Homecoming 1990

“THROUGH the AGES”

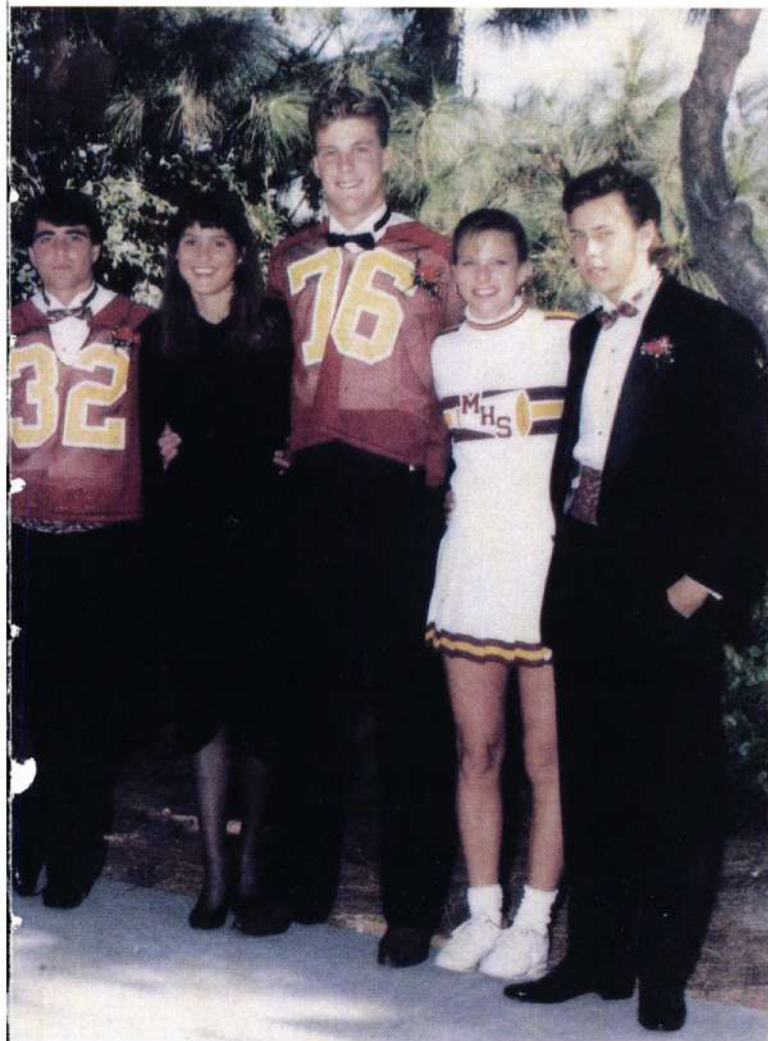

“Through the Ages” was a very well-picked theme for Homecoming 1990, held October 29-November 3. Activities held each day were attended by Marauders, who brought along much more than just school spirit: there were costumes to view and painted faces to take pictures of.

On Monday, seventh and eighth graders joined forces in dressing Egyptian for the Egyptian Age, and the seniors surprised all with their tents pitched up in Camp Senioritis. In addition, grades seven through twelve kicked off the week with the “Monday Night Jam,” which consisted of ten different class competitions, most notably an obstacle course and an all girl tug-o-war. On Tuesday, the ninth graders carried out the Roman Age, dressed in togas, and the sophomores seemed ready to sail in their pirate costumes. On Wednesday, Halloween, ghosts and goblins filled the campus to add to the excitement of Homecoming week. Thursday, the juniors dressed futuristic, made up in tin foil, and the seniors dressed prehistoric, almost looking like the Flintstones.

On the windy, moonlit Friday night, great music was played, floats were constructed, and Jason Sarner was crowned Homecoming King at the bonfire. The next day, the Marauder football team battled St. Anthony, where our beloved alumni once again turned out to join the M.H.S. spirit. Here, the sophomores won the float competition with their pirate ship entry, and Alison Gabriel was crowned as the 1990 Homecoming Queen.

"Don't look back,
 Don't be scared.
 We've got dreams
 and we're still
 young.
 Just think about
 how far we've come.
 Think of all we've
 shared.
 It's a wonder we
 survive,
 But here we are
 and we are alive!"

— Michael Bolton

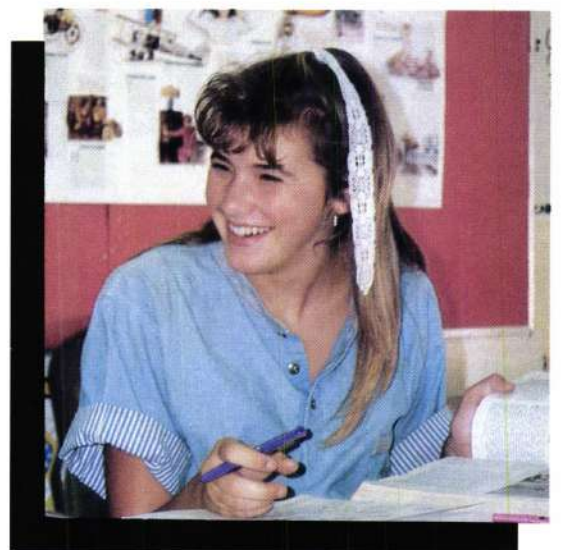

Marietta Cukingnan gives **Reza Amely** a big hug.

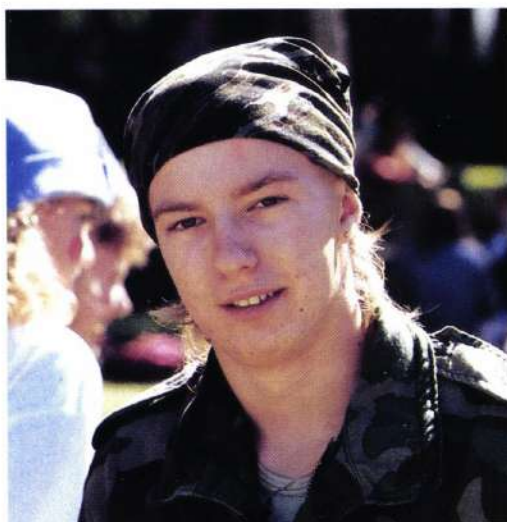

Sandy Goede smiles for the camera.

Who said homework wasn't fun?

What, no woman? — **Reza Amely** stands alone.

Joe Linaschke can't believe that someone is taking his picture.

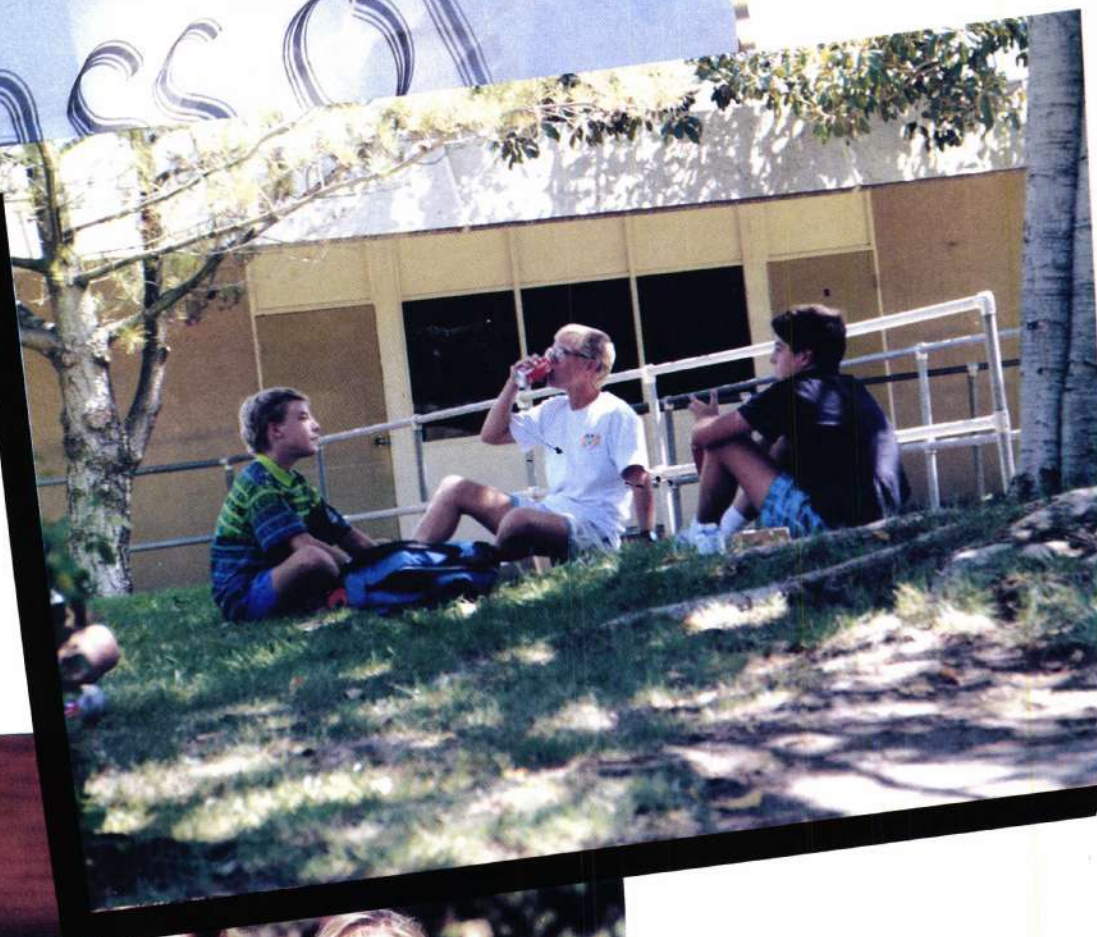

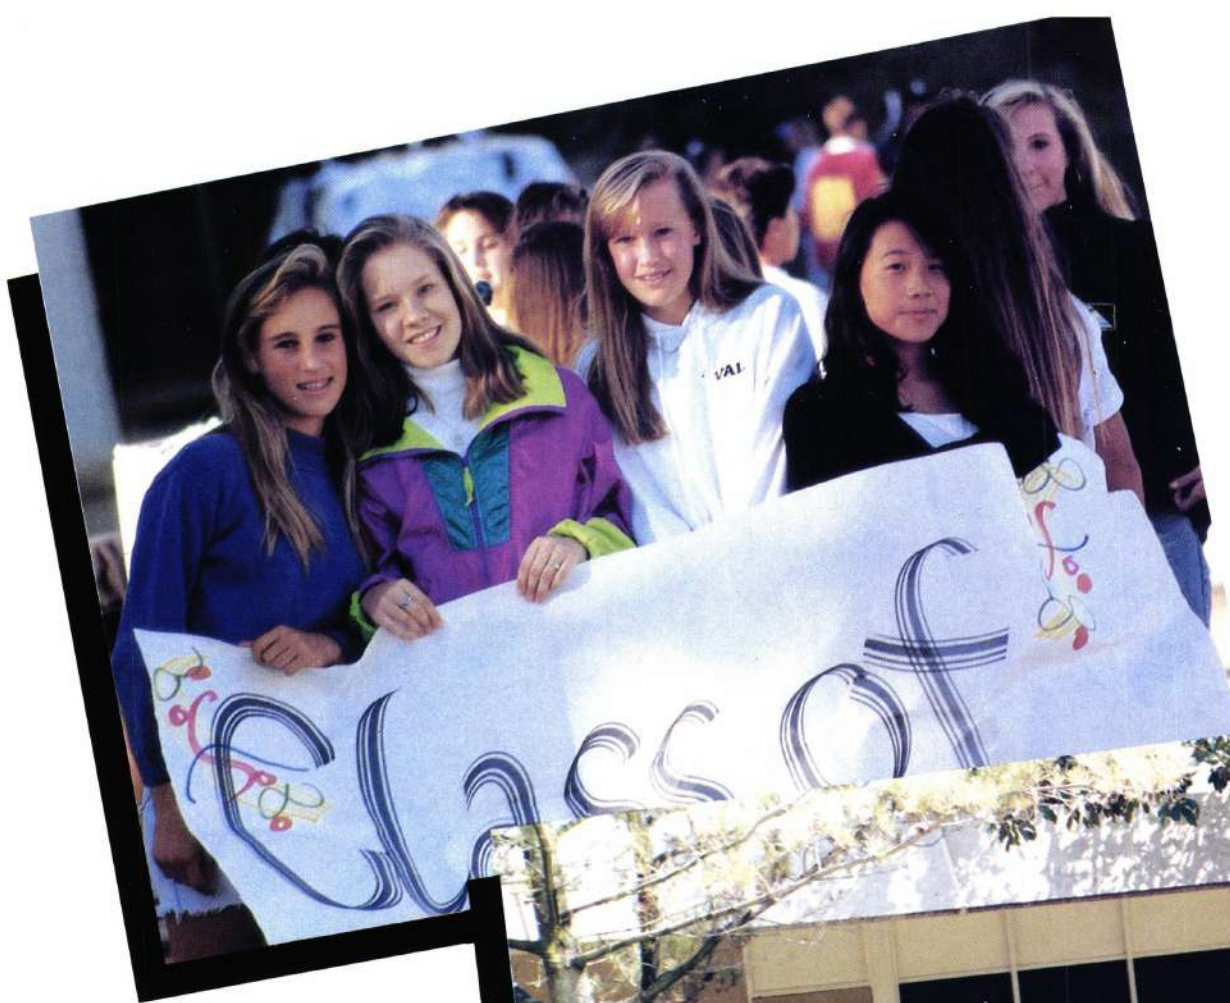

Melissa Sherry — yells, "Go Marauders GO, GO!"

“This is the time to
remember,
'cause it will not last
forever.
These are the days
to hold on to —
'cause we won't
although we'll want
to.”

— Billy Joel

... the *Students* here
are so friendly and
energetic. I've never
seen grades 7-12 on one
campus before, but it's
incredible how they
work and play together
to create one family...

Juniors

Our hard work and dedication has brought the class of 1992 through the best of times.

As mini-Marauders we began at a slow pace. We looked forward to our years as genuine upper-classmen. But would we be allowed to fulfill this dream of attending Miraleste High School? Or would our high school years be taken away from us?

Well, we pulled through. Miraleste stayed open and in our freshman year our pace began to quicken. We tried to figure out what high school was all about. We had begun to formulate a plan, and the possibilities of our class were endless.

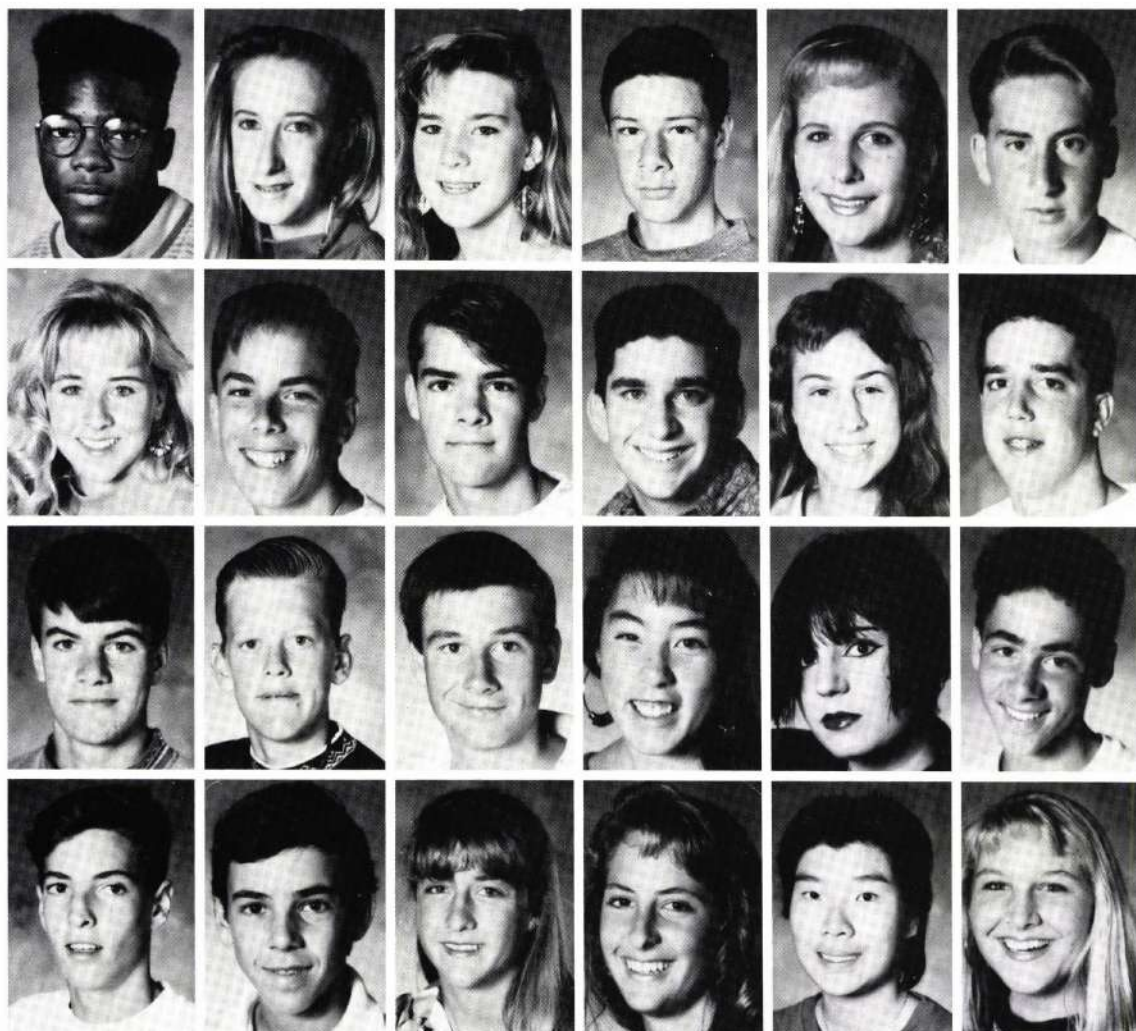

As our sophomore year rolled around, there came a fork in the road. We chose the right way and our plan went into action. Our spirit and involve-

ment in school activities took us above and beyond our expectations. Our participation rewarded us with Class of the Year. We were half way through, and ahead of the others in the race.

