...
Time can't destroy beauty
For as long as memories live
Years can't erase the pleasure
That the joy of friendship gives
For friendship is a precious gift
That can't be bought or sold
But to have an understanding friend
Is worth far more than gold
And the golden chain of friendship
Is a strong and blessed tie
Binding kindred hearts together
As the years go passing by...

I love ya guys,