Junior year finally arrived. Class competition, Homecoming, and Winter Spirit week were well enjoyed. However, there was still rocky terrain ahead of us, with SATs and preparation for college. Then came the Prom. Organized by the Class of '92, the Prom danced in the hearts of the students body.

We are all looking forward to senior year, the long stretch before the finish line, where the race will finally end and we will all become winners.

SOPHOMORES

Last year, our class enthusiasm was pretty weak, but this year we got stronger and participated more in activities. Winning the best Homecoming float showed the effort we put forth towards helping our class be the best it could be.

We were active in sports as well as academics and our care for fellow classmates showed the power of

love and friendship in our class. As we bind together, our pursuit of excellence has grown. Our strength not only applied to this year, but to the years that will follow.

Our achievements here prove that we have the potential to achieve in our futures as well. This year has been one to remember for everyone!

FRESHMEN

This past year the freshmen class finally got its taste of high school. No longer being categorized as "mini-Marauders", we were able to participate in a wide variety of sports. Along with the fun we also experienced our fair share of work as we had to deal with larger responsibilities and more homework.

Besides excelling in academic and extra-curricular activities, most people found time to work as a team on our homecoming float and take part in class competitions. Along with Miss T's outstanding guidance, the class of 1994 made our first year in high school a successful one.

8th Graders

As I sat pondering on what to write, I asked myself what did we do this year? Well, we got together and enjoyed a little exposure to rap at the dances. (Well, most of us!) I also asked myself just how long we eighth graders have known each other, and it turns out we've known each other since the first grade and sometimes even longer. I think we

all enjoyed growing up with our old friends while meeting new ones.

So basically we eighth graders shared the hopes for the future, with the world in our hands. So start singing, "We got the world in our hands, we got the whole wide world in our hands, we got the whole world in our hands.!"

7th Graders

The seventh graders at MHS had a very exciting year as lots of events took place. We had many 7th/8th grade dances, held a fair, and had lots of class competition in which we tried our very best. This year included a lot of advantages for us. We experienced how high school would be, got to

take foreign language classes, and also advanced classes with high schoolers.

The seventh graders enjoyed being at a 7-12 high school, and are sad it won't be the same next year. However, we were glad to be a part of all the fun, and look forward to the years to come.

MHS Activities

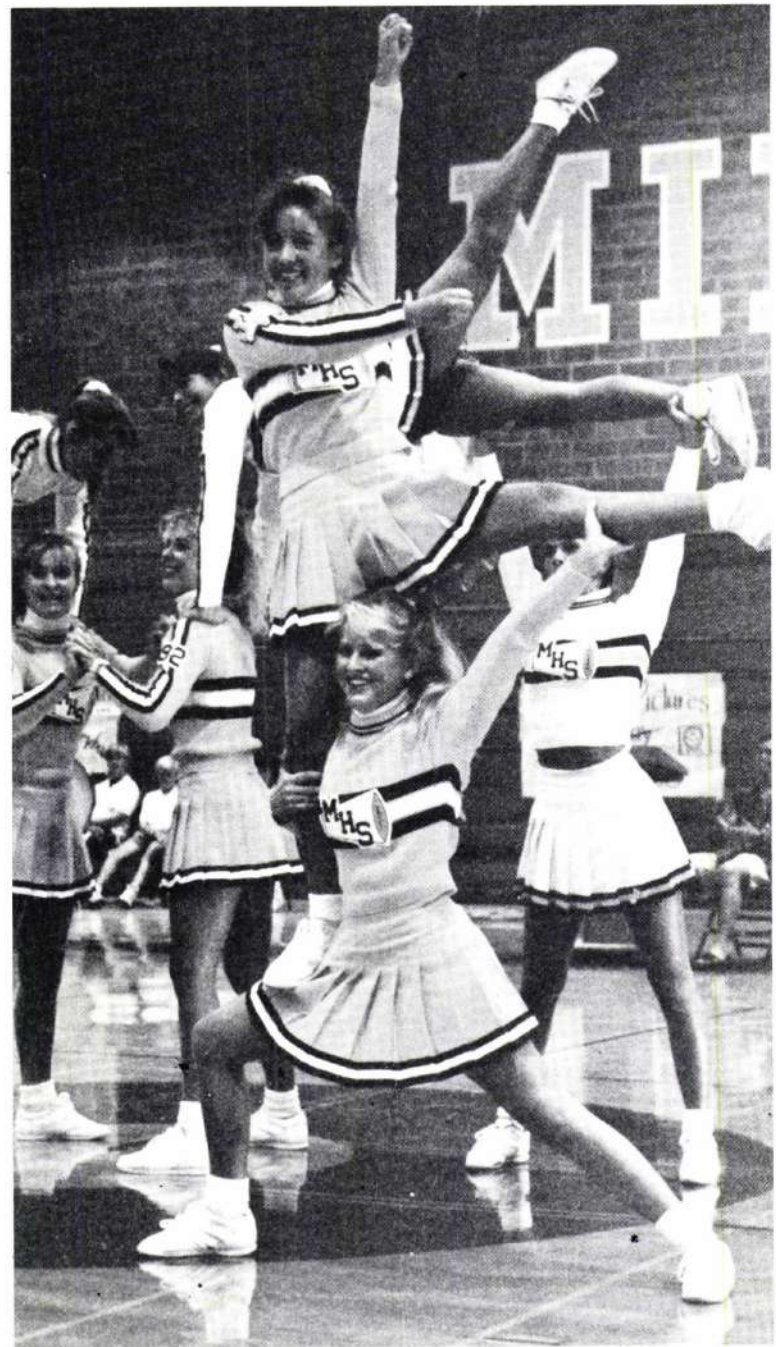

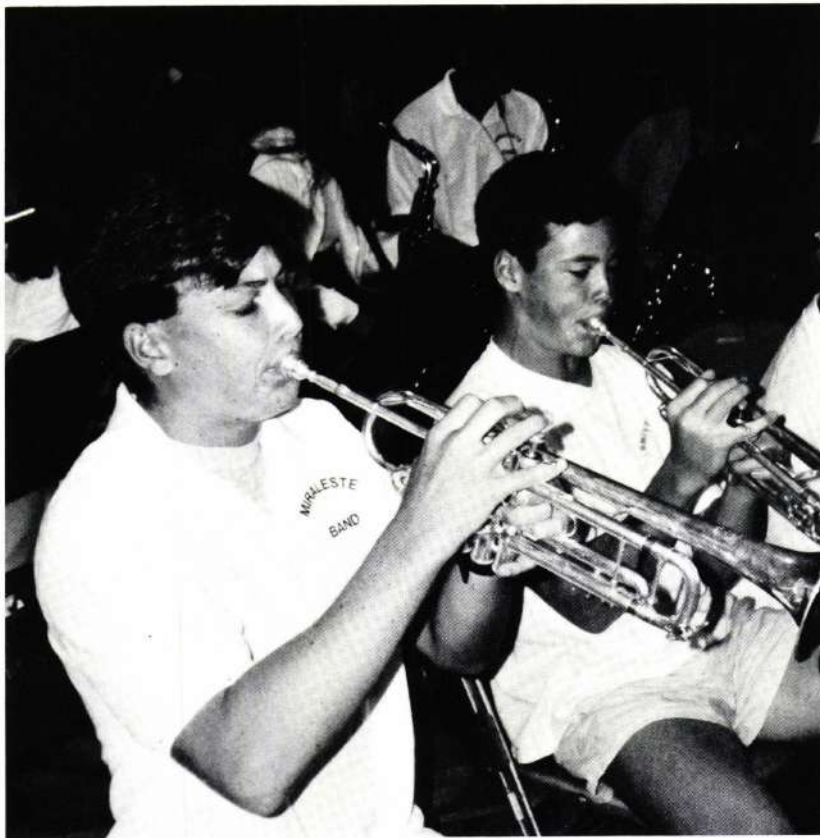

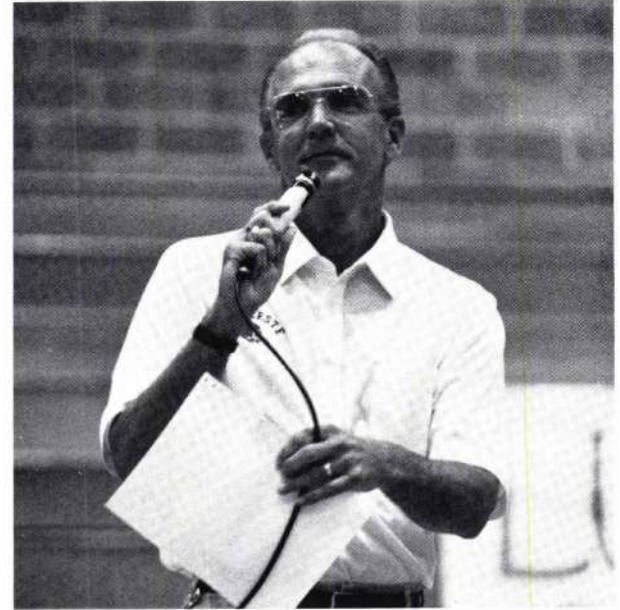

Gotta Go Back, Back,

Welcome Back Assembly

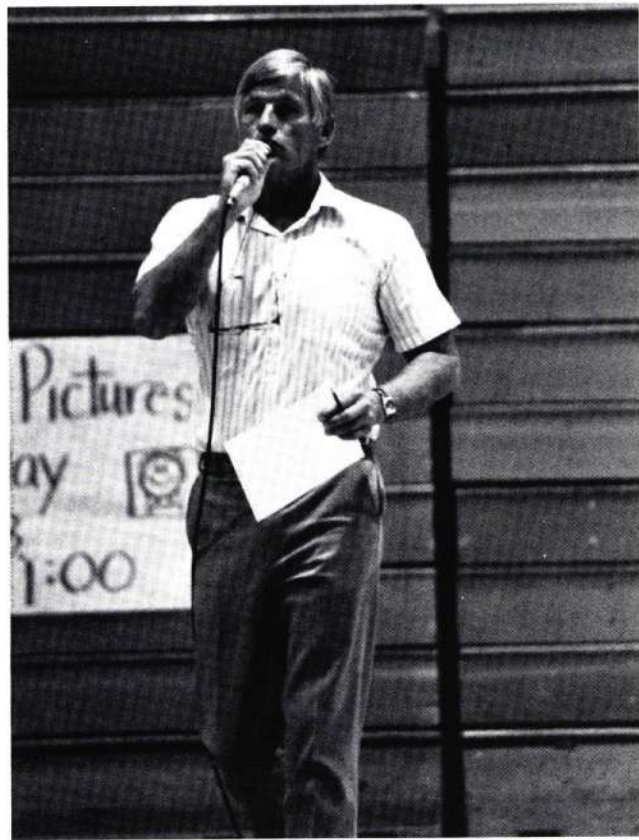

If there is such a thing as a good day to go back to school, what better way to do it than on a Friday. Friday was also our very first football game which will always be remembered for **Brett Ostergard's** monstrous 57 yard field goal.

Just one week later, all the Marauders gathered in the gym for the welcome back assembly, and only to our surprise did the whole school fit on one side of the gym!

After greetings from **Greg Markman**, **Mr. Seymour**, and **Mr. Terry**, the fun began when the fall sports teams were introduced. Who could possibly forget the "Dizzy Lizzy" class competition, which saw people unable to run a straight line after circling around a baseball bat? In fact, some participants, most notably **Kelly Pollack**, ran off course into the crowd! It was easy to see that Miraleste was off to a great start.

Back To School. . . AGAIN!

A Little

At lunchtime, on certain Fridays throughout the year, students gathered on the front lawn to take part in class competition. Class competition was a chance for individual students to participate in creative games and activities while earning points for their own class.

A record of the points was kept throughout the year, and at the end of the year, the points were totaled up and the winning class was announced. Last year the class of '92 were the triumphant winners due to their special efforts and their thirst for victory. They were awarded \$500 by the Miraleste Booster Club.

"If every class could be like the sophomore class of last year, the school would have an incredible amount of spirit which would be nice to see," said Activities Director, **Miss T.**

The main purpose of class competition was to try and promote enthusiasm and group effort. This year, besides the wild and crazy events like the building of Marge Simpson's hairdo, a canned food drive was held daily to help the less fortunate. In general, class competition was a time for all students to work together and have some good old-fashioned fun.

The Sound of Music

With only three violinists, a cellist, a pianist, and 3 flutists, Conductor **Camilla Wilson** orchestrated a successful music group. This year, they performed in the TAB for seventh and

eighth graders. After that, they held a small recital for parents, along with the band. Miraleste's Orchestra also played their music in The Shops at Palos Verdes for Youth on Parade.

The area concept is the new system replacing departments this year at Miraleste. Humanities chairman Mr. Gary Hoban is hopeful that the program will continue effectively. This concept was put into effect as Hoban stated, because Miraleste is a smaller school and the new idea adds to the "motivation of curriculum." This refers to the setting of an interesting course.

Jeff Vance is the junior class president after a run-off between Jeff and Brad Hillinger. Vance's board consists of Vice-president Laura Smillie, Secretary Becky Hathaway, Treasurer Allyson Lees and ASB Repre-

sentatives Robin Thomas, Vicki Crawford and Jeff Menze.

Gerry Griffin won the office of sophomore president after a run-off with Dave Kirkpatrick. The vice-president is Jim Roberts, the secretary is Cyndi Ervin, the treasurer is Kris Robinson, and the representatives are Lynne Diamond, Louise Konstan, and Jere Morgan. There was a run-off among Lynne Diamond, Sue Kropf and Court Heater.

As students ascended the stairs they saw a small combo of musicians and singers on their left. On their right was the pep squad fully uniformed chanting hey-hey-ba-ba-ba. Looking up they saw four boys sporting mustaches, sombreros and rifles looking very much like Mexican cowboys. Pride in the shape of posters was scattered on all buildings.

Thus started the first day of Miraleste High School. One student commented, "The opening was much better than I thought it would be."

But this didn't just happen overnight. Principal Francis Gregory said, "We have an excellent staff and enthusiastic students to thank for the smooth and grand opening. Interested students have been working since early last year in preparation for the opening of school."

Administrative assistant John Parrish feels that students and faculty are working under a disadvantage because of the construction work being finished but said, "I have high respect for the students for the way they handled themselves the

first few days at Miraleste."

Students apparently agreed with Parrish on the disadvantages posed by the unfinished school, as one girl commented, "I think something should be done about the sidewalks. It's impossible to be on time for class without being mauled."

"I thought the opening of Miraleste High reflected a superlative effort by the teachers and students, in terms of organization and performance," said Assistant Principal Ed Moore. "It was a real thrill

to observe the orderly fashion in which MHS opened its doors for the first time."

Moore was impressed with the school spirit exhibited by students so far, and feels there is a definite sense of identity forming in the student body.

Students had mixed emotions on school spirit. Some feel that "school spirit needs to be improved." Others feel that "the school spirit is fantastic."

Publication Cards on Sale

The Miraleste publications card drive has begun, and will continue until Friday, November 1. The card, available in the student store, sells for \$9.75, and entitles the holder to a copy of the first MHS yearbook, EL MIRADOR, and every issue of the school newspaper, the TORREON.

Mr. James Whiting, advisor of the TORREON, commented, "Strong support by the student body is essential for an excellent yearbook and newspaper. Since both publications are non-profit, every penny made will be used to make them the best possible."

This is the only opportunity for students to purchase EL MIRADOR, as it will not be for sale in June. Single copies of the TORREON will be 25 cents on the day of issue.

Mini Marauders

The 7th and 8th graders, who make up the "Mini Marauders," had a blast this past year, while getting a glimpse of high school life. They showed an enormous amount of spirit and enthusiasm. They participated in all kinds of activities, such as class competition and pep rallies. Although at first they felt a little intimidated

about coming to a place full of high school kids, they soon overcame their fear, found their classrooms, and made themselves feel right at home here at Miraleste. Even though they are the youngest group attending Miraleste, their contribution to the school is not the smallest by far!

Mini Marauders

Although the 7th and 8th graders don't attend the high school dances, they have their own dances to attend. Their dances are organized by Ms. T, and with the help of student council, the decorations and themes are created. The dances are held after school in the Theatre Arts Building from 2:30 to 4:00. This year's

Halloween and Valentine's Dances turned out to be huge successes. The 7th and 8th graders showed their spirit by coming in a variety of creative Halloween costumes. There was great music, a large turnout of students, and all in all, everyone had loads of fun!

Leaders

The yearly Miraleste High School Leadership Camp was held at the UCLA Conference Center in Lake Arrowhead. The weekend was spent planning and organizing school activities for the second semester. However, the weekend wasn't all work and no play. Although the Marauders were disappointed because there wasn't any snow, they didn't let it get in the way of their good time. Evenings consisted of playing Trivial Pursuit, having social

gatherings in cabins, and unforgettable skits. The Prom Date won best skit, while **Cynthia Schnabel** won best portrayal of a junior. **Ben Bellingham** also walked away with the Best Actor Award. The Ouija Board was attempted again this year, but was ended in frustration when **Steve Cooper** couldn't wake the dead. Leadership Camp was again a great success, and Marauders look forward to going again next year.

The 1990-91 annual Christmas tree sale, sponsored by the Miraleste Booster Club, was once again a huge success. On Friday morning, several Key Club members unloaded the trees and set

them up for the big weekend. Mr. Glusac chaired the sale this year, along with many other parents who helped contribute to the 6200 dollar income. The MHS Booster Club did it again!

With the great efforts of the Girls League, the Mystical Masquerade Ball was a very well-attended success. Held on the Saturday evening of December 8th, couples entered the sparkling, arch-covered ballroom ready to get down. Yet, guys held much more than just their dates as they poured in. They held bingo cards, which brought the crowd off the dance floor and to their tables, anxious to win various prizes. These included everything from Mr. Seymour's parking space for two weeks, to a trip to Catalina.

After that, pictures were taken and people kicked off their shoes to dance all night long with DJ Scott from "Amnesia" and live band "Troy."

The highlight of the evening was that most couples stayed until the later hours of the night to enjoy what seemed to be the best formal ever!

Miraleste welcomed many new faces this year with opened arms! These new faces flew in from many different countries such as Japan, Germany, Korea, Holland, and France. Although they missed their family and friends back home, they made many new

friends that can be called family. We have learned so much from them and they say they have learned so much from us, and these things will be with them forever, and we will always remain one big happy family!

In The Crowd

“Mirawest”

Every year at about the same time in March, the students at Miraleste find themselves busy in preparation for the annual Spring Festival. The Spring Festival is a time when everyone gathers together after school and concentrates solely on having fun. This year the theme was “Mirawest”. Great decorations illustrated the western theme brilliantly. This year the students got out early on the Friday of the Spring Festival just to set up for this spectacular

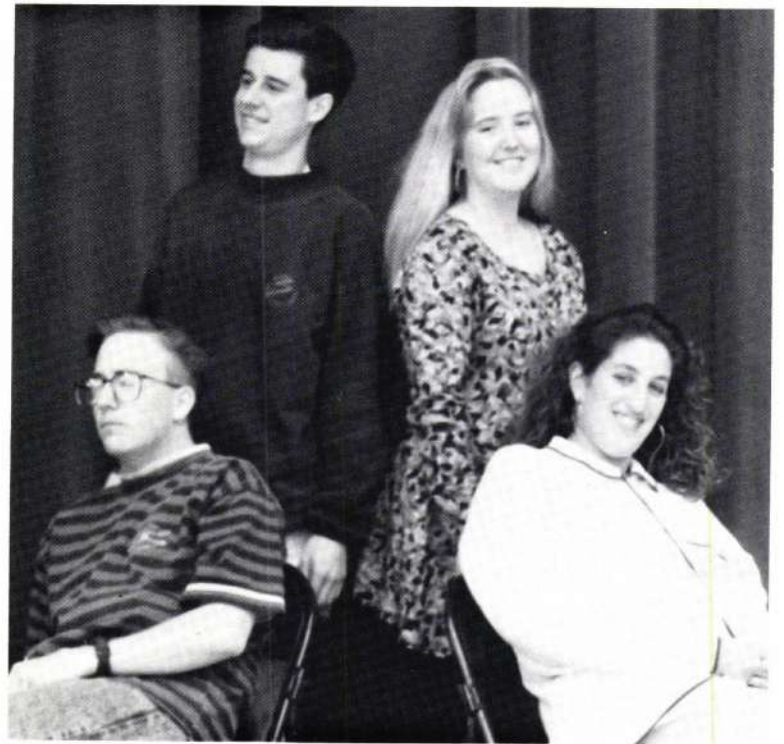

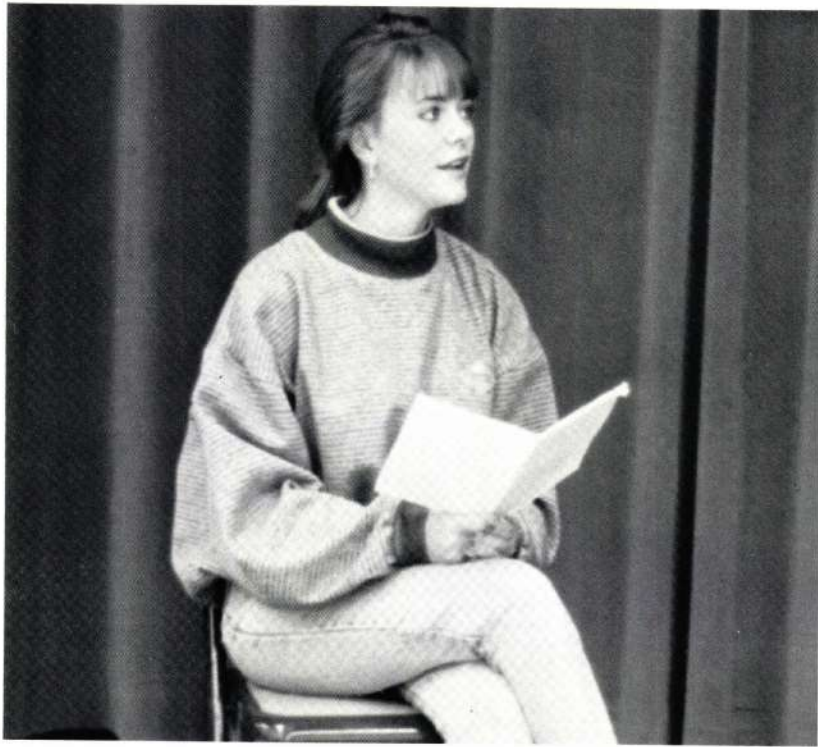

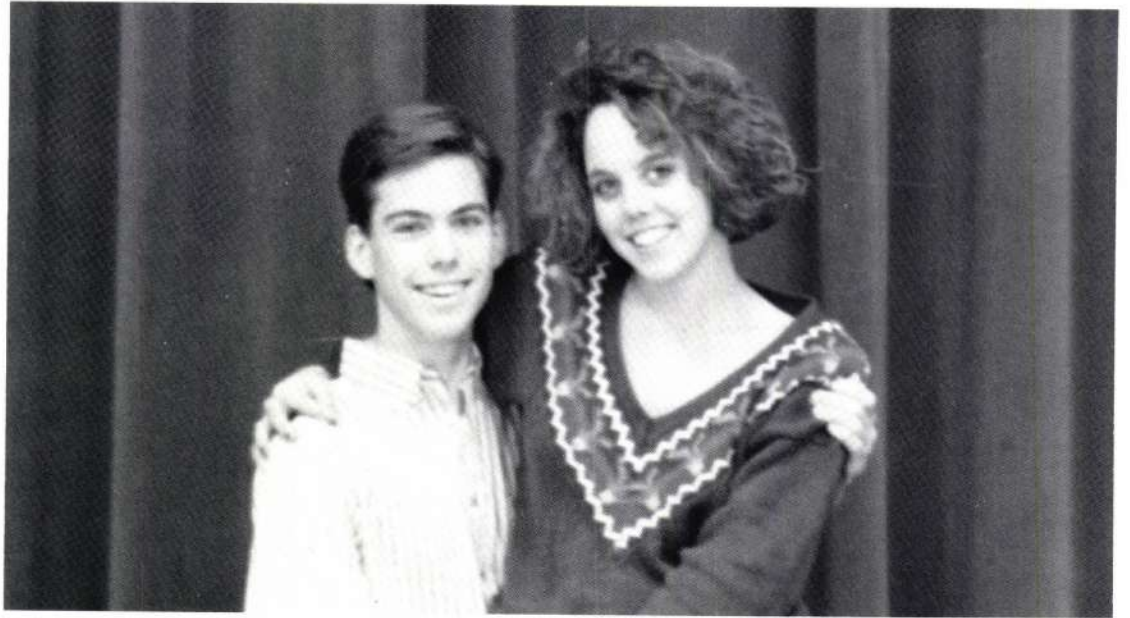

event. Different clubs and organizations put out their own unique booths with food, fun, games, and a live band too! The festival was organized by student council, but everyone contributed to the fun. “Mirawest” turned out to be a great success this year. The turnout was one of the largest Miraleste had ever seen, as the students got together to celebrate what may have been the last Spring Festival of Miraleste.

For the first time since the Fall of 1987, when "Story Theater" was produced, the Miraleste Drama Department successfully pulled off a production of "Lovers and Other Strangers". The play features five comedies, each having very distinct characters who were enveloped in love-hate relationships.

Directed by Co-Directors Amy

Steinhaus and Christine Wright, the show was performed on April 26 and April 28. The cast included **Heather Chamberlain, Tyson Heyn, Loren Koss, Lance Lauchengco, Jennifer Lott, Kathleen Mastan, Bonnie Miller, James Reynolds, Amy Steinhaus, Amy Tetherow and Kevin Wright.**

El Torreon

This year's el Torreon staff overcame a difficult beginning of the school year to produce a consistently high quality paper.

The arrival of a new desktop publishing system was delayed into late October, and when it was finally installed, the staff was faced with putting out a paper while also figuring out the intricacies of the new computers.

Under the direction of **Krista Yokoyama**, editor-in-chief, el

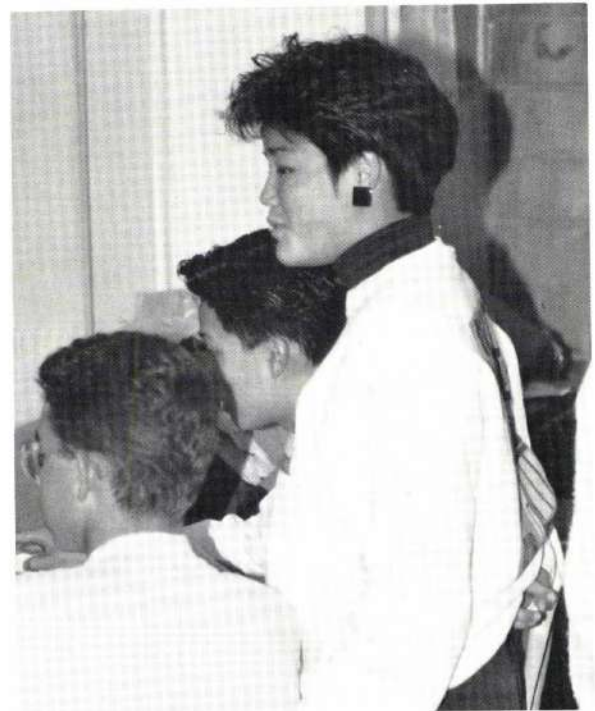

Torreon adopted a brand new look and marked improvement in coverage. **Krista** was aided by a strong editorial staff which included **Kena Yokoyama**, **John Sun**, **Josh Toering**, **Vivian Huang**, and **Carlie Fisher**. With further assistance from students such as **Negin Kamali**, business manager, and assorted staff members, Miraleste students looked forward to each arrival of el Torreon.

Girls League

This year, Girls League got off to a terrific start with co-presidents **Corey Cuyler** and **Alison Gabriel** at the helm, and our sponsor, **Carolyn Kelford** offering her guidance.

Each year tends to be a little different due to new members and their contributions. This year's activities included the sponsoring of a family for Thanksgiving and the organization of the Winter Formal.

Although disappointed at first

because of the cancellation of the Tri-School Formal, Girls League went on to make the 1990 Winter Formal, "Mystical Masquerade," spectacular, with a lively DJ, a live band, and extravagant decorations.

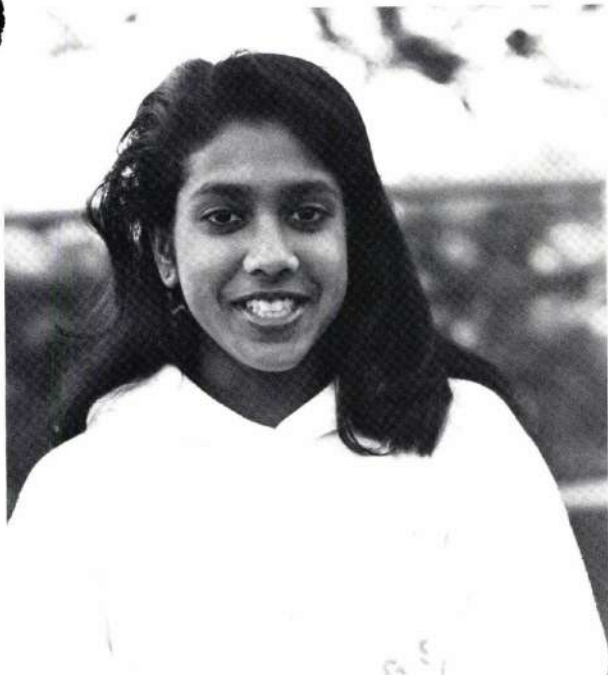

The purpose for Girls League was for all girls to get to know one another while serving the community. Goals were achieved through hard work and cooperation, which is what Girls League is all about.

Due to amount of enthusiasm Girls Service had this year, many succesful events took place. They helped sponsor the Halloween four club party, which was a lot of fun for all of those who attended.

Yet the most exciting event

that took place for Girls Service was the fashion show. Members of the club would walk down the aisle showing off the fashion of the 90's. With **Mrs. Appy's** support this year Miraleste Girls Service had a blast.

Interact

This year's Interact Club went through many changes. With only thirty members, the club had to work much harder than in past years to achieve Interact's standard of excellency. The Interact family has done many charity events and fund raisers to help worthy causes. The pancake breakfast in the beginning of the year brought in considerable rev-

enues. Many other services such as delivering phone books and visiting convalescent homes also made Interact Club soar high above the call of duty to our fellow citizens. The gratification that Interact members received for their efforts was the one reward they needed. Commitment to excellence is a motto that could be used to describe Interact Club.

Key Club

The 1991 year was well spent by Key Club. The dedication to service and commitment to the improvement of our community was evident in every member. The Board saw to it that each member put in an equal number of hours for numerous projects. The X-mas toy distribution, the

canned food drive, and the Tom Sullivan Run were only a few of the projects we participated in. When not helping out, members hosted parties to raise money for the club and clubs of the future. The board tips its hat to the efforts of the 1990-91 Key Club.

SADD

The awareness of drinking and driving has grown recently at M.H.S. Miraleste S.A.D.D.(Students against drunk driving) has contributed to this awareness, with its constant message of using designated drivers. The two-hundred member-strong club promoted the "Don't Drink and Die" message through activities such as Winter Formal, Prom and Graduation. Red Ribbon Week was very rewarding when club members joined forces with PTSA and ASB to spread the word of drug and alcohol awareness.

S.A.D.D. was a group effort that was led by the following: Co-Presidents, **April Howell**, and **Jason Sarnier**, Vice President, **Amy Sova**, Secretary, **Jennifer Huie**, Sergeant of Arms, **Jennifer Wolfson**, and **Pat Hubbard**, Treasurer, **Helen Foster**, Senior reps, **Paul Lemire** and **Nancy Tanaka**, Junior reps, **Amy Tetherow** and **Michelle Migliaccio** and Sophomore reps, **Rhys Williams** and **Alvie Serpa**.

Special thanks goes to our sponsor **Mr. Maynard**, and **Miss T.**, for all their wonderful help this year.

Environmental Club

As there is a growing concern for the environment, the Students at Miraleste decided to take action by forming this year's Environmental Club, headed by presidents **Diane Wright** and **Tiffany Yu**. In hopes to improve student awareness, the club placed notebook recycling bins in the classrooms, and also scattered throughout the campus containers designated for aluminum cans. On campus, as well as off, they have participated in many cleanup efforts. The club hopes that their actions influence habits of recycling, and conservation awareness for the future.

Soroptimist

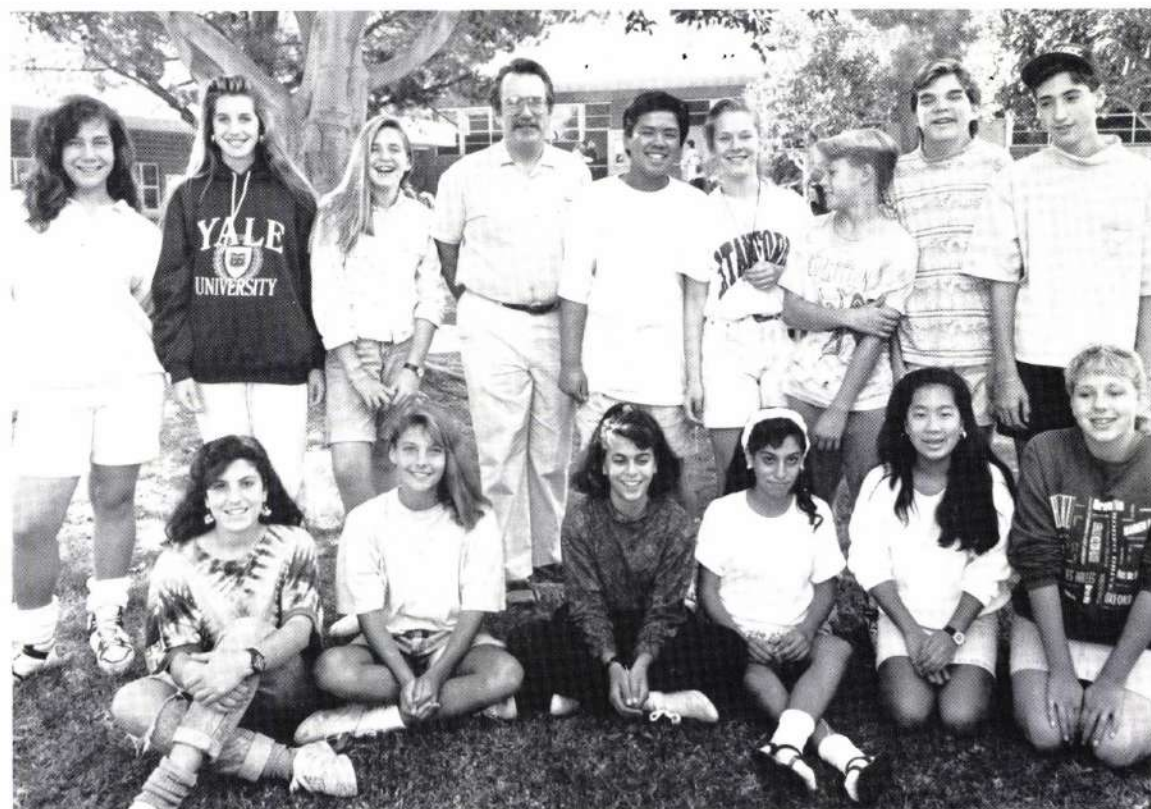

Top Row (L. to R.): J. Meehan, Y. Miyashita, B. Markman, G. Grippando, K. Mastan, H. Sawyer, R. Kume, L. Wolf, S. Finnigan, F. Lie, S. Miller. Row Two: T. Yamamoto, D. Mladnich, N. Tanaka, C. This year, the Soroptimists tried their best to help their community and school. President **Julie Lie**, Vice Presidents, **Bernard Chen** and **Eden Serina**, Secretary **Cathy Lao**, and dedicated Soroptimist members adopted three families for Thanksgiving and donated a turkey and other "Thanksgivingish" food that we take for granted. They also sold gingerbread cookies and went Christmas caroling. Soroptimist also held a terrific booth at Miraleste's Spring Festival, sold 50/50 raffle tickets at the basketball games, held a banquet at the end of the year with the larger Soroptimist club, and lastly celebrated all their doings by going to Disneyland.

Helping the community was a rewarding feeling to the club; seeing the smiles on the children's faces when they saw the cookies and the turkey was a true delight. The glowing faces of the parents was enough to make the members of the Soroptimist Club keep on helping anybody and everybody.

Mock Trial

Top Row (L. to R.): R. DeFeo, J. Green, S. Orseno, Mr. Hare, G. Huang, A. Woodruff, D. Jognson, W. Rovers, J. Medina. Row Two: M. Goldberg, L. Bisk, A. Chavdarian, K. Mederis, J. Bae, M. DiMaggio

This year Miraleste's mock trial was a success! They made it to the semi-finals and finished third from the top out of twenty other schools. This year's topic was fought over a drunk-driving, hit and run case. While training with **Mr. Bartz** and **Mrs. Gortz**, these eighth graders learned much more about the law than already known, and during all their hard training and being transported back and forth to court they made a lot of new friendships and made old ones stronger.

Principal's Advisory Council

The Principal's Advisory Council is made up of two separate groups of students who meet with **Mr. Seymour** once a month. The first group is the Principal's Student Advisory Council which discusses issues of current concern with **Mr. Seymour**. They also make up the agenda, and occasionally Mr. Seymour shares the latest information on topics of importance. In addition, **Mr. Seymour** asks for student opinion and recommendations. The second group of the Principal's Advisory Council involves faculty leadership. It is called the Principal's Faculty Advisory Council. The PFAC concerns itself with matters related to curriculum, classroom, and campus. **Mr. Seymour** values the PAC views and opinions.

Row 1: N. Gale, V. Jankovich, B. Johnson, C. Wright, A. Steinhaus, B. Chen, N. Kamali. Row 2: Mr. Seymour, M. DiMaggio, A. Chavdarian, C. Chan, S. Kim, J. Reynolds, J. Lie, T. Heyn, A. Howell. Row 3: M. Goldberg, S. Tarlow, S. Cisch, S. Livingstone, J. Lai, M. Oswald.

Altruist Club

The Altruist Club directs its time and efforts strictly towards helping others who are in need in our community. Earlier this year, they showed how much they cared by writing letters to the soldiers during the crisis in the Middle East. Other displays of their kindness were shown when they visited elders, putting on skits for the poor and the homeless, and visited orphanages. Each member is dedicated towards helping others. This year, President **Marietta Cukingnan** and the members of the Altruist Club did all they could to make this world a brighter and happier place to live.

Halverson, D. Smolens, B. Younggren, O. Smith, F. Lie, M. Oswald, D. Tanaka, J. Reynolds, T. Heyn.

The National Honor Society (NHS) consists of students who have been selected on the basis of their performance, leadership, and community service. NHS members, with the assistance of sponsor **Mrs. Kurt**, President **Nancy Tanaka**, Vice President **Shana Kirshner**, Treasurer **Carolyn Stirling**, and Secretary **Julie Lie** have held free tutoring sessions at lunch. National Honor Society also sold Birthday-O-Grams and Cram-O-Grams to help support the library. It's been a productive and memorable year for NHS.

CSF

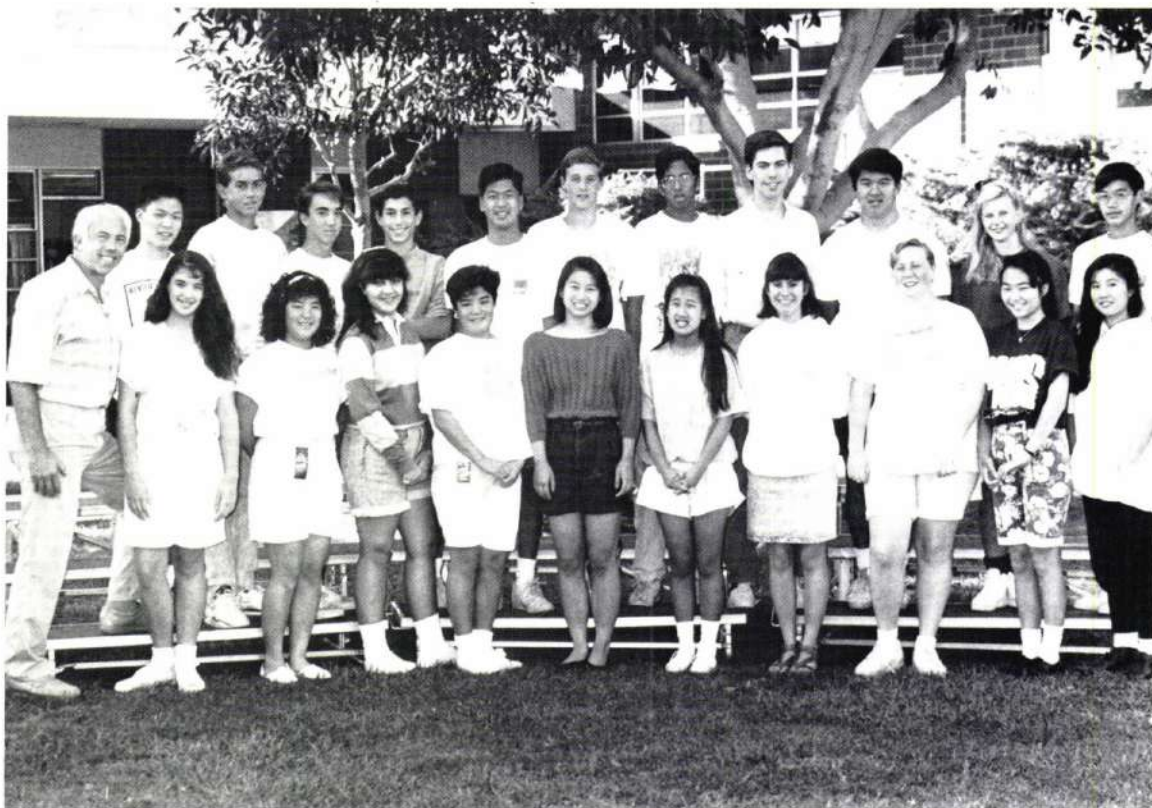

1st Row: J. Huie, H. Foster, K. Ostergard, L. Lauchengco, S. Tarlow, A. Foster, E. Wang, G. Kim, S. Basinger. 2nd Row: J. Choe, C. Chan, G. Grippando, V. Huang, Y. Miyashita, R. Kirshner, S. California Scholarship Federation (CSF), led by **Mrs. Newman**, was created to recognize students for their academic achievements, gradewise. Membership is based on the previous semester grades. An "A" is worth three points, a "B" in an honors course is two points, and a "B" in a regular class is worth one point. A total ten points is necessary for membership eligibility. Membership in four semesters, including one in the senior year, honors one in being a gold sealbearer. This seal is worn at graduation, and designates life membership.

Model United Nations

Model United Nations (MUN) gives students a chance to participate in conferences at different college campuses during the year. Participants gain a better understanding of current events and also improve their public speaking skills. The year's first conference at U.C. San Diego was a great success. The club was led by Secretary General, **Matt Oswald**, and Under Secretary Generals, **Matt Miller** and **Lance Lauchengco**. Special thanks to our wonderful sponsor, **Mr. Maechling**.

1st Row: **Mr. Maechling**, B. Whitcomb, K. Yokoyama, N. Kamali, K. Yokoyama, C. Lao, J. Jo, S. Tarlow, S. Lanaghan, S. Yamagata, E. Wang.
2nd Row: J. Sun, J. Toerring, B. Gustavson, D. Margolis, F. Lie, M. Oswald, A. Viswanathan, T. Heyn, B. Chen, S. Goede, S. Wang

Math Club

The seventh and eighth grade Math Club of 1990-91 went off with a bang. With **Mrs. Kelford** as the sponsor, these Mini-Marauders met twice a week to play math games, work puzzle problems, practice math problems from other competitions, and prepared for the Downey High School competition in the spring. The club was a great success this year.

Row One(L to R): K.Hung, S. Modarress, J. Dahlberg, M. Rakocija. Row Two:A. Chavdarian, R. Pak, W. Roberts, B. Smith, A. Yanney. Row Three: G. Huang, K. Kelford, M. Bender, J. Felix, M. Pin, K. Hwang, S. Young. Row Four: Mrs. Kelford, A. Chavdarian.

Letterman's Club

Row 1: A. Zinn, M. Hollingshead, D. Sarnier, T. Kuwata, J. Lai, L. Bozanich, P. Lemire, B. Johnston, J. Carey. Row 2: D. Tanaka, T. Harper, P. Hubbard, S. August, J. Sarnier, J. Pilato, J. Berg, B. DeCuir, D. Reed, C. Ruby. Row 3: M. Oswald, B. Gustavson, R. Mayeda, J. Lo Giudice, B. Stoddart, S. Cooper, J. Gitter, B. Younggren, J. Brown, G. Medina. Row 4: G. Markman, L. Koss, K. Schoen, D. Smolens, S. Miller, R. Mol, J. Rodrigue, M. Redman, B. Lieberman, R. Fugita, M. Tabesh, F. White.

The Lettermans Club continued to be a fine example of the best student-athletes Miraleste had. This year's club was no exception. All members shared a sense of pride while wearing the maroon & gold. So whatever colors the athletes of the Letterman's Club will be wearing next year, the memories of being a Marauder will be carried in the hearts of all ... forever.

Academic Decathlon

K. Yokoyama, N. Kamali, J. Sun, K. Pollack, V. Huang, Mr. Whidden

The prospect of having an Academic Decathlon team did not look good at the beginning of the year. None of last year's participants wished to continue this year.

Mr. Whidden was in charge of forming this year's Academic Decathlon team. With some tough recruiting, he put together the team of **Vivian Juang, Negin Kamali, Matt Oswald, Kelley Pollock, Bryce Stoddart, John Sun, Josh Toering** and **Krista Yokoyama**.

One of the team members, John Sun, won a silver medal for the second highest score in his grade point level on the social sciences test.

Drama Club

Since there was no Drama department at Miraleste, it was important that there was something to satisfy the needs of the students with interest in the theatre. This is where Drama Club came in. We attempted to do whatever we could to gain more experience and education in Drama. President **Amy Steinhaus**, and members **Christine Wright** and **Eric Putz**, decided to put together a final show for Miraleste. "Lovers and Other Strangers" was a comedy produced completely by the MHS Drama students. Pulling off a show like this taught many valuable lessons about theater.

Psychology Club

Much to everyone's surprise, the Psychology Club is not only open for Psychology students, but for everyone. This year, we started with an amazing number of members, but as the year went on, the club dwindled down to only the dedicated and hard working members. With such members, and with the help of **Ms. Stevens**, it was easy for the club officers, President **Garrick Hanger**, Vice President **Krista Corette**, and Treasurer **Jennine Stone**, to get Psychology Club moving. The club not only strived to understand and help each other, but to understand and help others. The club was able to reach its goal throughout the year with discussions and donations to groups such as G.I.'s in the Gulf, homeless people, and homeless animals. Although this is the last year for the Psychology Club at Miraleste, the club and the deeds they performed made a difference, and will never be forgotten.

New Life

The New Life Club took full advantage of its newly granted Constitutional Rights this year on campus. The club was kept extremely busy throughout the year consolidating with the other New Life clubs on the PV and Rolling Hills campuses. In addition, the club gave committed Christians a place to meet and grow on a weekly basis. Leadership was provided by **Scott Basinger**, and assisted by Vice Presidents **Holly Sawyer** and **Jason Coon**, and their faculty advisor, **Larry Calabrese**.

French Club

This year's enthusiastic French Club leaders, co-presidents **Kena Yokoyama** and **Cinnamon Hampikian**, led the club through many successful events. With the help of secretary **Cathy Lao** and treasurer **Tiffany Yu**, French Club was busy this year watching foreign movies, holding a booth at Mirawest, selling candy, and having their annual banquet.

French NHS

This year French NHS was made up of **Madame Maier's** best students. These French students had to receive an "A" average for two semesters and were also responsible for completing a certain number of hours of tutoring and service work. President **Shana Kirshner** and her members arranged all of this year's club activities such as the annual banquet.

German Club

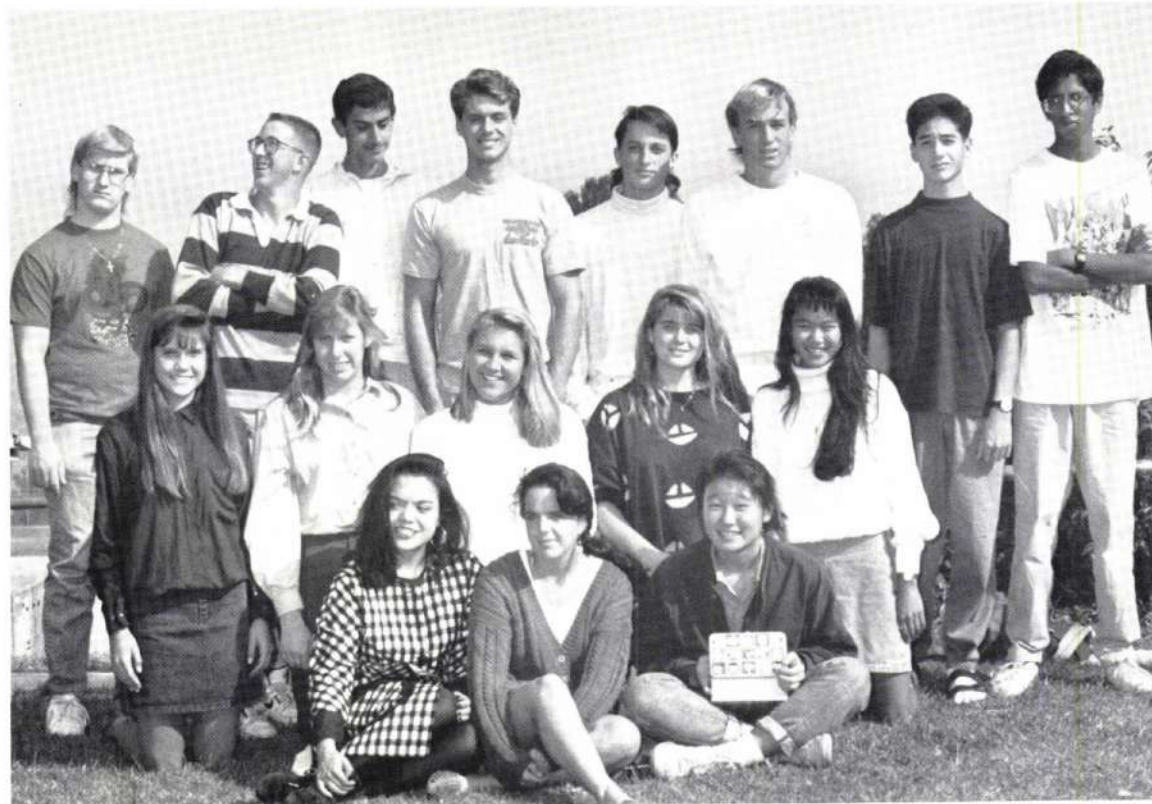

This year's German Club was extremely successful under the enthusiastic leadership of presidents **Josh Gitter** and **Andy Foster**. The club scheduled many exciting activities including German-speaking dinners and a trip to the Oktoberfest. In February, the German exchange students arrived for a month to stay with their host families. The German Club also helped coordinate parties and various trips for our German guests. The various club officers, vice-president **Lance Lauchengco**, secretary **Shannon Cisch**, treasurer **Jennifer Huie**, and historians **Carrie Furman** and **LN Gordon**, helped contributed to the club's success. Many thanks to **Frau Koch**, our devoted sponsor, for her invaluable help. Vielen Dank und Auf Wiedersehen, Miraleste!

Spanish Club

Any student enrolled in a Spanish class was welcome to join the Spanish Club. Members were given opportunities to speak Spanish in settings different than the classroom. This year, students participated in Dias de Juegos during lunch by playing Monopolio, Concentra-cion, and Pregunteme Bingo. Funds raised from popcorn sales were used to buy tickets for cultural events and supplies for sevice projects. President **Nancy Tanaka** organized the year's activities along with the leadership of sponsors **Mrs. Hagey** and **Mrs. Rakocija**.

Football tackles new League

The clashing of helmets and the roar of the crowd were familiar sounds heard at Marauder Stadium this year. With a new coach, **Tony Bantula**, and admission into one of the toughest leagues around, the Marauders needed to do well.

The Marauders competed intently in all their games, but came up short in some. The team was led by **Danny Sarner**, the quick and very versatile running back, who gained over 1000 yards this season. The team was also fortunate to have the awesome boot of **Brett Ostergard**, who kicked many tremendous field goals, including a 57 yarder in the opening game against Redondo Union High School.

The team also had many new, young faces this year. The standout from last

year's JV team was **Victor Glusac**, who showed his versatility by playing both tight end and defensive end. On defense, **Jerry Pilato** was known as "amazing" to the people in the stands because of his quarterback sacks and pass interceptions. **Bart Glusac** also caused havoc for most of the quarterbacks this season. **Brett Ostergard**, **Steve Keesal**, **Matt Miladinovich**, and **Dan Ronholm** were a force on the defensive line and **Ostergard**, **Keesal**, and **Miladinovich** recieved All League Honors.

Hopes are high for next year's Varsity team. As **Danny Sarner** commented, "We have some great athletes coming up from JV and they will blend in perfectly with our experienced players".

J.V. Grid Team Overpowers

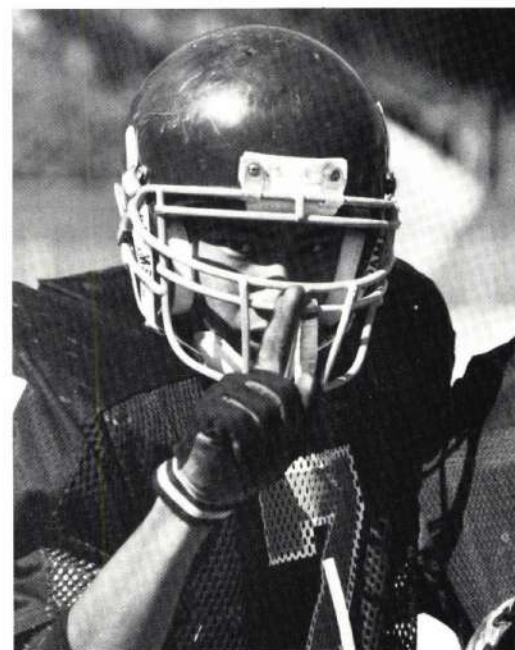

Coach Small won in BIG ways.

This year's Miraleste J.V. team looked to duplicate the winning ways of last year's squad, but they knew it wouldn't be easy.

After all, they lost the likes of 1990 varsity standouts **Jerry Pilato**, **Jason Brown**, **Bart Glusac**, and **Jack Woodruff**, and last year's MVP, **Frank White**. However, with the help of **Jim Small's** usual coaching magic and some talented sophomore players, this year's team did not only meet last year's record of 6-4, but surpassed it convincingly, posting nine wins against only one loss. The only loss on the Marauders nearly unblemished record was a heartbreaker to powerhouse Serra

of the Camino Real League.

The strength on this year's team was in the skill positions, where Sophomores **Adolf Juhn**, **Bradley Sherman**, (his brother **Randy**, also a star player, injured his hand early in the season), **Rob Coratti**, and **Dave Whittlesey** played their best. The Dominating Defensive line tandem of **Alex Uzeta** and **Oscar Lechuga** were fierce, and the passing combination of quarterback **Scott Gordon** and receiver **Scott August** proved to be a potent duo. **Coach Small** proved again that with the right discipline and positive team-oriented attitude, anything is possible.

A Splashing Success

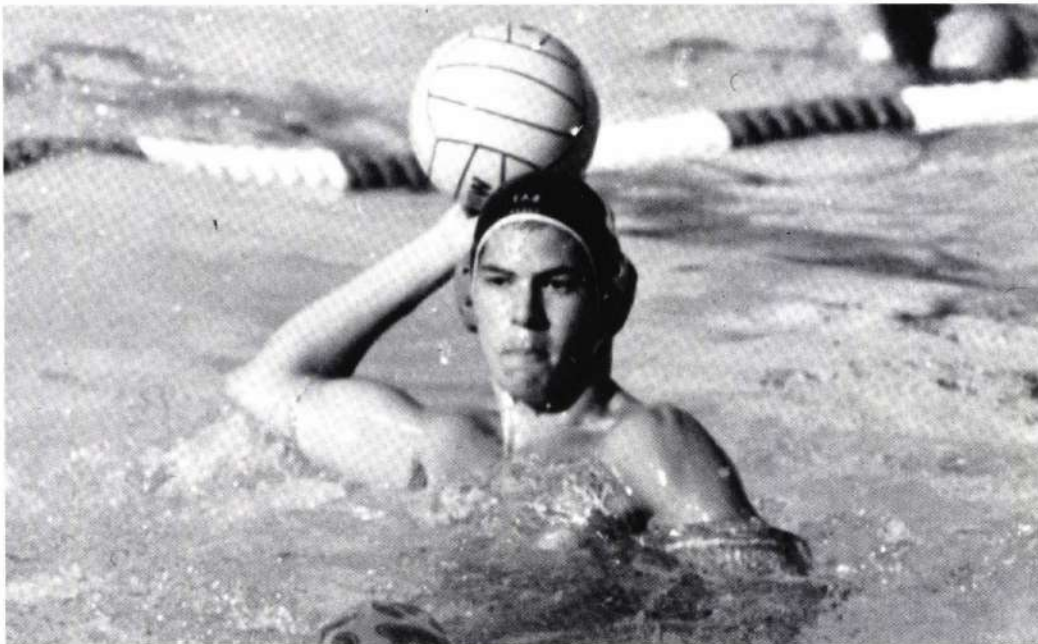

Boys Water Polo

With a record of 22-4, the waterpolo team went on to the semifinals of CIF and were league champions with an unblemished 6-0 record. This was no surprise to head coach **Chick McIlroy** who stated,

"I never had a team that had such depth of talent. We had people who didn't get much playing time that would have started on any other South Bay team."

Among the "unsung" standouts

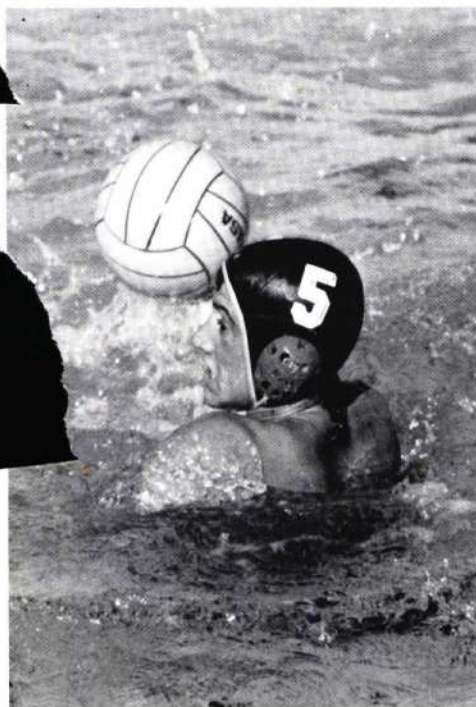

were **Brian Johnston**, who was named 2nd team all league even though he didn't start, and **Joe Carey**. But the key to this team was the Most Outstanding Player, **Kyle Hildebrand**, who was named League MVP, also for the second time. The inspiration behind this team was captain **Brad Younggren**, who was named First Team All-League, along with **David Reed**, **Zolton Gyurko**, and **Andy Foster**. Members who made it on the 2nd Team All-League were **Jon Rodrigue**, and this year's most improved, junior **Andy Zinn**.

Tidal wave of Talent

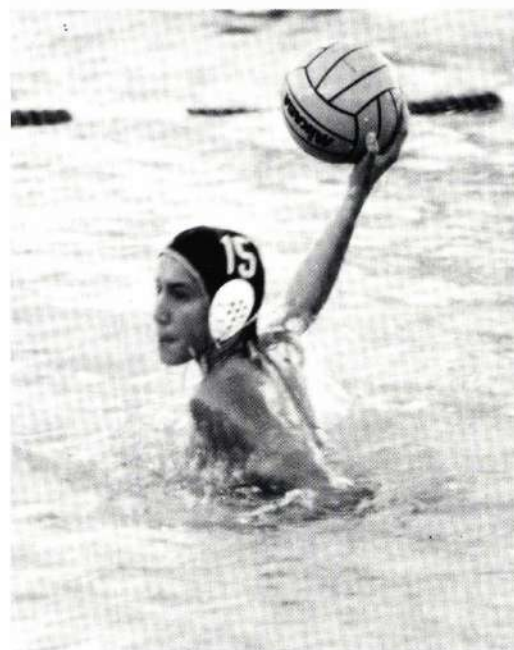

J.V. Water Polo

It was once again a victorious year for the Miraleste Junior Varsity Water Polo Team. Led by the captain **Alvie Serpa**, and the outstanding play of **Rhys Williams**,

this year's team went on to a 10-7 season, taking second in league, which is in no way a small accomplishment. The team also benefited from the excellent play of **Jeff Marx**, **Adam Turner**, and **Matt Stoker**.

Tennis Swings into Action

Nobody said it better than coach Jim Hanson, who summed up this year's Varsity Girls Tennis Team when he said, "They performed beyond their expectations."

They did just that and more. Yet their accomplishments were not achieved by any one individual, it was a true team effort, leading to an overall record of 13-6. Not too shabby, but what else would you have expected from standouts such as **Kristin Keller**, co-captain, **Laura Bak-Boychuk**, **Andrea Ballard**,

Krista Corrette, and this year's most outstanding player, **Christa Hanson**.

With the help of sophomore **Stephanie Lorman**, and junior **Darcie Sepko**, plus the added help of freshman standout **Candice Corrette** (who also played on the J.V. team), the team made it well into the second round of CIF play.

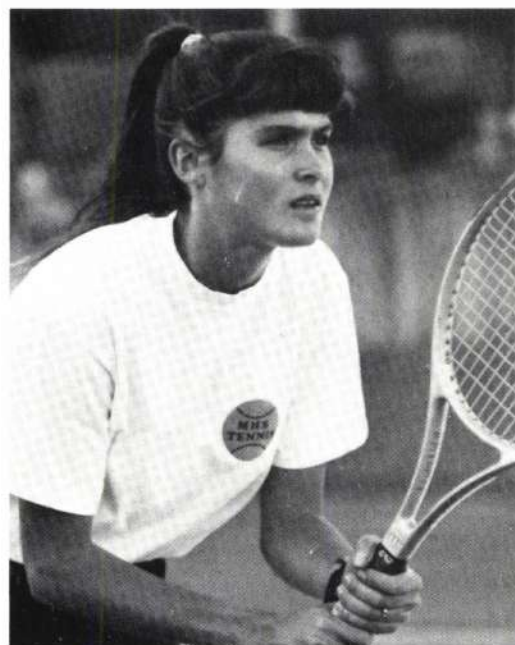

Playing some of the finest teams that Southern California has to offer, the women maintained a proud tradition of Miraleste tennis.

Jammin' J.V. Tennis

This year's Junior Varsity Girls Tennis Team had a trying year. While it was very hard for the team to escape the giant shadow cast by the outstanding Varsity Team, this team showed much more effort to escape from those bonds. With a 7-7 record the J.V. Team was led by co-captains **Heather Chamberlain** and **Michelle Williams**. Also, it was

kept together by the outstanding duo of **Kara** and **Candice Corette** who helped the team greatly.

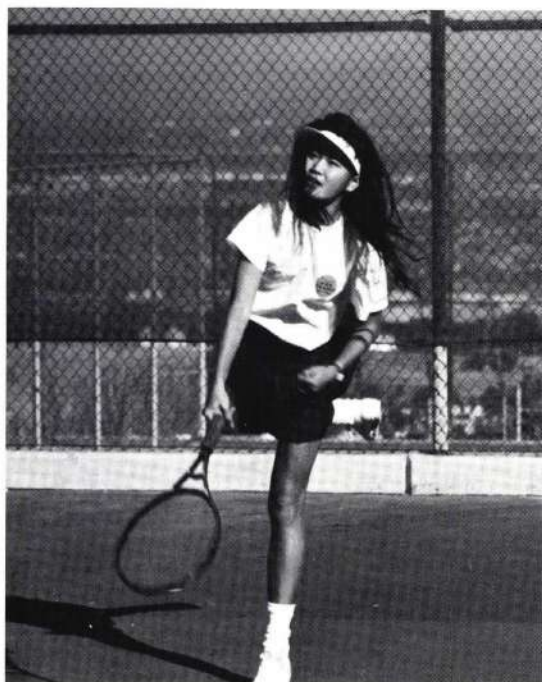

But this was no small team by any matter. It was filled with outstanding players, including **Jamie Jeton**, **Susie Jones**, **Amber Habif**, **Marisa Barren**, and **Abby Toering**. The record of the team may not have been a headline, but the effort that they put forth definitely was.

Varsity Sets the Score

The spike of the ball and whistle of the referee were familiar sounds heard echoing through the Marauder gymnasium this year, as the girls volleyball team took to the floor.

This year's Varsity team was young but talented, and continued to improve with each game. They were led by such all-around players as **Vicki Jankovich**, **Kathleen "Bubbles" Esphorst**, and the twin sisters, **Michelle** and **Marcelle Moses**.

The main scorer for the Marauders was **Kristin "Terminator" Ostegard**. She scored most of her points with her powerful spike that

would go through the opponents blocks. Another important player on this year's team was **Eunice Razalan**. Without her strong passing and serving ability, the team would have had a tough time winning several of the games.

Jennifer Wolfson said, "It was kind of like a building year for our team. We showed a lot of signs of being really good." This potential to be very good was shown when the Marauders beat the very tall and talented Rolling Hills Girls' Varsity team in straight games, pointing the way to an even more promising season next year.

JV Volleyball digs deep

People used to watch a Girls' Junior Varsity volleyball game and expect to see one hit and then find the ball passed over the net. It was the complete opposite, however, with this year's J.V. team. They showed signs of becoming great, up-and-coming varsity volleyball players.

Under the knowledgeable coaching of **Mr. Hare**, the squad had a great season, with only two loses in league to Pius X, who went undefeated. Despite coming in second, the Marauders dominated pre-season and league play.

The team was led by **Stephanie Milam, Jennifer Meehan, Mariah Fillers, and Deanna Tartaglia**. When asked who she thought was the Most Valuable Player, **Deanna Tartaglia** spoke up and said, "There is not just one MVP on a team, we all work together and play hard!"

When next year comes around, it looks like the talented girls that move up to Varsity will greatly help the team, and the girls that remain J.V.'s will continue doing a great job, just like they did this year.

Cross Country runs into CIF

The finish line is in sight. The sound of footsteps and the opponents breath down one's neck is evident. The ribbon is broken and the race has been won . . . This was a highly probable ending for **David Tanaka**, **Mesha Stow**, and the rest of the 1990 MHS Cross Country squad.

As **James Reynolds** said, "Cross Country this year was full of excitement. All runners challenged themselves which resulted in several awards and trophies at all events." The boys team ran extremely well

with **David Tanaka**, **Ashi Malekafzali**, and **Lance Lauchengco** leading the pack. They finished fourth in Caminio Real League behind those and other strong performances from other runners.

The girls team this year was led by **Mesha Stow**, with the assistance of **Tessy Wolf**, **Jennifer Godshall**, **Jenny Jetton**, and **Jessica Goldberg**.

CIF competition was attended by the girls, who ran well as usual.

"Where did that Dutch giant come from?" you may have asked in the beginning of the year. The person who filled that dominating 6'8, 240 lb frame and size 15 shoes was **Ramon Mol**, a student exchange transfer from Holland, where he played on the Junior National team. He led the Marauders this year with his tenacious rebounding, along with junior **Frank White**, who provided most of the scoring.

White consistently amazed on lookers, continually out doing himself with dazzling moves and impossible no — look passes. Although his "J" (what he called his jumpshot) was deadly from long range, **Frank** said

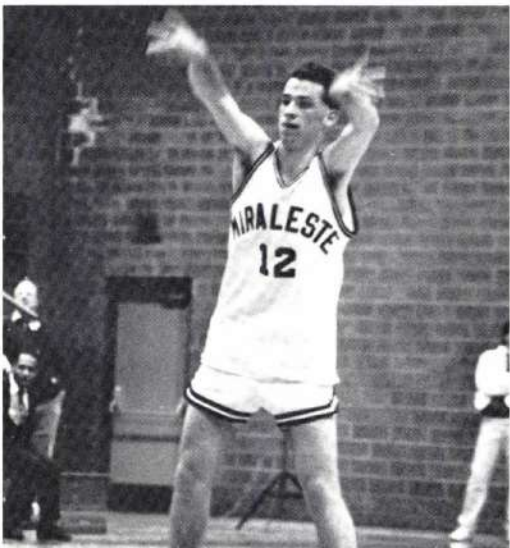

"I take most pride in my "D" (what he called defense). **Frank** had admirable help in the back court from sophomore sensation **Scott August**, who provided steady ball-handling and clutch shooting. **Sean Miller**, the only Senior on the starting five, provided leadership as well as solid defense and inspiration. The remaining starter, **Fritz Marohn**, was a prolific rebounder and productive scorer. **Victor Glusac**, and **Jason Brown** worked hard off the bench, and senior **Kyle Hilderbrand** provided team humor and Chick Hearn imitations. In his first year of coaching, **John Quick**, a former Serra High School coach, was superb.

Frosh/Soph Shows off

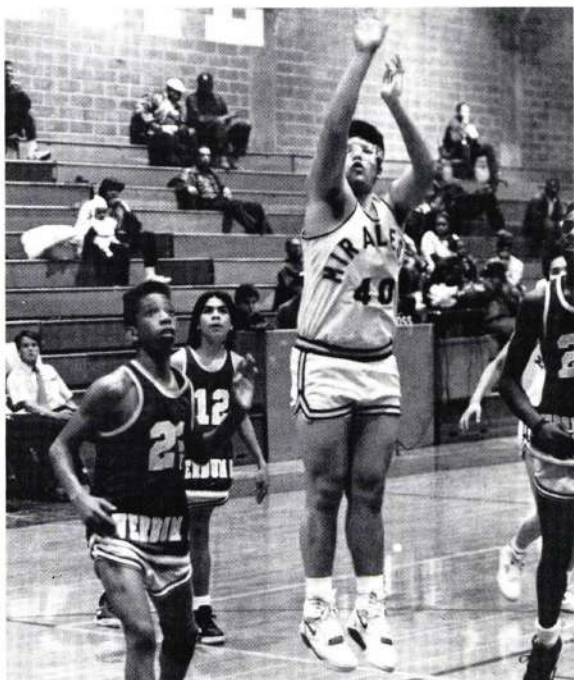

The pounding of the ball and the intense concentration of the players was seen and heard throughout the Marauder gym this year. The team, led by Freshman Captain **Keith Harter**, (who frequently moved up to Varsity during the year), had a very trying season.

Even though the Marauders were moved up to the tough 3-A League, they were able to win many of their games. The great shooting of **Gilbert Yoh** and the all around playing of **Chad Castillo** made these guards hard to handle. **Lucas Rakocija** and **Matt Dailey** were terrors in the forward positions with their hot shoot-

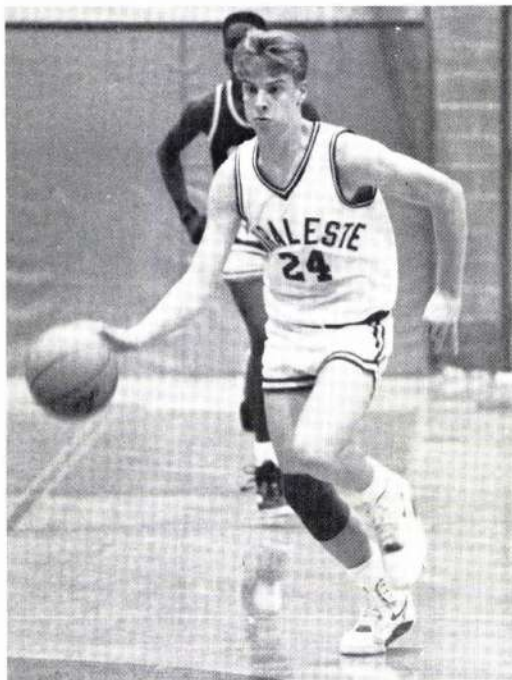

ing and strong rebounding. Coming off the bench was the strong contributor **Damato Philip**.

This year's team was coached by ex-Marauder Varsity player **Scott Snyder**. When **Coach Snyder** was asked how he enjoyed his first season, he commented, "I loved every second of it. The kids were great! We were in every game and they all gave 100%."

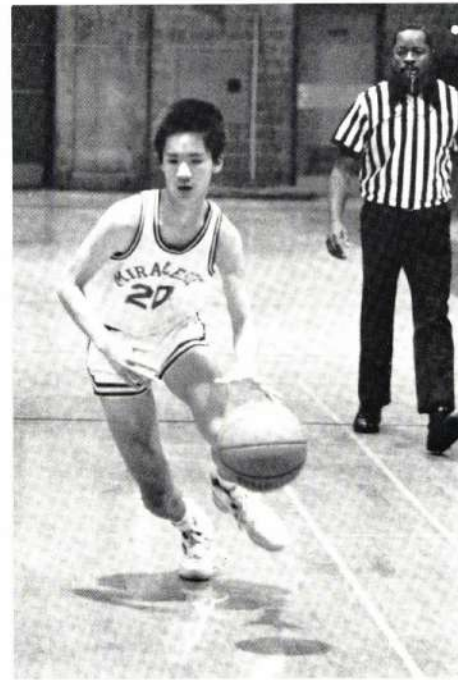

With the expert coaching they received this year, the players that move up to Varsity will be a tremendous help, and the new players will keep up the great Marauder tradition.

This year's "Lady Marauders" competed in the tough Camino Real League. The team was led by the ball handling of guards **Euni Razalan** and **Christine Mori**. **Staci Mathews** and **Marissa Norris** provided the bulk of the scoring while **Michelle Williams** rebounded with tenacity. The versatile **Eden Serina** produced all-around ability.

The '91 Junior Varsity team was led by its leading scorer, **Alana Berkson**, and their powerful rebounding forward, **Yoko Miyashita**. **Tara Calabrese** and **Michelle Mehta** ran the team at the guard positions. **Laurie Cannady**

Coach Tony Morojan

The Varsity program had a trying year. After getting off to a slow start and losing their first league game in two years, the team picked up and had a virtually unblemished record the rest of the year. The team was led by returning standouts such as captains **Greg Keese** and **Leif Halverson**, (who suffered a knee injury and was out for the beginning of the season.) Also holding the team together were returning seniors like **Brian Johnston**, **Paul Lemire**, and **Carter Hovland**. With great play by freshman **Bill**

Churchill and junior goalie **Josh Brown**, as well as senior **Brett Lieberman**, the team had incredible power. The soccer team once again placed high in the Camino Real League. This year's team was led by coach **Tony Morojan**.

The J.V. team was led by coach **Norm Towers**, who remarked, "The J.V. team played beyond expectations." The team was led by sophomores, **Rhys Williams** and **Scott Rush**, yet was fortunate to have an abundance of strong players.

Girls Soccer Sweeps Up

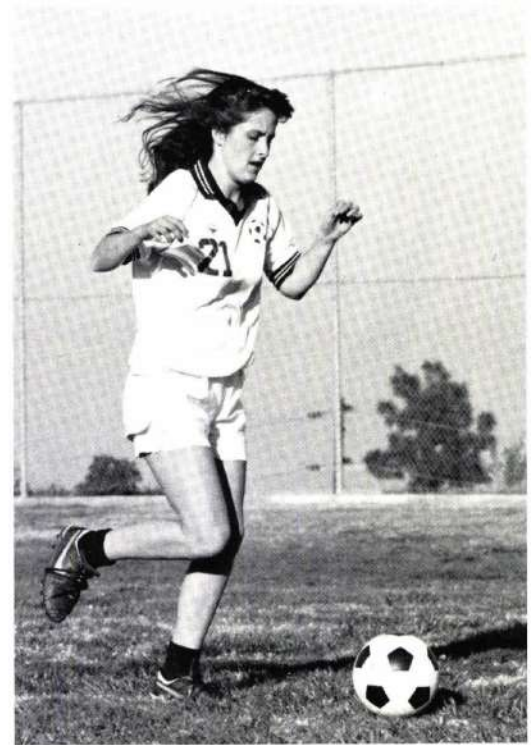

This year's Girls Soccer teams could be best described in one word: Power. Star performances from seniors such as **Krista Connors** who held off the opposing front, and the double trouble twins of **Michelle Moses** and **Marcelle Moses** who led the offensive attack. This year's offensive was also led by freshman **Stephanie Milam**, who became one of the Miraleste's top scorers. Help also came from jun-

iors **Ellen Gordon** and **Laina Adler**.

The J.V. team was also driven by power: team power. Led by junior captains **Helen Foster**, and **Heather Chamberlain**, the J.V. team was both offensively and defensively balanced with great performances from goalie **Amber Habib**, halfback **Candice Corette** and forward **Mariah Fillers**. Both teams proved to be a force to be feared.

This year's Varsity Baseball team was coached by **Ken Russell** and **Bill Ryan**. The team had many powerful players returning from a strong season last year. Pitcher **Joe Carey** led the team to many victories. **Greg Keese** proved to be a talented addition to the team along with star performances from sophomores **Scott August** and **Pat Hubbard**. **Paul Lemire** and **Mike Ryan** proved to be the backbone of the team as both had strong individual

performances throughout the course of the season.

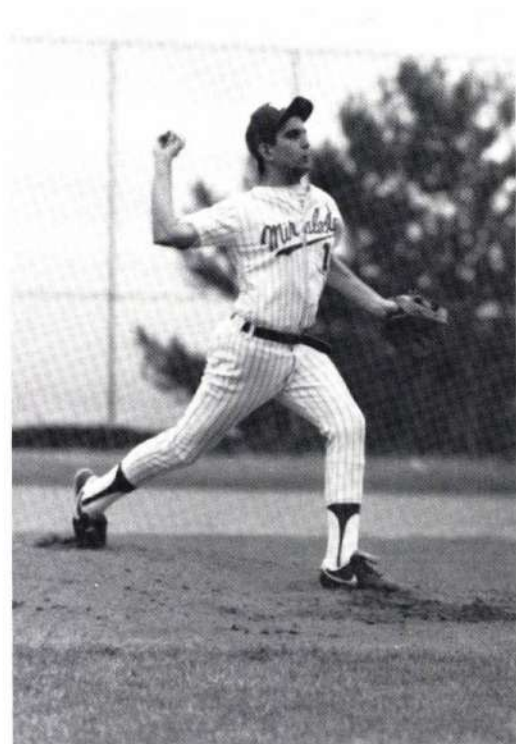

The J.V. team was led by coach **Scott Snyder** who was a very committed coach. **Snyder** said that the teams' key players were **Bill Churchill**, **Scott Gorden** and **Graham Olton**. These players led the team to many of their victories. Other players such as **Sean Kelly** and **Brad Sherman** helped to add even more strength to the already strong team.

Girls Swimming Captains-Carlie Fisher, Nancy Tanaka, and Kena Yokoyama

Drowning the Opposition

This year's Boys Swim team was led by a new coach, **Dane Osborn**. Before the season started, **Dane** was asked what kind of team he had. He said that he didn't know and he'd just have to wait and see. Well, we waited and saw that they had a great team with a lot of skill. The team was led by captains **Jon Rodrigue** and **Andy Zinn** who proved to be great leaders.

The Girls Swim team was led by a new and inspiring coach, **Kurt Frederick**. **Frederick** knew that he had a lot of talented and committed

swimmers including **Nancy Tanaka** and **Stacy Samsonov**, of whom he said, "... are determined swimmers. They're here for every workout, ready to work." This year the team was led by captains **Kena Yokoyama** and **Carlie Fisher**, two juniors who set the pace for the rest of the team. Although this year's J.V. team was small, they were stronger than ever. **Abby Toering**, **Ann Reynolds**, and **Becky Markman** were especially strong and helped to make the team a powerful one.

Set'n the Trend

The Boys' Volleyball team was noticed on every court in every gym this year no matter who they were competing against. Not only did their unbeatable skill make them hard to miss, but their uniforms were unforgettable and impossible to ignore. This aspect only made them even more endearing to the cheering crowds.

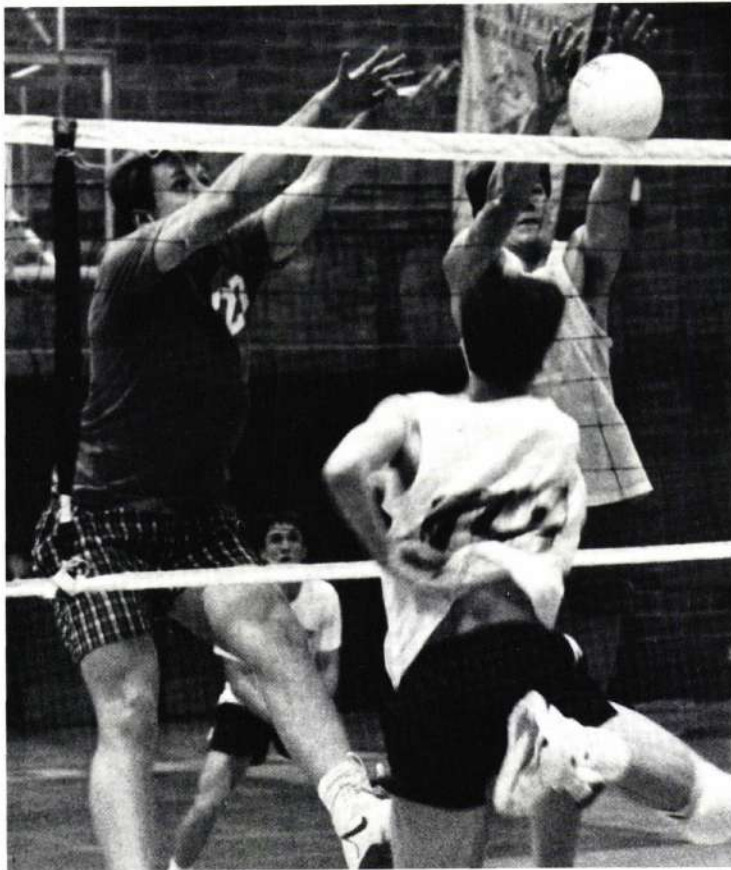

The varsity team was coached by **Mr. Henkel**. **Brian Johnston** was the team's key player and many on the team felt that he was the entire team in one. Meanwhile, setters **Frank White** and **Cary Ruby** kept

the team alive by setting up one perfect play after another. Newcomer **Ramon Mol** was an extremely valuable player with his blocks that let nothing through. This year's team had an amazing season with numerous, unforgettable victories.

Coach Hare led this year's J.V. team along with captains **Dave Whittlesey** and **Mark Tabesh**. The team had a lot of talented players and it showed on the courts. The team worked together to make their year a powerful one.

Chipping Away Opponents

Since last winning the C.I.F. Championship in 1983, **Coach Wilton** has been busy composing a team of highly motivated golfers to recapture the crown. The team had several key tournaments and matches where they could prove their skill and performance in golf. Participating in the ever-so-competitive Bay League, which includes powerhouses like Palos Verdes, Rolling Hills, and Santa Monica, the team

also competed in the Nogales Open.

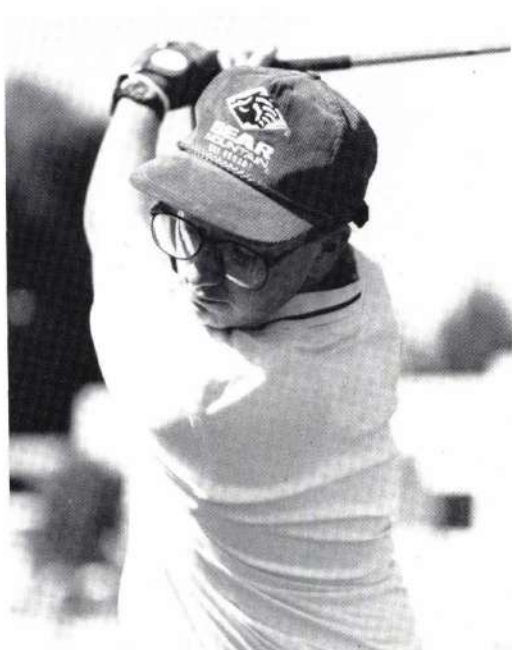

Leading the troops to victory was returning senior **Greg Markman** who was also joined by standouts **Jack Woodruff**, **Shadd Brown**, **Jerry Pilato** and **Ben Bellingham**. Commenting on the success of his players, **Wilton** remarked, "it would be nice to capture the championship once more before the school closes."

High Speed Competition

With the return of several experienced, broad-depted runners, this year's track team ran away with numerous, well-deserved victories. These came against the ever-so-competitive teams of the Camino Real League featuring Junipero Serra, Bosco Tech as well as others. Under the well-appreciated leadership of Coach Maynard and Towers, both the guys and girls teams had worthwhile seasons.

Leaders of the boys included short distance standout Joe LoGi-

udice, hurdler Leif Halverson, as well as sprinters Ashi Malekafzali, Lance Lauchengco, Kent Schoen, and David Tanaka. These returning runners added the depth necessary for the success of the season.

Standouts from the Marauder girls' team included juniors Mesha Stow, Jen Huie, Eden Serina and Tessy Wolf. These girls not only assisted the team in achieving victory, yet also, most inspiring, cheered the entire team on to winning!

Co-Tennis Coach **Mr. Graves**

A Victory Swing

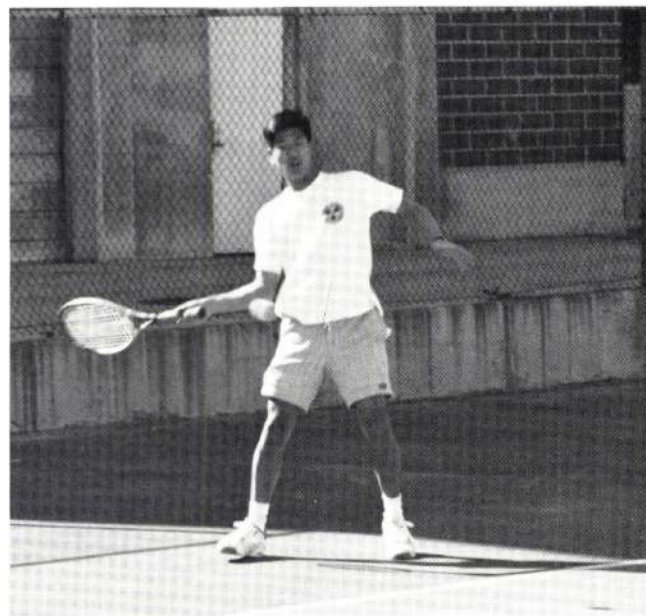

Although the Marauder boys tennis team faced a dramatic decline in experienced varsity players from last year's squad, the team indeed proved to be a challenge to even the most powerful teams in Southern California. Matches against Palos Verdes, Rolling Hills, Beverly Hills and Newport Harbor were among the most decisive in terms of qualifying for the C.I.F. 4-A playoffs, yet the team played quite well against 2-A powerhouse Harvard as well as San Pedro and Redondo.

Coaching this year's squad were

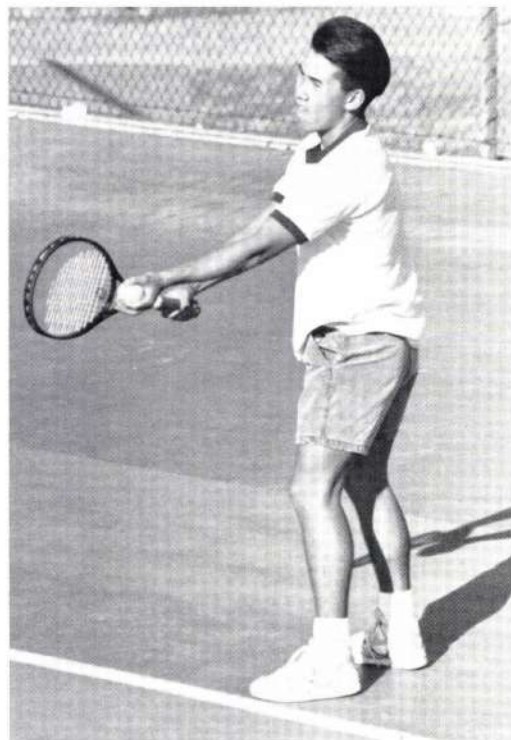

once again **Coaches Hanson and Graves** who provided much needed leadership. Key starters returning from last year's squad included **Fred Lie, David Margolis, James Reynolds, Scott Baggett, Robert Fujita** as well as newcomers **Loren Peters (#1 singles player), Andrew Weller, Sean Finnigan, and Stan Nurdjaja**. The team not only survived its bitterly competitive schedule, but also kept the Miraleste tennis tradition of excellence alive before the school's planned closure.

English

"One goal the English Department strived for this last year was the development of a teaching technique that would reach students of varying levels of ability," said **Mrs. Newman**.

Since many of the students in English I and II were studying world history, much of the assigned literature was meant to enhance each student's global perspective.

In English III, students read literature written by American authors from the Puritan era through modern times. The vocabulary studied in this level was meant to improve SAT scores and students participated in a variety of oral and listening activities as well.

Even though the pressure was on **Mrs. Hanson** this year to teach the

whole senior class, she proved equal to the task. The English IV student read works from the Ancient East through recent literature, and participated in an extended speech unit which included oral and dramatic interpretations of the literature. **Mrs. Hanson** placed an emphasis on learning the formal research process involved in writing a thesis paper as well as on essay writing skill.

In each level of English taught at Miraleste, the class discussions, reading and writing experiences helped English teachers achieve the English Department's goal of reaching students of all abilities and made English classes at Miraleste enjoyable as well as educational.

Mrs. Newman, co-department head, waits patiently for the right answer.

Foreign Language

Department head **Madame Maier** sure knows her language.

The foreign language teachers at Miraleste have created their own unique curriculum.

"We believe that it's most important for a student to be able to speak and understand the foreign language. With that philosophy in mind, all of our objectives and goals are communicative," said **Madame Maier**.

The foreign language teachers obviously have been doing something right because Miraleste students have consistently scored high on the AP exam. Also, since the foreign language teachers at Miraleste have placed an emphasis on communication, the Miraleste students are usually comfortable

with expressing themselves in front of large groups of people in the foreign language.

The Miraleste high school student exchange system has worked out remarkably well this last year. Students from various countries such as Germany, Holland, and France arrived on the Miraleste campus at the beginning of the year and added their own unique values and traditions to the student body here.

The French exchange student program run by **Madame Maier** this last summer also worked out quite well. Many of the Miraleste students who hosted built up friendships that will last a lifetime.

Math

Math was a subject that many people dreaded. There were those who excelled, as in any subject, but there always seemed to be more who were struggling just to get by. At Miraleste there were many excellent teachers who were willing to add that little something extra to learning all of the complicated formulas, rules, and equations that just had to be accepted as correct.

When a student walked into **Mrs. Kelford's** room, the first thing they may have noticed were the posters about drunk driving and the consequences that were posted all over the walls. They might also have noticed the wall that was devoted entirely to cartoons having a math theme.

Some teachers at MHS were also known for their little sayings that they constantly used during the year. One

saying that stuck in everyone's mind was **Mr. Koch's**, "Is everyone copacetic today?" That became a common word used by students that had him for either Algebra or Calculus. **Mr. Hanson** was also well known for his saying, "apples are apples and oranges are oranges."

Mr. Henkle was a teacher known for his outlandish college colored sweat suits. When one of his kids attended USC and the other UCLA, he decided to support them both on the day of the big football game that placed the two teams against each other. He wore half maroon and gold, and half blue and yellow. His team spirit was carried over into his teaching.

Teachers such as these helped to guide the students of MHS beyond just the x's and y's and into a true appreciation of mathematics.

Science

Science department head, **Mrs. Kurt** makes physics fun!

This year was quite an exciting one for the science department due to two new additions to Miraleste. High-tech computers arrived around mid-November that allowed students to measure PH and temperature, and to plot distance-time, speed-time, and acceleration-time graphs.

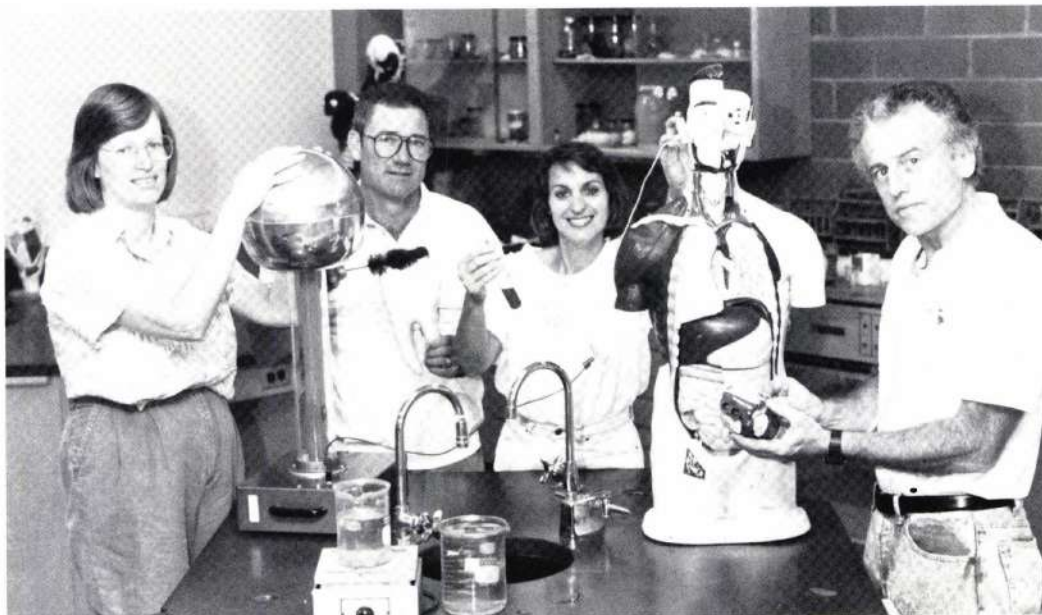

These new computers were instrumental in helping both chemistry and physics classes with their labs. Subsequently, this year brought an increase in the use of labs in science classrooms.

Biology 1 and 2H classes received the other new addition to the science department- a video disc player. This served as a high quality

VCR and greatly facilitated the viewing of biology class filmstrips.

This year **Mr. Calabrese**, (who taught seventh grade Health for the first time), and his Biology 2H class again made plans to visit the L.A. College of Chiropractics and view cadavers. This field trip was a highlight for the interested students, but a disadvantage to those who were easily frightened by the sight of the human anatomy!

Mrs. Kurt, the chairman of the science department, was very pleased with the way the year unfolded. She was excited that "so many students had the opportunity to be enrolled in science classes" this year.

Social Studies

Have you ever wondered what stock market crashes, Greek Olympics, visits from Hare Krishna, and trips to Washington D.C. have in common? At Miraleste, everyone knows they were some of the planned activities in the social studies unit.

Each year, **Mr. Maechling** has two fun units planned for his classes of World History. Along with the Greek unit, they also have the Russian unit, where students participate in activities such as writing newspapers, preparing a true Russian meal, and learning folk dancing.

This year, a beloved class was brought back to the M.H.S. curriculum, Comparative Religions. Many different religious groups came and visited this class to broaden the students' horizons. **Mr. Maechling**, a firm believer in Karma and Buddha, hoped to share the beliefs of others with our school.

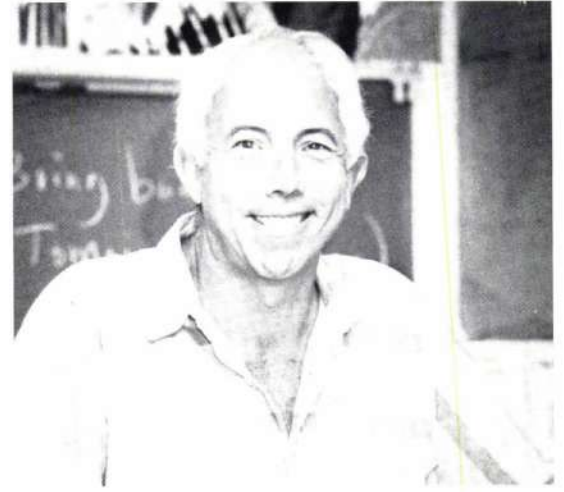

Mr. Hare's 8th grade social studies class had the opportunity to travel with him and fellow classmates to Washington D.C. over summer va-

cation. Many students participated and **Mr. Hare** vowed to keep up this valuable learning experience.

U.S. History was a class all juniors looked forward to. **Mr. Beardslee** kept interest up in this class with many group activities such as Civil War projects, Vietnam dress-up day, and work with the stock market. During the stock exchange, students were able to buy stocks, but they had to be careful of crashes that sometimes popped up, and rejoiced when their stock went up in value.

7th and 8th graders were taught by **Mr. Kaczmarek** and **Mr. Albanese**. **Mr. Kaz**, as he is fondly called, lightened up his class with his many jokes and stories. History in 7th grade is a class that students remember for a long time.

Miraleste social studies is quite an experience. Each year guarantees something new and exciting for the upcoming students. All the teachers have combined their talents to create a meaningful learning experience for all the students that enter their classrooms.

Physical Education and the Arts

Co. Dept. Head — **Karen Darling**

How did the students keep in shape from day to day and still have time for other hobbies? The answer at Miraleste was physical education with **Jim Dugan** and **Karen Darling**. All 7th and 8th graders were required to take this class, as were freshmen and sophomores who did not actively participate in sports.

A major goal in P.E. was the Presidential Physical Fitness Award Program. This year **Mr. Dugan** and **Mrs. Darling** had hoped more students would take an interest in this program and raise their scores to national levels.

Mrs. Darling is also a health teacher at M.H.S. She wrote the health guidelines that were used throughout the district. This year she brought the teaching of health into her P.E. classes to try to get the kids more interested in their personal health.

"I think you can create your own destiny, and education sets a foundation for that," said **Mrs. Darling**.

Ceramics, Basic Design, and Drawing and

Painting were all classes taught by **Pat Smith**. He has been a teacher at Miraleste for many years, and this year continued to awe his students with his amazing ceramic creations.

Mr. Maynard took over the typing class this year along with his usual classes of wood shop, mechanical drawing, and 7th and 8th grade industrial arts. He was also the athletics teacher for out of season athletes, and the Girl's Varsity soccer coach. His stories were a constant source of amusement to his students, who marvelled at his life-time adventures.

The director of the marching band was **Mr. Albanese**. He has been a music instructor for many years and has brought the M.H.S. marching band to new heights.

The department of Physical Education, Arts, and Technical Arts was a very strong one this year. The intramurals at lunch time brought a source of exercise to all interested Mini-Marauders, and art classes were filled with eager students ready to create masterpieces.

Classified and Certificated Staff

Throughtout the year, there was much that went on outside the settings of the regular classroom.

A visit to the library brought students in touch with new computer technology designed to assist their research, while just short of a walk away, the staff of the health office was always ready to help with the daily bumps and bruises.

The clerical staff in the office

proved to be the "behind the scenes" backbone, as they provided the students and faculty with the necessary support to make it through each day.

While the campus supervisors worked to maintain a safe environment, Frankie and his staff went above and beyond the call of duty to keep the campus clean and in working order.

A View From the Top! Wow! What a complex, whimsical phrase meaning a whole lot. Yet, the feelings and lifestyles of Miraleste students certainly revolve around this theme: having confidence, staying alive and basically striving to be the best.

Fortunately, the El Mirador staff has formulated a perfect portrayal of the long, rigorous climb to the top. The seventh and eighth graders have just begun with their overloaded backpacks that seemed much bigger than they were. However, we must applaud the eighth grade for making it to the first rest stop before encountering the steep trails of high school.

As for the Class of '94, the freshmen got a glimpse of rough roads, but look forward to smoother rides as upperclassmen. The sophomores got behind the wheel and strove for new heights. Keep on pushing Class of '93, you're almost there! The enthused juniors, Class of '92, challenged the seniors to a great race, but reached a fork in the road when they realized they have one more year to go!

At last, the seniors have reached their final destination: graduation. For them, the view is victorious and well deserved. Good luck and congratulations!

The Gift of Friendship

Friendship is a priceless gift
It can't be bought or sold.
But its value is far greater than
A mountain made of gold.
For gold is cold and lifeless,
It can neither see nor hear
And in time of trouble
It's powerless to cheer,
It has no ears to listen
No heart to understand.
It cannot bring you comfort
Or reach out a helping hand.
So when you ask God for a gift
Be thankful if He sends
No diamonds, pearls, or riches but
The love of a real friend.

Friendship defies age and ignores distance.
It weathers the hard times and shares the good.
Together we have found this.

Our friendship has provided acceptance and understanding in a world that pushes
people apart.
But I will always remain with the memories of the times we have shared knowing how
fortunate I am to be able to call you my friend.

CONGRATULATIONS AND ALL THE BEST OF LUCK TO THE CLASS OF 1991!!!

It's taken me a long time to find true friends, but I finally have. Words can't express how much you all mean to me. The times we've shared together have been the best times of my life and they will never be forgotten. Thank you for all you've done for me. I love each and every one of you very much. You're the best friends anyone could ever ask for. I'll miss you.

A Friendship That Will Never Be Forgotten Krista and Christine

We have a relationship that can never be replaced. The time we've spent together will never be forgotten. As time goes by people and relationships change. Since 8th grade we have been changing and so has our relationship. The never ending list describing our friendship is ever so precious. We've shared the hard times. We've cried tears together. We've hurt each other and soothed each others pain. We've talked forever on the phone. We've laughed together. We've been immature together. We've listened to each other. We've stood up for each other. We've always cared for each other. Our friendship contains a very special love that will never be forgotten. The laughter and goofiness will stay with us forever. Sometimes we've needed space, and we've respected one another for feeling that way. We will never be able to put a price on our friendship, it is something that can not be bought! Since I was 12, and you were 13 the fun and laughter has been an emotional strain on our stomachs. Both of us are 17 and we have matured, but those 12 and 13 year old girls will always be in our hearts! There is so much to say, and so many memories that I could type for eternity.

Christine, I will always love ya, and I will never forget the time we have spent together. Krista, *Thank you for all the great times. Our friendship can never be replaced.* Best Friends Forever and Ever!!

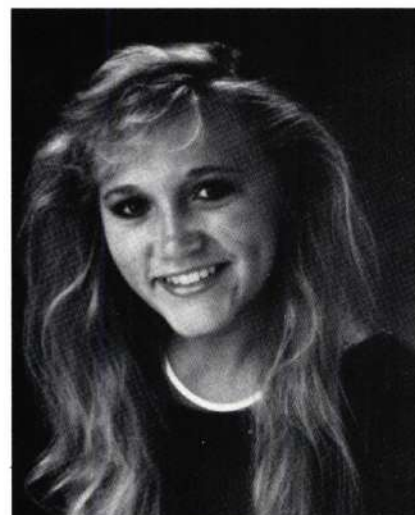

Love always,
Krista

Michael #8 - Thank you for being the best friend anyone could ever have. I would have never made it without you. K.I.T. we'll go to the batting cages! I LOVE YOU TONS!

Joey - Thank you for confiding in me. It's been a privilege to be "your gal." I will always remember the special times I've spent with you. Good luck in your future, Dr. Carey. I LOVE YOU!

As friends go through life their lives go in different directions and they begin to drift apart. Through the years each and everyone of you has grown with me deep in my heart.

It's sad to say these years are at an end, but as they say, in time a lonely heart will mend. All I will have to do is think of every one of you. Laughing, singing or crying, I've shared dreams, the truth and a special kind of love too.

Talking about guys or planning our spys, on the phone or in each other's homes...I'm in your sweater, you're wearing my leather...But, the friendship we have will never sever.

Even though we're at the end, we will be best friends forever.

*Good-bye, I'll miss you,
I love you all
Deanna*

Giggles - CL, 2 of everything, PS '90, where's my house?, Madonna, tragic summers, who should I go for?, my shrink, bun. Without you I wouldn't be sane, Shan. I love you.

Beaner - The Beach Boys in '87, then guys, the TP pole in '90, what's wrong with us?? SB, PS '90, we've been through it all. Best wishes with love.

Missi - In so little time we've gone through so many good and bad times & still made it this far. We've had so many memories... H₂O's Club, J.B.'s summer school '89, roomies, want to fight?, how do I get out of it?, I like to crash my car!! LUV YA.

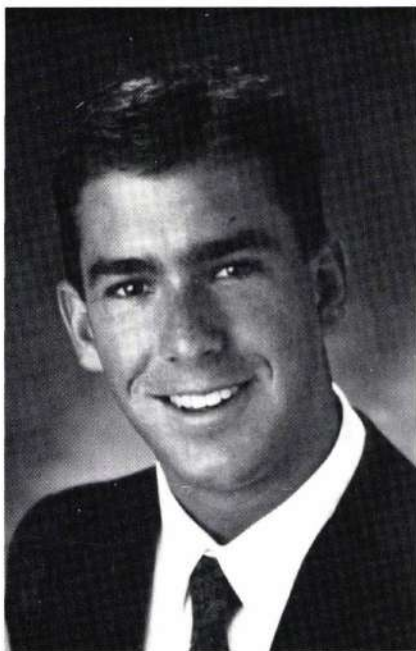

Shmeb - Hawaii '90, SB, PS, material world, stay out of those refrigerators, you can "dock" at my house. You've been a great friend throughout the years. Thanx for being you! I love you!

TO ALL OF MY FRIENDS:

Somehow, a simple "Thank You" doesn't really measure up to what I'd like to say and give . . . for everything you've given me. I think that maybe a jar of moonbeams, or maybe a rainbow would be more appropriate. I only wish I had them to give you. Until then I thank you from the bottom of my heart . . . I Love You ALL . . . AMY

Sorry to my friends that I do not have pictures shown, but this "thank you" goes to you too: Julie, Morganne, Mayu, Chung, Jeff, Sheila, Nicolle, Deanna, Jason, and most of all, Paula!

MOMMY and DADDY — I know that sometimes life is hard, but remember that I am always going to be here for you to help you through the good and bad times. I will always be your little girl at heart. I Love You Both!!!!

Thank you so much for all of the special memories and great times we have spent together. Forever you will be in my heart. I love you guys! All my love, Jen.

Together we've shared so many special memories. I feel so close to each and everyone of you. I love you guys so much. Cheers to our MHS years! Nora

The past years we've spent together have been the best years of my life. Thank you for all the special memories we've shared and for your friendship. I love each of you so much. You guys mean so much to me. Love, Stephanie

We all knew it would end, but somehow it seemed so far away. Friendships like the ones all of us share, will never be forgotten. Even though we will be apart, in our hearts we will all be together. Thanks for everything. All of you mean the world to me! All of my love and friendship. Jill

Whenever I need a friend, you always seem to be there.
You help me with my problems, and our jobs together we share.
I can't imagine life without a friend like you,
Once we get together we're an invincible two.
All the fun I've shared with you will never be replaced.
Together we've had many good times, and conquered the problems
we've had to face.
So I want you to know that I am always here
If you ever need a friend to make your thoughts clear
And we must go separate ways, as many good friends sometimes part.
We leave with good memories, and special places in one another's heart.

From this day on we are independent, free to make decisions of our own. We will continue to explore our future though knowing what's been instilled in the past. Not a person in the world can take away what we share. So as each day passes; remember all the memories, all the fun times, and all we have to look forward to. Reach for your hopes and dreams. We'll miss you. Best of luck.

Friendships like yours are so very special and rare, and through our friendships I've grown to love each of you. You've made me laugh, you've made me cry, but most of all you've made me the person I am today. I can't imagine high school without thinking of all of you, and the times, troubles, and adventures we shared. Though we will be going our separate ways our memories will never be forgotten and our friendship will remain close at heart. You guys are the best friends anyone could ever ask for. Thanks for everything, I love you all.

Love,
Christine

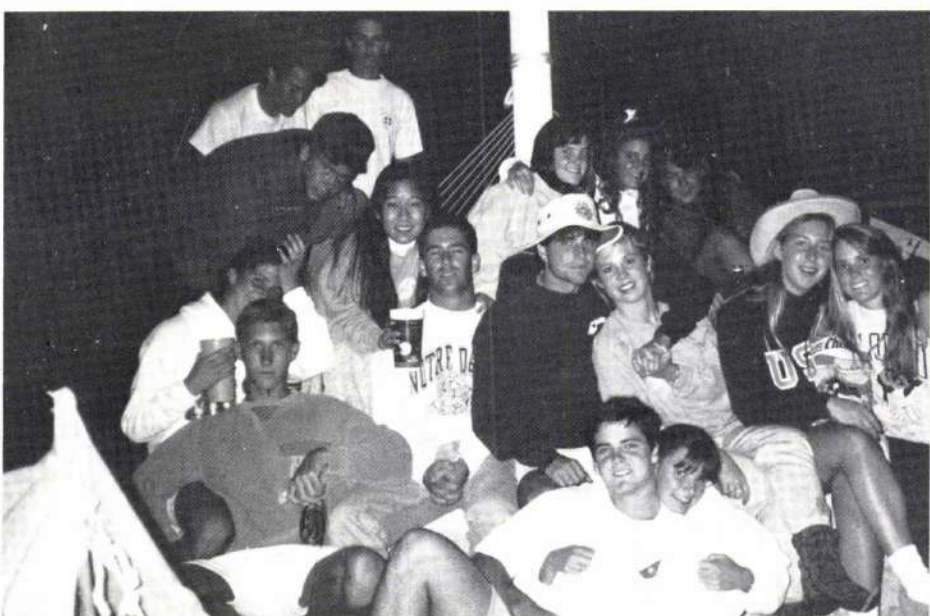

THE BEST OF FRIENDS, THE BEST OF TIMES!

You have given me an insight on life, and the ability to love. For all you have done, for the gifts you have given, I thank you with the whole of my heart. You have been my inspiration. I love you & will miss you all very much. Good Luck!

"SARNOT"

Any resemblance to persons living or dead is NOT purely coincidence.

I woke up this morning late for one of my last days of high school. Jumping out of bed I sped up to school to avoid a seventh tardy. As I searched for a parking space I realized how deeply my 4 years as a Miraleste Marauder have touched me. With graduation only a breath away, (providing I didn't get this seventh tardy) a lump rose in my throat while I reflected on the memories I have had at Miraleste.

You have all been the best friends ever. The past 4 years have been incredible, looking back I would never change a thing, not even the difficult times, because they are what made me realize how special you all are. It's been the most wonderful period in my life yet, and the greatest thing is, we've got so much more to look forward to!

So, essentially I dedicate this final Omniscient Journal to the class of '91. Thanks for the memories!

Goodluck, later!

Loren: Remember this Boingo Quote if you think our friendship will ever end — "If we listen to the voices; that were silent for so long, If you thought they went away: well you couldn't be more wrong."

Greg: "The greater and more complex the mind, the greater the necessity for the immature play" According to this quote, we are brilliant—"Great Minds think alike": according to this picture we have great minds. In fact, our minds are so brilliant & great we end up in the P.V. jail and various Mexican jails.
